## Introduction to the Provider Directory

This directory is current as of November 25, 2025

This directory provides a list of CarePlus' current network providers for the geographic area noted on this page; however, it is only a partial listing of the providers in your network. For a full listing of the plan's network, please call Member Services (details on front and back cover) or visit our website at **CarePlusHealthPlans.com/Doctor**.

This directory is for providers in the following State(s) or counties: FL: Broward

To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

You will have to choose one of our network providers in your plan's service area listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

### CarePlus' provider network includes:

Broward

|      |                        |
|------|------------------------|
| 478  | Primary Care Providers |
| 10   | Hospitals              |
| 2576 | Specialists            |
| 434  | Ancillaries            |
| 4717 | Dentists               |
| 231  | Pharmacies             |
| 149  | Fitness Centers        |

### How to get the most out of your network

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.

If you are enrolled in a plan with a Point-of-Service (POS) benefit, you may get covered services from out-of-network providers. If you use out-of-network providers you may have to pay more with the exception of emergencies or urgent care services.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor CarePlus will be responsible for the costs.

If your plan has providers with preferred cost sharing as part of its benefits, please refer to the *Evidence of Coverage* for more information on the cost sharing for each tier.

Many of CarePlus' network providers offer telehealth services to their patients. If interested, contact your provider's office to confirm they offer telehealth services.

“ Limited handicap accessibility” – Please contact your provider for more information.

## **What you should do if you have bills from out-of-network providers that you think should be paid by CarePlus**

We cover certain health care services that you get from out-of-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) services that you get when you are outside the plan's service area, care that has been approved in advance by the plan, care provided under your covered HMO-POS benefits, if applicable, and any services which were ordered covered through an appeals process. If an out-of-network provider asks you to pay for covered services you get in these situations, please call Member Services (details on front and back cover), or send the bill(s) with a note explaining the situation to the address on the back of your ID card or the claims address listed within the *Evidence of Coverage* document.

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay. Be sure to contact out-of-network doctors before you see them to make sure they accept Medicare assignment.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

Suppose that you are temporarily outside the plan's service area, but still in the United States and territories. If you have an urgent need for care, you probably will not be able to find or get to one of the providers in our plan's network. In this situation (when you are outside the service area and/or cannot get care from network providers), our plan will cover urgently needed care that you get from any qualified provider.

If you are enrolled in a plan with a POS benefit and you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must return to a network hospital in order for your care to continue to be covered *OR* you must have your inpatient care at the out-of-network hospital authorized by the plan and your cost is the cost sharing you would pay at a network hospital.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost sharing amount for the part of your stay after you are stabilized.

## Getting Care from Specialists

When your PCP thinks that you need specialized treatment, he or she may give you a "referral"(approval ahead of time) to see a network specialist. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from the plan. This is called "prior authorization".

It is very important to get a referral from your PCP before you see a network specialist. However, you don't need to get a referral for certain services, see the section on "Self Referrals" below. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included.

Each PCP may have certain network specialists they use for referrals. This means that the specialists you can use may depend on which person you choose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. Please refer to your *Evidence of Coverage* for information about changing your PCP. If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

For information on what specialties require a referral or prior authorization, please refer to Chapter 4 of your *Evidence of Coverage (EOC)*.

If you are enrolled in a plan with a Point-of-Service (POS) option, the plan allows you to get limited covered services from out-of-network providers within the plan's service area. For more information on these services and how to use them, please refer to Chapter 3 of your *Evidence of Coverage*.

If you are enrolled in the CareAccess (HMO) plan, your network PCP will coordinate the care you receive from other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. However, referrals are not required to receive covered services from in-network providers. Please refer to Chapter 3 of your *Evidence of Coverage*.

## Wait Times

CarePlus' standards for appointment wait times for primary care and behavioral health services must meet or exceed the minimum standards as follows:

- Urgently needed services or emergency— immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention— within 7 business days; and
- Routine and preventive care— within 30 business days.

## Mental Health

For mental health or substance abuse services, you or your doctor or counselor should call Member Services for authorization using the number on the back of your identification card. For additional information, go to **CarePlusHealthPlans.com**.

For transplant related services, please contact Member Services at **800-794-5907**, TTY **711** to be directed to our Transplant Team for important information about your transplant care. You can call us seven days a week from 8 a.m. to 8 p.m. Please note that our automated phone system may answer your call during weekends and holidays.

### **Self-Referrals**

In some cases, you can get coverage for the services listed below without a referral or approval ahead of time from your PCP. "**Self-referred**" means you get services on your own from network physicians.

The following services may be self-referred:

- Emergency services, whether you get these services from plan providers or out-of-network providers. The emergency services including hospital care after you are stable (known as post-stabilization) are also covered.
- Urgently needed care that you get from out-of-network providers when you are temporarily outside the plan's service area. Also, urgently needed care that you get from out-of-network providers when you are in the service area but, because of unusual or extraordinary circumstances, the network providers are temporarily unavailable or inaccessible.
- Renal dialysis (kidney) services that you get when you are temporarily outside the plan's service area. If possible, please let us know, before you leave the service area, where you are going to be so we can help arrange for you to have maintenance dialysis while outside the service area.
- Routine woman's healthcare, which includes breast exams, mammograms (x-rays of the breast), pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, Hepatitis B vaccinations (for those at risk), and pneumonia vaccinations from network providers.
- You may self-refer to a network dermatologist.
- You may self-refer to a network chiropractor.
- You may self-refer to a network podiatrist.
- All covered preventive services received from network providers. These services are listed in your *Evidence of Coverage (EOC)*. Prior authorization may be required for some preventive services as indicated in the *Evidence of Coverage (EOC)*.
- Supplemental Benefits covered by the plan from network providers. These services are listed in your *Evidence of Coverage (EOC)*. Prior authorization may be required for some services as indicated in the *Evidence of Coverage (EOC)*.

If you are enrolled in the CareAccess (HMO) plan, your network PCP will coordinate the care you receive from other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. However, referrals are not required to receive covered services from in-network providers. Please refer to Chapter 3 of your *Evidence of Coverage*.

### **Hospital Services**

The presence of a hospital in this directory does not always guarantee that you will be referred to that particular hospital. Your physician may not admit to all network hospitals. Please consult your current or prospective physician to determine the hospitals with whom they are associated. If you are enrolled in the CareAccess (HMO) plan, you may self-refer to a network outpatient hospital. However, inpatient hospital admissions, except in emergency and urgently needed care situations, will require prior authorization from us.

### **How do you find CarePlus providers that serve your area?**

Providers are listed in this directory by the type of provider. Within each provider type, providers are listed alphabetically by state and then by county.

Some of our network providers may also be Medicaid certified. Please contact the provider's office in advance to verify their status.

If you have questions about CarePlus or require assistance in selecting a PCP, please call our Member Services Department (details on front and back cover). You can also visit **CarePlusHealthPlans.com**.

## Introducción al Directorio de Proveedores

Este directorio está actualizado a partir del 25 de noviembre de 2025

Este directorio provee una lista de los proveedores de la red actuales de CarePlus para el área geográfica indicada en esta página. Sin embargo, es solo una lista parcial de los proveedores de su red. Para ver una lista completa de la red del plan, llame a Servicios para afiliados (detalles en la portada y contraportada) o visite nuestro sitio web en **CarePlusHealthPlans.com/Doctor**.

Este directorio es para denominar proveedores en los siguiente(s) estado(s) o condados: FL: Broward

Para obtener información detallada acerca de su cobertura de cuidado de la salud, consulte su *Evidencia de Cobertura* (EOC, por sus siglas en inglés).

Tendrá que elegir a uno de los proveedores de nuestra red en el área de servicio de su plan que se enumeran en este directorio para que sea su proveedor de cuidado primario (PCP, por sus siglas en inglés). El término "PCP" se usará en todo este directorio. Generalmente, usted debe obtener sus servicios de cuidado de la salud de su PCP.

### La red de proveedores de CarePlus incluye:

Broward

### Cómo aprovechar al máximo su red

Los proveedores de la red que están enumerados en este directorio han aceptado proveerle sus servicios de cuidado de la salud. Puede consultar a cualquiera de los proveedores de nuestra red que están enumerados en este directorio; sin embargo, algunos servicios pueden requerir un referido.

Si tiene una emergencia médica, busque ayuda lo antes posible. Llame al 911 para recibir ayuda o acuda a la sala de emergencias u hospital más cercano. Llame a una ambulancia, si fuera necesario. No necesita obtener una aprobación o referido previo de su PCP.

Si usted está afiliado a un plan con un beneficio Punto de servicio (POS, por sus siglas en inglés), puede recibir los servicios cubiertos a través de proveedores fuera de la red. Si utiliza proveedores fuera de la red, es posible que tenga que pagar más, con la excepción de las emergencias o servicios de cuidado de urgencia.

Debe utilizar los proveedores de la red excepto en casos de emergencia o cuidado de urgencia o para diálisis renal u otros servicios fuera del área. Si obtiene cuidados médicos rutinarios de proveedores fuera de la red, ni Medicare ni CarePlus serán responsables de los costos.

Si su plan tiene proveedores con costos compartidos preferidos como parte de los beneficios, consulte la *Evidencia de Cobertura* para obtener más información sobre los costos compartidos en cada nivel.

Muchos de los proveedores de la red de CarePlus ofrecen servicios de telesalud a sus pacientes. Si está interesado, comuníquese con la oficina de su proveedor para confirmar que ofrecen servicios de telesalud.

“Accesibilidad limitada para personas con discapacidades” – Contacte a su proveedor para obtener más información.

### **Lo que debe hacer si tiene facturas de proveedores fuera de la red que cree que deben ser pagadas por CarePlus**

Nosotros cubrimos ciertos servicios de cuidado de la salud que usted recibe a través de proveedores fuera de la red. Estos servicios incluyen el cuidado en una emergencia médica, el cuidado que se necesita con urgencia, los servicios de la diálisis renal (de los riñones) que usted recibe cuando se encuentra fuera del área de servicio del plan, el cuidado que haya sido aprobado con anticipación por el plan, cuidado proporcionando bajo sus beneficios cubiertos en el Punto de servicio de HMO, si aplican, y cualquier servicio que se dispuso que estuviera cubierto a través de un proceso de apelación. Si un proveedor fuera de la red le pide que pague los servicios cubiertos que recibe en estas situaciones, llame a Servicios para afiliados (detalles en la portada y contraportada), o envíe la(s) factura(s) con una nota explicando la situación a la dirección que aparece en el reverso de su tarjeta de identificación o la dirección de reclamaciones que aparece en el documento de *Evidencia de Cobertura*.

Usted nunca deberá pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare para el proveedor. Pídale al proveedor fuera de la red que antes nos envíe una factura. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, si la hubiera.

Asegúrese de contactar a los médicos fuera de la red antes de consultarlos para verificar que acepten las asignaciones de Medicare.

Si tiene una emergencia, hablaremos con los médicos que le proveen cuidado médico en casos de emergencia para ayudar a coordinar su cuidado médico y realizar el seguimiento posterior del mismo. Los médicos que le proveen cuidado médico en casos de emergencia decidirán el momento en que su afección sea estable y la emergencia médica haya finalizado.

Después de que la emergencia haya terminado, usted tiene derecho a recibir cuidado de seguimiento para garantizar que su afección siga estable. Nuestro plan cubrirá el cuidado de seguimiento. Si recibe cuidado médico en casos de emergencia de proveedores fuera de la red, intentaremos coordinar que proveedores de la red se encarguen de su cuidado médico tan pronto como lo permitan las circunstancias y su afección médica.

Supongamos que se encuentra temporalmente fuera del área de servicio del plan, pero aún dentro de los Estados Unidos y sus territorios. Si tiene una necesidad urgente de recibir cuidado, probablemente no pueda encontrar o llegar a uno de los proveedores de la red de nuestro plan. En esta situación (cuando esté fuera del área de servicio y/o no pueda recibir cuidado médico de los proveedores de la red), nuestro plan cubrirá el cuidado que se necesita con urgencia que reciba de cualquier proveedor acreditado.

Si usted está afiliado a un plan con un beneficio Punto de servicio (POS, por sus siglas en inglés) y recibe cuidado médico en casos de emergencia en un hospital fuera de la red y necesita cuidado de

hospitalización después de que su afección de emergencia se estabilice, debe regresar a un hospital de la red para que se siga cubriendo su cuidado médico *o bien* debe obtener la autorización del plan por el cuidado de hospitalización en un hospital fuera de la red y su costo es el costo compartido que usted pagaría en un hospital de la red.

Si usted recibe cuidado médico en casos de emergencia en un hospital fuera de la red y necesita cuidado de hospitalización después de que su afección de emergencia se estabilice, debe cambiar a un hospital de la red para poder pagar la cantidad de los costos compartidos dentro de la red por la parte de su estadía después de que usted se estabilice. Si usted se queda en el hospital fuera de la red, su estadía estará cubierta, pero usted tendrá que pagar la cantidad de costos compartidos fuera de la red por la parte de su estadía después de que se estabilice.

### **Cómo recibir cuidado de especialistas**

Cuando su PCP cree que usted necesita tratamiento especializado, es posible que le dé un "referido" (aprobación por adelantado) para ver a un especialista de la red. Para algunos tipos de referidos a especialistas del plan, es posible que su PCP deba obtener la aprobación anticipada del plan. A esto se le llama "autorización previa".

Es muy importante obtener un referido de su PCP antes de ver a un especialista de la red. Sin embargo, no es necesario que obtenga un referido para ciertos servicios, consulte la sección sobre "Autorreferidos" a continuación. Si no tiene un referido antes de recibir los servicios de un especialista, es posible que tenga que pagar por estos servicios usted mismo. Si el especialista quiere que regrese para las visitas de seguimiento, asegúrese de verificar el referido original para ver si se incluyeron.

Cada PCP puede tener ciertos especialistas de la red que utilizan para las referencias. Esto significa que los especialistas que puede utilizar pueden depender de la persona que elija para que sea su PCP. Si hay especialistas específicos que desea utilizar, averigüe si su PCP refiere a los pacientes a estos especialistas. Puede cambiar de PCP en cualquier momento si desea consultar a un especialista de la red al que no refiera su PCP actual. Consulte su *Evidencia de Cobertura* para obtener información sobre cómo cambiar su PCP. Si hay hospitales específicos que desea usar, averigüe si su PCP usa estos hospitales.

Si está inscrito en un plan con una opción de punto de servicio (POS), el plan le permite obtener servicios limitados cubiertos de proveedores fuera de la red dentro del área de servicio del plan. Para obtener más información sobre estos servicios y cómo usarlos, consulte el Capítulo 3 de su *Evidencia de Cobertura*.

Si está inscrito en el plan CareAccess (HMO), su PCP de la red coordinará el cuidado que reciba de otros proveedores de la red del plan, como especialistas, hospitales, centros de enfermería especializada o agencias de cuidado de la salud en el hogar. Sin embargo, no se requieren referidos para recibir servicios cubiertos de proveedores dentro de la red. Consulte el Capítulo 3 de su *Evidencia de Cobertura*.

### **Tiempos de espera**

Consulte su documento de *Evidencia de Cobertura* para confirmar si su plan incluye un beneficio de transporte visitando **CarePlusHealthPlans.com/Plans**, o llamando a Servicios para afiliados (detalles en la portada y contraportada) para confirmar la cobertura y la información del proveedor.

## **Autorreferidos**

En algunos casos, puede recibir cobertura para los servicios enumerados a continuación sin un referido o una aprobación por adelantado de su PCP. "**Autorreferido**" significa que usted recibe los servicios por su cuenta de médicos de la red.

Los siguientes servicios pueden ser autorreferidos:

- Servicios en casos de emergencia, independientemente de si los recibe de proveedores del plan o de proveedores fuera de la red. Los servicios de emergencia, incluido el cuidado hospitalario después de que usted esté estable (conocidos como posestabilización) también están cubiertos.
- Cuidado que se necesita con urgencia que recibe de proveedores fuera de la red cuando se encuentra temporalmente fuera del área de servicio del plan. Además, el cuidado de urgencia que recibe de proveedores fuera de la red cuando se encuentra en el área de servicio pero, debido a circunstancias inusuales o extraordinarias, los proveedores de la red no están disponibles o son inaccesibles temporalmente.
- Servicios de diálisis renal (de los riñones) que usted recibe cuando se encuentra temporalmente fuera del área de servicio del plan. Si es posible, háganoslo saber, antes de salir del área de servicio, dónde va a estar para que podamos ayudarlo a organizar la diálisis de mantenimiento mientras está fuera del área de servicio.
- Cuidado de la salud de rutina para la mujer, que incluye exámenes de mama, mamografías (radiografías de la mama), pruebas de Papanicolaou y exámenes pélvicos, siempre y cuando los obtenga de un proveedor de la red.
- Vacunas contra la gripe, la hepatitis B (para las personas en riesgo), y las vacunas contra la neumonía de los proveedores de la red.
- Usted mismo puede referirse a un dermatólogo de la red.
- Usted mismo puede referirse a un quiropráctico de la red.
- Usted mismo puede referirse a un podólogo de la red.
- Todos los servicios preventivos cubiertos recibidos de los proveedores de la red. Estos servicios se enumeran en su *Evidencia de Cobertura* (EOC). Es posible que se requiera autorización previa para algunos servicios preventivos como se indica en la *Evidencia de Cobertura* (EOC).
- Beneficios suplementarios cubiertos por el plan de proveedores de la red. Estos servicios se enumeran en su *Evidencia de Cobertura* (EOC). Es posible que se requiera autorización previa para algunos servicios, como se indica en la *Evidencia de Cobertura* (EOC).

Si está afiliado en el plan CareAccess (HMO), su PCP dentro de la red coordinará el cuidado que recibe de otros proveedores en la red del plan, tales como especialistas, hospitales, centros de enfermería especializada o agencias de cuidado domiciliario de la salud. Sin embargo, no se requiere que los referidos reciban servicios cubiertos por parte de proveedores dentro de la red. Consulte el Capítulo 3 de su *Evidencia de Cobertura*.

## **Servicios hospitalarios**

La presencia de un hospital en este directorio no siempre garantiza que usted será referido a ese hospital en particular. Es posible que su médico no conceda admisiones a todos los hospitales de la red. Consulte a su médico actual o potencial para determinar los hospitales con los cuales está asociado. Si está inscripto en el plan CareAccess (HMO), usted puede autorreferirse a un hospital ambulatorio de la red. Sin embargo, las admisiones hospitalarias como paciente internado, excepto en situaciones de emergencia y cuidado que se necesita con urgencia, requerirá nuestra autorización previa.

## Introduction to the Pharmacy Information

This directory is for Broward County including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call our Member Services Department at **1-800-794-5907**. If you use a TTY, call **711**. You can call us seven days a week, from 8 a.m. to 8 p.m. Please note that our automated phone system may answer your call during weekends and holidays. For 24-hour service, you can visit us at **CarePlusHealthPlans.com**.

This booklet provides a list of CarePlus' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and CarePlus Prescription Drug Guide. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list or changed preferred cost share status after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. The pharmacy information in this directory is current as of November 25, 2025. The pharmacy network may change at any time. You will receive notice when necessary. For the most current list, please contact us at the phone numbers listed above.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under CarePlus, only if they are filled at a network retail pharmacy or mail-order pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We will fill prescriptions at out-of-network pharmacies under certain circumstances as described in your Evidence of Coverage.

### **How do I fill a prescription through CarePlus' mail-order pharmacy service?**

You may fill your medicines at any network pharmacy. CenterWell Pharmacy - CarePlus' mail-delivery pharmacy is one option. CenterWell Pharmacy is the preferred cost-sharing mail order pharmacy for many CarePlus plans. If your plan has CenterWell Pharmacy as a preferred cost-sharing pharmacy, you can have your maintenance medicines, specialty medicines, or supplies mailed to a place that is most convenient to you. You should get your new prescription(s) by mail in 3 - 5 business days after CenterWell Pharmacy has received your prescription and all the necessary information. Refills should arrive within 5 - 7 days. To get started or learn more, visit [CenterWellPharmacy.com](http://CenterWellPharmacy.com). You can also call CenterWell Pharmacy at 1-800-526-1490 (TTY:711), Monday - Friday, 8 a.m. to 11 p.m. (EST) and Saturday, 8 a.m. to 6:30 p.m. (EST). If you have previously used CenterWell Pharmacy Mail services with your current plan, or if you opt-in to receive automatic deliveries, the pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting CenterWell Pharmacy Mail at the phone numbers listed above. If you have never used mail order delivery and/or decide to stop automatic fills of new prescriptions, CenterWell Pharmacy Mail will contact you each time the pharmacy gets a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you the opportunity to make sure that the correct drug

(including strength, amount, and form) will be delivered and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

\*Other Pharmacies are available in our network.

### **How can I get an extended supply of drugs?**

For some drugs, you can get an extended supply (also called a long-term supply) of up to 100 days. Some of our mail-order and most retail pharmacies allow you to get an extended supply.

### **Are home infusion pharmacies part of CarePlus' pharmacy network?**

CarePlus will cover home infusion therapy if:

- Your prescription drug is on our formulary or you have a formulary exception;
- CarePlus has approved your prescription drug for home infusion therapy, and
- Your prescription is written by an authorized prescriber.

### **Are long-term care pharmacies part of CarePlus' pharmacy network?**

Residents of a long-term care facility may access their prescription drug covered under CarePlus through the facility's long-term care pharmacy or another network long-term care pharmacy.

### **Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?**

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through CarePlus' pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

### **What are Physician Dispensing Pharmacies?**

These are Physicians/Clinics that are part of CarePlus' s pharmacy networks that can dispense prescribed medications from within their office.

### **Filling prescriptions outside the network**

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. **Before you fill your prescription in these situations, visit our website or call Member Services to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy, you may have to pay the full cost (rather than paying just coinsurance or copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. For circumstances where we could cover prescriptions filled at an out-of-network pharmacy, please refer to your Evidence of Coverage (EOC).

However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is generally higher than what a network pharmacy would have charged. You should submit a claim to us if you fill

a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to "How to submit a paper pharmacy claim" below.

**We cannot pay for any lost or stolen medications or prescriptions that are filled by pharmacies outside the United States and territories, even for a medical emergency.**

### **How do I submit a paper pharmacy claim?**

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us and you will have to pay the full cost of your prescription. Please simply submit your claim by completing the Prescription Drug Claim Form or a written request and your receipt(s), along with a copy of the pharmacy label, to the following address:

CarePlus Health Plans, Inc.  
ATTN: Direct Member Reimbursement  
P.O. Box 14165  
Lexington, KY 40512-4165

Please keep a copy of the receipts for your records.

If you submit a paper claim to us, the claim is treated as a request for a Coverage Determination. If you are asking us to reimburse you for a prescription drug that is subject to coverage requirements or limits, your doctor may need to submit additional documentation supporting your request. Please refer to your Evidence of Coverage or call Member Services phone numbers stated in this directory for more information about requesting a Coverage Determination.

### **Where do I find the Prescription Drug Claim Form?**

The Prescription Drug Claim Form can be found on our website at **CarePlusHealthPlans.com/members/member-resources**. It can also be obtained by calling Member Services at the phone numbers listed below.

### **Medicare Part B prescription drug coverage**

Members with only Medicare Part B prescription drug coverage can use the network pharmacies included in this directory to receive their approved Medicare Part B drugs. For more information about receiving Medicare Part B drugs through out-of-network pharmacies, see "Filling prescriptions outside the network" and "How to submit a paper pharmacy claim" sections.

## **Introducción a la Información sobre Farmacias**

Este directorio es para el Condado de Broward, incluyendo el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande, con más farmacias en las que sus medicamentos recetados podrían estar cubiertos por nuestro plan. Para información sobre las demás farmacias de la red de nuestro plan que no aparecen en este directorio, llame a nuestro Departamento de Servicios para Afiliados al **1-800-794-5907**. Si usa un TTY, llame al **711**. Puede llamarnos los siete días de la semana, de 8 a.m. a 8 p.m. Tenga en cuenta que nuestro sistema telefónico automatizado podría responder su llamada los fines de semana y días festivos. Para el servicio de 24 horas al día, puede visitarnos en **CarePlusHealthPlans.com**.

Este manual proporciona una lista de las farmacias de la red de CarePlus. Si desea conocer la descripción completa sobre la cobertura de medicamentos recetados y qué hacer para que le surtan sus medicamentos recetados, consulte la Evidencia de Cobertura y la Guía de Medicamentos Recetados de CarePlus. Es posible que este directorio no incluya todas las farmacias dentro de la red. Igualmente puede que se hayan añadido o eliminado farmacias de la lista o se hayan cambiado los estatus de costos compartidos preferidos desde la publicación de este directorio. Esto significa que las farmacias incluidas aquí podrían ya no estar en nuestra red, o que haya nuevas farmacias en nuestra red que no estén incluidas. La información de farmacias en este directorio fue actualizada el 25 de noviembre de 2025. La red de farmacias puede cambiar en cualquier momento. Usted recibirá una notificación de ser necesario. Para obtener la lista más actualizada, por favor comuníquese con nosotros a los números telefónicos indicados arriba.

Hemos nombrado a las farmacias en esta lista “farmacias de la red” por las negociaciones hechas con ellas para que suministren medicamentos recetados a los afiliados al Plan. En la mayoría de los casos, sus medicamentos recetados están cubiertos por CarePlus únicamente si han sido surtidos por una farmacia minorista o una farmacia de pedido por correo de nuestra red. Una vez que vaya a una farmacia, usted no está obligado a seguir yendo a esa misma farmacia para que le surtan su medicamento recetado. Puede visitar cualquiera de las farmacias de nuestra red, pero sus costos para algunos medicamentos pueden ser menores en las farmacias de esta lista que ofrecen un costo compartido preferido. Nosotros surtiremos los medicamentos recetados en farmacias fuera de la red bajo ciertas circunstancias, como se describe en su Evidencia de Cobertura.

### **¿Qué debe hacer para surtir un medicamento recetado en la farmacia con servicio de pedido por correo de CarePlus?**

Puede surtir sus medicamentos en cualquier farmacia de la red. CenterWell Pharmacy: la farmacia de entrega por correo de CarePlus es una opción. CenterWell Pharmacy es la farmacia de pedidos por correo de costos compartidos preferida para muchos planes de CarePlus. Si su plan tiene CenterWell Pharmacy como farmacia preferida de costos compartidos, puede solicitar que le envíen sus medicamentos de mantenimiento, medicamentos especializados o suministros por correo al lugar que más le convenga. Debe recibir su(s) nueva(s) receta(s) por correo dentro de 3 a 5 días hábiles después de que CenterWell Pharmacy haya recibido su receta y toda la información necesaria. Los resurtidos deben llegar en un plazo de 5 a 7 días. Para comenzar u obtener más información, visite [CenterWellPharmacy.com](http://CenterWellPharmacy.com). También puede llamar a CenterWell Pharmacy al 1-800-526-1490

(TTY:711), de lunes a viernes, de 8 a. m. a 11 p. m. (hora del este) y los sábados, de 8 a. m. a 6:30 p. m. (hora del este). Si ha utilizado anteriormente los servicios de CenterWell Pharmacy Mail con su plan actual, o si opta por recibir entregas automáticas, la farmacia surtirá y enviará automáticamente las nuevas recetas recibidas directamente de sus médicos u otros profesionales que emitan recetas. Puede optar por no recibir entregas automáticas de nuevas recetas en cualquier momento comunicándose con CenterWell Pharmacy Mail a los números de teléfono mencionados anteriormente. Si nunca ha utilizado la entrega de pedidos por correo y/o decide suspender el surtido automático de nuevas recetas, CenterWell Pharmacy Mail se comunicará con usted cada vez que la farmacia reciba una nueva receta de un proveedor, para ver si desea que el medicamento se surta y se envíe en ese momento. Esto le dará la oportunidad de asegurarse de que el medicamento correcto (incluyendo la fuerza, el monto y la forma) se entregarán y, si es necesario, le permitirán cancelar o retrasar el pedido antes de que se le facture y se envíe.

\*Otras Farmacias están disponibles en nuestra red.

### **¿Cómo puedo obtener un suministro extendido de medicamentos?**

Para algunos medicamentos, puede obtener un suministro extendido (también llamado suministro a largo plazo) de hasta 100 días. La mayoría de nuestras farmacias minoristas y de pedidos por correo le permiten obtener un suministro extendido.

### **¿Forman parte de la red de farmacias las farmacias de infusión en el hogar?**

CarePlus cubrirá la terapia de infusión en el hogar si:

- Su medicamento recetado está en nuestro formulario o si usted tiene una excepción en el formulario;
- CarePlus ha aprobado su medicamento recetado para la terapia de infusión en el hogar, y
- Su medicamento ha sido recetado por un médico certificado.

### **¿Forman parte de la red de farmacias las farmacias de cuidado a largo plazo?**

Los residentes en establecimientos de atención médica prolongada pueden adquirir sus medicamentos recetados cubiertos por CarePlus en la farmacia de atención a largo plazo de dicho establecimiento o en otra farmacia de atención a largo plazo de la red.

### **¿Forman parte de la red de farmacias las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U)?**

Solo los indios americanos y los nativos de Alaska tienen acceso a farmacias del Programa de servicios de salud indígena/tribal/urbana a través de la red de farmacias de CarePlus. Aquellos que no sean indios americanos ni nativos de Alaska podrían tener acceso a estas farmacias bajo circunstancias limitadas (por ejemplo, emergencias).

### **¿Qué son las farmacias con médicos que despachan medicamentos?**

Son médicos/clínicas que forman parte de la red de farmacias de Humana que pueden despachar los medicamentos recetados dentro de su consultorio.

### **¿Cómo surtir medicamentos recetados fuera de la red?**

Por lo general, solo cubrimos los medicamentos surtidos en farmacias fuera de la red en circunstancias limitadas y no habituales, como cuando no hay farmacias de la red disponibles. **Antes de surtir su medicamento recetado en cualquiera de estas situaciones, visite nuestra página web o llame a Servicios para Afiliados para verificar si hay una farmacia dentro de la red en su área que pueda surtirle su medicamento.** Si va a una farmacia fuera de la red, es posible que tenga que pagar el precio total (en lugar de pagar únicamente el coaseguro o el copago correspondiente) cuando surta su medicamento recetado. Puede solicitarnos que le reembolsemos nuestra parte del costo enviando un Formulario de Reclamación de Medicamentos Recetados. Para conocer las circunstancias en las que podríamos cubrir recetas surtidas en una farmacia fuera de la red, consulte su Evidencia de Cobertura (EOC).

No obstante, incluso después de que le hayamos reembolsado la cantidad que nos corresponde del costo, usted puede pagar más por un medicamento comprado en una farmacia fuera de la red porque el precio de la farmacia fuera de la red, por lo general, es superior al que cobraría una farmacia de la red. Debería enviarnos una reclamación si surte un medicamento recetado en una farmacia fuera de la red, ya que cualquier cantidad que pague le ayudará a ser elegible para la cobertura catastrófica. Para aprender cómo se envía una reclamación por escrito, consulte a continuación: "Cómo enviar una reclamación de farmacia por escrito".

**No podemos pagar por medicamentos recetados que sean surtidos por farmacias fuera de los Estados Unidos y sus territorios, incluso si se trata de una emergencia médica.**

### **¿Cómo enviar una reclamación de farmacia por escrito?**

Cuando vaya a una farmacia de la red, la farmacia automáticamente nos envía su reclamo. Por otra parte, si va a una farmacia fuera de la red, dicha farmacia no nos podrá enviar la reclamación directamente y usted tendrá que pagar el precio total del medicamento recetado. Simplemente envíe su reclamación llenando el Formulario de Reclamación de Medicamentos Recetados o una solicitud por escrito y la factura o facturas, junto con una copia de la etiqueta, a la siguiente dirección:

CarePlus Health Plans, Inc.  
ATTN: Direct Member Reimbursement  
P.O. Box 14165  
Lexington, KY 40512-4165

Conserve una copia de estos recibos en su archivo personal.

Si nos envía su reclamación por escrito, se la tratará como una solicitud de Determinación de Cobertura. Si nos solicita el reembolso de un medicamento recetado que esté sujeto a limitaciones o requisitos de cobertura, su médico probablemente deberá enviar documentación adicional para respaldar su solicitud. Consulte su Evidencia de Cobertura o comuníquese con Servicios para Afiliados llamando a los teléfonos indicados en este directorio para obtener más información sobre cómo solicitar una Determinación de Cobertura.

### **¿Dónde puedo encontrar el Formulario de Reclamación de Medicamentos Recetados?**

El Formulario de Reclamación de Medicamentos Recetados se puede encontrar en nuestro sitio web en **CarePlusHealthPlans.com/members/member-resources**. También se puede obtener llamando a Servicios para Afiliados a los números telefónicos indicados en la próxima página.

### **Cobertura para medicamentos recetados de la Parte B de Medicare**

Each Primary Care Provider (PCP) has certain plan specialists they use for referrals. This means that the PCP you select may determine the specialists you may see. You may change your PCP at any time, if you want to see a plan specialist that your current PCP can't refer you to.

*Cada Médico de Atención Primaria (PCP, por sus siglas en inglés) cuenta con ciertos especialistas del plan que utilizan para referidos. Esto significa que el PCP que usted eligió puede determinar los especialistas que usted puede consultar. Usted puede cambiar de PCP en cualquier momento, si desea consultar a un especialista del plan al cual no pueda referirle su Médico de Atención Primaria actual.*

**IMPORTANT NOTE:** CarePlus is not a provider of dental services. CarePlus does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in the directory or otherwise selected by you.

Many dentists have more than one office. However, not all of the offices may be in CarePlus' network. If you don't see an office address in this directory, the dentist may not be in network at that location. If you have questions about who is in our network, call your dentist or contact the CarePlus Member Services department for assistance by calling the phone number located on the back of your Member Identification (ID) card. Limitations, copayments, and restrictions may apply. Contact the plan for more information or review your Evidence of Coverage for more detailed information.

**NOTA IMPORTANTE:** CarePlus no es un proveedor de servicios dentales. CarePlus no respalda ni regula el criterio clínico ni las recomendaciones de tratamiento hechas por los médicos u otros proveedores incluidos en el directorio o seleccionados por usted.

*Muchos dentistas tienen más de una oficina. Sin embargo, no todas las oficinas pueden estar en la red de CarePlus. Si no ve la dirección de un consultorio en este directorio, es posible que el dentista no esté en la red en esa ubicación. Si tiene preguntas, sobre quién está en nuestra red, llame a su dentista o comuníquese con el departamento de Servicios para Afiliados de CarePlus para obtener ayuda llamando al número de teléfono que se encuentra en el reverso de su tarjeta de identificación de miembro (ID). Se pueden aplicar limitaciones, copagos y restricciones. Póngase en contacto con el plan para obtener más información o consulte su Evidencia de Cobertura para obtener información más detallada.*
