# Using Your Provider Network

## Your Primary Care Provider (PCP)

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP will:

- Coordinate your healthcare
- Perform your checkups
- Treat most of your routine healthcare needs
- May send you to specialists

You can reach your PCP by calling his/her office. Your PCP's name and phone number are printed on your ID card. It is **important** to call your PCP when you need medical care. You may also be seen by your PCP's assistant or a nurse.

To find out:

- Which hospital a PCP or other provider uses
- Which providers are not taking new patients

Go to Humana's website at [Humana.com](http://Humana.com) or call our Customer Service number at 800-477-6931 (TTY: 711).

All Plan members may get care from the same PCP or choose different PCPs based on each family member's needs.

## Patient Centered Medical Home (PCMH) and Patient Centered Specialty Practice (PCSP)

 Patient Centered Medical Home (PCMH)

 Patient Centered Specialty Practice (PCSP)

Patient-Centered Medical Home (PCMH) and Patient Centered Specialty Practice (PCSP) designations are awarded to provider practices that have implemented a model of care that puts individuals at the forefront of care. PCMH providers have a commitment to quality and patient centered care via coordinating your care with other clinicians or care givers, if necessary.

PCMH and PCSP providers are recognized by one of the following organizations:
