

Drug recall for Sodium Chloride Injection

On September 17, 2026, Otsuka ICU Medical LLC announced it is voluntarily recalling one (1) lot of 0.9% Sodium Chloride Injection, USP, 100mL single pack to the user level due to a potential mix-up.

Please carefully review the impacted medication and talk to your doctor about it right away.

What this means to you:

- To date, the pharmaceutical company has not received any adverse event reports related to this recall.
- Talk to your doctor or healthcare provider about switching to another medication or obtaining the same medication that is not part of the recall.
- To determine if your medication is affected, you should look at the drug name and company name on the label of your prescription. If the information is not on the container, you should contact the pharmacy that dispensed the medication.
- Consumers with general or medical inquiries regarding this recall can contact ICU Medical at 1-866-216-8806 or by email at globalcomplaints@icumed.com. You should contact your doctor or healthcare provider if you have experienced any problems that may be related to taking or using these drug products.
- Patients can report adverse reactions or quality problems experienced with the use of these products to the FDA's MedWatch Adverse Event Reporting Program online, by phone or by fax.
 - **Online:** Submit the [report](#).
 - Select "Form FDA 3500 - Voluntary Reporting."
 - **Phone or fax:** Download the [form](#).
 - Complete and submit "Form FDA 3500 - Voluntary Reporting" by phone at **1-800-FDA-1088 (332-1088)** or by fax to **1-800-FDA-0178 (332-0178)**.

If you have questions about this medicine or recall, please talk to your doctor or pharmacist. You may also call the number on the back of your Humana member ID card.

For 24-hour service, you can sign into MyHumana, your personal, secure online account on [Humana.com](https://www.humana.com), to search for other medicine that your plan covers.

As your partner in health, we want to make sure that you are informed about issues that may affect your health and overall well-being.
