

## Network Notification – Humana Healthy Horizons in Florida

**Notice date:** January 5, 2024  
**To:** Humana Healthy Horizons® in Florida provider network  
**From:** Humana Healthy Horizons in Florida  
**Subject:** Updated durable medical equipment and medical supply services fee schedule

---

The Agency for Healthcare Administration (AHCA) instituted an adjustment to the durable medical equipment (DME) and medical supply services provider fee schedule for fiscal year 2023-2024. AHCA increased DME rates as directed in the 2023-20234 General Appropriations Act. The new rates are effective Oct. 1, 2023.

To receive the higher rates for fee-for-services claims or encounters with date of services on or after Oct. 1, 2023, and submitted prior to Dec. 8, 2023, providers need to submit an adjustment. If the billed amount is less than the new max fee, the billed amount(s) must be updated. Florida Medicaid pays the lesser of the amount billed or the allowed amount (max fee).

The final durable medical equipment and medical supply services fee schedule can be accessed on the **Provider Reimbursement Schedule and Billing** Codes page of AHCA's website.

Humana will update fee schedules by Jan. 5, 2024. Once complete, claims with dates of service on or after Oct. 1, 2023, will be automatically reprocessed by Humana.
