

Medicare Advantage and Dual Medicare-Medicaid Plans Preauthorization and Notification List

Effective Date: 01/01/2025

Revision Date: 06/18/2025

Medicare Advantage and Dual Medicare-Medicaid Plan Medication Preauthorization List

To request preauthorization: If the drug is billed, dispensed, and administered by a physician's office, infusion clinic or outpatient facility, please fax the request to 1-888-790-9999.

If the drug is billed and shipped from a retail pharmacy to a physician's office or facility, please fax the request to CarePlus Health Plans Pharmacy at 1-877-486-2621.

Brand	Generic	Codes
Abecma intravenous suspension	idecabtagene vicleucel	Q2055
Abraxane ^{*,†}	nab-paclitaxel ^{*,†}	J9264
Actemra IV [†]	tocilizumab [†]	J3262
Adakveo	crizanlizumab-tmca	J0791
Adcetris	brentuximab vedotin	J9042
Adstiladrin	nadofaragene firadenovec-vncg	J9029
Aduhelm	aducanumab-avwa	J0172
Adzynma	ADAMTS13, recombinant-krhn	J7171
Akynzeo IV	fosnetupitant and palonosetron	J1454

*All shared Healthcare Common Procedure Coding System (HCPCS) codes and not otherwise classified (NOC) codes require a corresponding National Drug Code (NDC) to be billed on all claims.

†Step therapy required through a CarePlus preferred drug as part of preauthorization.

To prevent disruption of care, CarePlus does not require prior authorization for basic Medicare benefits during the first 90 days of a new member's enrollment for active courses of treatment that started prior to the enrollment. CarePlus may review the services furnished during that active course of treatment against permissible coverage criteria when determining payment.

*All shared Healthcare Common Procedure Coding System (HCPCS) codes and not otherwise classified (NOC) codes require a corresponding National Drug Code (NDC) to be billed on all claims.

[†]Step therapy required through a CarePlus preferred drug as part of preauthorization.

To prevent disruption of care, CarePlus does not require prior authorization for basic Medicare benefits during the first 90 days of a new member's enrollment for active courses of treatment that started prior to the enrollment. CarePlus may review the services furnished during that active course of treatment against permissible coverage criteria when determining payment.
