

# 2026 Humana Member Fact Sheet

## Humana Group Medicare Advantage PPO and Prescription Drug Plans

Starting January 1, 2026, the Humana coverage available through the Board of Pensions will be administered as two separate plans—a Medicare Advantage Preferred Provider Organization (PPO) and a Prescription Drug Plan, rather than being combined into one. The medical and pharmacy coverage will be provided separately.

### Member ID Cards

This means you will receive two new Humana ID cards.

Samples of both ID cards are below, ID cards will arrive separately in the mail.

## Important information Humana members need to know for 2026

- **Starting January 1, 2026, give your new medical plan ID card to medical providers and your new prescription plan ID card to network pharmacies.** These cards will arrive separately in the mail.
  - Be sure to begin using your new cards starting January 1, and destroy your old card. Your old card will no longer work when filling prescriptions at the pharmacy after December 31, 2025.
- **You will receive 2 confirmations of enrollment**—one for medical, one for pharmacy and some other duplicated CMS-required notices. Mailings will arrive at different times.
- **You will enjoy the same medical benefits** and one small change to the prescription benefits—the pharmacy maximum-out-of-pocket (MOOP) is increasing from \$2,000 to \$2,100.
- **Most prescriptions and vaccines will be covered** through your pharmacy benefit (prescription plan ID card), but some items may be covered through your medical benefit (medical plan ID card) including:
  - Diabetic testing supplies including continuous glucose monitors, insulin used via an insulin pump, vaccines such as influenza and pneumococcal, and commonly used nebulized medications.
  - If unsure, present your pharmacy with both cards and let them know you have both pharmacy and medical coverage through Humana.
- If you have additional questions, please call Customer Care at 855-273-0021.

Humana is a Medicare Advantage PPO organization and a stand-alone PDP prescription drug plan with a Medicare contract. Enrollment in any Humana plan depends on contract renewal.
