

Accessing American Society of Addiction Medicine clinical criteria via InterQual Transparency

The InterQual Transparency tool allows providers to review clinical criteria, such as those from the American Society of Addiction Medicine (ASAM). The ASAM Criteria® are guidelines used by Humana Healthy Horizons® in Kentucky to help assess appropriate levels of care related to substance use disorder.

Providers who are contracted, or who may enter into a contract, with Humana Healthy Horizons can access InterQual® via **Availity Essentials™** by following the steps below:

1. Sign in to **Availity Essentials**.
2. Ensure **Kentucky** is selected as the state at the top of the screen.
3. Select **Payer Spaces—Humana**.
4. Select the **Resources** tab.
5. Select **American Society of Addiction Medicine (ASAM) Criteria—InterQual Transparency tool**.
6. Review the required disclaimer and then proceed, if applicable, to the InterQual page to view the information.

To learn more about InterQual Transparency after signing in to Availity Essentials, view the **InterQual** PDF.
