B. Providers

B1. Key Terms

This section explains key terms you'll see in our *Provider and Pharmacy Directory*.

If you have questions, please call Humana Gold Plus Integrated (Medicare-Medicaid Plan) at 1-800-787-3311 (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m. Central time. The call is free. **For more information**, visit **Humana.com**.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, dental and vision providers, and other people who provide care and services. **Services** include medical care, long-term services and supports (LTSS), supplies, prescription drugs, equipment and other services.
 - The term providers also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
 - Providers that are a part of our plan's network are called network providers.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **referral** to use a specialist or someone that is not your PCP. A **referral** means that your PCP must give you approval before you can use someone that is not your PCP. If you don't get a referral, Humana Gold Plus Integrated (Medicare-Medicaid Plan) may not cover the service.
 - Referrals from your network PCP are not needed for:
 - > emergency care;
 - > urgently needed care;
 - > kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
 - > services from a women's health specialist.
 - > All covered preventive services as long as you get them from a network provider.
 - Additionally, if you are eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
 - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- You also have access to a **Care Team** and a **Care Coordinator** that you help choose.

If you have questions, please call Humana Gold Plus Integrated (Medicare-Medicaid Plan) at 1-800-787-3311 (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m. Central time. The call is free. **For more information**, visit [Humana.com](https://www.humana.com).

- A **Care Coordinator**, working closely with you, will lead your Care Team and develop a Care Plan that helps you manage your medical, behavioral health, long-term supports and services, and social and functional needs.
- Your **Care Team** will work with you to help support meeting your health needs and goals. Everyone on the Care Team, led by the Care Coordinator, works together to make sure your care is coordinated. This means that they make sure your providers are aware of care you get, medicines you take, and that tests and labs are done once and the results are shared with the appropriate providers. Your Care Team will also assess your needs to determine if you need help in other areas besides health, such as physical or social needs. Your Care Team will be in contact with you as often as needed depending on the Care Plan that you help develop.
- A **Care Plan** will be developed with your help by the Care Coordinator and Care Team. The Care Plan will list all of your needs, set goals to address those needs, and determine ways to monitor if those needs are being met or if they need to be changed. It will also include a service plan if you are getting Home and Community-Based Services.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that are not an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider. You may be able to have a specialist act as your PCP, such as if you are pregnant, have a chronic health condition, disability or special health care need. Call Customer Care to request to have the specialist provider assigned as your PCP at 1-800-787-3311 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m. Central time.

To choose a PCP, refer to the list of providers in section C and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Customer Care at 1-800-787-3311 (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m. Central time. The call is free. Or, visit Humana.com.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Customer Care and ask **before** you get the service or care.

If you have questions, please call Humana Gold Plus Integrated (Medicare-Medicaid Plan) at 1-800-787-3311 (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m. Central time. The call is free. **For more information**, visit Humana.com.

B4. Long-term services and supports (LTSS)

As a Humana Gold Plus Integrated (Medicare-Medicaid Plan) member, you may be able to get long-term services and supports (LTSS), such as:

- **Adult Day Service** – Also known as Adult Day Care – This is a daytime community-based program for adults not living in Supportive Living Facilities. Adult Day Service provides a variety of social, recreational, health, nutrition, and related support services in a protective setting. Transportation to and from the center and lunch are included as part of this service.
- **Home Modifications** – These are physical modifications to a member's home. The modifications must be necessary to support the health, welfare, and safety of the member and to enable the member to function with greater independence in their home. Without the modification a member would require some type of institutionalized living arrangement, such as nursing facility or assisted living. Adaptations that do not help the member's safety or independence are not included as part of this service, such as new carpeting, roof repair, central air, or home additions.
- **Home Health Aide** – A person who works under the supervision of a medical professional (such as nurse or physical therapist), to assist the member with basic health services such as assistance with medication, nursing care, physical, occupational and speech therapy.
- **Nursing, Intermittent** – This service focuses on long term needs rather than short-term acute healing needs, such as weekly insulin syringes or mediset set up for members unable to do this for themselves. These services are provided instead of a hospitalization or a nursing facility stay. A doctor's order is required for this service.
- **Nursing, Skilled** – This service provides skilled nursing services to a member in their home for short-term acute healing needs, with the goal of restoring and maintaining a member's maximal level of function and health. These services are provided instead of a hospitalization or a nursing facility stay. A doctor's order is required for this service.
- **Physical, Occupational, and Speech Therapy** – Also known as Rehabilitation Services – Services designed to improve and/or restore a person's functioning; includes physical therapy, occupational therapy, and/or speech therapy.
- **Prevocational Services** – This service is for members with brain injuries and provides work experiences and training designed to assist individuals in developing skills needed for employment in the general workforce. Services include teaching concepts such as compliance, attendance, task completion, problem-solving and safety.
- **Habilitation-day** – Also known as Habilitation – This service provides members with brain injuries training with independent living skills, such as help with gaining, maintaining, or improving self-help, socialization, and adaptive skills. This service also helps the member to gain or maintain his or her maximum functional level.
- **Homemaker Services** – In-home caregiver hired through an agency. The caregiver helps with housekeeping items such as meal preparation, shopping, light housekeeping, and laundry. The caregiver can also help with hands-on personal care items such as personal hygiene, bathing, grooming and feeding.

If you have questions, please call Humana Gold Plus Integrated (Medicare-Medicaid Plan) at 1-800-787-3311 (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m. Central time. The call is free. **For more information**, visit [Humana.com](https://www.humana.com).

- Home Delivered Meals – Prepared food brought to the member's home that may consist of a heated lunch meal and a dinner meal (or both), which can be refrigerated and eaten later. This service is designed for the member who cannot prepare his or her own meals but is able to feed him/herself.
- Personal Assistant – In-home caregiver hired and managed by the member. The member must be able to manage different parts of being an employer such as hiring the caregiver, managing their time and timesheets, and completing other employee paperwork. The caregiver helps with housekeeping items such as meal preparation, shopping, light housekeeping, and laundry. The caregiver can also help with hands-on personal care items such as personal hygiene, bathing, grooming, and feeding. Personal Assistants can include other independent direct care givers such as RNs, LPNs, and Home Health Aides.
- Personal Emergency Response System – This electronic equipment allows members 24-hour access to help in an emergency. The equipment is connected to your phone line and calls the response center and/ or other forms of help once the help button is pressed.
- Respite Services – This service provides relief for unpaid family or primary caregivers who are meeting all the needs of the member. The respite caregiver assists the member with all daily needs when the family or primary caregiver is absent. Respite can be provided by a homemaker, personal assistant, nurse or in adult day health center.
- Specialized Medical Equipment and Supplies – This service includes devices, controls, or appliances, specified in the plan of care, which enable the member to increase his or her abilities to perform activities of daily living, or to perceive, control, or communicate with the environment in which they live.
- Behavioral Services – These services are behavioral therapies designed to assist members with brain injuries in managing their behavior and thinking functions, and to enhance their capacity for independent living.
- Supportive Living Program – Also known as Supportive Living Service – An assisted living facility is a housing option that provides members with many support services to meet the member's needs to help keep the member as independent as possible. Examples of support services to meet those needs include: housekeeping, personal care, medication oversight, shopping, and social programs. Supportive Living does not offer complex medical services or supports.

LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You may choose which provider/agency you want to provide your long-term services and supports. A list of agencies approved to provide services in your service area will be reviewed with you by your Humana Gold Plus Integrated (Medicare-Medicaid Plan) Care Coordinator.

For information regarding accessing LTSS or to talk with a Care Coordinator, call Customer Care at 1-800-787-3311 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m. Central time.

B5. How to identify providers in Humana Gold Plus Integrated (Medicare-Medicaid Plan)'s network

You may need a referral to use someone who is not a Primary Care Provider. There is more information about referrals in Section B1 of this Directory.

You must get all of your covered services from providers within our network. If you use providers who are not in Humana Gold Plus Integrated (Medicare-Medicaid Plan)'s network (without prior authorization (PA) or approval from us), you will have to pay the bill.

A **PA** is an approval from Humana Gold Plus Integrated (Medicare-Medicaid Plan) before you can get a specific service, drug, or use an out-of-network provider. Humana Gold Plus Integrated (Medicare-Medicaid Plan) may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also use providers outside the plan for other non-emergency services if Humana Gold Plus Integrated (Medicare-Medicaid Plan) gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. For some providers, you may need a referral from your PCP. Also, you may change your PCP for any reason, at any time. It's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP. To change your PCP, call Customer Care at the number at the bottom of the page.
- Humana Gold Plus Integrated (Medicare-Medicaid Plan) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and are not sure if they offer the accommodations you need, Humana Gold Plus Integrated (Medicare-Medicaid Plan) can help you. Talk to your care coordinator for assistance.

C3. Mail-order pharmacies
