Humana

Humana Dual Fully Integrated Florida
Prior Authorization and Notification List

We have updated our prior authorization and notification list for Humana Dual Fully Integrated Florida.

Please note that the term "prior authorization" (precertification, preadmission), when used in this communication, is defined as a process through which the physician or other healthcare provider is required to obtain advance approval from the plan as to whether an item or service will be covered.

"Notification" refers to the process by which the physician or other healthcare provider notifies Humana of the intent to provide an item or service. Humana requests notification, as it helps coordinate care for Humana-covered patients. This process is distinguished from prior authorization. Humana does not issue an approval or denial for notifications.

The list details services that require prior authorization prior to being provided. Services must be provided according to Medicare coverage guidelines, established by the Centers for Medicare & Medicaid Services (CMS). According to the guidelines, all medical care, services, supplies and equipment must be medically necessary. You can review Medicare coverage guidelines here.

To view Humana's medical coverage policies, please visit.

Please note that certain services may not be covered under the member's plan.

Important notes:

- **Humana MA health maintenance organization (HMO):** The full list of prior authorization requirements applies to patients with Humana MA HMO and HMO point-of-service (HMO POS) coverage. Healthcare providers who participate in an independent physician association (IPA) or other risk network with delegated services are subject to the PAL and should refer to their IPA or risk network for guidance on processing their requests, including services treated by non-contracting providers. For exclusion to the prior authorization process, please visit our Provider prior authorization and notification lists webpage.
- **All Humana MA plans** – For procedures or services that are investigational or experimental (or that may have limited benefit coverage), or to learn if Humana will pay for a service, you can request an Advanced Coverage Determination (ACD) on behalf of the patient prior to providing the service. You may be contacted if additional information is needed.
    - ACDs for medical services can be initiated by submitting a written, fax or telephone request:
        - Mail written requests to:
          Humana Correspondence
          P.O. Box 14601
          Lexington, KY 40512-4601
        - Submit by fax to 800-266-3022.
        - Submit by telephone at 800-523-0023.
    - ACDs for medications on the list can be initiated by submitting a fax or telephone request:

*New prior authorization requirement

- Submit by fax to 888-447-3430.
- Submit by telephone at 866-461-7273.

To prevent disruption of care, Humana does not require prior authorization for basic Medicare benefits during the first 90 days of a new member's enrollment for active courses of treatment that started prior to enrollment. Humana may review services furnished during an active course of treatment against permissible coverage criteria when determining payment. To ensure appropriate claim payment, please include the modifier based on Humana's Medicare Advantage Payment Policy (CP2023011), found on Humana Claims Payment Policies, or include medical records with evidence the member is in an active course of treatment.

Please note that urgent/emergent services do not require referrals, prior authorization or notification.

Not obtaining prior authorization or notification for a service could result in financial penalties for the practice and reduced benefits for the patient based on the healthcare provider's contract and the patient's evidence of coverage. Services provided without prior authorization or notification may be subject to retrospective medical necessity review. We recommend that an individual practitioner making a specific request for services verify benefits and prior authorization or notification requirements with Humana prior to providing services.

New rule improves the prior authorization process

Effective Jan. 1, 2026, CMS requires prior authorization decisions within 7 days for certain medical items/services requests. Providing supporting clinical information at the time of the prior authorization request submission helps support timely adjudication. Failure to do so may result in a delayed or adverse decision.

Adherence to this process should begin immediately.

Submitting all relevant clinical information at the time of the request will help with timely processing of the determination. If additional clinical information is required, a Humana representative will contact the individual who submitted the prior authorization request and request the specific information needed to complete the authorization process.

Learn more

Information required for a prior authorization request or notification may include, but is not limited to, the following:

- Member's Humana ID number, name and date of birth
- Date of actual service or hospital admission
- Procedure codes (up to a maximum of 10 per authorization request)
- Date of proposed procedure (if applicable)
- Diagnosis codes (primary and secondary) (up to a maximum of 6 per authorization request)
- Service location
- Inpatient (acute hospital, skilled nursing or hospice)
- Outpatient (telehealth, office, home, off-campus outpatient hospital, on-campus outpatient hospital or ambulatory surgery center [ASC])
- Referral (office, off-campus outpatient hospital, on-campus outpatient hospital, ASC,

*New prior authorization requirement

other)
- Tax Identification Number (TIN) and National Provider Identifier (NPI) number of treatment facility where service is being rendered
- TIN and NPI number of the provider performing the service
- Caller/requestor's name/telephone number
- Attending physician's telephone number
- Relevant clinical information
- Discharge plans

How to request prior authorization:
Except where noted via links on the following pages, prior authorization requests for medical services may be initiated:
- Online at www.availity.com (registration required)
- By calling Humana's interactive voice response line at 800-523-0023

Please note: Online prior authorization requests are encouraged. For certain PAL services requested via Availity, healthcare providers have an option to complete a questionnaire. Answers to the questionnaire could lead to real-time approval. If approval is not provided immediately, the information on the questionnaire may help Humana with the review.

*New prior authorization requirement
