Humana

Welcome to Humana

At Humana, we want to help take care of you — with benefits that make it easy for you to get the care you need, when you need it. With plan options designed to support your overall well-being, your care is always at the core of what we do.

Vision plans are definitely worth a closer look

There's more to vision health than getting an annual eye exam. It not only makes sure you're seeing clearly, but also supports your eye and overall health. A yearly eye exam monitors your vision and eye health for things like glaucoma and cataracts, and signs of medical conditions, including diabetes and high blood pressure.

Why sign up for vision benefits?

Get an annual eye exam for a \$10 copay when you see an in-network doctor. And, they may help detect or prevent other eye or health conditions.

Easily find an eye doctor near home, work or away with independent, retail and online options.

Save an average of 80% off retail prices for glasses and contacts with our fixed copays and allowances.

Caring for you is at the heart of everything we do so we make it easy for you to get the help you need – when you need it. Our service teams are always ready to help and answer your questions.

Earn EyeRewards when you get an eye exam

Get a reward voucher to use at Sunglass Hut when you visit an in-network eye care professional for your annual eye exam.

The voucher will be available through your online Humana account at [MyHumana.com](https://www.mylumina.com).

* Eye exams not covered on Humana Vision Materials Only plans.

Know what your plan covers

Included in this guide is a summary of Humana Vision benefits that are described in detail in your certificate. You can find your certificate through your online Humana account at [MyHumana.com](https://www.mymyhumana.com) or call **877-398-2980**. Here's what you can expect:

- Services and materials provided on a prepaid basis, and the plan pays in-network providers directly. You also have the freedom to use out-of-network providers if you prefer.
- Life without claim forms! With Humana Vision, you pay your eye care professional directly for copayments and any extra cosmetic options selected at the time of service.
- Select a vision provider from our network simply by visiting your Humana account at [MyHumana.com](https://www.mymyhumana.com). or, if you prefer, call us at **877-398-2980**.

Know what your plan doesn't cover

Some items and services not included in Humana Vision are:

- Orthoptics or vision training, subnormal vision aids or Plano (non-prescription) lenses.
- Replacement of lost or broken lenses, except at the regularly-scheduled plan intervals
