Jeff Lesesne, M.D., MBA

Regional Medical Director
South Carolina's Market

The CenterWell Regional Medical Director (RMD) supervises health care services and monitors patient experience and health outcomes to ensure each center meets our quality of care standards. The RMD builds strong relationships with specialists and other providers focused on serving seniors to establish a referral network for patients. In addition, the RMD oversees CenterWell's wellness programming.

Dr. Lesesne has joined CenterWell as a fellowship-trained, board-certified Geriatrician. His dedication to the care of vulnerable, older adults was evident throughout his career at Emory University, where he completed his fellowship in geriatric medicine, internal medicine residency, and internship and earned his medical degree. He holds an M.B.A. in Healthcare Administration from Western Governors University and trained in managing healthcare delivery from Harvard Business School.

How we help agents

In addition to putting your clients first, we help you by:

- Integrating population health analytics, social support services, and chronic care management into our care model to ultimately drive improved patient health outcomes
- Hosting and participating in senior-focused grassroots marketing and community engagement events
- Inviting you to use our activity centers to conduct educational events and sales seminars with your members and prospects

At CenterWell, we value the work that you do to guide seniors with their healthcare choices.

Insurances accepted

We accept Original Medicare in most centers, as well as many Medicare Advantage Plans, including Aetna, Allwell, BlueCross BlueShield of South Carolina, Cigna Medicare, Humana and WellCare Medicare Advantage plans.
