IMPORTANT NOTE: CarePlus is not a provider of dental services. CarePlus does not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed in the directory or otherwise selected by you.

Many dentists have more than one office. However, not all of the offices may be in CarePlus' network. If you don't see an office address in this directory, the dentist may not be in network at that location. If you have questions about who is in our network, call your dentist or contact the CarePlus Member Services department for assistance by calling the phone number located on the back of your Member Identification (ID) card. Limitations, copayments, and restrictions may apply. Contact the plan for more information or review your Evidence of Coverage for more detailed information.

NOTA IMPORTANTE: CarePlus no es un proveedor de servicios dentales. CarePlus no respalda ni regula el criterio clínico ni las recomendaciones de tratamiento hechas por los médicos u otros proveedores incluidos en el directorio o seleccionados por usted.

Muchos dentistas tienen más de una oficina. Sin embargo, no todas las oficinas pueden estar en la red de CarePlus. Si no ve la dirección de un consultorio en este directorio, es posible que el dentista no esté en la red en esa ubicación. Si tiene preguntas, sobre quién está en nuestra red, llame a su dentista o comuníquese con el departamento de Servicios para Afiliados de CarePlus para obtener ayuda llamando al número de teléfono que se encuentra en el reverso de su tarjeta de identificación de miembro (ID). Se pueden aplicar limitaciones, copagos y restricciones. Póngase en contacto con el plan para obtener más información o consulte su Evidencia de Cobertura para obtener información más detallada.

Muchos proveedores tienen más de una oficina. Sin embargo, no todas las oficinas pueden estar en la red de CarePlus. Si no ve la dirección de un consultorio en este directorio, es posible que el proveedor no esté en la red en esa ubicación.

Each Primary Care Provider (PCP) has certain plan specialists they use for referrals. This means that the PCP you select may determine the specialists you may see. You may change your PCP at any time, if you want to see a plan specialist that your current PCP can't refer you to.

Cada Médico de Atención Primaria (PCP, por sus siglas en inglés) cuenta con ciertos especialistas del plan que utilizan para referidos. Esto significa que el PCP que usted eligió puede determinar los especialistas que usted puede consultar. Usted puede cambiar de PCP en cualquier momento, si desea consultar a un especialista del plan al cual no pueda referirle su Médico de Atención Primaria actual.
