

Care that's good for your health—and may save you money

Join the CenterWell Care Solutions ACO for more benefits and personalized care

Your primary care physician (PCP) partners with the CenterWell™ Care Solutions Accountable Care Organization (ACO) to help coordinate care for Original Medicare beneficiaries. If you have Original Medicare Parts A and B insurance coverage, you can join the ACO at no additional cost and get benefits beyond your Medicare plan, including:

The Part B cost share benefit:

financial support for Medicare Part B coinsurance covering a wide variety of primary care services

The Complex Care Management program:

support for managing certain chronic conditions including gift card rewards

Improved care coordination and patient experience: a complete view of your claims history and evaluation of your experience for your primary care physician

Care on your terms: in-person or virtual visits, also known as telemedicine

How do I become a CenterWell Care Solutions member?

If you are eligible, complete the Medicare voluntary alignment form and choose your PCP as your preferred provider of record. Medicare reviews your eligibility and then adds you as a member to CenterWell Care Solutions ACO.

To see if you're eligible, speak with the center administrator at your local primary care center or call CenterWell Care Solutions at **866-716-5930**.

CenterWell Care Solutions ACO is a wholly owned subsidiary of Humana and its agnostic primary care business, CenterWell.
