# Feel good about choosing a HumanaDental plan

The HumanaDental HD Series dental plan has you covered for any circumstance. Whether you simply need routine dental care or unexpected dental treatment, you know what to expect with HumanaDental.

- No waiting periods
- · No claims to file
- · No annual maximums

#### Use your HumanaDental benefits

After you enroll in a plan and receive your ID card, you can manage your plan information on your personal home page on **Humana.com**.

- You have the freedom to select any participating general dentist as your primary care dentist. To select a dental provider from our network, simply visit Humana.com. Once there, you can also check your benefits, email us and get a new or temporary ID card. If you prefer, contact us at 1-800-342-5209.
- Life without claim forms! With the HumanaDental Prepaid plan you pay your dentist directly, when applicable.
- Your primary dentist will provide all of your routine dental care and you will pay any copayment or discounted charges at the time of service.
- If you need a specialty dentist, you may receive up to a 25 percent discount by using certain participating specialty dentists from our network. Visit Humana.com to find a participating specialist.

## Good health starts with a healthy mouth

#### Make dental visits a priority

One of the first lines of defense in overall health is dental care. Regular dental cleanings can help manage problems throughout the body, such as heart disease, diabetes, and stroke. The HumanaDental Prepaid plan enables you to take better care of your teeth, and you'll pay less for your dental care doing so.

#### Go to MyDentalIQ.com

Take a health risk assessment that immediately rates your dental health knowledge. You'll receive a personalized action plan with health tips. You can print a copy of your scorecard to discuss with your dentist at your next visit.

# Tips to ensure a healthy mouth

- Use a soft-bristled toothbrush
- Choose toothpaste with fluoride
- Brush for at least two minutes twice a day
- Floss daily
- Watch for signs of periodontal disease such as red, swollen, or tender gums
- Visit a dentist regularly for exams and cleanings

#### HumanaDental Prepaid HD210 Plan

The HumanaDental Prepaid plans focus on maintaining oral health, prevention and cost-containment. Members may see a primary care dentist as often as necessary. There are no yearly maximums, no deductibles to meet and no waiting periods. HD plans copayments for listed procedures are applicable only at a participating general dentist.

Member costs listed here are for services provided by a chosen participating primary care dentist (PCD) only. A PCD may decide that a member needs to see a contracted dental specialist. No referral is necessary to see a network specialist.

**Specialists services:** Should members need a specialist, (i.e., endodontist, oral surgeon, periodontist, pediatric dentist), they may be referred by a participating general dentist, or members can self-refer to any participating specialist. For HD plans, and benefits for procedures not listed on the schedule, members may be eliglible to receive up to a 25 percent discount by visiting a participating specialist. Visit **Humana.com** to find a participating specialist.

#### **Summary of services**

Services marked with a single asterisk (\*) below also require separate payment of laboratory charges. The laboratory charges must be paid to the plan dentist in addition to any applicable copayment for the service.
