Provider Directory

This directory lists health care professionals, facilities, and support providers that you may see as a Humana member. We also list the pharmacies that you may use to get your prescription drugs. We will refer to these groups as "network providers" in this directory.

This directory lists Humana Healthy Horizons in Florida's network providers in the following counties:

FL: Duval, Saint Johns.

Please note:

- This directory may list providers located in other regions. You can only go to providers in the region you live in, unless you get a referral from your Primary Care Provider (PCP).
- Providers join and leave the network for your service area often. To view the most up to date information on our providers, please visit our website at <https://www.humana.com/medicaid/florida-medicaid> or call Customer Service at 800-477-6931 (TTY: 711).
- Providers are accepting new patients unless otherwise noted under the provider name. Some providers in our network may no longer be accepting new patients. Using Your Provider Network

Your Primary Care Provider (PCP)

You will have to choose one of our network providers who are listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

Your PCP will:

- Coordinate your healthcare
- Perform your checkups
- Treat most of your routine healthcare needs
- May send you to specialists

You can reach your PCP by calling his/her office. Your PCP's name and phone number are printed on your ID card. It is **important** to call your PCP when you need medical care. You may also be seen by your PCP's assistant or a nurse.

To find out:

- Which hospital a PCP or other provider uses
- Which providers are not taking new patients

Go to Humana's website at Humana.com or call our Customer Service number at 800-477-6931 (TTY: 711).

All Plan members may get care from the same PCP or choose different PCPs based on each family member's needs.
