

Risk adjustment 2025 monthly learning series July-December CME and CEU sessions

The CarePlus risk adjustment provider education team is pleased to promote the live Humana* online learning sessions for the second six months of 2025.

Some presentations offer free continuing education credit for registered participants: continuing medical education (CME) for licensed clinicians and/or continuing education unit (CEU) for certified medical coders.**

Presentations that are offered multiple times during the year will contain the same content and will only be eligible for one CEU. Along with the topic-specific webinars, there will be two additional presentations:

- **1.** The Importance of Accurate Documentation and Coding: A Physician's Perspective These sessions will focus on understanding the healthcare components related to risk adjustment and how to leverage accurate clinical documentation and coding to capture the true health status of the patient.
- 2. MRA overview These sessions will focus on risk adjustment as the Centers for Medicare & Medicaid Services (CMS) payment model for Medicare Advantage (MA) plans, designed to encourage MA organizations (MAOs) to compete based on efficiencies and quality of care rather than on ability to attract healthy individuals.

All times are Eastern Standard Time.

How to register

Registration must take place prior to the event. Please do not forward the event link to anyone else. Only registered participants will be eligible for CEUs or CMEs.

You may register in one of two ways—please be prepared to enter your tax identification number (TIN) or national provider identifier (NPI) when you register:

• While holding the control button, click "Register" next to the session you would like to attend and complete the registration process.

or

• Copy the URL listed next to the session you would like to attend. Paste the URL into a browser, hit enter and register.

After completing the registration link, you will receive a confirmation email about how to join the meeting. A link in the confirmation email allows you to add this meeting to your calendar.

If you have questions or need help with registration, email PRCE@humana.com.

- * CarePlus is a subsidiary of Humana Inc., and these educational sessions will be equally applicable to both Humana and CarePlus healthcare providers. Presentations will be facilitated by Humana educators and CarePlus providers are welcome to participate.
- ** A minimum participation time of 75% of the total presentation is required to qualify for the CME/CEU. Participants must be connected to both the audio and visual parts of the meeting for attendance to be recorded. After attendance is verified, an American Academy of Professional Coders (AAPC) CEU or American Association of Family Physicians (AAFP) CME certificate will be emailed to the appropriate participants.
