Provider Directory

This directory lists health care professionals, facilities, and support providers that you may see as a Humana member. We also list the pharmacies that you may use to get your prescription drugs. We will refer to these groups as "network providers" in this directory.

This directory lists Humana Healthy Horizons in Florida's network providers in the following counties:

Please note:

- This directory may list providers located in other regions. You can only go to providers in the region you live in, unless you get a referral from your Primary Care Provider (PCP).
- Providers join and leave the network for your service area often. To view the most up to date information on our providers, please visit our website at https://www.humana.com/medicaid/florida-medicaid or call Customer Service at 800-477-6931 (TTY: 711).
- Providers are accepting new patients unless otherwise noted under the provider name. Some
 providers in our network may no longer be accepting new patients. If you are having trouble
 finding a provider who will accept new patients, call Customer Service at 800-477-6931 (TTY:711)
 and we will help you.

Using Your Provider Network

Your Primary Care Provider (PCP)

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP will:

- · Coordinate your healthcare
- · Perform your checkups
- · Treat most of your routine healthcare needs
- May send you to specialists

You can reach your PCP by calling his/her office. Your PCP's name and phone number are printed on your ID card. It is **important** to call your PCP when you need medical care. You may also be seen by your PCP's assistant or a nurse.

To find out:

- Which hospital a PCP or other provider uses
- · Which providers are not taking new patients

Go to Humana's website at Humana.com or call our Customer Service number at 800-477-6931 (TTY: 711).

All Plan members may get care from the same PCP or choose different PCPs based on each family member's needs.

Patient Centered Medical Home (PCMH) and Patient Centered Specialty Practice (PCSP)

🗐 Patient Centered Specialty Practice (PCSP)

Patient-Centered Medical Home (PCMH) and Patient Centered Specialty Practice (PCSP) designations are awarded to provider practices that have implemented a model of care that puts individuals at the forefront of care. PCMH providers have a commitment to quality and patient centered care via coordinating your care with other clinicians or care givers, if necessary.

PCMH and PCSP providers are recognized by one of the following organizations:

- National Committee for Quality Assurance

- Puede referirlo a especialistas

Es **importante** que llame a su PCP cada vez que necesite cuidado de la salud. También es posible que lo vea el asistente o un profesional de enfermería de su PCP.

Para saber:

- Qué hospital utiliza un PCP u otro proveedor
- Qué proveedores no aceptan pacientes nuevos

Visite el sitio web de Humana en es-www.humana.com o llame a nuestro número de Servicio al cliente al 800-477-6931 (TTY: 711).

Todos los afiliados del plan pueden recibir cuidado de la salud del mismo PCP o elegir PCP distintos según las necesidades de cada integrante de la familia.
