

Having a provider you're happy with can play an important role in your health and meeting your needs

If your healthcare provider says they do not accept Humana insurance, give them this flyer.

Once you are a member of the Humana Group Medicare Preferred Provider Organization (PPO) plan, sharing this information can help your provider understand how this plan works.

Don't forget to take your Humana member ID card to your first appointment.

A message for your provider

Humana will provide coverage for this retiree under a Group Medicare PPO plan. The in-network and out-of-network benefits are structured the same for any member of this plan. This means you can provide services to this retiree or any member of this plan if you are a provider who is eligible to participate in Medicare.

Contracted healthcare providers

If you're a Humana Medicare Employer PPO-contracted healthcare provider, you'll receive your contracted rate.

Out-of-network healthcare providers

Humana is dedicated to an easy transition. If you're a provider who is eligible to participate in Medicare, you can treat and receive payment for your Humana-covered patients who have this plan. Humana pays providers according to the Original Medicare fee schedule less any member plan responsibility.
