You must make at least 1 phone call or send 1 text message every month, to keep your benefit. One free cellphone per household. Enrollees who are under 18 will need a parent or guardian to sign up. Unused minutes and data will carry over from month to month. One month equals 30 days. Benefits are subject to change by the FCC under the Lifeline program. SafeLink® is a Lifeline supported service. Lifeline is a federal benefit that makes monthly telephone and broadband service more affordable for eligible households. Your household may receive the Lifeline benefit for telephone service OR broadband service, but not both. For Lifeline telephone service, your household may receive the Lifeline benefit for one mobile OR one fixed home telephone service, but not both. For Lifeline broadband service, your household may receive the Lifeline benefit for one mobile broadband OR one fixed broadband service, but not both. Your household may not receive the Lifeline benefit from more than one service provider. For the purpose of Lifeline, a household is an individual or any group of individuals who live together at the same address and share income or expenses. Lifeline is a non-transferable benefit. You may not transfer your Lifeline benefit to another person, even if he or she is eligible. You will lose your Lifeline benefit and may be prosecuted by the United States government if you violate the one-per-household rule or otherwise make false statements to receive the Lifeline benefit. SafeLink\* is provided by TracFone Wireless Inc.
