

# Continue your care with Humana Healthy Horizons

Children and adults with unique care needs—like going through a surgery or receiving home healthcare—need to continue to receive some services under their new plan.

Humana can work with you to help handle your care needs and gather local resources. We have a team of nurses, social workers and others who will work with you one-on-one.

Please fill out this form to help us know what is best for you. Send it back to us in the pre-paid envelope included.

## Please check the box or boxes that apply to you or someone in your family
