The Louisiana Managed Medicaid Program is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has care coordinator and care teams to help you manage all your providers and services. They all work together to provide the care you need.

B.Provider Directory

The Provider Directory lists the health care professionals, facilities and support providers in our network that you may see as a Humana Healthy Horizons in Louisiana member. We also list the pharmacies that you may use to get your prescription drugs.

What are "network providers"?

Network Providers include:

- Doctors, nurses, and other health care professionals that you can go to as a member of our plan
- Behavioral health professionals that provide specialized services for mental health care
- Clinics, hospitals, nursing facilities, and other places that provide health services in our plan
- Home health agencies, durable medical equipment suppliers, and others who provide goods and services that you are eligible for

You must get care from network providers. Usually the plan will not cover care from a provider who does not work with the health plan. Here are some cases when this rule does not apply:

- Plan covers emergency services from an out-of-network provider
- Family planning services from any Qualified Provider of Family Planning Services
- Care at Federally Qualified Health Centers (FQHCs) and Rural Health Clinics (RHCs)

Both Member Services and our website can give you the most up-to-date information about our network providers. Please see Section C of this directory for how to contact us.

Some of the services we provide are covered only if your doctor or other network provider gets approval from us first. This is called prior authorization. Your provider will ask for a prior authorization from us and should schedule these services for you. Humana Healthy Horizons in Louisiana will not pay for these services if they are done without prior authorization.

You can request prior authorization for a service by:

- Completing prior authorization form located at Humana.com/humanalouisiana and mailing it to:
  P.O. Box 14822
  Lexington, KY 40512-4822
- Calling Member Services at 1-800-448-3810 (TTY: 711)
- Contacting your Care Manager, if you have one

To see a list of services that need prior authorization see the member handbook.

You have rights as a member of our plan. Your rights shall include, but are not limited to:

- Right to be treated with respect
- Right to participate in decisions regarding healthcare
- Right to receive a copy of your medical records

What are "network pharmacies"?

Network pharmacies are pharmacies that have agreed to fill prescriptions for our plan members. Use this Provider Directory to find the network pharmacy you want to use.

Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Both Member Services and our website can give you the most up-to-date information about our network pharmacies. Please see Section C of this directory for how to contact us.
