† Out-of-network dental providers have not agreed to provide services at contracted fees. The out-of-network provider may bill the member for more than what the plan pays. Members are responsible for this difference between Humana's reimbursement and the out-of-network provider's charges. This is known as balance billing. Benefits received are subject to any benefit maximums, limitations and/or exclusions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, the member may have to pay upfront and submit a request for reimbursement.

This policy DOES NOT include coverage of pediatric dental services as required under federal law. Coverage of pediatric dental services is available for purchase in the State of Colorado, and can be purchased as a stand-alone plan, or as a covered benefit in another health plan. Please contact your insurance carrier, agent, or Connect for Health Colorado to purchase either a plan that includes pediatric dental coverage, or an Exchange-qualified stand-alone dental plan that includes pediatric dental coverage.

**Important to know:** This plan has a minimum one-year initial contract period. If further clarification regarding coverage and benefits is needed, please ask your dentist for a pretreatment estimate.
