

Dominion National Select Plan 707s

Feel good about choosing a Dominion National Select Plan¹ offered by Humana

The Dominion National Select Plan has you covered for any circumstance. Whether you simply need routine dental care or unexpected dental treatment, you know what to expect with a Select Plan.

- No waiting periods
- No annual maximums

Good health starts with a healthy mouth

Make dental visits a priority

One of the first lines of defense in overall health is dental care. Regular dental cleanings can help manage problems throughout the body, such as heart disease, diabetes, and stroke.

Tips to ensure a healthy mouth

- Use a soft-bristled toothbrush and floss daily
- Choose toothpaste with fluoride
- Brush for at least two minutes twice a day
- Watch for signs of periodontal disease such as red, swollen, or tender gums
- Visit a dentist regularly for exams and cleanings.

¹Managed care plan with exclusive network, fixed member copayments, no annual maximum dollar limits, no waiting periods and no deductibles. In New Jersey, Select Plans are available in Camden, Cumberland and Gloucester counties only.

²Out-of-area emergency care reimbursement requires a receipt or other proof of loss.

Use your Select Plan benefits

After you enroll in a plan and receive your ID card, you can create an account at DominionMembers.com to get convenient access to your plan information.

You must choose a primary care dentist before or after enrollment. Find a current list of dentists at DominionNational.com/find-a-dentist. After your effective date, call the dental office selected and make an appointment. Except for out-of-area emergency care, you must receive treatment at the dental office you selected.²

Your primary dentist will provide all of your routine dental care, or refer you to a participating specialist if needed.
