Finding providers in your plan

Your primary care physician (PCP) is your main source for healthcare, and should coordinate your care. You may see any provider within our network, including specialists and inpatient hospitals, without a referral from your PCP. We do recommend you call your PCP to tell him/her you are going to the other provider.

If you need a special service or procedure, call Member Services at **866-432-0001 (TTY: 711)**, Monday – Friday, 8 a.m. – 8 p.m., Eastern time, to find out if prior authorization or approval is necessary.

You will find a list of in-network providers in our provider directory at **Humana.com/ FindADoctor**. If you would like a printed copy of the provider directory, call **866-432-0001 (TTY: 711)**.

It is important that you select a doctor and make regular visits to maintain your health

It's important that your primary care physician (PCP) is close to your home or work and is able to meet your health needs as well as cultural needs, such as language preference. If you wish to change your PCP, visit our Physician Finder at **Humana.com/FindADoctor**, where you can compare doctors in our extensive provider network. Or you can call Member Services at **866-432-0001 (TTY: 711)** to change your PCP.

How to get care after hours

If you need nonemergency care after business hours, you can contact our 24-hour nurse advice line at **877-837-6952** or you can contact your PCP's office. If it's an emergency, call **911** or go to the nearest emergency room.

What to do in case of an emergency

Emergency services are those services that you get when you are very ill or injured. These services try to keep you alive or keep you from getting worse. They are usually delivered in a hospital emergency room.

If your condition is severe, call **911** or go to the nearest emergency facility right away. You can go to any hospital or emergency facility. If you are not sure if it is an emergency, call your primary care physician. Your PCP will tell you what to do.

The hospital or facility does not need to be part of our provider network or in our service area. You also do not need to get approval ahead of time to get emergency care or for the services that you receive in an emergency room to treat your condition.

If you have an emergency when you are away from home, get the medical care you need. Be sure to call Member Services when you are able and let us know.

Special care from pregnancy to parenthood

At Humana Healthy Horizons, we know you want your baby to have a good start in life. We support both of you with benefits designed specially for your needs, including:

- Prenatal and postnatal coverage
- Rewards for OB-GYN visits
- One-on-one care management
- Automatic plan enrollment for newborn at birth

It's peace of mind for you—so you can focus on loving your baby.

If you would like to choose a different health plan for your baby, you may contact South Carolina Healthy Connections Choices after delivery to request a change.

HumanaBeginnings offers services and support

All moms need help during pregnancy and after their baby is born. HumanaBeginnings® is a program that helps pregnant women and new moms—and their babies—get the special care and guidance they need. You will work one-on-one with a nurse care manager who can:

- Help with prenatal and pediatrician appointment scheduling
- Offer healthy eating and exercise advice
- Provide postpartum information and support for you and your newborn

You can even earn rewards for completing your appointments.

Accessing your behavioral health services

There are times when you may need to speak to a therapist or counselor.

We cover many different types of behavioral health services that can help with issues you may be facing. You can call a behavioral health provider for an appointment. You can get help finding a behavioral health provider by:

- Calling **866-432-0001 (TTY: 711)**
- Looking at our provider directory
- Going to our website, **[Humana.com/HealthySouthCarolina](https://www.humana.com/HealthySouthCarolina)**

You do not need a referral from your PCP for behavioral health services offered by an in-network provider.

In case of a behavioral health emergency, you can contact our behavioral health crisis line anytime at **833-364-2274 (TTY: 711)**. They can help you get the care you need.
