Humana plans with veterans in mind

At Humana, our commitment to veterans runs deep. We’re proud to be the national Medicare plan provider that works with veterans service organizations like American Veterans, Veterans of Foreign Wars and Disabled American Veterans.

The Humana USAA Honor plans are the nation’s only Medicare Advantage plans designed in partnership with USAA. They are built to support the needs of veterans with coverage options whenever and wherever they need it. We call it human care.

Humana®

With VA healthcare only, you’ll miss out on:

Care outside of VA facilities

Access to non-VA doctors

Ability to use the pharmacy of your choice outside of the VA with a Medicare Advantage prescription drug (MAPD) plan

Humana MA and MAPD plans

Humana USAA Honor plans are available to anyone with Medicare—regardless of veteran status or USAA membership.

Humana USAA Honor plans are a type of Medicare Advantage (MA) plan, and Humana USAA Honor with Rx plans are a type of Medicare Advantage prescription drug (MAPD) plan.

Both plans allow you to see a wide range of providers. If you care most about having a large national network, a preferred provider organization (PPO) plan may best meet your needs. If your priority is keeping costs in check, a health maintenance organization (HMO) plan may be the best fit.

An MAPD plan includes everything that an MA plan includes, then adds on prescription drug coverage. With VA healthcare, you already have prescription drug coverage, so a Humana MAPD plan’s drug benefit remains separate from your VA drug coverage. You can choose which one to use for each prescription.

Benefits of a Humana USAA Honor plan include:

- \$0 premium
- Dental coverage, including plans that cover cleanings, exams and more
- Access to non-VA emergency services and urgent care
- Many providers across multiple large Humana networks
- Low copays for provider visits
- Available to anyone eligible for Medicare, regardless of veteran or USAA member status

Benefits of a Humana USAA Honor with Rx plan:

- Everything you get with a Humana Honor MA plan
- Prescription drug coverage with a wide network of non-VA pharmacies
- Copays as low as \$0 for Tier 1 and \$0–\$10 for Tier 2 drugs
- Available to anyone eligible for Medicare, regardless of veteran or USAA member status
