

2025 Humana Medicare Advantage

DENTAL OFFICE HANDBOOK

Information to help administer Humana Medicare Advantage (MA) dental benefits

2025 highlights

Preventive dental benefits: Humana MA plans have unique, competitive benefits that encourage preventive care, bringing more satisfied patients to your practice. Most 2025 plans include routine dental benefits with no member coinsurance for covered preventive services.

Rich dental benefits: 79% of patients will have embedded benefits that cover some major services. 89% of patients will have plans that cover periodontal scaling, which is important for anyone with gum irritation or inflammation. Low coinsurance may apply to select major services depending on the patient's MA plan.

Single Point of Contact (SPOC): Humana provides a trusted advisor to help your practice solve administrative issues, answer plan questions, and get back to patient care faster.

You can find this Dental Office Handbook online at [Humana.com/SB](https://www.humana.com/SB).

Dentists can call the Humana Provider Customer Service line for assistance at **800-833-2223**, Monday – Friday, 8 a.m. – 8 p.m., Eastern time.

I. MA ID card sample

Humana members are not issued a separate dental ID card because their dental benefits are included on their Humana MA ID card. The medical network is shown on the front of the card. A DENXXX indicator identifies the patient’s dental plan on the back of the card.

This is the name of the medical network only. It does not reference the dental network.

You can find information about the dental network at **Humana.com/SB**.

The 6-character DEN code indicates the patient’s plan.

Humana MA supplemental dental benefits are provided through the Humana Dental Medicare Network for patients who purchased their plans in all states except Florida. MA patients who purchased their plan in Florida use the Florida GoldPlus Dental Network.

Name of network	Contract and fee schedules	States	Benefits
Humana Dental Medicare*	PPO†	Nationwide	Members have in-network benefits or out-of-network benefits, depending on their plan.
Florida GoldPlus Dental	PPO	Nationwide	

* Your dental office may be contracted with this Medicare network through one of our dental network partners. See a list of these partners in Section V of this document.

† Preferred provider organization (PPO)

We encourage Humana MA members to state the following when they call for an appointment: “I have dental benefits with my Humana Medicare Advantage plan. The dental benefits are provided by dentists in the Humana Dental Medicare Network (or by dentists in the Florida GoldPlus Dental Network in Florida).”

II. MA dental benefits for 2025

Refer to the table below to find the 2025 MA dental benefit document that matches the six-character DEN code on the back of your patient's Humana MA ID card. These documents, listed in numerical order, provide the covered American Dental Association (ADA) codes and benefit frequencies.

Submitting Pretreatment Plans

If the dental care your patient needs is expected to exceed \$300, we suggest you submit a dental treatment plan for us to review ahead of time. While not required, this will allow us to provide you with an estimate for services. The pretreatment plan should include:

1. A list of services your patient will receive, using American Dental Association nomenclature and codes
2. Your written description of the proposed treatment
3. X-rays that show your patient's dental needs
4. Itemized cost of the proposed treatment
5. Any other diagnostic materials we request
