Care delivered how and where you need it

Humana offers a variety of programs for patients who need care for complex medical situations or support for chronic conditions. Through these programs, care managers collaborate with physicians and other healthcare professionals to help patients manage their healthcare needs at home, in the hospital, by phone or email.

Benefits that put you first

Our health and well-being tools and resources make it easy to set health goals, chart your progress, strengthen your mind and body and build connections with others. It's about giving you the things you expect from an insurance company—and then finding more ways to help make your life better.

Know before you enroll

You must be entitled to Medicare Part A and enrolled in Medicare Part B as the Humana Group Medicare PPO plan is a Medicare Advantage plan.

When does my coverage begin?

Your former employer or union decides how and when you enroll. Check with your benefits administrator for the proposed effective date of your enrollment. Be sure to keep your current healthcare coverage until your Humana Group Medicare PPO plan enrollment is confirmed.

Is your provider in-network or out-of-network?

You can find a doctor who's in your network by using Humana's Find Care tool, visit [Humana.com/findcare](https://www.humana.com/findcare).

What does insurance cover?

- Every health plan is different. Check coverage details before you see a doctor, use services or have procedures.
- Sometimes, your plan may not cover procedures and treatments, or may require prior authorization. Knowing what is and is not covered may save you time and money.
- All the details about your coverage may be found in your Evidence of Coverage (EOC) or by signing in to your MyHumana account at [Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments).

What if I have other health insurance coverage?

You can enroll in only one Medicare Advantage plan at a time. Enrollment in this plan will cancel your enrollment in a different Medicare Advantage plan.

If you have other health insurance, show your Humana member ID card and your other insurance cards when you see a healthcare provider. The Humana Group Medicare plan may be eligible in combination with other types of health insurance coverage you may have. This is called coordination of benefits. Please notify Humana if you have any other medical coverage.

Do I need to show my red, white and blue Medicare card when I visit the doctor?

No. You'll get a Humana member ID card that will take its place. Keep your Medicare ID card in a safe place—or use it only when it's needed for discounts and other offers from retailers.

What if my provider says they will not accept my plan?

If your provider says they will not accept your PPO plan, you can give your provider the "Member to Provider" information page in this packet. It explains how your PPO plan works. You can also call Humana Customer Care to have a Humana representative contact your provider and explain how your PPO plan works.

Humana Medicare Insight Network

When members receive necessary routine vision services, they will be covered according to the following schedule.

Vision care services	In-network member cost	Out-of-network reimbursement
Exam (One per calendar year) Routine eye exam (includes refraction)	\$0 copay	\$0 copay Up to \$175
Eyewear benefit Benefit toward the purchase of frame and pair of lenses or contact lenses (conventional or disposable)	Not covered	Not covered

The network of providers for your supplemental vision benefits through **Humana Medicare Insight Network** may be different than the network of providers for the Medicare-covered vision benefits. The provider locator for routine or Medicare-covered vision can be found at [Humana.com/FindCare](https://www.humana.com/FindCare).

The benefit can only be used one time. Any remaining benefit dollars do not "roll over" to a future purchase.

Benefit allowance is applied toward the retail price. Member is responsible for any costs above the plan-approved amount. Lost or broken materials are not covered. Benefits are offered on a calendar basis. Any amount unused at the end of the year will expire.

Additional discounts:

Member may receive a 20% discount on items not covered by the plan at in-network locations. Discount does not apply to provider's professional services or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see our online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be applicable to certain manufacturers' products. The Plan reserves the right to make changes to the products on each tier and the member out-of-pocket costs. Fixed pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Service and amounts listed above are subject to change at any time.

Members may receive a 40% discount off complete-pair eyeglass purchases and may receive a 15% discount off conventional contact lenses once the funded benefit has been used.

Member may receive a 15% discount off the retail price or may receive 5% off any promotional price of Lasik or photorefractive keratectomy (PRK) laser vision correction procedures. Lasik or PRK correction procedures are provided by the U.S. Laser Network, owned by LCA-Vision. Please note that since Lasik and PRK vision correction are elective procedures, performed by specially trained providers, this discount may not always be available from a provider in your immediate location, so members should first call **844-608-2020** for the nearest facility and to receive authorization for the discount.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that may apply to out-of-network services.
