CenterWell Specialty Pharmacy delivers customized services to healthcare providers and their staff

As a part of your patient care team, CenterWell Specialty Pharmacy™ provides these services to you and your patients:

Need-based financial assistance: When patients express a financial need, CenterWell Specialty Pharmacy connects them to financial support programs offered by drug manufacturers and foundations.

E-prescribing: Select “CenterWell Specialty Pharmacy” in your e-prescribing software to submit prescriptions electronically.

Patient resources: Pharmacists and registered nurses provide patient guidance on side effects and adverse reactions and assist with medication adherence.

Supportive therapies for numerous conditions:

- Alpha-1 deficiency
- Cancer
- Crohn’s disease
- Enzyme replacement
- Growth hormone deficiency
- Hemophilia
- Hepatitis C
- Hereditary angioedema
- HIV
- Immune deficiency
- Multiple sclerosis
- Psoriasis
- Pulmonary arterial hypertension
- Respiratory syncytial virus (RSV)
- Rheumatoid arthritis

CenterWell Specialty Pharmacy recognizes members have the sole discretion to choose their pharmacy and expects healthcare providers to use their independent medical judgment when advising patients about their pharmacy choices, as other pharmacies are available in the network. CenterWell Specialty Pharmacy members should check their plan documents to verify their prescription benefits.

Please select **CenterWell Specialty Pharmacy**. Call **800-486-2668 (TTY: 711)**, send a fax to **877-405-7940** or choose CenterWell Specialty Pharmacy in your e-prescribing software (NCPDP ID# 3677955) to prescribe.

CenterWell Specialty Pharmacy hours of operation are Monday – Friday, 8 a.m. – 11 p.m., and Saturday, 8 a.m. – 6:30 p.m., Eastern time.
