## Medical Only Plan (No prescription coverage through KPPA)

Plan benefits for covered services are applicable after Medicare Parts A & B benefits have been applied. Plan pays for services that are Medicare covered. If you don't have Part B, your premium amount may be higher. Please contact KPPA if you have questions. Note: Humana will estimate Part B and pay accordingly. If you don't have Part B, you are responsible for what Medicare would have paid (i.e., 80% for most services).

Humana does this solely to determine whether the service or procedure qualifies for payment under your benefit plan. You and your health care provider decide whether you should have such services or procedures. Humana's preauthorization determination relates solely to payment by Humana. To find a list of services and supplies that require preauthorization for coverage, please visit our Website at [Humana.com/members/tools](https://www.humana.com/members/tools) or call Customer Service.

Failure to obtain necessary preauthorization when required may result in a reduction of otherwise payable benefits. Your health care practitioner should call Customer Service to obtain preauthorization.
