A. Welcome to our plan

You have chosen to get your Medicare and Medicaid health care and your prescription drug coverage through our plan, Humana Dual Integrated (HMO D-SNP). We are required to cover all Part A and Part B services. However, cost sharing and provider access in this plan differ from Original Medicare.

Humana Dual Integrated (HMO D-SNP) is a specialized Medicare Advantage Plan (a Medicare Special Needs Plan), which means its benefits are designed for people with special health care needs. Humana Dual Integrated (HMO D-SNP) is designed for people who have Medicare and Michigan Medicaid. Because you have Michigan Medicaid, you may receive assistance with your Medicare Part A and B cost sharing (deductibles, copayments, and coinsurance) you may pay nothing for your Medicare health care services. Michigan Medicaid may also provide other benefits to you by covering health care services and prescription drugs that are not usually covered under Medicare. You may also receive "Extra Help" from Medicare to pay for the costs of your Medicare prescription drugs. Humana Dual Integrated (HMO D-SNP) will help manage all of these benefits for you, so that you get the health care services and payment assistance that you are entitled to.

Humana Dual Integrated (HMO D-SNP) is run by a private company. Like all Medicare Advantage Plans, this Medicare Special Needs Plan is approved by Medicare. The plan also has a contract with the Michigan Medicaid program to coordinate your Medicaid benefits. We are pleased to be providing your Medicare and Medicaid health care coverage, including your prescription drug coverage.

B. Information about Medicare and Michigan Medicaid

B1. Medicare

Medicare is the federal health insurance program for:

- people 65 years of age or older,
- some people under age 65 with certain disabilities, **and**
- people with end-stage renal disease (kidney failure).

B2. Michigan Medicaid

Michigan Medicaid is the name of Michigan's Medicaid program. Michigan Medicaid is run by the state and is paid for by the state and the federal government. Michigan Medicaid helps people with limited incomes and resources pay for Long-Term Services and Supports (LTSS) and medical costs. It covers extra services and drugs not covered by Medicare.

Each state decides:

- what counts as income and resources,
- who is eligible,
- what services are covered, **and**
- the cost for services.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

States can decide how to run their programs, as long as they follow the federal rules.

Medicare and the state of Michigan approved our plan. You can get Medicare and Michigan Medicaid services through our plan as long as:

- we choose to offer the plan, **and**
- Medicare and the state of Michigan allow us to continue to offer this plan.

Even if our plan stops operating in the future, your eligibility for Medicare and Michigan Medicaid services isn't affected.

C. Advantages of this plan

You'll now get all your covered Medicare and Michigan Medicaid services from Humana Dual Integrated (HMO D-SNP), including prescription drugs. **You don't pay extra to join this health plan.**

We help make your Medicare and Medicaid benefits work better together for you. Some of the advantages include:

- You can work with us for **most** of your health care needs.
- You will have a care team that you help put together. Your care team may include yourself, your caregiver, doctors, nurses, counselors, or other health professionals.
- You will have access to a care coordinator. This is a person who works with you, with our plan, and with your care team to help make a care plan.
- You're able to direct your own care with help from your care team and care coordinator.
- Your care team and care coordinator work with you to make a care plan designed to meet **your** health needs. The care team helps coordinate the services you need. For example, this means that your care team makes sure:
 - Your doctors know about all the medicines you take so they can make sure you're taking the right medicines and can reduce any side effects that you may have from the medicines.
 - Your test results are shared with all of your doctors and other providers, as appropriate.

New members to Humana Dual Integrated (HMO D-SNP) H0963-001: In most instances you'll be enrolled in Humana Dual Integrated (HMO D-SNP) H0963-001 for your Medicare benefits the 1st day of the month after you request to be enrolled in Humana Dual Integrated (HMO D-SNP) H0963-001. You may still receive your Michigan Medicaid from your previous Michigan Medicaid health plan for one additional month. After that, you'll receive your Michigan Medicaid services through Humana Dual Integrated (HMO D-SNP) H0963-001. There will be no gap in your Michigan Medicaid coverage. Please call us at the number at the bottom of the page if you have any questions.

D. Our plan's service area

Our service area includes the following county/counties in Michigan: Macomb and Wayne.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Only people who live in our service area can join our plan.

You can't stay in our plan if you move outside of our service area. Refer to **Chapter 8** of this *Member Handbook* for more information about the effects of moving out of our service area.

E. What makes you eligible to be a plan member

You're eligible for our plan as long as you:

- live in our service area (incarcerated individuals aren't considered living in the service area even if they're physically located in it), **and**
- have both Medicare Part A and Medicare Part B, **and**
- are a United States citizen or are lawfully present in the United States, **and**
- are currently eligible for Michigan Medicaid, **and**
- are age 21 or older at the time of enrollment including individuals age 21 and older served by the Children's Specialized Health Care Services (CSHCS) program.
- are receiving full Medicaid benefits (this includes individuals who are eligible for Medicaid through expanded financial eligibility limits under a 1915(c) waiver or who reside in a Nursing Facility, including those who have a monthly Patient Pay Amount).

If you lose eligibility but can be expected to regain it within 90 days then you're still eligible for our plan.

Call Member Services for more information.

F. What to expect when you first join our health plan

When you first join our plan, you get a health risk assessment (HRA) within in 90 days before or after your enrollment effective date. We must complete an HRA for you. This HRA is the basis for developing your care plan. The HRA includes questions to identify your medical, behavioral health, and functional needs.

We reach out to you to complete the HRA. We can complete the HRA by an in-person visit, telephone call, or mail.

We'll send you more information about this HRA.

Humana Dual Integrated (HMO D-SNP) must maintain your current providers and services you're receiving at the time of Enrollment. This includes drugs and providers which aren't part of our network. How long you'll continue to receive these services depends on what services you're receiving and why you're getting them. Only after we've completed your HRA will we consider any changes to the services you're getting at the time you enroll.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

G. Your care team and care plan

G1. Care team

A care team can help you keep getting the care you need. A care team may include your doctor, a care coordinator, or other health person that you choose.

A care coordinator is a person trained to help you manage the care you need. You get a care coordinator when you enroll in our plan. This person also refers you to other community resources that our plan may not provide and will work with your care team to help coordinate your care. Call us at the numbers at the bottom of the page for more information about your care coordinator and care team.

G2. Care plan

Your care team works with you to make a care plan. A care plan tells you and your doctors what services you need and how to get them. It includes your medical, behavioral health, LTSS, health related social needs, and functional needs. The care plan will focus on your goals taking into account your concerns, wants, needs and strengths. It'll include a summary of your health status and your plan for addressing your concerns. You'll be asked to sign your care plan after it's satisfactory to you.

Your care plan includes:

- your health care goals,
- a timeline for getting the services you need,
- your cultural values and the communication needs and preferences,
- your preferences for care, services, and supports,
- your prioritized list of concerns, goals and objectives, and strengths,
- specific providers, supports and services including amount, scope, and duration,
- a summary of your health status,
- the plan for addressing your concerns or goals and measures for achieving them,
- the person(s) responsible for helping you achieve your goals,
- due dates for the interventions and Reassessment, and
- a plan to address health related social needs such as food or housing security.

Your care team meets with you after your HRA. They ask you about services you need. They also tell you about services you may want to think about getting. Your care plan is created based on your needs and goals. Your care team works with you to update your care plan at least every year.

H. Summary of important costs

Your costs may include the following:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Our plan has no premium (**Section H1**)
- Monthly Medicare Part B Premium (**Section H2**)
- Medicare Prescription Payment Plan Amount (**Section H3**)

In some situations, your plan premium could be less.

There are programs to help people with limited resources pay for their drugs. These include “Extra Help” and the AIDS Drug Assistance Program (ADAP). Learn more about this program in **Chapter 2, Section H2**. If you qualify, enrolling in the program might lower your monthly plan premium.

If you *already* get help from one of these programs, **the information about premiums in this Member Handbook does not apply to you**. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the “LIS Rider”), which tells you about your drug coverage. If you don’t have this insert, please call Member Services at the number at the bottom of this page and ask for the “LIS Rider”.

H1. Our plan has no premium

You do not pay a separate monthly plan premium for Humana Dual Integrated (HMO D-SNP).

H2. Monthly Medicare Part B Premium

Many members are required to pay other Medicare premiums.

Some members are required to pay other Medicare premiums. As explained in **Section E** above to be eligible for our plan, you must maintain your eligibility for Michigan Medicaid as well as have both Medicare Part A and Medicare Part B. For most Humana Dual Integrated *members*, Michigan Medicaid pays for your Medicare Part A premium (if you don’t qualify for it automatically) and Part B premium.

If Medicaid isn’t paying your Medicare premiums for you, you must continue to pay your Medicare premiums to stay a member of our plan. You may also pay a premium for Medicare Part A if you aren’t eligible for premium-free Medicare Part A. **In addition, please contact Member Services or your care coordinator and inform them of this change.**

H3. Medicare Prescription Payment Amount

If you’re participating in the Medicare Prescription Payment Plan, you’ll get a bill from your plan for your drugs (instead of paying the pharmacy). Your monthly bill is based on what you owe for any prescriptions you get, plus your previous month’s balance, divided by the number of months left in the year.

Chapter 2 Section I3 tells more about the Medicare Prescription Payment Plan. If you disagree with the amount billed as part of this payment option, you can follow the steps in **Chapter 9** to make a complaint or appeal.

I. This Member Handbook

This *Member Handbook* is part of our contract with you. This means that we must follow all of the rules in

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

this document. If you think we have done something that goes against these rules, you may be able to appeal our decision. For information about appeals, refer to **Chapter 9** of the *Member Handbook* or call 1-800-MEDICARE (1-800-633-4227).

You can ask for a *Member Handbook* by calling Member Services at the numbers at the bottom of the page. You can also refer to the *Member Handbook* at **Humana.com/plandocuments** or download it from this website.

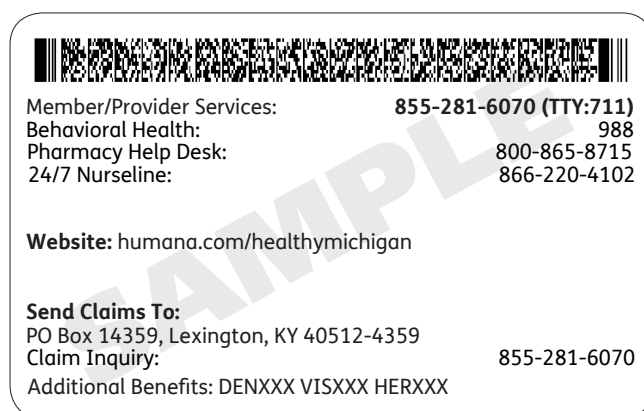

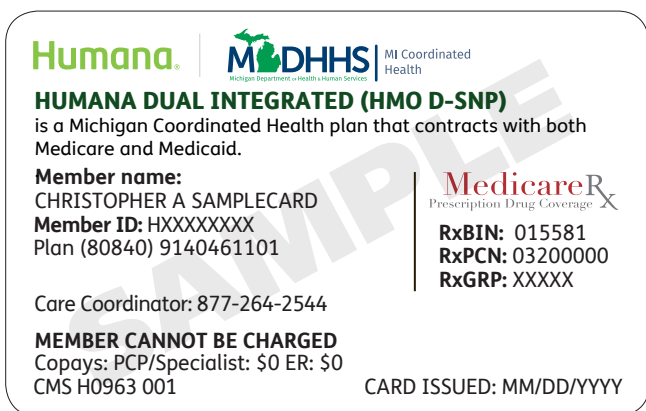

The contract is in effect for the months you are enrolled in our plan between January 1, 2026 and December 31, 2026.

J. Other important information you get from us

Other important information we provide to you includes your Member ID card, a *Provider and Pharmacy Directory*, and a *List of Covered Drugs*, also known as a *Drug List* or *Formulary*.

J1. Your Member ID Card

Under our plan, you have one card for your Medicare and Michigan Medicaid services, including LTSS, certain behavioral health services, certain behavioral health services, and prescriptions. You show this card when you get any services or prescriptions. Here is a sample Member ID Card:

If your Member ID Card is damaged, lost, or stolen, call Member Services at the number at the bottom of the page right away. We'll send you a new card.

As long as you're a member of our plan, you do not need to use your red, white, and blue Medicare card or your Michigan Medicaid card to get most services. Keep those cards in a safe place, in case you need them later. If you show your Medicare card instead of your Member ID Card, the provider may bill Medicare instead of our plan, and you may get a bill. You may be asked to show your Medicare card if you need hospital services, hospice services, or participate in Medicare-approved clinical research studies (also called clinical trials). Refer to **Chapter 7** of this *Member Handbook* to find out what to do if you get a bill from a provider.

J2. Provider and Pharmacy Directory

The *Provider and Pharmacy Directory* lists the providers and pharmacies in our plan's network. While you are

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

a member of our plan, you must use network providers to get covered services.

You can ask for a *Provider and Pharmacy Directory* (electronically or in hard copy form) by calling Member Services at the numbers at the bottom of the page. Requests for hard copy *Provider and Pharmacy Directories* will be mailed to you within three business days. You can also refer to the *Provider and Pharmacy Directory* at **Humana.com/plandocuments**.

The *Provider and Pharmacy Directory* lists health care professionals, facilities, and support providers that you may use as a Humana Dual Integrated (HMO D-SNP) member. We also list the pharmacies that you may use to get your prescription drugs. During the first 90 days after you enroll with Humana Dual Integrated (HMO D-SNP), you can see any provider you've seen within the previous twelve (12) months, even if the provider isn't in our network.

Definition of network providers

- Our network providers include:
 - doctors, nurses, and other health care professionals that you can use as a member of our plan;
 - clinics, hospitals, nursing facilities, and other places that provide health services in our plan; **and**
 - LTSS, behavioral health services, home health agencies, durable medical equipment (DME) suppliers, and others who provide goods and services that you get through Medicare or Medicaid.

Network providers agree to accept payment from our plan for covered services as payment in full.

Definition of network pharmacies

- Network pharmacies are pharmacies that agree to fill prescriptions for our plan members. Use the *Provider and Pharmacy Directory* to find the network pharmacy you want to use.
- Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Call Member Services at the numbers at the bottom of the page for more information. Both Member Services and our website can give you the most up-to-date information about changes in our network pharmacies and providers.

List of Durable Medical Equipment (DME)

We included our List of DME with this *Member Handbook*. This list tells you the brands and makers of DME that we cover. The most recent list of brands, makers, and suppliers is also available on our website at the address at the bottom of the page. Refer to **Chapters 3 and 4** of this *Member Handbook* to learn more about DME equipment.

J3. List of Covered Drugs

Our plan has a *List of Covered Drugs*. We call it the *Drug List* for short. It tells you which drugs our plan covers. The drugs on this list are selected by our plan with the help of doctors and pharmacists. The *Drug List* must meet Medicare's requirements. Drugs with negotiated prices under the Medicare Drug Price Negotiation Program will be included on your *Drug List* unless they have been removed and replaced as described in

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Chapter 5, Section B. Medicare approved the Humana Dual Integrated (HMO D-SNP) *Drug List*.

The *Drug List* also tells you if there are any rules or restrictions on any drugs, such as a limit on the amount you can get. Refer to **Chapter 5** of this *Member Handbook* for more information.

Each year, we send you information about how to access the *Drug List*, but some changes may occur during the year. To get the most up-to-date information about which drugs are covered, call your Care Coordinator or Member Services or visit our website at the address at the bottom of the page. The *Drug List* will include a section that lists all Medicaid drugs covered in our plan. This information will also be found at our website or by calling your Care Coordinator or Member Services.

J4. The Explanation of Benefits

When you use your Medicare Part D drug benefits, we send you a summary to help you understand and keep track of payments for your Medicare Part D drugs. This summary report is called the *Explanation of Benefits (EOB)*.

The EOB tells you the total amount you, or others on your behalf, spent on your Medicare Part D drugs and the total amount we have paid for each of your Medicare Part D drugs during the month. This EOB isn't a bill. The EOB has more information about the drugs you take, such as increases in price and other drugs with lower cost-sharing that may be available. You can talk to your prescriber about these lower cost options. **Chapter 6** of this *Member Handbook* gives more information about the EOB and how it helps you track your drug coverage.

You can also ask for an EOB. To get a copy, contact Member Services at the numbers at the bottom of the page.

K. Keeping your enrollee profile up to date

You can keep your enrollee profile up to date by telling us when your information changes.

We need this information to make sure that we have your correct information in our records. The doctors, hospitals, pharmacists, and other providers in our plan's network use your enrollee profile to know what services and drugs are covered and your cost-sharing amounts. Because of this, it's very important to help us keep your information up to date.

Tell us right away about the following:

- changes to your name, address, or phone number;
- changes to any other health insurance coverage, such as from your employer, your spouse's employer, or your domestic partner's employer, or workers' compensation;
- any liability claims, such as claims from an automobile accident;
- admission to a nursing facility or hospital;
- care from a hospital or emergency room;
- changes in who your caregiver (or anyone responsible for you); **and**

- you participate in a clinical research study. (**Note:** You're not required to tell us about a clinical research study you intend to participate in, but we encourage you to do so.)

If any information changes, call Member Services at the numbers at the bottom of the page.

K1. Privacy of personal health information (PHI)

Information in your enrollee profile may include personal health information (PHI). Federal and state laws require that we keep your PHI private. We protect your PHI. For more details about how we protect your PHI, refer to **Chapter 8** of this *Member Handbook*.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- When we get the evidence showing the right copayment level, we'll update our system so you can pay the right copayment amount when you get your next prescription. If you overpay your copayment, we'll pay you back either by check or a future copayment credit. If the pharmacy didn't collect your copayment and you owe them a debt, we may make the payment directly to the pharmacy. If a state paid on your behalf, we may make payment directly to the state. A. Information about services and providers

Services are health care, long-term services and supports (LTSS), supplies, behavioral health, prescription and over-the-counter drugs, equipment and other services. **Covered services** are any of these services that our plan pays for. Covered health care, behavioral health, and LTSS are in **Chapter 4** of this *Member Handbook*. Your covered services for prescription and over-the-counter drugs are in **Chapter 5** of this *Member Handbook*.

Providers are doctors, nurses, and other people who give you services and care and are licensed by the state. Providers also include hospitals, home health agencies, clinics, and other places that give you health care services, behavioral health services, medical equipment, and certain LTSS.

Network providers are providers who work with our plan. These providers agree to accept our payment as and your cost-sharing amount as full payment. We arranged for these providers to deliver covered services to you. Network providers bill us directly for care they give you. When you use a network provider, you usually pay only your share of the cost for covered services.

B. Rules for getting services our plan covers

Our plan covers all services covered by Medicare and Michigan Medicaid. This includes behavioral health and LTSS.

Our plan will generally pay for the health care services, covered behavioral health services, and LTSS you get when you follow our rules. To be covered by our plan:

- The care you get must be included in our Medical Benefits Chart in **Chapter 4** of this *Member Handbook*.
- The care must be **medically necessary**. By medically necessary, we mean you need services to prevent, diagnose, or treat your medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For medical services, you must have a network **primary care provider (PCP)** providing and overseeing your care. As a plan member, you must choose a network provider to be your PCP (for more information, go to **Section D1** of this chapter).
 - In most cases, your network PCP must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a **referral**. If you don't get approval, we may not cover the services.
 - You don't need referrals from your PCP for emergency care or urgently needed care or to use a woman's health provider. You can get other kinds of care without having a referral from your PCP (for more information, go to **Section D1** in this chapter).
- **You must get your care from network providers** (for more information, go to **Section D** in this chapter). Usually, we won't cover care from a provider who doesn't work with our health plan. This means that you'll have to pay the provider in full for services you get. Here are some cases when this rule doesn't apply:
 - We cover emergency or urgently needed care from an out-of-network provider (for more

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

information, go to **Section I** in this chapter).

- If you need care that our plan covers and our network providers can't give it to you, you can get the care from an out-of-network provider. You must obtain authorization from the plan prior to seeking care from an out-of-network provider. In this situation, we cover the care as if you got it from a network provider. For information about getting approval to use an out-of-network provider, go to **Section D4** in this chapter.
- We cover kidney dialysis services when you're outside our plan's service area for a short time or when your provider is temporarily unavailable or not accessible. The cost-sharing you pay for dialysis can never be higher than the cost-sharing in Original Medicare. If you're outside our plan's service area and get dialysis from a provider outside the plan's network, your cost-sharing can't be higher than the cost-sharing you pay in-network. However, if your usual in-network provider for dialysis is temporarily unavailable and you choose to get services inside our service area from an out-of-network provider, your cost-sharing for the dialysis may be higher. If possible, call Member Services at the number at the bottom of the page before you leave the service area so we can help arrange for you to have maintenance dialysis while you're away.
- The plan covers a second opinion from a network provider or arranges for the member to obtain one outside the network, at no cost to you.

C. Your care coordinator

C1. What a care coordinator is

Your Care Coordinator will help establish priorities and to link all of your doctors, pharmacies, behavioral health care and long-term care supports and services through your health plan. For information on choosing your PCP, call Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. There you can also use the physician finder and get health news and information.

If you would prefer to have a PCP that has the same cultural, ethnic or racial background as you, please call Member Services. Members who identify as American Indian/Alaskan Native may use providers who are designated as Indian Health Care Providers if they choose to. You are not limited to these providers and can choose any network provider. For help in locating an Indian Health Care provider, please call Member Services at the number listed above.

Option to change your PCP

You can change your PCP for any reason, at any time. It's also possible that your PCP may leave our plan's network. If your PCP leaves our network, we can help you find a new PCP in our network.

If you want to change your PCP for any reason, you must call Member Services to let us know. Change requests received by the last day of the month will usually be effective on the first day of the following month. We will send you a new Member ID Card with your new PCP on it. Member Services can also help you schedule your first appointment, if needed.

To find the PCPs you can choose from:

- Look in our *Provider and Pharmacy Directory*.
- Look on our website at **Humana.com/findadoctor**.

Visit **MyHumana.com** for 24-hour access to information such as claims history, eligibility, and Humana's *Drug List*. There you can also use the physician finder and get health news and information.

You may not be able to change if the new PCP you want is not accepting new patients or has other restrictions. Please call us if you need help.

Also, it's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP. You can call us if you need help choosing a different PCP. Be sure to tell Member Services if you're currently seeing specialists or any other providers that required a referral from your old PCP. We'll make sure you can continue with any services that had already been approved.

Services you can get without approval from your PCP

In most cases, you need approval from your PCP before using other providers. This approval is called a **referral**. You can get services like the ones listed below without getting approval from your PCP first:

- Emergency services from network providers or out-of-network providers
- Urgently needed covered services that require immediate medical attention (but not an emergency) if you're either temporarily outside our plan's service area, or if it's unreasonable given your time, place, and circumstances to get this service from network providers. Examples of urgently needed services are unforeseen medical illnesses and injuries or unexpected flare-ups of existing conditions. Medically necessary routine provider visits (like annual checkups) aren't considered urgently needed even if you're outside our plan's service area or our network is temporarily unavailable.
- Kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside our plan's service area. Call Member Services before you leave the service area. We can help you get dialysis while you're away.
- Flu shots, COVID-19 vaccinations, hepatitis B vaccinations, and pneumonia vaccinations as long as you get them from a network provider.
- Routine women's health care and family planning services. This includes breast exams, screening mammograms (X-rays of the breast), Pap tests, and pelvic exams as long as you get them from a network provider.
- Additionally, if eligible to get services from Indian health providers, you may use these providers without a referral.
- All covered preventive services as long as you get them from a network provider.
- Outpatient mental health and substance abuse medication management, assessments, consultation and therapy with in network providers.
- Emergency or crisis treatment for mental health and substance abuse problems.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

D2. Care from specialists and other network providers

A specialist is a doctor who provides health care for a specific disease or part of the body. There are many kinds of specialists, such as:

- Oncologists care for patients with cancer.
- Cardiologists care for patients with heart problems.
- Orthopedists care for patients with bone, joint, or muscle problems.

Your PCP or Women's Health Care Provider (WHCP) can recommend a specialist to you if you have a specific problem. Your PCP or WHCP can also recommend a lab or hospital to you for special services.

You may need a referral to use a specialist or someone that is not your PCP. A referral means that your network PCP must give you approval before you can use the other provider. If you don't get a referral, our plan may not cover the service. If you are using a specialist for your care, you may need to return to your PCP for a referral for additional services.

We may need to review and approve service requests before you can get services from a specialist. The specialist, lab or hospital will know how to get approval for these services. This is called getting "prior authorization." Refer to **Chapter 4, Section C** for information about which services require prior authorization.

D3. When a provider leaves our plan

A network provider you use may leave our plan. If one of your providers leaves our plan, you have these rights and protections that are summarized below:

- Even if our network of providers change during the year, we must give you uninterrupted access to qualified providers.
- We'll notify you that your provider is leaving our plan so that you have time to select a new provider.
 - If your primary care or behavioral health provider leaves our plan, we'll notify you if you visited that provider within the past three years.
 - If any of your other providers leave our plan, we'll notify you if you're assigned to the provider, currently get care from them, or visited them within the past three months.
- We help you select a new qualified in-network provider to continue managing your health care needs.
- If you're currently undergoing medical treatment or therapies with your current provider, you have the right to ask to continue getting medically necessary treatment or therapies. We'll work with you so you can continue to get care.
- We'll give you information about available enrollment periods and options you may have for changing plans.
- If we can't find a qualified network specialist accessible to you, we must arrange an out-of-network specialist to provide your care when an in-network provider or benefit is unavailable or inadequate to meet your medical needs. Prior authorization may be applicable.
- If you find out one of your providers is leaving our plan, contact us. We can help you choose a new

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

provider to manage your care.

- If you think we haven't replaced your previous provider with a qualified provider or that we aren't managing your care well, you have the right to file a quality of care complaint to the Quality Improvement Organization (QIO), a quality of care grievance, or both. (Refer to **Chapter 9** for more information.)

D4. Out-of-network providers

Your network PCP or plan must give you approval in advance before you can use providers not in the plan's network. This is called giving you a "referral." For more information about this and situations when you can use an out-of-network provider without a referral (such as an emergency), refer to this chapter. If you don't have a referral (approval in advance) before you get services from an out-of-network provider, you may have to pay for these services yourself.

For some types of services, your doctor may need to get approval in advance from our plan (this is called getting "prior authorization"). Refer to **Chapter 4, Section C** for more information about which services require prior authorization.

If you use an out-of-network provider, the provider must be eligible to participate in Medicare and/or Michigan Medicaid.

- We can't pay a provider who isn't eligible to participate in Medicare and/or Michigan Medicaid.
- If you use a provider who isn't eligible to participate in Medicare, you must pay the full cost of the services you get.
- Providers must tell you if they aren't eligible to participate in Medicare.

E. Long-term services and supports (LTSS)

Long-Term Supports and Services (LTSS) are services that help elderly people and people with disabilities meet their daily needs for help and improve the quality of their lives. Examples of LTSS include help with bathing, dressing, and other basic activities of daily life and self-care, as well as support for everyday tasks such as laundry, shopping, and transportation. LTSS are provided over an extended period, usually in homes and communities, but also in nursing homes and other facilities.

F. Behavioral health (mental health and substance use disorder) services

All Medicaid and Medicare behavioral health services are covered by your plan. All existing Medicare and Medicaid behavioral health services will continue to be provided for people currently receiving care and who enroll in MICH. Certain behavioral health services covered by Medicaid are managed by Michigan Pre-paid Inpatient Health Plans (PIHPs), organizations that the Michigan Department of Health and Human Services contracts with to administer Medicaid covered behavioral health benefits. All Medicaid covered Behavioral Health services not managed by the PIHPs and all behavioral health services covered by Medicare will be managed by us. If you have questions about behavioral health, contact your Care Coordinator.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

G. How to get self-directed care

G1. What self-directed care is

You have the option to self-direct your services if you qualify. You would control a budget and have the right to hire and manage personal care workers and other providers.

G2. Who can get self-directed care (for example, if it's limited to waiver populations)

Your care coordinator will work with you to determine whether you qualify for self-directed services.

G3. How to get help in employing personal care providers (if applicable)

Talk to your care coordinator if you think you need services that can be self-directed.

H. Transportation services

- **If you have a medical emergency, dial 911**
- Call 911 if you need emergency transportation. You don't need prior approval in an emergency.
- Non-emergency ground ambulance services aren't covered by this plan. **Other transportation services are covered.**
- We may be able to help you get to your medical appointments and, if you qualify, may be able to help with transportation for other things. If you need help with transportation, talk to your care coordinator.

I. Covered services in a medical emergency, when urgently needed, or during a disaster

I1. Care in a medical emergency

A medical emergency is a medical condition with symptoms such as illness, severe pain, serious injury, or a medical condition that's quickly getting worse. The condition is so serious that, if it doesn't get immediate medical attention, you or anyone with an average knowledge of health and medicine could expect it to result in:

- serious risk to your life and, if you're pregnant, loss of an unborn child; **or**
- loss of or serious harm to bodily functions; **or**
- loss of a limb or function of a limb; **or**
- in the case of a pregnant woman in active labor, when:
 - There isn't enough time to safely transfer you to another hospital before delivery.
 - A transfer to another hospital may pose a threat to your health or safety or to that of your unborn child.

If you have a medical emergency:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- **Get help as fast as possible.** Call 911 or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You **don't** need approval or a referral from your PCP. You don't need to use a network provider. You can get covered emergency medical care whenever you need it, anywhere in the U.S and it's territories or worldwide, from any provider with an appropriate state license even if they're not part of our network.
- **As soon as possible, tell our plan about your emergency.** We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours. However, you won't pay for emergency services if you delay in telling us. Call Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

Covered services in a medical emergency

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider. Our plan covers worldwide emergency and urgent care services outside of the United States under the following circumstances. If you have an emergency or an urgent need for care outside of the U.S. and its territories, you will be responsible to pay for those services upfront and request reimbursement from us. We will reimburse you for covered out-of-network emergency and urgent care services outside of the U.S. and its territories. However, the reimbursement rates will be no greater than the rates at which Original Medicare would pay for such services had the services been performed in the United States in the locality where you reside. The amount we pay you, if any, will be reduced by any applicable cost-sharing. Because we will reimburse at rates no greater than the rates at which Original Medicare would reimburse, and because foreign providers might charge more for services than the rates at which Original Medicare would pay, the total of our reimbursement plus the applicable cost-sharing may be less than the amounts you pay the foreign provider. This is a supplemental benefit not generally covered by Medicare. You must submit proof of payment to Humana for reimbursement. See **Chapter 4** for more information. If you have already paid for the covered services, we will reimburse you for our share of the cost for covered services. You can send the bill with medical records to us for payment consideration. Transportation back to the United States from another country is NOT covered. Pre-scheduled, pre-planned treatments (including treatment for an ongoing condition) and/or elective procedures are NOT covered.

Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health. We also cover medical services during the emergency. To learn more, refer to the Benefits Chart in **Chapter 4, Section D** of this *Member Handbook*.

The providers who give emergency care decide when your condition is stable and the medical emergency is over. They'll continue to treat you and will contact us to make plans if you need follow-up care to get better.

Our plan covers your follow-up care. If you get your emergency care from out-of-network providers, we'll try to get network providers to take over your care as soon as possible.

Getting emergency care if it wasn't an emergency

Sometimes it can be hard to know if you have a medical or behavioral health emergency. You may go in for emergency care and the doctor says it wasn't really an emergency. As long as you reasonably thought your health was in serious danger, we cover your care.

However, after the doctor says it wasn't an emergency, we cover your additional care only if:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- You use a network provider, **or**
- The additional care you get is considered “urgently needed care” and you follow the rules for getting it. Refer to the next section.

I2. Urgently needed care

Urgently needed care is care you get for a situation that isn't an emergency but needs care right away. For example, you might have a flare-up of an existing condition or an unforeseen illness or injury.

Urgently needed care in our plan's service area

In most cases, we cover urgently needed care only if:

- You get this care from a network provider **and**
- You follow the rules described in this chapter.

If it isn't possible or reasonable to get to a network provider, given your time, place, or circumstances, we cover urgently needed care you get from an out-of-network provider.

If you have a mental health crisis, you can get help by calling the free Crisis Hotline at 844-462-7474 (Wayne County) or 586-307-9100 (Macomb County) (TTY 711). Qualified mental health professionals will be available 24 hours per day, 7 days per week to answer your questions, assess your mental health, and provide and coordinate services as needed.

If you think you need urgent care, you can:

1. Call your PCP for advice. You can reach your PCP or a back-up doctor, 24-hours a day, 7 days a week.

OR

2. Call our 24-hour nurse advice line at 866-220-4102 (TTY: 711) 24-hours a day, 7 days a week.

OR

3. Go to a participating urgent care center. They are listed in the *Provider and Pharmacy Directory*. Or you can find them on our website at **Humana.com/plandocuments**. After you go, always call your PCP to schedule follow-up care.

Urgently needed care when you are outside the plan's service area

When you're outside our plan's service area, you may not be able to get care from a network provider. In that case, our plan covers urgently needed care you get from any provider. However, medically necessary routine provider visits, such as annual checkups, aren't considered urgently needed even if you're outside our plan's service area or our plan network is temporarily unavailable.

When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider.

Our plan covers worldwide emergency and urgent care services outside of the United States under the

following circumstances. Transportation back to the United States from another country is NOT covered. Pre-scheduled, pre-planned treatments (including treatment for an ongoing condition) and/or elective procedures are NOT covered.

13. Care during a disaster

If the governor of your state, the U.S. Secretary of Health and Human Services, or the president of the United States declares a state of disaster or emergency in your geographic area, you're still entitled to care from our plan.

Visit our website for information on how to obtain needed care during a declared disaster: **[Humana.com/alert](https://www.humana.com/alert)**.

During a declared disaster, if you can't use a network provider, you can get care from out-of-network providers at no cost to you. If you can't use a network pharmacy during a declared disaster, you can fill your prescription drugs at an out-of-network pharmacy. Refer to **Chapter 5** of this *Member Handbook* for more information.

J. What if you're billed directly for covered services

If a provider sends you a bill instead of sending it to our plan, you should ask us to pay the bill. If you paid for your covered services or if you got a bill for covered medical services, refer to **Chapter 7** of this *Member Handbook* to find out what to do.

You shouldn't pay the bill yourself. If you do, we may not be able to pay you back.

J1. What to do if our plan doesn't cover services

Our plan covers all services:

- that are determined medically necessary, **and**
- that are listed in our plan's Benefits Chart (refer to **Chapter 4, section D** of this *Member Handbook*), **and**
- that you get by following plan rules.

If you get services that our plan doesn't cover, **you pay the full cost yourself.**

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **[Humana.com](https://www.humana.com)**.

If you want to know if we pay for any medical service or care, you have the right to ask us. You also have the right to ask for this in writing. If we say we won't pay for your services, you have the right to appeal our decision.

Chapter 9 Section E of this *Member Handbook* explains what to do if you want us to cover a medical service or item. It also tells you how to appeal our coverage decision. Call Member Services to learn more about your appeal rights.

We pay for some services up to a certain limit. If you go over the limit, you pay the full cost to get more of that type of service. Refer to **Chapter 4** for specific benefit limits. Call Member Services to find out what the benefit limits are and how much of your benefits you've used.

K. Coverage of health care services in a clinical research study

K1. Definition of a clinical research study

A clinical research study (also called a *clinical trial*) is a way doctors test new types of health care or drugs. They ask for volunteers to help with the study. This kind of study helps doctors decide whether a new kind of health care or drug works and whether it is safe.

Once Medicare or our plan approves a study you want to be in, and express interest, someone who works on the study will contact you. That person will tell you about the study and find out if you qualify to be in it. You can be in the study as long as you meet the required conditions. You must also understand and accept what you must do for the study.

While you are in the study, you may stay enrolled in our plan. That way you continue to get care from our plan not related to the study.

If you want to participate in any Medicare-approved clinical research study, you **don't** need to tell us or get approval from us or your primary care provider. Providers that give you care as part of the study **don't** need to be network providers. This doesn't apply to covered benefits that require a clinical trial or registry to assess the benefit, including certain benefits requiring coverage with evidence development (NCDs-CED) and investigational device exemption (IDE) studies. These benefits may also be subject to prior authorization and other plan rules.

We encourage you to tell us before you take part in a clinical research study.

If you plan to be in a clinical research study, covered for enrollees by Original Medicare, we encourage you or your care coordinator to contact Member Services to let us know you'll take part in a clinical trial.

K2. Payment for services when you are in a clinical research study

If you volunteer for a clinical research study that Medicare approves, you pay nothing for the services covered under the study. Medicare pays for services covered under the study as well as routine costs associated with your care. Once you join a Medicare-approved clinical research study, you're covered for most services and items you get as part of the study. This includes:

- room and board for a hospital stay that Medicare would pay for even if you weren't in a study

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- an operation or other medical procedure that's part of the research study
- treatment of any side effects and complications of the new care

If you're part of a study that Medicare **hasn't** approved, you pay any costs for being in the study.

K3. More about clinical research studies

You can learn more about joining a clinical research study by reading "Medicare & Clinical Research Studies" on the Medicare website (www.medicare.gov/sites/default/files/2019-09/02226-medicare-and-clinical-research-studies.pdf). You can also call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.

L. How your health care services are covered in a religious non-medical health care institution

L1. Definition of a religious non-medical health care institution

A religious non-medical health care institution is a place that provides care you would normally get in a hospital or skilled nursing facility. If getting care in a hospital or a skilled nursing facility is against your religious beliefs, we cover care in a religious non-medical health care institution.

This benefit is only for Medicare Part A inpatient services (non-medical health care services).

L2. Getting care from a religious non-medical health care institution

To get care from a religious non-medical health care institution, you must sign a legal document that says you are against getting medical treatment that is "non-excepted."

- "Non-excepted" medical treatment is any care that's **voluntary and not required** by any federal, state, or local law.
- "Excepted" medical treatment is any care that's **not voluntary and is required** under federal, state, or local law.

To be covered by our plan, the care you get from a religious non-medical health care institution must meet the following conditions:

- The facility providing the care must be certified by Medicare.
- Our plan only covers non-religious aspects of care.
- If you get services from this institution provided to you in a facility:
 - You must have a medical condition that would allow you to get covered services for inpatient hospital care or skilled nursing facility care.
 - You must get approval from us before you're admitted to the facility, or your stay **won't** be covered.

Medicare Inpatient Hospital coverage limits apply (please refer to the Medical Benefits Chart in **Chapter 4, Section C** of this *Member Handbook*).

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

M. Durable medical equipment (DME)

M1. DME as a member of our plan

DME includes certain medically necessary items ordered by a provider, such as wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, intravenous (IV) infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

You always own some DME items, such as prosthetics.

Other types of DME you must rent. As a member of our plan, you usually **won't** own the rented DME items, no matter how long you rent it.

Even if you had the durable medical equipment for up to 12 months in a row under Medicare before you joined our plan, you **won't** own the equipment.

M2. DME ownership when you switch to Original Medicare

In the Original Medicare program, people who rent certain types of DME own it after 13 months. In a Medicare Advantage plan, the plan can set the number of months people must rent certain types of DME before they own it.

You'll have to make 13 payments in a row under Original Medicare, or you'll have to make the number of payments in a row set by the MA plan, to own the DME item if:

- you didn't become the owner of the DME item while you were in our plan, **and**
- you leave our plan and get your Medicare benefits outside of any health plan in the Original Medicare program or an MA plan.

If you made payments for the DME item under Original Medicare or a an MA plan before you joined our plan, **those Original Medicare or MA plan payments don't count toward the payments you need to make after leaving our plan.**

- You'll have to make 13 new payments in a row under Original Medicare or a number of new payments in a row set by the MA plan to own the DME item.
- There are no exceptions to this when you return to Original Medicare or an MA plan.

M3. Oxygen equipment benefits as a member of our plan

If you qualify for oxygen equipment covered by Medicare we cover:

- rental of oxygen equipment
- delivery of oxygen and oxygen contents
- tubing and related accessories for the delivery of oxygen and oxygen contents
- maintenance and repairs of oxygen equipment

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Oxygen equipment must be returned when it's no longer medically necessary for you or if you leave our plan.

M4. Oxygen equipment when you switch to Original Medicare or another Medicare Advantage (MA) plan

When oxygen equipment is medically necessary and **you leave our plan and switch to Original Medicare**, you rent it from a supplier for 36 months. Your monthly rental payments cover the oxygen equipment and the supplies and services listed above.

If oxygen equipment is medically necessary **after you rent it for 36 months**, your supplier must provide:

- oxygen equipment, supplies, and services for another 24 months.
- oxygen equipment and supplies for up to 5 years if medically necessary.

If oxygen equipment is still medically necessary **at the end of the 5-year period**:

- Your supplier no longer has to provide it, and you may choose to get replacement equipment from any supplier.
- A new 5-year period begins.
- You rent from a supplier for 36 months.
- Your supplier then provides the oxygen equipment, supplies, and services for another 24 months.
- A new cycle begins every 5 years as long as oxygen equipment is medically necessary.

When oxygen equipment is medically necessary and **you leave our plan and switch to another MA plan**, the plan will cover at least what Original Medicare covers. You can ask your new MA plan what oxygen equipment and supplies it covers and what your costs will be.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

A. Your covered services

This chapter tells you about services our plan covers and how much you pay for each service. You can also learn about services that aren't covered. Information about drug benefits is in **Chapter 5** of this *Member Handbook*. This chapter also explains limits on some services.

Because you get help from Michigan Medicaid, you pay nothing for your covered services as long as you follow our plan’s rules. Refer to **Chapter 3** of this *Member Handbook* for details about our plan’s rules.

If you need help understanding what services are covered, call your care coordinator and/or Member Services at 855-281-6070 (TTY: 711). We’re available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

B. Rules against providers charging you for services

We don't allow our providers to bill you for covered services. We pay our providers directly, and we protect you from any charges. This is true even if we pay the provider less than the provider charges for a service.

You should never get a bill from a provider for covered services. If you do, refer to **Chapter 7** of this *Member Handbook* or call Member Services.

C. About our plan’s Benefits Chart

The Benefits Chart tells you which services the plan pays for. It lists categories of services in alphabetical

order and explains them.

We pay for the services listed in the Benefits Chart when the following rules are met.

You **don't** pay anything for the services listed in the Benefits Chart, as long as you meet the requirements described below.

- We provide covered Medicare and Michigan Medicaid covered services according to the rules set by Medicare and Michigan Medicaid.
- The services (including medical care, behavioral health and substance use services, long-term services and supports, supplies, equipment, and drugs) must be "medically necessary". Medically necessary describes services, supplies, or drugs you need to prevent, diagnose, or treat a medical condition or to maintain your current health status. This includes care that keeps you from going into a hospital or nursing facility. It also means the services, supplies, or drugs meet accepted standards of medical practice.
- For new enrollees, for the first 90 days we may not require you to get approval in advance for any active course of treatment, even if the course of treatment was for a service that began with an out-of-network provider.
- You get your care from a network provider. A network provider is a provider who works with us. In most cases, care you get from an out-of-network provider won't be covered unless it's an emergency or urgently needed care, or unless your plan or a network provider gave you a referral. **Chapter 3** of this *Member Handbook* has more information about using network and out-of-network providers.
- You have a primary care provider (PCP) or a care team providing and managing your care. In most cases, your PCP must give you approval before you can use a provider that isn't your PCP or use other providers in our plan's network. This is called a referral. **Chapter 3** of this *Member Handbook* has more information about getting a referral and when you **don't** need one.
- We cover some services listed in the Benefits Chart only if your doctor or other network provider gets approval from us first. This is called *prior authorization* (PA). We mark covered services in the Benefits Chart that need PA with an asterisk (*).

If your plan provides approval of a PA request for a course of treatment, the approval must be valid for as long as medically reasonable and necessary to avoid disruptions in care based on coverage criteria, your medical history, and the treating provider's recommendations.

How Payments to You or Your Dentist are Calculated

For covered dental services, we will pay as follows:

- We will determine the total covered expense.
- We will review the covered expense against the maximum benefits allowed.
- We will pay the remaining expense to you or your dentist, minus any coinsurance you owe (the procedure you received may require you to pay a percentage of the cost).

For dental claim billing purposes, the "Date of Service" (DOS) is defined as follows:

- The date teeth are prepared for fixed bridges, crowns, inlays or onlays
- The date the impression or digital scan is made for dentures or partials
- The date the impression or digital scan of the abutment/implant is taken for implant crowns
- The date the pulp chamber of a tooth is opened for root canal therapy
- The date periodontal surgery is performed
- The date the service is performed for services not listed above

For dental conditions that have two or more possible treatments, Humana will cover the lowest cost treatment, as long as it is proven to provide satisfactory results. If you choose to receive a higher cost treatment, you will be responsible to pay for the difference.

If the dental care you need is expected to exceed **\$300**, we suggest you or your dentist send a dental treatment plan for us to review ahead of time so that we can provide you with an estimate for services. The pretreatment plan should include:

E. Our plan's visitor or traveler benefits

The HMO Travel Benefit is available to you as a member of Humana Dual Integrated (HMO D-SNP). You can already access emergency and urgently needed care when outside the service area. However, when traveling within the United States, the HMO Travel Benefit enables you to receive plan covered services, including preventive care. Covered services must be provided by providers within the Nat'l Medicare HMO/SNP network. You may use “Find a Doctor” on Humana.com or contact Member Services for assistance in locating a network provider when using the HMO Travel Benefit. If you receive care from a provider within the Nat'l Medicare HMO/SNP network, you will pay the same in-network copay or coinsurance you would pay if you received care within your home service area.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

If you are planning to travel outside of your service area and anticipate needing to use the HMO Travel benefit, it is recommended that you notify your primary care provider. It is also recommended that you check to see if the provider or providers you wish to see while traveling are in the Nat'l Medicare HMO/SNP network using "Find a Doctor" on Humana.com or contact Member Services for assistance.

F. Benefits covered outside of our plan

We don't cover the following services, but they're available through Michigan Medicare

Services covered by the plan or Prepaid Inpatient Health Plan (PIHP)

The following services are covered by Humana Dual Integrated (HMO D-SNP) but are available through the Prepaid Inpatient Health Plan (PIHP) and its provider network.

Inpatient behavioral health care

- The plan will pay for behavioral health care services that require a hospital stay.

Outpatient substance use disorder services

- We'll pay for treatment services that are provided in the outpatient department of a hospital if you, for example, have been discharged from an inpatient stay for the treatment of drug substance abuse or if you require treatment but don't require the level of services provided in the inpatient hospital setting. Refer to coverage for Opioid treatment program (OTP) services in The Benefits Chart in **Section D**.

Partial hospitalization services

- Partial hospitalization is a structured program of active psychiatric treatment. It's offered as hospital outpatient service or by a community mental health center. It's more intense than the care you get in your doctor's or therapist's office. It can help keep you from having to stay in the hospital.

If you're receiving services through the PIHP, please refer to the separate PIHP Member Handbook for more information and work with your Care Coordinator to get services provided through the PIHP.

G. Benefits not covered by our plan, Medicare, or Michigan Medicaid

This section tells you about benefits excluded by our plan. "Excluded" means that we don't pay for these benefits. Medicare and Michigan Medicaid don't pay for them either.

The list below describes some services and items not covered by us under any conditions and some excluded by us only in some cases.

We don't pay for excluded medical benefits listed in this section (or anywhere else in this *Member Handbook*) except under the specific conditions listed. Even if you receive the services at an emergency facility, the plan won't pay for the services. If you think that our plan should pay for a service that isn't covered, you can request an appeal. For information about appeals, refer to **Chapter 9** of this *Member Handbook*.

In addition to any exclusions or limitations described in the Benefits Chart, our plan doesn't cover the following

Chapter 5: Getting your outpatient drug plan

Introduction

This chapter explains rules for getting your outpatient drugs. These are drugs that your provider orders for you that you get from a pharmacy or by mail-order. They include drugs covered under Medicare Part D and Michigan Medicaid. **Chapter 6** of this *Member Handbook* tells you what you pay for these drugs. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

We also cover the following drugs, although they're not be discussed in this chapter:

- **Drugs covered by Medicare Part A.** These generally include drugs given to you while you're in a hospital or nursing facility.
- **Drugs covered by Medicare Part B.** These include some chemotherapy drugs, some drug injections given to you during an office visit with a doctor or other provider, and drugs you're given at a dialysis clinic. To learn more about what Medicare Part B drugs are covered, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- In addition to the plan's Medicare Part D and medical benefits coverage, your drugs may be covered by Original Medicare if you're in Medicare hospice. For more information, please refer to **Chapter 5, Section D** "If you're in a Medicare certified hospice program."

Rules for our plan's outpatient drug coverage

We usually cover your drugs as long as you follow the rules in this section.

You must have a provider (doctor, dentist, or other prescriber) write your prescription, which must be valid under applicable state law. This person often is your primary care provider (PCP). It could also be another network provider if your PCP has referred you for care.

Your prescriber must **not** be on Medicare's Exclusion or Preclusion Lists.

You generally must use a network pharmacy to fill your prescription (Refer to Section A1 for more information). Or you can fill your prescription through the plan's mail-order service.

Your prescribed drug must be on the plan's *List of Covered Drugs*. We call it the *Drug List* for short. (Refer to Section B of this chapter.)

- If it isn't on the *Drug List*, we may be able to cover it by giving you an exception.
- Refer to **Chapter 9**, Section F of this *Member Handbook*, to learn about asking for an exception.

Your drug must be used for a medically accepted indication. This means that the use of the drug is either approved by the Food and Drug Administration (FDA) or supported by certain medical references. Your prescriber may be able to help identify medical references to support the requested use of the prescribed drug.

Your drug may require approval from our plan based on certain criteria before we'll cover it. (Refer to **Section C** in this chapter.)

A. Getting your prescriptions filled

A1. Filling your prescription at a network pharmacy

In most cases, the plan will pay for prescriptions only when filled at any of our network pharmacies. A network pharmacy is a drug store that has agreed to fill prescriptions for our plan members. You may use any of our network pharmacies. (Refer to **Section A8** in this Chapter, for information about when we cover prescriptions filled at out-of-network pharmacies.)

To find a network pharmacy, you can look in the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A2. Using your Member ID Card when you fill a prescription

To fill your prescription, **show your Member ID Card** at your network pharmacy. The network pharmacy will bill us for our share of the cost of your covered drug. You may need to pay the pharmacy a copay when you pick up your prescription.

If you don't have your Member ID Card with you when you fill your prescription, ask the pharmacy to call us to get the necessary information, or you can ask the pharmacy to look up your plan enrollment information.

If the pharmacy can't get the necessary information, you may have to pay the full cost of the prescription when you pick it up. Then you can ask us to pay you back for our share. **If you can't pay for the drug, contact Member Services right away.** We'll do everything we can to help.

- To ask us to pay you back, refer to **Chapter 7** of this *Member Handbook*.
- If you need help getting a prescription filled, contact your Care Coordinator or Member Services.

A3. What to do if you change your network pharmacy

If you change pharmacies and need a prescription refill, you can either ask to have a new prescription written by a provider or ask your pharmacy to transfer the prescription to the new pharmacy if there are any refills left.

If you need help changing your network pharmacy, contact Member Services or your care coordinator.

A4. What to do if your pharmacy leaves the network

If the pharmacy you use leaves our plan's network, you need to find a new network pharmacy.

To find a new network pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or your care coordinator.

A5. Using a specialized pharmacy

Sometimes prescriptions must be filled at a specialized pharmacy. Specialized pharmacies include:

- Pharmacies that supply drugs for home infusion therapy.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Pharmacies that supply drugs for residents of a long-term care facility, such as a nursing facility.
 - Usually, long-term care facilities have their own pharmacies. If you're a resident of a long-term care facility, we make sure you can get the drugs you need at the facility's pharmacy.
 - If your long-term care facility's pharmacy isn't in our network or you have difficulty getting your drugs in a long-term care facility, contact Member Services.
- Pharmacies that serve the Indian Health Service/Tribal/Urban Indian Health Program. Except in emergencies, only Native Americans or Alaska Natives may use these pharmacies.
- Pharmacies that dispense drugs restricted by the FDA to certain locations or that require special handling, provider coordination, or education on their use. (Note: This scenario should happen rarely.) To find a specialized pharmacy, refer to the *Provider and Pharmacy Directory*, visit our website, or contact Member Services or care coordinator.

A6. Using mail-order services to get your drugs

For certain kinds of drugs, you can use our plan's network mail-order services. Generally, drugs available through mail-order are drugs that you take on a regular basis for a chronic or long-term medical condition. Drugs available through our plan's mail-order service are marked as mail-order drugs in our *Drug List*.

Our plan's mail-order service allows you to order up to a 100-day supply. A 100-day supply has the same copay as a one-month supply.

Filling prescriptions by mail

To get order forms and information about filling your prescriptions by mail, call Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

Usually, a mail-order prescription arrive within 10 business days from when you prescriptions are received. When you plan to use a mail-order pharmacy, it's a good precaution to ask your doctor to write two prescriptions for your drugs: one you'll send for ordering by mail, and one you can fill in person at an in-network pharmacy if your mail order doesn't arrive on time. That way, you won't have a gap in your medication if your mail order is delayed. If you have trouble filling your prescription at an in-network pharmacy while waiting for mail order, please contact your prescriber's office.

Mail-order processes

Mail-order service has different procedures for new prescriptions it gets from you, new prescriptions it gets directly from your provider's office, and refills on your mail-order prescriptions:

1. New prescriptions the pharmacy gets from you

The pharmacy automatically fills and delivers new prescriptions it gets from you.

2. New prescriptions the pharmacy gets from your provider's office

After the pharmacy gets a prescription from a healthcare provider, it contacts you to find out if you want the medication filled immediately or at a later time.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

strength, amount, and form) and, if needed, allow you to stop or delay the order before it's shipped.

- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

If you used mail-order in the past and don't want the pharmacy to automatically fill and ship each new prescription, contact us by calling Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

If you never used our mail-order delivery and/or decide to stop automatic fills of new prescriptions, the pharmacy contacts you each time it gets a new prescription from a health care provider to find out if you want the medication filled and shipped immediately.

- This gives you an opportunity to make sure the pharmacy is delivering the correct drug (including strength, amount, and form) and, if necessary, allows you to cancel or delay the order before it's shipped.
- Respond each time the pharmacy contacts you, to let them know what to do with the new prescription and to prevent any delays in shipping.

To opt out of automatic deliveries of new prescriptions you get directly from your health care provider's office, contact us by calling Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

3. Refills on mail-order prescriptions

For refills of your drugs, you have the option to sign up for an automatic refill program. Under this program we start to process your next refill automatically when our records show you should be close to running out of your drug.

- The pharmacy contacts you before shipping each refill to make sure you need more medication, and you can cancel scheduled refills if you have enough medication or your medication has changed.
- If you choose not to use our auto refill program, contact your pharmacy 14 days before your current prescription will run out to make sure your next order is shipped to you in time.

To opt out of our program that automatically prepares mail-order refills, contact us by calling Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

Let the pharmacy know the best ways to contact you so they can reach you to confirm your order before shipping. by calling Member Services at 855-281-6070 (TTY: 711). We're available Monday – Friday, from 8 a.m. – 8 p.m.. The call is free.

A7. Getting a long-term supply of drugs

You can get a long-term supply of maintenance drugs on our plan's *Drug List*. Maintenance drugs are drugs that you take on a regular basis, for a chronic or long-term medical condition.

Some network pharmacies allow you to get a long-term supply of maintenance drugs. A 100-day supply has the same copay as a one-month supply. The *Provider and Pharmacy Directory* tells you which pharmacies can

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

give you a long-term supply of maintenance drugs. You can also call your care coordinator Member Services for more information.

You can use our plan's network mail-order services to get a long-term supply of maintenance drugs. Refer to **Section A6** to learn about mail-order services.

A8. Using a pharmacy not in the plan's network

Generally, we pay for drugs filled at an out-of-network pharmacy only when you aren't able to use a network pharmacy. We have network pharmacies outside of our service area where you can get prescriptions filled as a member of our plan. In these cases, check first with Member Services to find out if there's a network pharmacy nearby.

We pay for prescriptions filled at an out-of-network pharmacy in the following cases:

- If the prescriptions are connected with emergency care that the plan pays for
- If the prescriptions are connected with urgently needed care that the plan pays for when you cannot get to a network provider
- If you are in a declared disaster area and need to refill your prescription.

A9. Paying you back for a prescription

If you must use an out-of-network pharmacy, you must generally pay the full cost when you get your prescription. You can ask us to pay you back, for our share of the cost.

You may be required to pay the difference between what we would pay for the drug at the out-of-network pharmacy and the cost we could cover at an in-network pharmacy.

To learn more about this, refer to **Chapter 7** of this *Member Handbook*.

B. Our plan's Drug List

We have a *List of Covered Drugs*. We call it the *Drug List* for short.

We select the drugs on the *Drug List* with the help of a team of doctors and pharmacists. The *Drug List* also tells you the rules you need to follow to get your drugs.

We generally cover a drug on our plan's *Drug List* when you follow the rules we explain in this chapter.

B1. Drugs on our Drug List

Our *Drug List* includes drugs covered under Medicare Part D and some prescription and over-the-counter (OTC) drugs and products covered under your Michigan Medicaid.

Our *Drug List* includes brand name drugs, generic drugs, and biological products (which may include biosimilars).

A brand name drug is a drug sold under a trademarked name owned by the drug manufacturer. Biological

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

products are drugs that are more complex than typical drugs. On our *Drug List*, when we refer to “drugs” this could mean a drug or a biological product.

Generic drugs have the same active ingredients as brand name drugs. Biological products have alternatives called biosimilars. Generally, generic drugs and biosimilars work just as well as brand name or original biological products and usually cost less. There are generic drug substitutes available for many brand name drugs and biosimilar alternatives for some original biological products. Some biosimilars are interchangeable biosimilars and, depending on state law, may be substituted for the original biological product at the pharmacy without needing a new prescription, just like generic drugs can be substituted for brand name drugs.

Refer to **Chapter 12** for definitions of the types of drugs that may be on the *Drug List*.

Our plan also covers certain OTC drugs and products. Some OTC drugs cost less than prescription drugs and work just as well. For more information, call Member Services.

B2. How to find a drug on our *Drug List*

To find out if a drug you take is on our *Drug List*, you can:

- Check the most recent *Drug List* we sent you in the mail.
- Visit our plan’s website at **Humana.com/PlanDocuments**. The *Drug List* on our website is always the most current one.
- Call your care coordinator or Member Services to find out if a drug is on our *Drug List* or to ask for a copy of the list.
- Use our “Real Time Benefit Tool” (by visiting **Humana.com** and logging into MyHumana) to search for drugs on the *Drug List* to get an estimate of what you’ll pay and if there are alternative drugs on the *Drug List* that could treat the same condition. You can also call your care coordinator or Member Services.

B3. Drugs not on our *Drug List*

We don’t cover all drugs.

- Some drugs aren’t on our *Drug List* because the law doesn’t allow us to cover those drugs.
- In other cases, we decided not to include a drug on our *Drug List*.
- In some cases, you may be able to get a drug that isn’t on our *Drug List*.

For more information refer to **Chapter 9**.

Our plan doesn’t pay for the kinds of drugs described in this section. These are called **excluded drugs**. If you get a prescription for an excluded drug, you may need to pay for it yourself. If you think we should pay for an excluded drug because of your case, you can make an appeal. Refer to **Chapter 9** of this *Member Handbook* for more information about appeals.

Here are three general rules for excluded drugs:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

1. Our plan's outpatient drug coverage (which includes Medicare Part D and Michigan Medicaid drugs) can't pay for a drug that Medicare Part A or Part B already covers. Our plan covers drugs covered under Medicare Part A or Medicare Part B for free, but these drugs aren't considered part of your outpatient drug benefits.
2. Our plan can't cover a drug purchased outside the United States and its territories.
3. Use of the drug must be approved by the FDA or supported by certain medical references as a treatment for your condition. Your doctor or other provider may prescribe a certain drug to treat your condition, even though it wasn't approved to treat the condition. This is called "off-label use". Our plan usually doesn't cover drugs prescribed for off-label use.

Also, by law, Medicare or Michigan Medicaid can't cover the types of drugs listed below.

- Drugs used to promote fertility
- Drugs used for the relief of cough or cold symptoms
- Drugs used for cosmetic purposes or to promote hair growth
- Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations
- Drugs used for the treatment of sexual or erectile dysfunction
- Drugs used for treatment of anorexia, weight loss, or weight gain
- Outpatient drugs made by a company that says you must have tests or services done only by them.

Please refer to the plan's Drug List or call Member Services for more information.

B4. Drug List cost-sharing tiers

Every drug on the plan's *Drug List* is in one of five tiers. A tier is a group of drugs of generally the same type (for example, brand name, generic, or OTC drugs). In general, the higher the cost-sharing tier, the higher your cost for the drug.

- Cost-Sharing Tier 1 - Preferred Generic: Generic or brand drugs that are available at the lowest cost-share for this plan.
- Cost-Sharing Tier 2 - Generic: Generic or brand drugs that the plan offers at a higher cost to you than Tier 1 Preferred Generic drugs.
- Cost-Sharing Tier 3 - Preferred Brand: Generic or brand drugs that the plan offers at a lower cost to you than Tier 4 Non-Preferred Drug drugs.
- Cost-Sharing Tier 4 - Non-Preferred Drug: Generic or brand drugs that the plan offers at a higher cost to you than Tier 3 Preferred Brand drugs.
- Cost-Sharing Tier 5 - Specialty Tier: Some injectables and other high-cost drugs.

To find out which cost-sharing tier your drug is in, look for the drug on our *Drug List*.

Chapter 6 of this *Member Handbook* tells the amount you pay for drugs in each tier.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

C. Limits on some drugs

For certain drugs, special rules limit how and when the plan covers them. Generally, our rules encourage you to get a drug that works for your medical condition and is safe and effective. When a safe, lower-cost drug works just as well as a higher-cost drug, we expect your provider to prescribe the lower-cost drug.

Note that sometimes a drug may appear more than once in our *Drug List*. This is because the same drugs can differ based on the strength, amount, or form of the drug prescribed by your provider, and different restrictions may apply to the different versions of the drugs (for example, 10 mg versus 100 mg; one per day versus two per day; tablet versus liquid.)

If there's a special rule for your drug, it usually means that you or your provider must take extra steps for us to cover the drug. For example, your provider may have to tell us your diagnosis or provide results of blood tests first. If you or your provider thinks our rule shouldn't apply to your situation, ask us use the coverage decision process to make an exception. We may or may not agree to let you use the drug without taking the extra steps.

To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

1. Limiting use of a brand-name drug or original biological products when a generic or interchangeable biosimilar version is available

Generally, a generic or interchangeable biosimilar drug works the same as a brand-name drug and usually costs less. In most cases, if there's a generic or interchangeable biosimilar version of a brand-name drug or original biological product available, our network pharmacies give you the generic or interchangeable biosimilar version.

- We usually don't pay for the brand-name drug or original biological product when there's an available generic version.
- However, if your provider has told us the medical reason that the generic or interchangeable biosimilar drug or original biological product won't work for you **or** wrote "No substitutions" on your prescription for a brand-name drug or original biological product **or** has told us the medical reason that the generic drug, interchangeable biosimilar, or other covered drugs that treat the same condition won't work for you, then we cover the brand-name drug.
- Your copay may be greater for the brand name drug or original biological product than for the generic drug or interchangeable biosimilar.

2. Getting plan approval in advance

For some drugs, you or your prescriber must get approval from our plan before you fill your prescription. This is called prior authorization. This is put in place to ensure medication safety and help guide appropriate use of certain drugs. If you don't get approval, we may not cover the drug. Call Member Services at the number at the bottom of the page or on our website at **Humana.com** for more information about prior authorization.

3. Trying a different drug first

In general, we want you to try lower-cost drugs that are as effective before we cover drugs that cost more. For example, if Drug A and Drug B treat the same medical condition, and Drug A costs less than

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Drug B, we may require you to try Drug A first.

If Drug A doesn't work for you, then we cover Drug B. This is called step therapy. Call Member Services at the number at the bottom of the page or on our website at **Humana.com** for more information about step therapy.

4. Quantity limits

For some drugs, we limit the amount of the drug you can have. This is called a quantity limit. For example, if it's normally considered safe to take only one pill per day for a certain drug, we might limit how much of a drug you can get each time you fill your prescription.

To find out if any of the rules above apply to a drug you take or want to take, check the *Drug List*. For the most up-to-date information, call Member Services or check our website at **Humana.com**. If you disagree with our coverage decision based on any of the above reasons you may request an appeal. Please refer to **Chapter 9** of this *Member Handbook*.

D. Reasons your drug might not be covered

We try to make your drug coverage work well for you, but sometimes a drug may not be covered in the way that you would like. For example:

- Our plan doesn't cover the drug you want to take. The drug may not be on our *Drug List*. We may cover a generic version of the drug but not the brand name version you want to take. A drug may be new, and we haven't reviewed it for safety and effectiveness yet.
- Our plan covers the drug, but there are special rules or limits on coverage. As explained in the section above, some drugs our plan covers have rules that limit their use. In some cases, you or your prescriber may want to ask us for an exception.
- The drug is covered, but in a cost-sharing tier that makes your cost more expensive than you think it should be.

There are things you can do if we don't cover a drug the way you want us to cover it.

D1. Getting a temporary supply

In some cases, we can give you a temporary supply of a drug when the drug isn't on our *Drug List* or when it is limited in some way. This gives you time to talk with your provider about getting a different drug or to ask us to cover the drug.

To get a temporary supply of a drug, you must meet the two rules below:

1. The drug you've been taking:
 - is no longer on our *Drug List*, **or**
 - was never on our *Drug List*, **or**
 - is now limited in some way.
2. You must be in one of these situations:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- You were in our plan last year.
 - We cover a temporary supply of your drug **during the first 90 days of the calendar year.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we will allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You are new to our plan.
 - We cover a temporary supply of your drug **during the first 90 days of your membership in our plan.**
 - This temporary supply is for up to 30 days.
 - If your prescription is written for fewer days, we allow multiple refills to provide up to a maximum of 30 days of medication. You must fill the prescription at a network pharmacy.
 - Long-term care pharmacies may provide your drug in small amounts at a time to prevent waste.
- You have been in the plan for more than 90 days, live in a long-term care facility, and need a supply right away.
 - We cover one 31-day supply, or less if your prescription is written for fewer days. This is in addition to the temporary supply above.
 - Transition supply for current members with changes in treatment setting
 - Throughout the plan year, you may have a change in your treatment setting due to the level of care you require. Such transitions include:
 - Members who are discharged from a hospital or skilled-nursing facility to a home setting
 - Members who are admitted to a hospital or skilled-nursing facility from a home setting
 - Members who transfer from one skilled-nursing facility to another and are served by a different pharmacy
 - Members who end their skilled-nursing facility Medicare Part A stay (where payments include all pharmacy charges) and who need to now use their Part D plan benefit
 - Members who give up hospice status and revert back to standard Medicare Part A and B coverage
 - Members discharged from chronic psychiatric hospitals with highly individualized drug regimens
 - To ask for a temporary supply of a drug, call Member Services at 1-800-787-3311 (TTY: 711), Monday
 - Friday, from 8 a.m. – 8 p.m. Central time. The call is free.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

D2. Asking for a temporary supply

To ask for a temporary supply of a drug, call Member Services.

When you get a temporary supply of a drug, you should talk with your provider as soon as possible to decide what to do when your supply runs out. Here are your choices:

- Change to another drug.

Our plan may cover a different drug that works for you. Call Member Services to ask for a list of drugs we cover that treat the same medical condition. The list can help your provider find a covered drug that might work for you.

OR

- Ask for an exception.

You and your provider can ask us to make an exception. For example, you can ask us to cover a drug that isn't our *Drug list* or ask us to cover the drug without limits. If your provider says you have a good medical reason for an exception, they can help you ask for one.

For Michigan Medicaid drugs:

You're new to the plan.

We'll cover a supply of your Michigan Medicaid drug for up to 90 calendar days after enrollment and won't terminate it at the end of the 90 calendar days without advance notice to you and a transition to another drug, if needed.

D3. Asking for an exception

If a drug you take will be taken off the *Drug List* or limited in some way next year, we allow you to ask for an exception before next year.

- We tell you about any change in the coverage for your drug for next year. Ask us to make an exception and cover the drug next year the way you would like.
- We answer your request for an exception within 72 hours after we get your request (or your prescriber's supporting statement).
- If we approve your request, we'll authorize coverage for the drug before the change takes effect.

To learn more about asking for an exception, refer to **Chapter 9** of this *Member Handbook*.

If you need help asking for an exception, contact your Care Coordinator or Member Services.

E. Coverage changes for your drugs

Most changes in drug coverage happen on January 1, but we may add or remove drugs on our *Drug List* during the year. We may also change our rules about drugs. For example, we may:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Decide to require or not require prior approval (PA) for a drug. (permission from us before you can get a drug.)
- Add or change the amount of a drug you can get (quantity limits.)
- Add or change step therapy restrictions on a drug (you must try one drug before we will cover another drug).
- Replace an original biological product with an interchangeable biosimilar version of the biological product.

We must follow Medicare requirements before we change our plan's *Drug List*. For more information on these drug rules, refer to **Section C**.

If you take a drug that was covered at the **beginning** of the year, we generally won't remove or change coverage of that drug **during the rest of the year** unless:

- a new, cheaper drug comes on the market that works as well as a drug on our *Drug List* now, **or**
- we learn that a drug isn't safe, **or**
- a drug is removed from the market.

What happens if coverage changes for a drug you're taking?

To get more information on what happens when our *Drug List* changes, you can always:

- Check our current *Drug List* online at **Humana.com/PlanDocuments** or
- Call Member Services at the number at the bottom of the page to check our current *Drug List*.

Changes we may make to the *Drug List* that affect you during the current plan year

Some changes to the *Drug List* will happen **immediately**. For example:

- A new generic drug becomes available. Sometimes, a new generic drug or biosimilar comes on the market that works as well as a brand name drug or original biological product on the *Drug List* now. When that happens, we may remove the brand name drug and add the new generic drug, but your cost for the new drug will stay the same or be lower.

When we add the new generic drug, we may also decide to keep the brand name drug on the list but change its coverage rules or limits.

- We may not tell you before we make this change, but we'll send you information about the specific change we made once it happens.
- You or your provider can ask for an "exception" from these changes. We'll send you a notice with the steps you can take to ask for an exception. Please refer to **Chapter 9** of this handbook for more information on exceptions.
- Tell you at least 30 days before we make the change to the *Drug List* **or**
- Let you know and give you a 30-day supply of the brand name drug or original biological product after you ask for a refill.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

This will give you time to talk to your doctor or other prescriber. They can help you decide:

- If you should switch to the generic or interchangeable biosimilar or if there's a similar drug on the *Drug List* you can take instead, **or**
- Whether to ask for an exception from these changes. To learn more about asking for exceptions, refer to **Chapter 9**, Section F.
- **Removing unsafe drugs and other drugs that are taken off the market.** Sometimes a drug may be found unsafe or taken off the market for another reason. If this happens, we may immediately take it off our *Drug List*. If you're taking the drug, we'll send you a notice after we make the change.

We may make other changes that affect the drugs you take. We tell you in advance about these other changes to our *Drug List*. These changes might happen if:

- The FDA provides new guidance or there are new clinical guidelines about a drug.

When these changes happen, we:

- Tell you at least 30 days before we make the change to our *Drug List* **or**
- Let you know and give you a 30-day supply of the drug after you ask for a refill.

This gives you time to talk to your doctor or other prescriber. They can help you decide:

- If there's a similar drug on our *Drug List* you can take instead **or**
- If you should ask for an exception from these changes to continue covering the drug or the version of the drug you've been taking. To learn more about asking for exceptions, refer to **Chapter 9** of this *Member Handbook*.

Changes to the Drug List that don't affect you during this plan year

We may make changes to the drugs you take that aren't described above and don't affect you now. For such changes, if you're taking a drug we covered at the beginning of the year, we generally don't remove or change coverage of that **drug during the rest of the year**.

For example, if we remove a drug you're taking increase what you pay for the drug, or limit its use, then the change doesn't affect your use of the drug or what you pay for the drug for the rest of the year.

If any of these changes happen for a drug you're taking (except for the changes noted in the section above), the change won't affect your use until January 1 of the next year.

We won't tell you about these types of changes directly during the current year. You'll need to check the *Drug List* for the next plan year (when the list is available during the open enrollment period) to see if there are any changes that will impact you during the next plan year.

F. Drug coverage in special cases

F1. In a hospital or a skilled nursing facility for a stay that our plan covers

If you're admitted to a hospital or skilled nursing facility for a stay our plan covers, we generally cover the

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

cost of your drugs during your stay. You won't pay a copay. Once you leave the hospital or skilled nursing facility, we cover your drugs as long as the drugs meet all of our coverage rules.

F2. In a long-term care facility

Usually, a long-term care facility, such as a nursing facility, has its own pharmacy or a pharmacy that supplies drugs for all of their residents. If you live in a long-term care facility, you may get your drugs through the facility's pharmacy if it is part of our network.

Check your *Provider and Pharmacy Directory* to find out if your long-term care facility's pharmacy is part of our network. If it isn't, or if you need more information, please contact Member Services.

F3. In a Medicare-certified hospice program

Drugs are never covered by both hospice and our plan at the same time.

- You may be enrolled in a Medicare hospice and require certain drugs (e.g., pain, anti-nausea drugs, laxative, or anti-anxiety drugs) that your hospice doesn't cover because it isn't related to your terminal prognosis and conditions. In that case, our plan must get notification from the prescriber or your hospice provider that the drug is unrelated before we can cover the drug.
- To prevent delays in getting any unrelated drugs that our plan should cover, you can ask your hospice provider or prescriber to make sure we have the notification that the drug is unrelated before you ask a pharmacy to fill your prescription.

If you leave hospice, our plan covers all of your drugs. To prevent any delays at a pharmacy when your Medicare hospice benefit ends, take documentation to the pharmacy to verify that you left hospice.

Refer to earlier parts of this chapter that tell about drugs our plan covers. Refer to **Chapter 4** of this *Member Handbook* for more information about the hospice benefit.

G. Programs on drug safety and managing drugs

G1. Programs to help members use drugs safely

Each time you fill a prescription, we look for possible problems, such as drug errors or drugs that:

- may not be needed because you are taking another similar drug that does the same thing
- may not be safe for your age or gender
- could harm you if you take them at the same time
- have ingredients that you are or may be allergic to
- may be an error in the amount (dosage)
- have unsafe amounts of opioid pain medications

If we find a possible problem in your use of drugs, we work with your provider to correct the problem.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

G2. Programs to help you manage your drugs

Our plan has a program to help members with complex health needs. In such cases, you may be eligible to get services, at no cost to you, through a medication therapy management (MTM) program. This program is voluntary and free. This program helps you and your provider make sure that your medications are working to improve your health. If you qualify for the program, a pharmacist or other health professional will give you a comprehensive review of all your medications and talk with you about:

- how to get the most benefit from the drugs you take
- any concerns you have, like medication costs and drug reactions
- how best to take your medications
- any questions or problems you have about your prescription and over-the-counter medication

Then, they'll give you:

- A written summary of this discussion. The summary has a medication action plan that recommends what you can do for the best use of your medications.
- A personal medication list that includes all medications you take, how much you take, and when and why you take them.
- Information about safe disposal of prescription medications that are controlled substances.

It's a good idea to talk to your prescriber about your action plan and medication list.

- Take your action plan and medication list to your visit or anytime you talk with your doctors, pharmacists, and other health care providers.
- Take your medication list with you if you go to the hospital or emergency room.

MTM programs are voluntary and free to members that qualify. If we have a program that fits your needs, we enroll you in the program and send you information. If you don't want to be in the program, let us know, and we'll take you out of it.

If you have any questions about these programs, contact Member Services or your care coordinator.

G3. Drug management program (DMP) to help members safely use opioid medications

We have a program that helps make sure members safely use prescription opioids and other frequently abused medications. This program is called a Drug Management Program (DMP).

If you use opioid medications that you get from several prescribers or pharmacies or if you had a recent opioid overdose, we may talk to your prescriber to make sure your use of opioid medications is appropriate and medically necessary. Working with your prescriber, if we decide your use of prescription opioid or benzodiazepine medications may not be safe, we may limit how you can get those medications. If we place you in our DMP, limitations may include:

- Requiring you to get all prescriptions for opioid or benzodiazepine medications from a certain pharmacy(ies)

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Requiring you to get all your prescriptions for opioid or benzodiazepine medications from a certain prescriber(s)
- Limiting the amount of opioid or benzodiazepine medications we'll cover for you.

If we plan on limiting how you get these medications or how much you can get, we'll send you a letter in advance. The letter will tell you if we'll limit coverage of these drugs for you, or if you'll be required to get the prescriptions for these drugs only from a specific provider or pharmacy.

You'll have a chance to tell us which prescribers or pharmacies you prefer to use and any information you think is important for us to know. After you've had the opportunity to respond, if we decide to limit your coverage for these medications, we'll send you another letter that confirms the limitations.

If you think we made a mistake, you disagree with our decision or the limitation, you and your prescriber can make an appeal. If appeal, we will review your case and give you a new decision. If we continue to deny any part of your appeal related to limitations that apply to your access to medications, we'll automatically send your case to an Independent Review Organization (IRO). (To learn more about appeals and the IRO, refer to **Chapter 9** of this *Member Handbook*.)

The DMP may not apply to you if you:

- have certain medical conditions, such as cancer or sickle cell disease,
- are getting hospice, palliative, or end-of-life care, **or**
- live in a long-term care facility.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Chapter 6: What you pay for your Medicare and Michigan Medicaid drugs

Introduction

This chapter tells what you pay for your outpatient drugs. By “drugs,” we mean:

- Medicare Part D drugs, **and**
- Drugs and items covered under Medicaid

Because you're eligible for Michigan Medicaid, you get Extra Help from Medicare to help pay for your Medicare Part D drugs. We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also known as the “Low Income Subsidy Rider” or the LIS Rider”), which tells you about your drug coverage. If you don't have this insert, please call Member Services and ask for the “LIS Rider.”

Extra Help is a Medicare program that helps people with limited incomes and resources reduce Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra Help is also called the “Low-Income Subsidy,” or “LIS.”

Other key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

To learn more about drugs, you can look in these places:

- Our *List of Covered Drugs*.
 - We call this the “*Drug List*.” It tells you:
 - Which drugs we pay for
 - Which of the five tiers each drug is in
 - If there are any limits on the drugs
 - If you need a copy of our *Drug List*, call Member Services. You can also find the most current copy of our *Drug List* on our website at **Humana.com/PlanDocuments**.
- **Chapter 5** of this *Member Handbook*.
 - It tells how to get your outpatient drugs through the plan.
 - It includes rules you need to follow. It also tells which types of drugs our plan doesn't cover.
 - When you use the plan's “Real Time Benefit Tool” to look up drug coverage (refer to **Chapter 5, Section B2**), the cost shown is an estimate of the out-of-pocket costs you're expected to pay. You can call your care coordinator or Member Services for more information.
- Our *Provider and Pharmacy Directory*:
 - In most cases, you must use a network pharmacy to get your covered drugs. Network pharmacies

are pharmacies that agree to work with us.

- The *Provider and Pharmacy Directory* lists network pharmacies. Refer to **Chapter 5** of this *Member Handbook* more information about network pharmacies.

A. The *Explanation of Benefits* (EOB)

Our plan keeps track of your drug costs and the payments you make when you get prescriptions at the pharmacy. We track two types of costs:

- Your **out-of-pocket costs**. This is the amount of money you, or others on your behalf, pay for your prescriptions. This includes what you paid when you get a covered Part D drug, any payments for your drugs made by family or friends, any payments made for your drugs by Extra Help from Medicare, employer or union health plans, Indian Health Service, AIDS drug assistance programs, charities, and most State Pharmaceutical Assistance Programs (SPAPs).
- Your **total drug costs**. This is the total of all payments made for your covered Part D drugs. It

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

includes what the plan paid, and what other programs or organizations paid for your covered Part D drugs.

When you get drugs through our plan, we send you a summary called the *Explanation of Benefits*. We call it the EOB for short. The EOB isn't a bill. The EOB has more information about the drugs you take. The EOB includes:

- **Information for the month.** The summary tells what drugs you got for the previous month. It shows the total drug costs, what the plan paid, and what you and others paid for you.
- **Totals for the year since January 1.** This shows the total drug costs and total payments for your drugs since the year began.
- **Drug price information.** This is the total price of the drug and changes in the drug price since the first fill for each prescription claim of the same quantity.
- **Lower cost alternatives.** When available, information about other available drugs with lower cost sharing for each prescription.

We offer coverage of drugs not covered under Medicare.

- Payments made for these drugs don't count towards your total out-of-pocket costs.
- To find out which drugs our plan covers, refer to our *Drug List*.

B. How to keep track of your drug costs

To keep track of your drug costs and the payments you make, we use records we get from you and from your pharmacy. Here is how you can help us:

1. Use your Member ID Card.

Show your Member ID Card every time you get a prescription filled. This helps us know what prescriptions you fill and what you pay.

2. Make sure we have the information we need.

Give us copies of receipts for covered drugs that you paid for. You can ask us to pay you back for our share of the drug.

Here are examples of when you should give us copies of your receipts:

- When you buy a covered drug at a network pharmacy at a special price or use a discount card that isn't part of our plan's benefit
- When you pay a copay for drugs that you get under a drug maker's patient assistance program
- When you buy covered drugs at an out-of-network pharmacy
- When you pay the full price for a covered drug under special circumstances

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

For more information about asking us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.

3. Send us information about the payments others make for you.

Payments made by certain other people and organizations also count toward your out-of-pocket costs. For example, payments made by an AIDS drug assistance program (ADAP), the Indian Health Service, and most charities count toward your out-of-pocket costs.

This can help you qualify for catastrophic coverage. When you reach the Catastrophic Coverage Stage, our plan pays all of the costs of your Medicare Part D drugs for the rest of the year.

4. Check the EOBs we send you.

When you get an EOB in the mail, make sure it's complete and correct.

- **Do you recognize the name of each pharmacy?** Check the dates. Did you get drugs that day?
- **Did you get the drugs listed?** Do they match those listed on your receipts? Do the drugs match what your doctor prescribed?

What if you find mistakes on this summary?

If something is confusing or doesn't seem right on this EOB, please call us at Humana Dual Integrated (HMO D-SNP) Member Services.

What about possible fraud?

If this summary shows drugs you're not taking or anything else that seems suspicious to you, please contact us.

- Call us at Humana Dual Integrated (HMO D-SNP) Member Services.
- Or call Medicare at 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048. You can call these numbers for free.
- Michigan you can report fraud by calling toll free at 855-MI-FRAUD (643-7283) Monday - Friday, 8:00 am to 5:00 pm. You can also submit an online complaint at www.michigan.gov/mdhhs/doing-business/providers/providers/billingreimbursement/report-medicare-fraud-and-abuse and you may find information on our website at www.michigan.gov/mdhhs/inside-mdhhs/office-of-inspector-general/contact-us, or you can write to the inspector general at
Office of Inspector General
PO Box 30062
Lansing, MI 48909.

If you think something is wrong or missing, or if you have any questions, call your care coordinator or Member Services. Keep these EOBs. They're an important record of your drug expenses.

C. Drug Payment Stages for Medicare Part D drugs

There are two payment stages for your Medicare Part D drug coverage under our plan. How much you pay for each prescription depends on which stage you're in when you get a prescription filled or refilled. These are

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

the two stages:

Stage 1: Initial Coverage Stage

During this stage, we pay part of the costs of your drugs, and you pay your share. Your share is called the copay. You begin in this stage when you fill your first prescription of the year.

Stage 2: Catastrophic Coverage Stage

During this stage, we pay all of the costs of your drugs through 12/31/2026.

You begin this stage when you've paid a certain amount of out-of-pocket costs.

C1. Our plan has 5 cost sharing tiers

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our Drug List is in one of the 5 cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our Drug List.

- Cost-Sharing Tier 1 - Preferred Generic: Generic or brand drugs that are available at the lowest costshare for this plan. The copay is \$0-\$30, depending on your income.
- Cost-Sharing Tier 2 - Generic: Generic or brand drugs that the plan offers at a higher cost to you than Tier 1 Preferred Generic drugs. The copay is \$0-\$60, depending on your income.
- Cost-Sharing Tier 3 - Preferred Brand: Generic or brand drugs that the plan offers at a lower cost to you than Tier 4 Non-Preferred Drug drugs. The coinsurance is 0%-25%, depending on your income.
- Cost-Sharing Tier 4 - Non-Preferred Drug: Generic or brand drugs that the plan offers at a higher cost to you than Tier 3 Preferred Brand drugs. The coinsurance is 0%-25%, depending on your income.
- Cost-Sharing Tier 5 - Specialty Tier: Some injectables and other high-cost drugs. The coinsurance is 0%-32%, depending on your income

C2. Your pharmacy choices

How much you pay for a drug depends on whether you get the drug from:

- a network pharmacy, **or**
- an out-of-network pharmacy

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.

- Our plan's mail-order pharmacy.

Refer to **Chapter 9** of this *Member Handbook* to learn about how to file an appeal if you're told a drug won't be covered. To learn more about these pharmacy choices, refer to **Chapter 5** of this *Member Handbook* and our *Provider and Pharmacy Directory*.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

C3. Getting a long-term supply of a drug

For some drugs, you can get a long-term supply (also called an “extended supply”) when you fill your prescription. A long-term supply is up to a 100-day supply. It costs you the same as a one-month supply.

For details on where and how to get a long-term supply of a drug, refer to Chapter 5 of this *Member Handbook*, or the *Provider and Pharmacy Directory*.

C4. What you pay

If you receive Extra Help for your drugs, your cost share may vary depending on what level of Extra Help you receive.

Prior to reaching your annual \$2,100 out-of-pocket limit, you will pay:

- \$5.10 for generic/preferred multi-source drug or biosimilar; \$12.65 for any other drug; OR
- \$1.60 for generic/preferred multi-source drug or biosimilar; \$4.90 for any other drug; OR
- \$0 for all drugs

You may pay a copay when you fill a prescription. If your covered drug costs less than the copay, you pay the lower price. Contact Member Services to find out how much your copay is for any covered drug.

D. Stage 1: The Initial Coverage Stage

During the Initial Coverage Stage, we pay a share of the cost of your covered drugs, and you pay your share. Your share is called the copay. The copay depends on the cost-sharing tier the drug is in and where you get it.

Cost-sharing tiers are groups of drugs with the same copay. Every drug on our plan's Drug List is in one of 5 cost-sharing tiers. In general, the higher the tier number, the higher the copay. To find the cost-sharing tiers for your drugs, refer to our Drug List.

- An out-of-network pharmacy.

In limited cases, we cover prescriptions filled at out-of-network pharmacies. Refer to **Chapter 5** of this *Member Handbook* to find out when we do that.

D4. End of the Initial Coverage Stage

The Initial Coverage Stage ends when your total out-of-pocket costs reach **\$2,100**. At that point, the Catastrophic Coverage Stage begins. We cover all your drug costs from then until the end of the year.

Your EOB helps you keep track of how much you've paid for your drugs during the year. We let you know if you reach the **\$2,100** limit. Many people don't reach it in a year.

E. Stage 2: The Catastrophic Coverage Stage

When you reach the out-of-pocket limit of **\$2,100** for your drugs, the Catastrophic Coverage Stage begins. You stay in the Catastrophic Coverage Stage until the end of the calendar year. During this stage, you pay nothing for your Part D covered drugs.

F. Your drug costs if your doctor prescribes less than a full month's supply

Usually, you pay a copay to cover a full month's supply of a covered drug. However, your doctor can prescribe less than a month's supply of drugs.

- There may be times when you want to ask your doctor about prescribing less than a month's supply of a drug (for example, when you're trying a drug for the first time).
- If your doctor agrees, you don't pay for the full month's supply for certain drugs.
- When you get less than a month's supply of a drug, the amount you pay is based on the number of days of the drug that you get. We calculate the amount you pay per day for your drug (the "daily cost-sharing rate") and multiply it by the number of days of the drug you get.

Here's an example: Let's say the copay for your drug for a full month's supply (a 30-day supply) is \$1.35. This means that the amount you pay for your drug is less than \$0.05 per day. If you get a 7 days' supply of the drug, your payment is less than \$0.05 per day multiplied by 7 days, for a total payment less than \$0.35.

- Daily cost-sharing allows you to make sure a drug works for you before you pay for an entire month's supply.
- You can also ask your provider to prescribe less than a full month's supply of a drug to help you:
 - Better plan when to refill your drugs,

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Coordinate refills with other drugs you take,
- and Take fewer trips to the pharmacy.

G. What you pay for Part D vaccines

Important message about what you pay for vaccines: Some vaccines are considered medical benefits and are covered under Medicare Part B. Other vaccines are considered Medicare Part D drugs. You can find these vaccines listed in our *Drug List*. Our plan covers most adult Medicare Part D vaccines at no cost to you. Refer to your plan's *Drug List* or contact Member Services for coverage and cost sharing details about specific vaccines.

There are two parts to our coverage of Medicare Part D vaccines:

1. The first part is for the cost of the vaccine itself.
2. The second part is for the cost of giving you the vaccine. For example, sometimes you may get the vaccine as a shot given to you by your doctor.

G1. What you need to know before you get a vaccine

We recommend that you call your care coordinator or Member Services if you plan to get a vaccine.

- We can tell you about how our plan covers your vaccine and explain your share of the cost
- We can tell you how to keep your costs down by using network pharmacies and providers. Network pharmacies and providers agree to work with our plan. A network provider works with us to ensure that you have no upfront costs for a Medicare Part D vaccine.

G2. What you pay for a vaccine covered by Medicare Part D

What you pay for a vaccine depends on the type of vaccine (what you're being vaccinated for).

- Some vaccines are considered health benefits rather than drugs. These vaccines are covered at no cost to you. To learn about coverage of these vaccines, refer to the Benefits Chart in **Chapter 4** of this *Member Handbook*.
- Other vaccines are considered Medicare Part D drugs. You can find these vaccines on our plan's *Drug List*. You may have to pay a copay for Medicare Part D vaccines. If the vaccine is recommended for adults by an organization called the **Advisory Committee on Immunization Practices (ACIP)** then the vaccine will cost you nothing.

Here are three common ways you might get a Medicare Part D vaccine.

1. You get the Medicare Part D vaccine and your shot at a network pharmacy.
 - For most adult Part D vaccines, you'll pay nothing.
 - For other Part D vaccines, you pay nothing or a copay for the vaccine.
2. You get the Medicare Part D vaccine at your doctor's office, and your doctor gives you the shot.
 - You pay nothing or a copay to the doctor for the vaccine.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Our plan pays for the cost of giving you the shot.
 - The doctor's office should call our plan in this situation so we can make sure they know you only have to pay nothing or a copay for the vaccine.
3. You get the Medicare Part D vaccine medication at a pharmacy, and you take it to your doctor's office to get the shot.
- For most adult Part D vaccines, you'll pay nothing for the vaccine itself.
 - For other Part D vaccines, you pay nothing or a copay for the vaccine.
 - Our plan pays for the cost of giving you the shot.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Chapter 7: Asking us to pay a bill you got for covered services or drugs

Introduction

This chapter tells you how and when to send us a bill to ask for payment. It also tells you how to make an appeal if you don't agree with a coverage decision. Key terms and their definitions appear in alphabetical order in the last chapter of this *Member Handbook*.

Table of Contents

A. Asking us to pay for your services or drugs	138
B. Sending us a request for payment	140
C. Coverage decisions	141
D. Appeals	141

A. Asking us to pay for your services or drugs

You shouldn't get a bill for in-network services or drugs. Our network providers must bill the plan for the services and drugs after you get them. A network provider is a provider who works with the health plan.

We don't allow Humana Dual Integrated (HMO D-SNP) providers to bill you for these services or drugs. We pay our providers directly, and we protect you from any charges.

If you get a bill for health care or drugs, don't pay the bill and send the bill to us. To send us a bill, refer to Section B.

- If we cover the services or drugs, we'll pay the provider directly.
- If we cover the services or drugs and you already paid the bill, it's your right to be paid back.
 - If you paid for services covered by Medicare, we'll pay you back.
 - If you paid for services covered by Michigan Medicaid we can't pay you back, but the provider will. Member Services or your care coordinator can help you contact the provider's office. Refer to the bottom of the page for the Member Services phone number.
- If we don't cover the services or drugs, we'll tell you.

Contact your Care Coordinator or Member Services if you have any questions. If you get a bill and you don't know what to do about it, we can help. You can also call if you want to tell us information about a request for payment you already sent to us.

Examples of times when you may need to ask us to pay you back or to pay a bill you got includes:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

1. When you get emergency or urgently needed health care from an out-of-network provider

Ask the provider to bill us.

- If you pay the full amount when you get the care, ask us to pay you back. Send us the bill and proof of any payment you made.
- You may get a bill from the provider asking for payment that you think you don't owe. Send us the bill and proof of any payment you made.
 - If the provider should be paid, we'll pay the provider directly.
 - If you already paid for the Medicare service, we'll pay you back.

2. When a network provider sends you a bill

Network providers must always bill us. It's important to show your Member ID Card when you get any services or prescriptions. But sometimes they make mistakes and ask you to pay for your services or more than your share of the costs. **Call your Care Coordinator or Member Services at the number at the bottom of this page if you get any bills.**

- Because we pay the entire cost for your services, you aren't responsible for paying any costs. Providers shouldn't bill you anything for these services.
- Whenever you get a bill from a network provider, send us the bill. We'll contact the provider directly and take care of the problem.
- If you already paid a bill from a network provider for Medicare-covered services, send us the bill and proof of any payment you made. We'll pay you back for your covered services.

3. If you're retroactively enrolled in our plan

Sometimes your enrollment in the plan can be retroactive. (This means that the first day of your enrollment has passed. It may have even been last year.)

- If you were enrolled retroactively and you paid a bill after the enrollment date, you can ask us to pay you back.
- Send us the bill and proof of any payment you made.

4. When you use an out-of-network pharmacy to fill a prescription

If you use an out-of-network pharmacy, you pay the full cost of your prescription.

- In only a few cases, we'll cover prescriptions filled at out-of-network pharmacies. Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- Please refer to **Chapter 5** of this *Member Handbook* to learn more about out-of-network pharmacies.
- We may not pay you back the difference between what you paid for the drug at the out-of-network pharmacy and the amount that we'd pay at an in-network pharmacy.

5. When you pay the full prescription cost because you don't have your Member ID Card with you

If you do not have your Humana Dual Integrated (HMO D-SNP) Member ID Card with you, you can ask the

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

pharmacy to call us or to look up your plan enrollment information.

- If the pharmacy can't get the information right away, you may have to pay the full cost of the prescription cost yourself or return to the pharmacy with your Member ID Card.
- Send us a copy of your receipt when you ask us to pay you back for our share of the cost.
- We may not pay you back the full cost you paid if the cash price you paid is higher than our negotiated price for the prescription.

6. When you pay the full prescription cost for a drug that's not covered

You may pay the full prescription cost because the drug isn't covered.

- The drug may not be on our *List of Covered Drugs (Drug List)*, on our website or it may have a requirement or restriction that you don't know about or don't think applies to you. If you decide to get the drug, you may need to pay the full cost.
 - If you don't pay for the drug but think we should cover it, you can ask for a coverage decision (refer to **Chapter 9** of this *Member Handbook*).
 - If you and your doctor or other prescriber think you need the drug right away (within 24 hours), you can ask for a fast coverage decision (refer to **Chapter 9** of this *Member Handbook*).
- Send us a copy of your receipt when you ask us to pay you back. In some cases, we may need to get more information from your doctor or other prescriber to pay you back for our share of the cost of the drug. We may not pay you back the full cost you paid if the price you paid is higher than our negotiated price for the prescription.

When you send us a request for payment, we review it and decide whether the service or drug should be covered. This is called making a "coverage decision." If we decide the service or drug should be covered, we pay for our share of the cost for it.

If we deny your request for payment, you can appeal our decision. To learn how to make an appeal, refer to **Chapter 9** of this *Member Handbook*.

B. Sending us a request for payment

Send us your bill and proof of any payment you have made for Medicare services. Proof of payment can be a copy of the check you wrote or a receipt from the provider. **It's a good idea to make a copy of your bill and receipts for your records.** You can ask your care coordinator for help. You must send your information to us within 90 days of the date you receive the service, item, or drug.

To make sure you are giving us all the information we need to decide, you can fill out our claim form to ask for payment.

- You aren't required to use the form, but it helps us process the information faster.
- You can get a copy of the form on our website **Humana.com**, or you can call Member Services and ask for the form.

Mail your request for payment together with any bills or receipts to this address:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Humana
PO Box 14359
Lexington, KY 40512-4359

C. Coverage decisions

When we get your request for payment, we make a coverage decision. This means that we decide if our plan covers your service, item or drug. We also decide the amount of money, if any, you must pay.

- We'll let you know if we need more information from you.
- If we decide that our plan covers the service, item, or drug and you followed all the rules for getting it, we'll pay our share of the cost for it. If you have already paid for the service or drug, we'll mail you a check for our share of the cost. If you paid the full cost of a drug, you might not be reimbursed the full amount you paid (for example, if you got a drug at an out-of-network pharmacy or if the cash price you paid is higher than our negotiated price). If you haven't paid, we'll pay the provider directly.

Chapter 3 of this *Member Handbook* explains the rules for getting your services covered. **Chapter 5** of this *Member Handbook* explains the rules for getting your Medicare Part D drugs covered.

- If we decide not to pay our share of the cost of for service or drug, we'll send you a letter with the reasons. The letter also explains your rights to make an appeal.
- To learn more about coverage decisions, refer to **Chapter 9**, Section D.

D. Appeals

If you think we made a mistake in turning down your request for payment, you can ask us to change our decision. This is called "making an appeal." You can also make an appeal if you don't agree with the amount we pay.

The formal appeals process has detailed procedures and deadlines. To learn more about appeals, refer to **Chapter 9** of this *Member Handbook*:

- To make an appeal about getting paid back for a healthcare service, refer to **Section F**.
- To make an appeal about getting paid back for a drug, refer to **Section G**.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

B. Our responsibility for your timely access to covered services and drugs

You have rights as a member of our plan.

- You have the right to choose a primary care provider (PCP) in our network. A network provider is a provider who works with us. You can find more information about what types of providers may act as a PCP and how to choose a PCP in **Chapter 3** of this *Member Handbook*.
 - Call Member Services or go to the *Provider and Pharmacy Directory* to learn more about network providers and which doctors are accepting new patients.
- You have the right to a women's health specialist without getting a referral. A referral is approval from your PCP to use a provider that isn't your PCP.
- You have the right to get covered services from network providers within a reasonable amount of time.
 - This includes the right to get timely services from specialists.
 - If you can't get services within a reasonable amount of time, we must pay for out-of-network care.
- You have the right to get emergency services or care that's urgently needed without prior approval (PA).
- You have the right to get your prescriptions filled at any of our network pharmacies without long delays.
- You have the right to know when you can see an out-of-network provider. To learn about out-of-network providers, refer to **Chapter 3** of this *Member Handbook*.

Chapter 9 of this *Member Handbook* tells what you can do if you think you aren't getting your services or drugs within a reasonable amount of time. It also tells what you can do if we denied coverage for your services or drugs and you don't agree with our decision.

C. Our responsibility to protect your personal health information (PHI)

We protect your PHI as required by federal and state laws.

Your PHI includes the personal information you gave us when you enrolled in our plan. It also includes your medical records and other medical and health information.

You have rights when it comes to your information and controlling how your PHI is used. We give you a written notice that tells about these rights and explains how we protect the privacy of your PHI. The notice is called the "Notice of Privacy Practice."

C1. How we protect your PHI

We make sure that no unauthorized people do not look at or change your records.

Except for the cases noted below, we don't give your PHI to anyone not providing your care or paying for your care. If we do, we must get written permission from you first. You, or someone legally authorized to make decisions for you, can give written permission.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Sometimes we don't need to get your written permission first. These exceptions are allowed or required by law:

- We must release PHI to government agencies that are checking on our plan's quality of care.
- We must release PHI by court order.
- We must give Medicare your PHI including information about your Medicare Part D drugs. If Medicare releases your PHI for research or other uses, they do it according to federal laws. Michigan Medicaid may disclose your information without your permission for purposes of treatment, payment, health care operations or when required by law to do so.

C2. Your right to look at your medical records

- You have the right to look at your medical records and to get a copy of your records. We may charge you a fee for making a copy of your medical records.
- You have the right to ask us to update or correct your medical records. If you ask us to do this, we work with your health care provider to decide if changes should be made.
- You have the right to know if and how we share your PHI with others for any purposes that aren't routine.

If you have questions or concerns about the privacy of your PHI, call Member Services.

D. Our responsibility to give you information

As a member of our plan, you have the right to get information from us about our plan, our network providers, and your covered services. If you don't speak English, we have interpreter services to answer questions you have about our health plan. To get an interpreter, just call Member Services. This is a free service to you. You may contact Member Services to request plan materials in any language. Please note that our automated phone system may answer your call after hours, during weekends, and holidays. Please leave your name and telephone number, and we'll call you back by the end of the next business day. Visit **MyHumana.com** for 24-hour access to information such as claims history, eligibility, and Humana's drug list. There you can also use the physician finder and get health news and information. We can also give you information in large print, braille, or audio. You can request alternative formats by calling Member Services.

If you want information about any of the following, call Member Services:

- How to choose or change plans
- Our plan, including:
 - financial information
 - how plan members have rated us
 - the number of appeals made by members
 - how to leave the plan
- Our network providers and our network pharmacies, including:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- how to choose or change primary care providers
- qualifications of our network providers and pharmacies
- how we pay providers in our network
- Covered services and drugs including:
 - services (refer to **Chapters 3 and 4** of this *Member Handbook*) and drugs (refer to **Chapters 5 and 6** of this *Member Handbook*) covered by the plan
 - limits to your coverage and drugs
 - rules you must follow to get covered services and drugs
- Why something isn't covered and what you can do about it (refer to **Chapter 9** of this *Member Handbook*), including asking us to:
 - put in writing why something isn't covered
 - change a decision we made
 - pay for a bill you got

E. Inability of network providers to bill you directly

Doctors, hospitals, and other providers in our network can't make you pay for covered services. They also can't balance bill or charge you if we pay less than the amount the provider charged. To learn what to do if a network provider tries to charge you for covered services, refer to **Chapter 7** of this *Member Handbook*.

F. Your right to leave our plan

No one can make you stay in our plan if you don't want to.

- You have the right to get most of your health care services through Original Medicare or another Medicare Advantage (MA) plan.
- You can get your Medicare Part D drug benefits from a drug plan or from another MA plan.
- Refer to **Chapter 10** of this *Member Handbook*:
 - For more information about when you can join a new MA or drug benefit plan.
 - For information about how you'll get your Michigan Medicaid benefits if you leave our plan.

G. Your right to make decisions about your health care

You have the right to full information from your doctors and other health care providers to help you make decisions about your health care.

G1. Your right to know your treatment choices and make decisions

Your providers must explain your condition and your treatment choices in a way that you can understand.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

You have the right to:

- **Know your choices.** You have the right to be told about all treatment options
- **Know the risks.** You have the right to be told about any risks involved. You must tell you in advance if any service or treatment is part of a research experiment. You have the right to refuse experimental treatments.
- **Get a second opinion.** You have the right to use another doctor before deciding on treatment.
- **Say no.** You have the right to refuse any treatment. This includes the right to leave a hospital or other medical facility, even if your doctor advises you not to. You have the right to stop taking a prescribed drug. If you refuse treatment or stop taking a prescribed drug, we won't drop you from our plan. However, if you refuse treatment or stop taking a drug, you accept full responsibility for what happens to you.
- **Ask us to explain why a provider denied care.** You have the right to get an explanation from us if a provider denied care that you think you should get.
- **Ask us to cover a service or drug that we denied or usually don't cover.** This is called a coverage decision. **Chapter 9** of this *Member Handbook* tells how to ask us for a coverage decision.

G2. Your right to say what you want to happen if you can't make health care decisions for yourself

In Michigan, you can create a legal document called a **Durable Power of Attorney for Health Care (DPOA-HC)**. This document allows you to name a **patient advocate** who can make medical decisions for you if you become incapacitated and can't make your own decisions. The DPOA-HC may include an "Advance Directive" as described below.

Sometimes people are unable to make health care decisions for themselves. Before that happens to you, you can:

- Fill out a written form **giving someone the right to make health care decisions for you if you ever become unable to make decisions for yourself.**
- **Give your doctors written instructions** about how to handle your health care if you become unable to make decisions for yourself, including care you **don't** want.

The legal document you use to give your directions is called an "advanced directive." There are different types of advance directives and different names for them. Examples are a living will and a power of attorney for health care.

You aren't required to have an advance directive, but you can. Here is what to do if you want to use an advance directive:

- **Healthcare Power of Attorney**-This lets you pick someone to make your health care decisions if you're too sick to decide for yourself.
- **Living Will**-This tells your doctor and other providers what type of care you want if you're terminally ill and you won't get better.
- **Mental Health Preference**- This lets you decide if you want to receive some types of mental health treatments that might be able to help you.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- **Do Not Resuscitate (DNR) Order** -This tells your family and all your doctors and other providers what you want to do in case your heart or breathing stops.

You can get more information on advance directives from your health plan or your doctor. If you're admitted to the hospital they might ask you if you have one. You don't have to have one. You don't have to have one to get your medical care but most hospitals encourage you to have one. You can choose to have any one or more of these advance directives if you want and you can cancel or change it at any time

You aren't required to have an advance directive, but you can. Here's what to do if you want to use an advance directive:

- **Get the form.** You can get a form from your doctor, a lawyer, a social worker, or some office supply stores. Pharmacies and provider offices often have the forms. You can find a free form online and download it. You can also contact Member Services to ask for the forms.
- **Fill it out the form and sign it.** The form is a legal document. Consider having a lawyer or someone else you trust, such as a family member or your PCP, help you complete it.
- **Give copies of the form to people who need to know.** Give a copy of the form to your doctor. You should also give a copy to the person you name to make decisions for you if you can't. You may want to give copies to close friends or family members. Keep a copy at home.
- If you're being hospitalized and you have a signed advance directive, **take a copy of it to the hospital.**
 - The hospital will ask if you have a signed advance directive form and if you have it with you.
 - If you don't have a signed advance directive form, the hospital has forms and will ask if you want to sign one.

You have the right to:

- Have your advance directive placed in your medical records.
- Change or cancel your advance directive at any time.

By law, no one can deny you care or discriminate against you based on whether you signed an advance directive. Call Member Services for more information.

G3. What to do if your instructions aren't followed

If you signed an advance directive, and you think a doctor or hospital didn't follow the instructions in it, you can make a complaint with the Michigan Department of Licensing and Regulatory Affairs, Bureau of Community and Health Systems at 1-800-882-6006.

H. Your right to make complaints and to ask us to reconsider our decisions

Chapter 9 of this *Member Handbook* tells what you can do if you have any problems or concerns about your covered services or care. For example, you can ask us to make a coverage decision, make an appeal to change a coverage decision, or make a complaint.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

You have the right to get information about appeals and complaints that other plan members have filed against us. Call Member Services to get this information.

H1. What to do about unfair treatment or to get more information about your rights

If you think we treated you unfairly – and it **isn't** about discrimination for reasons listed in **Chapter 11** of this *Member Handbook* – or you want more information about your rights, you can call:

- Member Services
- The MI SHIP MI Options program at 800-803-7174 (TTY 711). For more details about MI SHIP MI Options, refer to **Chapter 2**
- Medicare at 1-800-MEDICARE (1-800-633-4227), 24-hours a day, 7 days a week. TTY users should call 1-877-486-2048. (You can also read or download “Medicare Rights & Protections,” found on the Medicare website at www.medicare.gov/Pubs/pdf/11534-Medicare-Rights-and-Protections.pdf.)

I. Your responsibilities as a plan member

As a plan member, you have a responsibility to do the things that are listed below. If you have any questions, call Member Services.

- **Read this *Member Handbook*** to learn what our plan covers and the rules to follow to get covered services and drugs. For details about your:
 - Covered services, refer to **Chapters 3 and 4** of this *Member Handbook*. Those chapters tell you what's covered, what isn't covered, what rules you need to follow, and what you pay.
 - Covered drugs, refer to **Chapter 5 and Chapter 6** of this *Member Handbook*.
- **Tell us about any other health or prescription drug coverage** you have. We must make sure you use all of your coverage options when you get health care. Call Member Services if you have other coverage.
- **Tell your doctor and other health care providers** that you are a member of our plan. Show your Member ID Card when you get services or drugs.
- **Help your doctors** and other health care providers give you the best care.
 - Give them the information they need about you and your health. Learn as much as you can about your health problems. Follow the treatment plans and instructions that you and your providers agree on.
 - Make sure your doctors and other providers know about all the drugs you take. This includes prescription drugs, over-the-counter drugs, vitamins, and supplements.
 - Ask any questions you have. Your doctors and other providers must explain things in a way you can understand. If you ask a question and you don't understand the answer, ask again.
- **Be considerate.** We expect all plan members to respect the rights of others. We also expect you to act with respect in your doctor's office, hospitals, and other providers' offices.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- **Pay what you owe.** As a plan member, you're responsible for these payments:
 - Medicare Part A and Medicare Part B premiums. For most Humana Dual Integrated (HMO D-SNP) members, Medicaid pays for your Medicare Part A premium and for your Medicare Part B premium.
 - For some of your drugs covered by our plan, you must pay your share of the cost when you get the drug. This will be a copayment. **Chapter 6** of this *Member Handbook* tells you what you must pay for your drugs.
 - **If you get any services or drugs that aren't covered by our plan, you must pay the full cost.** (**Note:** if you disagree with our decision to not cover a service or drug, you can make an appeal. Please refer to **Chapter 9** to learn how to make an appeal.)
- **Tell us if you move.** If you plan to move, tell us right away. Call Member Services.
 - **If you move outside of our service area, you can't stay in our plan.** Only people who live in our service area can be members of this plan. **Chapter 1** of this *Member Handbook* tells about our service area.
 - We can help you find out if you're moving outside our service area. During a special enrollment period, you can switch to Original Medicare or enroll in a Medicare health or drug plan in your new location. We can tell you if we have a plan in your new area.
 - Tell Medicare and Michigan Medicaid your new address when you move. Refer to **Chapter 2** of this *Member Handbook* for phone numbers for Medicare and Michigan Medicaid.
 - **If you move and stay in our service area, we still need to know.** We need to keep your membership record up to date and know how to contact you.
 - **If you move, tell Social Security (or the Railroad Retirement Board).**
- **Call Member Services for help if you have questions or concerns.**

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Chapter 9: What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Introduction

This chapter has information about your rights. Read this chapter to find out what to do if:

You have a problem with or complaint about your plan.

- You need a service, item, or medication that your plan said it won't pay for.
- You disagree with a decision your plan made about your care.
- You think your covered services are ending too soon.

This chapter is in different sections to help you easily find what you're looking for. **If you have a problem or concern, read the parts of this chapter that apply to your situation.**

You should get the health care, drugs, long-term supports and services, and other supports and services that your doctor and other providers determine are necessary for your care as a part of your care plan. You should try to work with your providers and Humana Dual Integrated (HMO D-SNP) first. **If you're still having a problem with your care or our plan, you can call the MI Community, Home, and Health Ombudsman (MI CHHO) at 1-888-746-6456.** This chapter explains the different options you have for different problems and complaints, but you can always call the MI Community, Home, and Health Ombudsman (MI CHHO) to help guide you through your problem. For additional resources to address your concerns and ways to contact them, refer to Chapter 2 for more information on ombudsman programs.

A. What to do if you have a problem or concern

This chapter explains how to handle problems and concerns. The process you use depends on the type of problem you have. Use one process for **coverage decisions and appeals** and another for **making complaints** (also called grievances).

To ensure fairness and promptness, each process has a set of rules, procedures, and deadlines that we and you must follow.

A1. About the legal terms

There are legal terms in this chapter for some rules and deadlines. Many of these terms can be hard to understand, so we use simpler words in place of certain legal terms when we can. We use abbreviations as little as possible.

For example, we say:

- “Making a complaint” instead of “filing a grievance”
- “Coverage decision” instead of “organization determination”, “benefit determination”, “at-risk determination”, or “coverage determination”
- “Fast coverage decision” instead of “expedited determination”
- “Independent Review Organization” (IRO) instead of “Independent Review Entity” (IRE)

Knowing the proper legal terms may help you communicate more clearly, so we provide those too.

B. Where to get help

B1. For more information and help

Sometimes it’s confusing to start or follow the process for dealing with a problem. This can be especially true if you don’t feel well or have limited energy. Other times, you may not have the information you need to take the next step.

Help from the Michigan State Health Insurance Assistance Program (SHIP)

You can call the Michigan State Health Insurance Assistance Program (SHIP). Michigan State Health Insurance Assistance Program (SHIP) counselors can answer your questions and help you understand what to do about your problem. Michigan State Health Insurance Assistance Program (SHIP) isn’t connected with us or with any insurance company or health plan. Michigan State Health Insurance Assistance Program (SHIP) has trained counselors in every county, and services are free. The Michigan State Health Insurance Assistance Program (SHIP) phone number is 1-800-803-7174.

Help and information from Medicare

For more information and help, you can contact Medicare. Here are two ways to get help from Medicare:

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Call 1-800-MEDICARE (1-800-633-4227). TTY users call 1-877-486-2048.
- Visit the Medicare website (www.medicare.gov).

Help and information from Michigan Medicaid

You can call the Beneficiary Help Line at 1-800-642-3195 from 8:00 AM to 7:00 PM Monday through Friday (except holidays) or email beneficiarysupport@michigan.gov. The Beneficiary Support website can be found at www.michigan.gov/mdhhs/assistance-programs/medicaid/portalhome/beneficiaries/supporttht.

C. Understanding Medicare and Michigan Medicaid complaints and appeals in our plan

You have Medicare and Michigan Medicaid. Information in this chapter applies to all your Medicare and Michigan Medicaid benefits. This is sometimes called an “integrated process” because it combines, or integrates, Medicare and Michigan Medicaid processes.

Sometimes Medicare and Michigan Medicaid processes can’t be combined. In those situations, you use one process for a Medicare benefit and another process for a Michigan Medicaid benefit. **Section F4** explains these situations.

D. Problems with your benefits

If you have a problem or concern, read the parts of this chapter that apply to your situation. The following chart helps you find the right section of this chapter for problems or complaints.

Is your problem or concern about your benefits or coverage?	
This includes problems about whether particular medical care (medical items, services and/or Part B drugs) are covered or not, the way they’re covered, and problems about payment for medical care.	
Yes.	No.
My problem is about benefits or coverage. Refer to Section E , “Coverage decisions and appeals.”	My problem isn’t about benefits or coverage. Refer to Section K , “How to make a complaint.”

E. Coverage decisions and appeals

The process for asking for a coverage decision and making an appeal deals with problems related to your benefits and coverage for your medical care (services, items and Part B drugs, including payment). To keep things simple we generally refer to medical items, services, and Part B drugs as **medical care**.

NOTE: Medicaid specialty behavioral health services are covered by the Prepaid Inpatient Health Plan (PIHP). This includes mental health, intellectual/developmental disability, and substance use disorder services and supports. If the PIHP makes a coverage decision and you don’t agree with it, you must appeal to the PIHP.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. For more information, visit Humana.com.

Information about the PIHP in your area is found **Chapter 4** of this *Member Handbook*.

E1. Coverage decisions

A coverage decision is a decision we make about your benefits and coverage or about the amount we pay for your medical services or drugs. For example, if your plan network provider refers you to a medical specialist outside of the network, this referral is considered a favorable decision unless either your network provider can show that you received a standard denial notice for this medical specialist, or the referred service is never covered under any condition (refer to **Chapter 4, Section H** of this *Member Handbook*).

You or your doctor can also contact us and ask for a coverage decision. You or your doctor may be unsure whether we cover a specific medical service or if we may refuse to provide medical care you think you need. **If you want to know if we'll cover a medical service before you get it, you can ask us to make a coverage decision for you.**

We make a coverage decision whenever we decide what's covered for you and how much we pay. In some cases, we may decide a service or drug isn't covered or is no longer covered for you by Medicare or Michigan Medicaid. If you disagree with this coverage decision, you can make an appeal.

E2. Appeals

If we make a coverage decision and you aren't satisfied with this decision, you can "appeal" the decision. An appeal is a formal way of asking us to review and change a coverage decision we made.

When you appeal a decision for the first time, this is called a Level 1 Appeal. In this appeal, we review the coverage decision we made to check if we followed all rules properly. Different reviewers than those who made the original unfavorable decision handle your appeal.

When we complete the review, we give you our decision. Under certain circumstances, explained later in this chapter, you can ask for an expedited or "fast coverage decision" or "fast appeal" of a coverage decision.

If we say **No** to part or all of what you asked for, we'll send you a letter. If your problem is about coverage of a Medicare medical care, the letter will tell you that we sent your case to the Independent Review Organization (IRO) for a Level 2 Appeal. If your problem is about coverage of a Medicare Part D or Medicaid service or item, the letter will tell you how to file a Level 2 Appeal yourself. Refer to **Section F4** for more information about Level 2 Appeals. If your problem is about coverage of a service or item covered by both Medicare and Medicaid, the letter will give you information regarding both types of Level 2 Appeals.

If you aren't satisfied with the Level 2 Appeal decision, you may be able to go through additional levels of appeal.

E4. Which section of this chapter can help you

There are four situations that involve coverage decisions and appeals. Each situation has different rules and deadlines. We give details for each one in a separate section of this chapter. Refer to the section that applies:

- **Section F**, “Medical care”
- **Section G**, “Medicare Part D drugs”
- **Section H**, “Asking us to cover a longer hospital stay”
- **Section I**, “Asking us to continue covering certain medical services” (This section only applies to these services: home health care, skilled nursing facility care, and Comprehensive Outpatient Rehabilitation Facility (CORF) services.)

If you’re not sure which section to use, call Member Services at the numbers at the bottom of the page.

F. Medical care

This section explains what to do if you have problems getting coverage for medical care or if you want us to

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit Humana.com.

pay you back for your care.

This section is about your benefits for medical care that's described in **Chapter 4** of this *Member Handbook* in the benefits chart. In some cases, different rules may apply to a Medicare Part B drug. When they do, we explain how rules for Medicare Part B drugs differ from rules for medical services and items.

F1. Using this section

This section explains what you can do in any of the five following situations:

1. You think we cover medical care you need but aren't getting.

What you can do: You can ask us to make a coverage decision. Refer to **Section F2**.

2. We didn't approve the medical care your doctor or other health care provider wants to give you, and you think we should.

What you can do: You can appeal our decision. Refer to **Section F3**.

3. You got medical care that you think we cover, but we won't pay.

What you can do: You can appeal our decision not to pay. Refer to **Section F5**.

4. You got and paid for medical care you thought we cover, and you want us to pay you back.

What you can do: You can ask us to pay you back. Refer to **Section F5**.

5. We reduced or stopped your coverage for certain medical care, and you think our decision could harm your health.

What you can do: You can appeal our decision to reduce or stop the medical care. Refer to **Section F4**.

- If the coverage is for hospital care, home health care, skilled nursing facility care, or CORF services, special rules apply. Refer to Section H or Section I to find out more.
- For all other situations involving reducing or stopping your coverage for certain medical care, use this section (**Section F**) as your guide.

F2. Asking for a coverage decision

When a coverage decision involves your medical care, it's called an **integrated organization determination**.

You, your doctor, or your representative can ask us for a coverage decision by:

- Calling: 855-281-6070, TTY: 711.
- Faxing: 888-889-9934.
- Writing: PO Box 14359 Lexington, KY 40512-4359.

Standard coverage decision

When we give you our decision, we use the "standard" deadlines unless we agree to use the "fast" deadlines.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

A standard coverage decision means we give you an answer about a:

- **7 calendar days** after we get your request **for a medical service or item that's subject to our prior authorization rules.**
- **14 calendar days** after we get your request **for all other medical services or items.**
- **72 hours** after we get your request **for a Medicare Part B drug.**

For a medical item or service, we can take up to 14 more calendar days if you ask for more time or if we need more information that may benefit you (such as medical records from out-of-network providers). If we take extra days to make the decision, we'll tell you in writing. **We can't take extra days if your request is for a Medicare Part B drug.**

If you think we **shouldn't** take extra days, you can make a "fast complaint" about our decision to take extra days. When you make a fast complaint, we give you an answer to your complaint within 24 hours. The process for making a complaint is different from the process for coverage decisions and appeals. For more information about making a complaint, including a fast complaint, refer to **Section K**.

Fast coverage decision

The legal term for fast coverage decision is **expedited determination**.

When you ask us to make a coverage decision about your medical care and your health requires a quick response, ask us to make a "fast coverage decision." A fast coverage decision means we'll give you an answer within:

- **72 hours** after we get your request for a medical service or item.
- **24 hours** after we get your request for a Medicare Part B drug.

To get a fast coverage decision, you must meet two requirements:

- You're asking for coverage for medical items and/or services that you **didn't get**. You can't ask for a fast coverage decision about payment for items or services you already got.
- Using the standard deadlines **could cause serious harm to your health** or hurt your ability to function.

We automatically give you a fast coverage decision if your doctor tells us your health requires it. If you ask without your doctor's support, we decide if you get a fast coverage decision.

- If we decide that your health doesn't meet the requirements for a fast coverage decision, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast coverage decision if your doctor asks for it.
 - How you can file a "fast complaint" about our decision to give you a standard coverage decision instead of a fast coverage decision. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we say No to part or all of your request, we send you a letter explaining the reasons.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information,** visit **Humana.com**.

- If we say **No**, you have the right to make an appeal. If you think we made a mistake, making an appeal is a formal way of asking us to review our decision and change it.
- If you decide to make an appeal, you'll go on to Level 1 of the appeals process (refer to **Section F3**).

In limited circumstances we may dismiss your request for a coverage decision, which means we won't review the request. Examples of when a request will be dismissed include:

- if the request is incomplete,
- if someone makes the request on your behalf but isn't legally authorized to do so,
or
- if you ask for your request to be withdrawn.

If we dismiss a request for a coverage decision, we'll send you a notice explaining why the request was dismissed and how to ask for a review of the dismissal. This review is called an appeal. Appeals are discussed in the next section.

F3. Making a Level 1 Appeal

To start an appeal, you, your doctor, or your representative must contact us. Call us at 855-281-6070.

Ask for a standard appeal or a fast appeal in writing or by calling us at 855-281-6070.

- If your doctor or other prescriber asks to continue a service or item you're already getting during your appeal, you may need to name them as your representative to act on your behalf.
- If someone other than your doctor makes the appeal for you, include an Appointment of Representative form authorizing this person to represent you. You can get the form by visiting www.cms.gov/Medicare/CMS-Forms/CMS-Forms/downloads/cms1696.pdf
- We can accept an appeal request without the form, but we can't begin or complete our review until we get it. If we don't get the form before our deadline for making a decision on your appeal:
 - We dismiss your request, and
 - We send you a written notice explaining your right to ask the IRO to review our decision to dismiss your appeal.
- You must ask for an appeal within 65 calendar days from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

The legal term for “fast appeal” is “**expedited reconsideration**”.

- If you appeal a decision we made about coverage for care, you and/or your doctor decide if you need a fast appeal.

We automatically give you a fast appeal if your doctor tells us your health requires it. If you ask without your doctor’s support, we decide if you get a fast appeal.

- If we decide that your health doesn’t meet the requirements for a fast appeal, we send you a letter that says so and we use the standard deadlines instead. The letter tells you:
 - We automatically give you a fast appeal if your doctor asks for it.
 - How you can file a “fast complaint” about our decision to give you a standard appeal instead of a fast appeal. For more information about making a complaint, including a fast complaint, refer to **Section K**.

If we tell you we are stopping or reducing services or items that you already get, you may be able to continue those services or items during your appeal.

- If we decide to change or stop coverage for a service or item that you get, we send you a notice before we take action.
- If you disagree with our decision, you can file a Level 1 Appeal.
- We continue covering the service or item if you ask for a Level 1 Appeal within 10 calendar days of the date on our letter or by the intended effective date of the action, whichever is later.
 - If you meet this deadline, you’ll get the service or item with no changes while your Level 1 appeal is pending.
 - You’ll also get all other services or items (that aren’t the subject of your appeal) with no changes.
 - If you don’t appeal before these dates, then your service or item won’t be continued while you wait for your appeal decision.

We consider your appeal and give you our answer.

- When we review your appeal, we take another careful look at all information about your request for coverage of medical care.
- We check if we followed all the rules when we said **No** to your request.
- We gather more information if we need it. We may contact you or your doctor to get more information.

There are deadlines for a fast appeal.

- When we use the fast deadlines, we must give you our answer **within 72 hours after we get your appeal**. We’ll give you our answer sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- If we need extra days to make the decision, we tell you in writing.
- If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
- If we don't give you an answer within 72 hours or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Michigan Fair Hearings are held by the Michigan Office of Administrative Hearings and Rules (MOAHR). **If we say Yes to part or all of your request**, we must authorize or provide the coverage we agreed to provide within 72 hours after we get your appeal.
- **If we say No to part or all of your request**, we send your appeal to the IRO for a Level 2 Appeal.

There are deadlines for a standard appeal.

- When we use the standard deadlines, we must give you our answer **within 30 calendar days** after we get your appeal for coverage for services you didn't get.
- If your request is for a Medicare Part B drug you didn't get, we give you our answer **within 7 calendar days** after we get your appeal or sooner if your health requires it.
- If you ask for more time or if we need more information that may benefit you, we **can take up to 14 more calendar days** if your request is for a medical item or service.
 - If we need extra days to make the decision, we tell you in writing.
 - If your request is for a Medicare Part B drug, we can't take extra time to make the decision.
 - If you think we **shouldn't** take extra days, you can file a fast complaint about our decision. When you file a fast complaint, we give you an answer within 24 hours. For more information about making complaints, including fast complaints, refer to **Section K**.
 - If we don't give you an answer by the deadline or by the end of the extra days we took, we must send your request to Level 2 of the appeals process. An IRO then reviews it. Later in this chapter, we tell you about this organization and explain the Level 2 appeals process. If your problem is about coverage of a Medicaid service or item, you can file a Level 2 – Fair Hearing with the state yourself as soon as the time is up. In Michigan, Fair Hearings are held by the Michigan Office of Administrative Hearings and Rules (MOAHR).

If we say Yes to part or all of your request, we must authorize or provide the coverage we agreed to provide within 30 calendar days, or **within 7 calendar days** if your request is for a Medicare Part B drug, after we get your appeal.

If we say **No** to part or all of your request, **you have additional appeal rights**:

- If we say **No** to part or all of what you asked for, we send you a letter.
- If your problem is about coverage of a Medicare service or item, the letter tells you that we sent your case to the IRO for a Level 2 Appeal.
- If your problem is about coverage of an Michigan Medicaid service or item, the letter tells you how to file a Level 2 Appeal yourself.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

F4. Making a Level 2 Appeal

If we say **No** to part or all of your Level 1 Appeal, we send you a letter. This letter tells you if Medicare, Michigan Medicaid, or both programs usually cover the service or item.

- If your problem is about a service or item that Medicare usually covers, we automatically send your case to Level 2 of the appeals process as soon as the Level 1 Appeal is complete.
- If your problem is about a service or item that Michigan Medicaid usually covers, you can file a Level 2 Appeal yourself. The letter tells you how to do this. We also include more information later in this chapter.
- If your problem is about a service or item that **both Medicare and Michigan Medicaid** may cover, you automatically get a Level 2 Appeal with the IRO. You can also ask for a Fair Hearing with the state.

If you qualified for continuation of benefits when you filed your Level 1 Appeal, your benefits for the service, item, or drug under appeal may also continue during Level 2. Refer to **Section F3** of this *Member Handbook* for information about continuing your benefits during Level 1 Appeals.

- If your problem is about a service usually covered only by Medicare, your benefits for that service don't continue during the Level 2 appeals process with the IRO.
- If your problem is about a service usually covered only by Michigan Medicaid, your benefits for that service continue if you submit a Level 2 Appeal within 10 calendar days after getting our decision letter.

When your problem is about a service or item Medicare usually covers

The IRO reviews your appeal. It's an independent organization hired by Medicare.

The formal name for the Independent Review Organization (IRO) is the **Independent Review Entity**, sometimes called the **IRE**.

- This organization isn't connected with us and isn't a government agency. Medicare chose the company to be the IRO, and Medicare oversees their work.
- We send information about your appeal (your "case file") to this organization. You have the right to a free copy of your case file.
- You have a right to give the IRO additional information to support your appeal.
- Reviewers at the IRO take a careful look at all information related to your appeal.

If you had a fast appeal at Level 1, you also have a fast appeal at Level 2.

- If you had a fast appeal to us at Level 1, you automatically get a fast appeal at Level 2. The IRO must give you an answer to your Level 2 Appeal **within 72 hours** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO can't take extra time to make a decision if your request is for a Medicare Part B drug.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

If you had a standard appeal at Level 1, you also have a standard appeal at Level 2.

- If you had a standard appeal to us at Level 1, you automatically get a standard appeal at Level 2.
- If your request is for a medical item or service, the IRO must give you an answer to your Level 2 Appeal **within 30 calendar days** of getting your appeal.
- If your request is for a Medicare Part B drug, the IRO must give you an answer to your Level 2 Appeal **within 7 calendar days** of getting your appeal.
- If your request is for a medical item or service and the IRO needs to gather more information that may benefit you, **it can take up to 14 more calendar days**. The IRO take extra time to make a decision if your request is for a Medicare Part B drug.

The IRO gives you their answer in writing and explains the reasons.

- **If the IRO says Yes to part or all of a request for a medical item or service, we must:**
 - Authorize the medical care coverage **within 72 hours**, or
 - Provide the service within **14 calendar days** after we get the IRO's decision for **standard requests**, or
 - Provide the service **within 72 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says Yes to part or all of a request for a Medicare Part B drug, we must authorize or provide the Medicare Part B drug under dispute:**
 - **within 72 hours** after we get the IRO's decision for **standard requests**, or
 - **within 24 hours** from the date we get the IRO's decision for **expedited requests**.
- **If the IRO says No to part or all of your appeal**, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."
 - If your case meets the requirements, you choose whether you want to take your appeal further.
 - There are three additional levels in the appeals process after Level 2, for a total of five levels.
 - If your Level 2 Appeal is turned down and you meet the requirements to continue the appeals process, you must decide whether to go on to Level 3 and make a third appeal. The details about how to do this are in the written notice you get after your Level 2 Appeal.
 - An Administrative Law Judge (ALJ) or attorney adjudicator handles a Level 3 Appeal. Refer to **Section J** of this *Member Handbook* for more information about Level 3, 4, and 5 Appeals.

When your problem is about a service or item Medicaid usually covers, or that's covered by both Medicare and Michigan Medicaid

A Level 2 Appeal for services that Michigan Medicaid usually covers is a Fair Hearing with the state. In Michigan Medicaid a Fair Hearing is called Michigan Office of Administrative Hearings and Rules (MOAHR). You must ask for a Fair Hearing in writing or by phone **within 120 calendar days** of the date we sent the decision

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

letter on your Level 1 Appeal. The letter you get from us tells you where to submit your request for a Fair Hearing.

The Fair Hearing office gives you their decision in writing and explain the reasons.

- If the Fair Hearing office says **Yes** to part or all of a request for a medical item or service, we must authorize or provide the service or item **within 72 hours** after we get their decision.
- If the Fair Hearing office says **No** to part or all of your appeal, it means they agree that we shouldn't approve your request (or part of your request) for coverage for medical care. This is called "upholding the decision" or "turning down your appeal."

If the IRO or Fair Hearing office decision is **No** for all or part of your request, you have additional appeal rights.

If your Level 2 Appeal went to the **IRO**, you can appeal again only if the dollar value of the service or item you want meets a certain minimum amount. An ALJ or attorney adjudicator handles a Level 3 Appeal. **The letter you get from the IRO explains additional appeal rights you may have.**

The letter you get from the Fair Hearing office describes the next appeal option.

Refer to **Section J** for more information about your appeal rights after Level 2.

F5: Payment problems

We don't allow our network providers to bill you for covered services and items. This is true even if we pay the provider less than the provider charges for a covered service or item. You're never required to pay the balance of any bill. The only amount you should be asked to pay is the drug categories that require a copay.

If you get a bill for covered services and items, send the bill to us. Don't pay the bill yourself. We'll contact the provider directly and take care of the problem. If you do pay the bill, you can get a refund from our plan if you followed the rules for getting services or item.

For more information, refer to **Chapter 7** of this *Member Handbook*. It describes situations when you may need to ask us to pay you back or pay a bill you got from a provider. It also tells how to send us the paperwork that asks us for payment.

If you ask to be paid back, you're asking for a coverage decision. We'll check if the service or item you paid for is covered and if you followed all the rules for using your coverage.

- If the service or item you paid for is covered and you followed all the rules, we'll send you for the service or item typically within 30 calendar days, but no later than 60 calendar days after we get your request.
- If you haven't paid for the service or item yet, we'll send the payment directly to the provider. When we send the payment, it's the same as saying **Yes** to your request for a coverage decision.
- If the service or item isn't covered or you didn't follow all the rules, we'll send you a letter telling you we won't pay for the service or item and explaining why.

If you don't agree with our decision not to pay, **you can make an appeal**. Follow the appeals process

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

described in **Section F3**. When you follow these instructions, note:

- If you make an appeal for us to pay you back, we must give you our answer within 30 calendar days after we get your appeal.

If our answer to your appeal is **No** and **Medicare** usually covers the service or item, we'll send your case to the IRO. We'll send you a letter if this happens.

- If the IRO reverses our decision and says we should pay you, we must send the payment to you or to the provider within 30 calendar days. If the answer to your appeal is **Yes** at any stage of the appeals process after Level 2, we must send the payment to you or to the health care provider within 60 calendar days.
- If the IRO says **No** to your appeal, it means they agree that we shouldn't approve your request. This is called "upholding the decision" or "turning down your appeal." You'll get a letter explaining additional appeal rights you may have. Refer to **Section J** for more information about additional levels of appeal.

If our answer to your appeal is **No** and Michigan Medicaid usually covers the service or item, you can file a Level 2 Appeal yourself. Refer to **Section F4** for more information.

G. Medicare Part D drugs

Your benefits as a member of our plan include coverage for many drugs. Most of these are Medicare Part D drugs. There are a few drugs that Medicare Part D doesn't cover that Michigan Medicaid may cover. **This section only applies to Medicare Part D drug appeals.** We'll say "drug" in the rest of this section instead of saying "Medicare Part D drug" every time.

To be covered, the drug must be used for a medically accepted indication. That means the drug is approved by the Food and Drug Administration (FDA) or supported by certain medical references. Refer to **Chapter 5** of this *Member Handbook* for more information about a medically accepted indication.

G1. Medicare Part D coverage decisions and appeals

Here are examples of coverage decisions you ask us to make about your Medicare Part D drugs:

- You ask us to make an exception, including asking us to:
 - cover a Medicare Part D drug that isn't on our plan's *Drug List* or
 - set aside a restriction on our coverage for a drug (such as limits on the amount you can get)
- You ask us if a drug is covered for you (such as when your drug is on our plan's *Drug List* but we must approve it for you before we cover it)

NOTE: If your pharmacy tells you that your prescription can't be filled as written, the pharmacy gives you a written notice explaining how to contact us to ask for a coverage decision.

An initial coverage decision about your Medicare Part D drugs is called a "**coverage determination**".

- You ask us to pay for a drug you already bought. This is asking for a coverage decision about payment.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

If you disagree with a coverage decision we made, you can appeal our decision. This section tells you both how to ask for coverage decisions and how to make an appeal. Use the chart below to help you.

Which of these situations are you in?			
You need a drug that isn't on our <i>Drug List</i> or need us to set aside a rule or restriction on a drug we cover.	You want us to cover a drug on our <i>Drug List</i> , and you think you meet plan rules or restrictions (such as getting approval in advance) for the drug you need.	You want to ask us to pay you back for a drug you already got and paid for.	We told you that we won't cover or pay for a drug in the way that you want.
You can ask us to make an exception. (This is a type of coverage decision.)	You can ask us for a coverage decision.	You can ask us to pay you back. (This is a type of coverage decision.)	You can make an appeal. (This means you ask us to reconsider.)
Start with Section G2 , then refer to Sections G3 and G4 .	Refer to Section G4 .	Refer to Section G4 .	Refer to Section G5 .

G2. Medicare Part D exceptions

If we don't cover a drug in the way you would like, you can ask us to make an "exception." If we turn down your request for an exception, you can appeal our decision.

When you ask for an exception, your doctor or other prescriber needs to explain the medical reasons why you need the exception.

Asking for coverage of a drug not on our *Drug List* or for removal of a restriction on a drug is sometimes called asking for a "**formulary exception**".

Here are some examples of exceptions that you or your doctor or other prescriber can ask us to make:

1. Covering a drug that isn't on our *Drug List*

- If we agree to make an exception and cover a drug that isn't on our *Drug List*, you pay the copay that applies to drugs in cost sharing Tier 4 - Non-preferred Drug.
- You can't get an exception to the required copay amount for the drug.

2. Removing a restriction for a covered drug

- Extra rules or restrictions apply to certain drugs on our *Drug List* (refer to **Chapter 5** of this *Member Handbook* for more information).
- Extra rules and restrictions for certain drugs include:
 - Being required to use the generic version of a drug instead of the brand name drug.
 - Getting our approval in advance before we agree to cover the drug for you. This is sometimes called "prior authorization (PA)."

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Being required to try a different drug first before we agree to cover the drug you ask for. This is sometimes called “step therapy.”
- Quantity limits. For some drugs, there are restrictions on the amount of the drug you can have.
- If we agree to an exception for you and set aside a restriction, you can ask for an exception to the copay amount you’re required to pay.

3. Changing coverage of a drug to a lower cost-sharing tier. Every drug on our *Drug List* is in one of 6 cost-sharing tiers. In general, the lower the cost-sharing tier number, the less your required copay amount is.

- Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs.
- If an alternative drug for your medical condition is in a lower cost-sharing tier than the drug you take, you can ask us to cover it at the cost-sharing amount for the alternative drug. This would lower your copay amount for the drug.
 - If the drug you take is a biological product, you can ask us to cover it at the cost-sharing amount for the lowest tier for biological product alternatives for your condition.
 - If the drug you take is a brand name drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for brand name alternatives for your condition.
 - If the drug you take is a generic drug, you can ask us to cover it at the cost-sharing amount for the lowest tier for either brand or generic alternatives for your condition.
- You can’t ask us to change the cost-sharing tier for any drug in Tier 5: Specialty Tier.
- If we approve your tiering exception request and there’s more than one lower cost-sharing tier with alternative drugs you can’t take, you usually pay the lowest amount.

G3. Important things to know about asking for an exception

Your doctor or other prescriber must tell us the medical reasons.

Your doctor or other prescriber must give us a statement explaining the medical reasons for asking for an exception. For a faster decision, include this medical information from your doctor or other prescriber when you ask for the exception.

Our *Drug List* often includes more than one drug for treating a specific condition. These are called “alternative” drugs. If an alternative drug is just as effective as the drug you ask for and wouldn’t cause more side effects or other health problems, we generally **don’t** approve your exception request. If you ask us for a tiering exception, we generally **don’t** approve your exception request unless all alternative drugs in the lower cost-sharing tier(s) won’t work as well for you or are likely to cause an adverse reaction or other harm.

We can say Yes or No to your request.

- If we say **Yes** to your exception request, the exception usually lasts until the end of the calendar year. This is true as long as your doctor continues to prescribe the drug for you and that drug continues to be safe and effective for treating your condition.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- If we say **No** to your exception request, you can make an appeal. Refer to **Section G5** for information on making an appeal if we say **No**.

The next section tells you how to ask for a coverage decision, including an exception.

G4. Asking for a coverage decision, including an exception

- Ask for the type of coverage decision you want by calling 855-281-6070, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information about the claim.
- You or your doctor (or other prescriber) or someone else acting on your behalf can ask for a coverage decision. You can also have a lawyer act on your behalf.
- Refer to **Section E3** to find out how to name someone as your representative.
- You don't need to give written permission to your doctor or other prescriber to ask for a coverage decision on your behalf.
- If you want to ask us to pay you back for a drug, refer to **Chapter 7** of this *Member Handbook*.
- If you ask for an exception, give us a "supporting statement." The supporting statement includes your doctor or other prescriber's medical reasons for the exception request.
- Your doctor or other prescriber can fax or mail us the supporting statement. They can also tell us by phone and then fax or mail the statement.

If your health requires it, ask us for a "fast coverage decision."

We use the "standard deadlines" unless we agree to use the "fast deadlines."

- A **standard coverage decision** means we give you an answer within 72 hours after we get your doctor's statement.
- A **fast coverage decision** means we give you an answer within 24 hours after we get your doctor's statement.

A "fast coverage decision" is called an "**expedited coverage determination**."

You can get a fast coverage decision if:

- It's for a drug you didn't get. You can't get a fast coverage decision if you're asking us to pay you back for a drug you already bought.
- Your health or ability to function would be seriously harmed if we use the standard deadlines.

If your doctor or other prescriber tells us that your health requires a fast coverage decision, we agree and give it to you. We send you a letter that tells you.

- If you ask for a fast coverage decision without support from your doctor or other prescriber, we decide if you get a fast coverage decision.
- If we decide that your medical condition doesn't meet the requirements for a fast coverage decision,

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

we use the standard deadlines instead.

- We send you a letter that tells you. The letter also tells you how to make a complaint about our decision.
- You can file a fast complaint and get a response within 24 hours. For more information making complaints, including fast complaints, refer to **Section K**.

Deadlines for a fast coverage decision

- If we use the fast deadlines, we must give you our answer within 24 hours after we get your request. If you ask for an exception, we give you our answer within 24 hours after we get your doctor's supporting statement. We give you our answer sooner if your health requires it.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO. Refer to **Section G6**, for more information about a Level 2 Appeal.
- If we say **Yes** to part or all of your request, we give you the coverage within 24 hours after we get your request or your doctor's supporting statement.

Deadlines for a standard coverage decision about a drug you didn't get

- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we give you the coverage within 72 hours after we get your request or your doctor's supporting statement for an exception.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

Deadlines for a standard coverage decision about a drug you already bought

- We must give you our answer within 14 calendar days after we get your request.
- If we don't meet this deadline, we send your request to Level 2 of the appeals process for review by an IRO.
- If we say **Yes** to part or all of your request, we pay you back within 14 calendar days.
- If we say **No** to part or all of your request, we send you a letter with the reasons. The letter also tells you how to make an appeal.

G5. Making a Level 1 Appeal

An appeal to our plan about a Medicare Part D drug coverage decision is called a plan "**redetermination**".

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Start your **standard** or **fast** appeal by calling 855-281-6070, writing, or faxing us. You, your representative, or your doctor (or other prescriber) can do this. Please include your name, contact information, and information regarding your appeal.
- You must ask for an appeal **within 65 calendar days** from the date on the letter we sent to tell you our decision.
- If you miss the deadline and have a good reason for missing it, we may give you more time to make your appeal. Examples of good reasons are things like you had a serious illness or we gave you the wrong information about the deadline. Explain the reason why your appeal is late when you make your appeal.
- You have the right to ask us for a free copy of the information about your appeal. You and your doctor may also give us more information to support your appeal.

If your health requires it, ask for a fast appeal.

A fast appeal is also called an “**expedited redetermination.**”

- If you appeal a decision we made about a drug you didn’t get, you and your doctor or other prescriber decide if you need a fast appeal.
- Requirements for a fast appeal are the same as those for a fast coverage decision. Refer to **Section G4** for more information.

We consider your appeal and give you our answer.

- We review your appeal and take another careful look at all of the information about your coverage request.
- We check if we followed the rules when we said **No** to your request.
- We may contact you or your doctor or other prescriber to get more information.

Deadlines for a fast appeal at Level 1

- If we use the fast deadlines, we must give you our answer **within 72 hours** after we get your appeal.
 - We give you our answer sooner if your health requires it.
 - If we don’t give you an answer within 72 hours, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.
- If we say **Yes** to part or all of your request, we must provide the coverage we agreed to provide within 72 hours after we get your appeal.
- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

Deadlines for a standard appeal at Level 1

- If we use the standard deadlines, we must give you our answer **within 7 calendar days** after we get

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

your appeal for a drug you didn't get.

- We give you our decision sooner if you didn't get the drug and your health condition requires it. If you believe your health requires it, ask for a fast appeal.
 - If we don't give you a decision within 7 calendar days, we must send your request to Level 2 of the appeals process. Then an IRO reviews it. Refer to **Section G6** for information about the review organization and the Level 2 appeals process.

If we say **Yes** to part or all of your request:

- We must **provide the coverage** we agreed to provide as quickly as your health requires, but **no later than 7 calendar days** after we get your appeal.
- We must **send payment to you** for a drug you bought **within 30 calendar days** after we get your appeal.

If we say **No** to part or all of your request:

- We send you a letter that explains the reasons and tells you how you can make an appeal.
- We must give you our answer about paying you back for a drug you bought **within 14 calendar days** after we get your appeal.

- If we say **No** to part or all of your request, we send you a letter that explains the reasons and tells you how you can make an appeal.

G6. Making a Level 2 Appeal

If we say **No** to your Level 1 Appeal, you can accept our decision or make another appeal. If you decide to make another appeal, you use the Level 2 Appeal appeals process. The **IRO** reviews our decision when we said **No** to your first appeal. This organization decides if we should change our decision.

The formal name for the "Independent Review Organization" (IRO) is the "**Independent Review Entity**", sometimes called the "**IRE**".

To make a Level 2 Appeal, you, your representative, or your doctor or other prescriber must contact the IRO **in writing** and ask for a review of your case.

- If we say **No** to your Level 1 Appeal, the letter we send you includes **instructions about how to make a Level 2 Appeal** with the IRO. The instructions tell who can make the Level 2 Appeal, what deadlines you must follow, and how to reach the organization.
- When you make an appeal to the IRO, we send the information we have about your appeal to the organization. This information is called your "case file". **You have the right to a free copy of your**

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

case file.

- You have a right to give the IRO additional information to support your appeal.

The IRO reviews your Medicare Part D Level 2 Appeal and gives you an answer in writing. Refer to **Section F4** for more information about the IRO.

Deadlines for a fast appeal at Level 2

If your health requires it, ask the IRO for a fast appeal.

- If they agree to a fast appeal, they must give you an answer **within 72 hours** after getting your appeal request.
- If they say **Yes** to part or all of your request, we must provide the approved drug coverage **within 24 hours** after getting the IRO's decision.

Deadlines for a standard appeal at Level 2

If you have a standard appeal at Level 2, the IRO must give you an answer:

- **within 7 calendar days** after they get your appeal for a drug you didn't get.
- **within 14 calendar days** after getting your appeal for repayment for a drug you bought.

If the IRO says **Yes** to part or all of your request:

- We must provide the approved drug coverage **within 72 hours** after we get the IRO's decision.
- We must pay you back for a drug you bought within 30 calendar days after we get the IRO's decision.
- If the IRO says **No** to your appeal, it means they agree with our decision not to approve your request. This is called "upholding the decision" or "turning down your appeal".

If the IRO says **No** to your Level 2 Appeal, you have the right to a Level 3 Appeal if the dollar value of the drug coverage you ask for meets a minimum dollar value. If the dollar value of the drug coverage you ask for is less than the required minimum, you can't make another appeal. In that case, the Level 2 Appeal decision is final. The IRO sends you a letter that tells you the minimum dollar value needed to continue with a Level 3 Appeal.

If the dollar value of your request meets the requirement, you choose if you want to take your appeal further.

- There are three additional levels in the appeals process after Level 2.
- If the IRO says **No** to your Level 2 Appeal and you meet the requirement to continue the appeals process, you:
 - Decide if you want to make a Level 3 Appeal.
 - Refer to the letter the IRO sent you after your Level 2 Appeal for details about how to make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4,

and 5 Appeals.

H. Asking us to cover a longer hospital stay

When you're admitted to a hospital, you have the right to get all hospital services that we cover that are necessary to diagnose and treat your illness or injury. For more information about our plan's hospital coverage, refer to **Chapter 4** of this *Member Handbook*.

During your covered hospital stay, your doctor and the hospital staff work with you to prepare for the day when you leave the hospital. They also help arrange for care you may need after you leave.

- The day you leave the hospital is called your "discharge date."
- Your doctor or the hospital staff will tell you what your discharge date is.

If you think you're being asked to leave the hospital too soon or you're concerned about your care after you leave the hospital, you can ask for a longer hospital stay. This section tells you how to ask.

H1. Learning about your Medicare rights

Within two days after you're admitted to the hospital, someone at the hospital, such as a nurse or caseworker, will give you a written notice called "An Important Message from Medicare about Your Rights." Everyone with Medicare gets a copy of this notice whenever they're admitted to a hospital.

If you don't get the notice, ask any hospital employee for it. If you need help, call Member Services at the numbers at the bottom of the page. You can also call 1-800-MEDICARE (1-800- 633-4227). TTY users should call 1-877-486-2048.

- **Read the notice** carefully and ask questions if you don't understand. The notice tells you about your rights as a hospital patient, including your rights to:
 - Get Medicare-covered services during and after your hospital stay. You have the right to know what these services are, who will pay for them, and where you can get them.
 - Be a part of any decisions about the length of your hospital stay.
 - Know where to report any concerns you have about the quality of your hospital care.
 - Appeal if you think you're being discharged from the hospital too soon.
- **Sign the notice** to show that you got it and understand your rights.
 - You or someone acting on your behalf can sign the notice.
 - Signing the notice **only** shows that you got the information about your rights. Signing **doesn't** mean you agree to a discharge date your doctor or the hospital staff may have told you.
- **Keep your copy** of the signed notice so you have the information if you need it.

If you sign the notice more than two days before the day you leave the hospital, you'll get another copy before you're discharged.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

You can look at a copy of the notice in advance if you:

- Call Member Services at the numbers at the bottom of the page
- Call Medicare at 1-800 MEDICARE (1-800-633-4227). TTY users should call 1- 877-486-2048.
- Visit www.cms.gov/medicare/forms-notices/beneficiary-notices-initiative/ffs-ma-im.

H2. Making a Level 1 Appeal

To ask for us to cover your inpatient hospital services for a longer time, make an appeal. The Quality Improvement Organization (QIO) reviews the Level 1 Appeal to find out if your planned discharge date is medically appropriate for you.

The QIO is a group of doctors and other health care professionals paid by the federal government. These experts check and help improve the quality for people with Medicare. They aren't part of our plan.

In Michigan, the QIO is Commence Health. Call them at 1-888-524-9900 (TTY: 1-888-985-8775). Contact information is also in the notice, "An Important Message from Medicare about Your Rights," and in **Chapter 2**.

Call the QIO before you leave the hospital and no later than your planned discharge date.

- **If you call before you leave**, you can stay in the hospital after your planned discharge date without paying for it while you wait for the QIO's decision about your appeal.
- **If you don't call to appeal**, and you decide to stay in the hospital after your planned discharge date, you may pay all costs for hospital care you get after your planned discharge date.

Ask for help if you need it. If you have questions or need help at any time:

- Call Member Services at the numbers at the bottom of the page.
- Call the Michigan State Health Insurance Assistance Program (SHIP) at 1-800-803-7174. **Ask for a fast review.** Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

Ask for a fast review. Act quickly and contact the QIO to ask for a fast review of your hospital discharge.

The legal term for "**fast review**" is "**immediate review**" or "**expedited review**."

What happens during fast review

- Reviewers at the QIO ask you or your representative why you think coverage should continue after the planned discharge date. You aren't required to write a statement, but you may.
- Reviewers look at your medical information, talk with your doctor, and review information that the hospital and our plan gave them.
- By noon of the day after reviewers tell our plan about your appeal, you get a letter with your planned discharge date. The letter also gives reasons why your doctor, the hospital, and we think that's the right discharge date that's medically appropriate for you.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

The legal term for this written explanation is the “**Detailed Notice of Discharge**.” You can get a sample by calling Member Services at the numbers at the bottom of the page or 1-800-MEDICARE (1-800-633-4227). (TTY users should call 1-877-486- 2048.) You can also refer to a sample notice online at www.cms.gov/medicare/forms- notices/beneficiary-notice-initiative/ffs-ma-im.

Within one full day after getting all of the information it needs, the QIO give you their answer to your appeal.

If the QIO says **Yes** to your appeal:

- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They believe your planned discharge date is medically appropriate.
- Our coverage for your inpatient hospital services will end at noon on the day after the QIO gives you their answer to your appeal.
- You may have to pay the full cost of hospital care you get after noon on the day after the QIO gives you their answer to your appeal.
- You can make a Level 2 Appeal if the QIO turns down your Level 1 Appeal **and** you stay in the hospital after your planned discharge date.

H3. Making a Level 2 Appeal

For a Level 2 Appeal, you ask the QIO to take another look at the decision they made on your Level 1 Appeal. Call them at Toll-free Phone 1-888-524-9900.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you stay in the hospital after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We must pay you back for hospital care costs since noon on the day after the date the QIO turned down your Level 1 Appeal.
- We'll provide your covered inpatient hospital services for as long as the services are medically necessary.

If the QIO says **No** to your appeal:

- They agree with their decision about your Level 1 Appeal and won't change it.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- They give you a letter that tells you what you can do if you want to continue the appeals process and make a Level 3 Appeal.

An ALJ or attorney adjudicator handles Level 3 Appeals. Refer to **Section J** for information about Level 3, 4, and 5 Appeals.

I. Asking us to continue covering certain medical services

This section is only about three types of services you may be getting:

- home health care services
- skilled nursing care in a skilled nursing facility, **and**
- rehabilitation care as an outpatient at a Medicare-approved CORF. This usually means you're getting treatment for an illness or accident or you're recovering from a major operation.

With any of these three types of services, you have the right to get covered services for as long as the doctor says you need them.

When we decide to stop covering any of these, we must tell you **before** your services end. When your coverage for that service ends, we stop paying for it.

If you think we're ending the coverage of your care too soon, **you can appeal our decision**. This section tells you how to ask for an appeal.

I1. Advance notice before your coverage ends

We send you a written notice that you'll get at least two days before we stop paying for your care. This is called the "Notice of Medicare Non-Coverage." The notice tells you the date when we'll stop covering your care and how to appeal our decision.

You or your representative should sign the notice to show that you got it. Signing the notice only shows that you got the information. Signing **doesn't** mean you agree with our decision.

I2. Making a Level 1 Appeal

If you think we're ending coverage of your care too soon, you can appeal our decision. This section tells you about the Level 1 Appeal process and what to do.

- **Meet the deadlines.** The deadlines are important. Understand and follow the deadlines that apply to things you must do. Our plan must follow deadlines too. If you think we're not meeting our deadlines, you can file a complaint. Refer to **Section K** of this *Member Handbook*, for more information about complaints.
- **Ask for help if you need it.** If you have questions or need help at any time:
 - Call Member Services at the numbers at the bottom of the page.
 - Call the MI SHIP MI Options at 800-803-7174 (TTY 711). For more information or to find a local MI Options office in your area, please visit www.michigan.gov/MDHHSMIOptions.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

- Call the **MI Community, Home, and Health Ombudsman (MI CHHO)** for free help. The MI Community, Home, and Health Ombudsman (MI CHHO) can help you with questions about or problems with the MICH program or our plan. The MI Community, Home, and Health Ombudsman (MI CHHO) is an independent program and is not connected with this plan. The phone number is 1-888-746-6456.

- Reviewers look at your medical information, talk with your doctor, and review information that our plan gave them.
- Our plan also sends you a written notice that explains our reasons for ending coverage of your services. You get the notice by the end of the day the reviewers inform us of your appeal.

The legal term for the notice explanation is “**Detailed Explanation of Non-Coverage**”.

- Reviewers tell you their decision within one full day after getting all the information they need.

If the QIO says **Yes** to your appeal:

If the QIO says **No** to your appeal:

- Your coverage ends on the date we told you.

- You pay the full cost of this care yourself if you decide to continue the home health care, skilled nursing facility care, or CORF services after the date your coverage ends
- You decide if you want to continue these services and make a Level 2 Appeal.

You must ask for this review **within 60 calendar days** after the day the QIO said **No** to your Level 1 Appeal. You can ask for this review **only** if you continue care after the date that your coverage for the care ended.

QIO reviewers will:

- Take another careful look at all of the information related to your appeal.
- Tell you their decision about your Level 2 Appeal within 14 calendar days of receipt of your request for a second review.

If the QIO says **Yes** to your appeal:

- We pay you back for the costs of care you got since the date when we said your coverage would end.
- We'll provide coverage for the care for as long as it's medically necessary.

If the QIO says **No** to your appeal:

A. When you can end your membership in our plan

In addition, you may end your membership in our plan during the following periods each year:

- The **Open Enrollment Period**, which lasts from October 15 to December 7. If you choose a new plan during this period, your membership in our plan ends on December 31 and your membership in the new plan starts on January 1.
- The **Medicare Advantage (MA) Open Enrollment Period**, which lasts from January 1 to March 31 and also for new Medicare beneficiaries who are enrolled in a plan, from the month of entitlement to Part A and Part B until the last day of the 3rd month of entitlement. If you choose a new plan during this period, your membership in the new plan starts the first day of the next month.

There may be other situations when you're eligible to make a change to your enrollment. For example, when:

Chapter 12: Definitions of important words

Introduction

This chapter includes key terms used throughout the *Member Handbook* with their definitions. The terms are listed in alphabetical order. If you can't find a term you're looking for or if you need more information than a definition includes, contact Member Services.

Activities of daily living (ADL): The things people do on a normal day, such as eating, using the toilet, getting dressed, bathing, or brushing the teeth.

Administrative law judge: A judge that reviews a level 3 appeal.

AIDS drug assistance program (ADAP): A program that helps eligible individuals living with HIV/AIDS have access to life-saving HIV medications.

Ambulatory surgical center: A facility that provides outpatient surgery to patients who don't need hospital care and who aren't expected to need more than 24-hours of care.

Appeal: A way for you to challenge our action if you think we made a mistake. You can ask us to change a coverage decision by filing an appeal. **Chapter 9** of this *Member Handbook* explains appeals, including how to make an appeal.

Biological Product: A drug that's made from natural and living sources like animal cells, plant cells, bacteria, or yeast. Biological products are more complex than other drugs and can't be copied exactly, so alternative forms are called biosimilars. (See also "Original Biological Product" and "Biosimilar").

Biosimilar: A biological product that's very similar, but not identical, to the original biological product. Biosimilars are as safe and effective as the original biological product. Some biosimilars may be substituted for the original biological product at the pharmacy without needing a new prescription. (Go to "Interchangeable Biosimilar").

Brand name drug: A drug that's made and sold by the company that originally made the drug. Brand name drugs have the same ingredients as the generic versions of the drugs. Generic drugs are usually made and sold by other drug companies and are generally not available until the patent on the brand name drug has ended.

Care coordinator: One main person who works with you, with the health plan, and with your care providers to make sure you get the care you need.

Care plan: Refer to "Individualized Care Plan."

Care team: Refer to "Interdisciplinary Care Team."

Centers for Medicare & Medicaid Services (CMS): The federal agency in charge of Medicare. **Chapter 2** of this *Member Handbook* explains how to contact CMS.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Complaint: A written or spoken statement saying that you have a problem or concern about your covered services or care. This includes any concerns about the quality of service, quality of your care, our network providers, or our network pharmacies. The formal name for “making a complaint” is “filing a grievance”.

Comprehensive outpatient rehabilitation facility (CORF): A facility that mainly provides rehabilitation services after an illness, accident, or major operation. It provides a variety of services, including physical therapy, social or psychological services, respiratory therapy, occupational therapy, speech therapy, and home environment evaluation services.

Coverage decision: A decision about what benefits we cover. This includes decisions about covered drugs and services or the amount we will pay for your health services. **Chapter 9** of this *Member Handbook* explains how to ask us for a coverage decision.

Covered drugs: The term we use to mean all of the prescription and over-the-counter (OTC) drugs covered by our plan.

Covered services: The general term we use to mean all the health care, long-term services and supports, supplies, prescription and over-the-counter drugs, equipment, and other services our plan covers.

Cultural Competence training: Training that provides additional instruction for our health care providers that helps them better understand your background, values, and beliefs to adapt services to meet your social, cultural, and language needs.

Daily cost-sharing rate: A rate that may apply when your doctor prescribes less than a full month’s supply of certain drugs for you and you’re required to pay a copay. A daily cost-sharing rate is the copay divided by the number of days in a month’s supply.

Disenrollment: The process of ending your membership in our plan. Disenrollment may be voluntary (your own choice) or involuntary (not your own choice).

Drug management program (DMP): A program that helps make sure members safely use prescription opioids and other frequently abused medications

Drug tiers: Groups of drugs on our *Drug List*. Generic, brand, or over-the-counter (OTC) drugs are examples of drug tiers. Every drug on the *Drug List* is in one of 5 tiers.

Dual eligible special needs plan (D-SNP): Health plan that serves individuals who are eligible for both Medicare and Medicaid. Our plan is a D-SNP.

Durable medical equipment (DME): Certain items your doctor orders for you to use in your own home. Examples of these items are wheelchairs, crutches, powered mattress systems, diabetic supplies, hospital beds ordered by a provider for use in the home, IV infusion pumps, speech generating devices, oxygen equipment and supplies, nebulizers, and walkers.

Emergency: A medical emergency when you, or any other person with an average knowledge of health and medicine, believe that you have medical symptoms that need immediate medical attention to prevent death, loss of a body part, or loss of or serious impairment to a bodily function and if you’re a pregnant woman, loss of an unborn child. The medical symptoms may be an illness, injury, severe pain, or a medical condition that’s quickly getting worse.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at 855-281-6070, (TTY: 711), Monday – Friday, from 8 a.m. – 8 p.m.. The call is free. **For more information**, visit **Humana.com**.

Emergency care: Covered services given by a provider trained to give emergency services and needed to treat a medical or behavioral health emergency.

Exception: Permission to get coverage for a drug that is not normally covered or to use the drug without certain rules and limitations.

Excluded Services: Services that aren't covered by this health plan.

Extra Help: A Medicare program that helps people with limited incomes and resources pay for Medicare Part D drug costs, such as premiums, deductibles, and copays. Extra help is also called the "Low-Income Subsidy," or "LIS."

Generic drug: A drug approved by the FDA to use in place of a brand name drug. A generic drug has the same ingredients as a brand name drug. It's usually cheaper and works just as well as the brand name drug.

Grievance: A complaint you make about us or one of our network providers or pharmacies. This includes a complaint about the quality of your care or the quality of service provided by your health plan.

Health plan: An organization made up of doctors, hospitals, pharmacies, providers of long-term services, and other providers. It also has care coordinators to help you manage all your providers and services. All of them work together to provide the care you need.

Health risk assessment (HRA): A review of your medical history and current condition. It's used to learn about your health and how it might change in the future.

Home health aide: A person who provides services that don't need the skills of a licensed nurse or therapist, such as help with personal care (like bathing, using the toilet, dressing, or carrying out the prescribed exercises). Home health aides don't have a nursing license or provide therapy.

Hospice: A program of care and support to help people who have a terminal prognosis live comfortably. A terminal prognosis means that a person has been medically certified as terminally ill, meaning having a life expectancy of 6 months or less.

- An enrollee who has a terminal prognosis has the right to elect hospice.
- A specially trained team of professionals and caregivers provide care for the whole person, including physical, emotional, social, and spiritual needs.
- We're required to give you a list of hospice providers in your geographic area.

Improper/inappropriate billing: A situation when a provider (such as a doctor or hospital) bills you more than our cost sharing amount for services. Call Member Services if you get any bills you do not understand.

Because we pay the entire cost for your services, you **don't** owe any cost sharing. Providers shouldn't bill you anything for these services.

Independent review organization (IRO): An independent organization hired by Medicare that reviews a level 2 appeal. It isn't connected with us and isn't a government agency. This organization decides whether the decision we made is correct or if it should be changed. Medicare oversees its work. The formal name is the Independent Review Entity.

Interdisciplinary Care Team (ICT or Care team): A care team may include doctors, nurses, counselors, or other health professionals who are there to help you get the care you need. Your care team also helps you make a care plan.

Integrated D-SNP: A dual-eligible special needs plan that covers Medicare and most or all Medicaid services under a single health plan for certain groups of individuals eligible for both Medicare and Medicaid. These individuals are known as full-benefit dually eligible individuals.

Interchangeable Biosimilar: A biosimilar that may be substituted at the pharmacy without needing a new prescription because it meets additional requirements about the potential for automatic substitution. Automatic substitution at the pharmacy is subject to state law.

List of Covered Drugs (Drug List): A list of prescription drugs and over-the-counter (OTC) drugs we cover. We choose the drugs on this list with the help of doctors and pharmacists. The *Drug List* tells you if there are any rules you need to follow to get your drugs. The *Drug List* is sometimes called a "formulary".

Long-term services and supports (LTSS): Long-term services and supports help improve a long-term medical condition. Most of these services help you stay in your home so you don't have to go to a nursing facility or hospital. LTSS include Community-Based Services and Nursing Facilities (NF).

Low-income subsidy (LIS): Refer to "Extra Help."

Medicaid (or Medical Assistance): A program run by the federal government and the state that helps people with limited incomes and resources pay for long-term services and supports and medical costs.

Medicare Part C: The Medicare program, also known as “Medicare Advantage” or “MA”, that lets private health insurance companies provide Medicare benefits through an MA Plan.

Medicare Part D: The Medicare drug benefit program. We call this program “Part D” for short. Medicare Part D covers outpatient drugs, vaccines, and some supplies not covered by Medicare Part A or Medicare Part B or Medicaid. Our plan includes Medicare Part D.

Medicare Part D drugs: Drugs covered under Medicare Part D. Congress specifically excluded certain categories of drugs from coverage under Medicare Part D. Medicaid may cover some of these drugs.

Medication Therapy Management (MTM): A Medicare Part D program for complex health needs provided to people who meet certain requirements or are in a Drug Management Program. Member Services: A department in our plan responsible for answering your questions about membership, benefits, grievances, and appeals. Refer to **Chapter 2** of this *Member Handbook* for more information about Member Services.

Network pharmacy: A pharmacy (drug store) that agreed to fill prescriptions for our plan members. We call them “network pharmacies” because they agreed to work with our plan. In most cases, we cover your prescriptions only when filled at one of our network pharmacies.

Network provider: “Provider” is the general term we use for doctors, nurses, and other people who give you services and care. The term also includes hospitals, home health agencies, clinics, and other places that give

your health care services, medical equipment, and long-term services and supports.

- They're licensed or certified by Medicare and by the state to provide health care services.
- We call them “network providers” when they agree to work with our health plan, accept our payment, and don't charge members an extra amount.
- While you're a member of our plan, you must use network providers to get covered services. Network providers are also called “plan providers.”

Nursing home or facility: A place that provides care for people who can't get their care at home but who don't need to be in the hospital.

Ombudsman: An office in your state that works as an advocate on your behalf. They can answer questions if you have a problem or complaint and can help you understand what to do. The ombudsman's services are free. You can find more information about the ombudsman in **Chapters 2 and 9** of this *Member Handbook*.

Organization determination: Our plan makes an organization determination when we, or one of our providers, decide about whether services are covered or how much you pay for covered services. Organization determinations are called “coverage decisions”. **Chapter 9** of this *Member Handbook* explains coverage decisions.

Original Biological Product: A biological product that has been approved by the FDA and serves as the comparison for manufacturers making a biosimilar version. It is also called a reference product.

Original Medicare (traditional Medicare or fee-for-service Medicare): The government offers Original Medicare. Under Original Medicare, services are covered by paying doctors, hospitals, and other health care providers amounts that Congress determines.

- You can use any doctor, hospital, or other health care provider that accepts Medicare. Original Medicare has two parts: Medicare Part A (hospital insurance) and Medicare Part B (medical insurance).
- Original Medicare is available everywhere in the United States.
- If you don't want to be in our plan, you can choose Original Medicare.

Out-of-network pharmacy: A pharmacy that hasn't agreed to work with our plan to coordinate or provide covered drugs to members of our plan. Our plan doesn't cover most drugs you get from out-of-network pharmacies unless certain conditions apply.

Out-of-network provider or Out-of-network facility: A provider or facility that isn't employed, owned, or operated by our plan and isn't under contract to provide covered services to members of our plan. **Chapter 3** of this *Member Handbook* explains out-of-network providers or facilities.

Preventive services: Health care to prevent illness or detect illness at an early stage, when treatment is likely to work best (for example, preventive services include Pap tests, flu shots, and screening mammograms)

Primary care provider (PCP): The doctor or other provider you use first for most health problems. They make sure you get the care you need to stay healthy.

- They also may talk with other doctors and health care providers about your care and refer you to them.
- In many Medicare health plans, you must use your primary care provider before you use any other health care provider.
- Refer to **Chapter 3** of this *Member Handbook* for information about getting care from primary care providers.

Prior authorization (PA): An approval you must get from us before you can get a specific service or drug or use an out-of-network provider. Our plan may not cover the service or drug if you don’t get approval first.

Our plan covers some network medical services only if your doctor or other network provider gets PA from us.

- Covered services that need our plan’s PA are marked in **Chapter 4** of this *Member Handbook*.

Our plan covers some drugs only if you get PA from us.

- Covered drugs that need our plan’s PA are marked in the *List of Covered Drugs* and the rules are posted on our website.

Prosthetics and Orthotics: Medical devices ordered by your doctor or other health care provider that include, but aren’t limited to, arm, back, and neck braces; artificial limbs; artificial eyes; and devices needed to replace an internal body part or function, including ostomy supplies and enteral and parenteral nutrition therapy.

sharing amounts, alternative drugs that may be used for the same health condition as a given drug, and coverage restrictions (prior authorization, step therapy, quantity limits) that apply to alternative drugs.

Referral: A referral is your primary care provider's (PCP's) approval to use a provider other than your PCP. If you don't get approval first, we may not cover the services. You don't need a referral to use certain specialists, such as women's health specialists. You can find more information about referrals in **Chapters 3 and 4** of this *Member Handbook*.

Rehabilitation services: Treatment you get to help you recover from an illness, accident, or major operation. Refer to **Chapter 4** of this *Member Handbook* to learn more about rehabilitation services.

Service area: A geographic area where a health plan accepts members if it limits membership based on where people live. For plans that limit which doctors and hospitals you may use, it's generally the area where you can get routine (non-emergency) services. Only people who live in our service area can enroll in our plan.

Skilled nursing facility (SNF): A nursing facility with the staff and equipment to give skilled nursing care and, in most cases, skilled rehabilitative services and other related health services.

Skilled nursing facility (SNF) care: Skilled nursing care and rehabilitation services provided on a continuous, daily basis, in a skilled nursing facility. Examples of skilled nursing facility care include physical therapy or intravenous (IV) injections that a registered nurse or a doctor can give.

Specialist: A doctor who provides health care for a specific disease or part of the body.

State Hearing: If your doctor or other provider asks for a Medicaid service that we won't approve, or we won't continue to pay for a Medicaid service you already have, you can ask for a State Hearing. If the State Hearing is decided in your favor, we must give you the service you asked for.

Step therapy: A coverage rule that requires you to try another drug before we cover the drug you ask for.

Supplemental Security Income (SSI): A monthly benefit Social Security pays to people with limited incomes and resources who are disabled, blind, or age 65 and older. SSI benefits aren't the same as Social Security benefits.

Urgently needed care: Care you get for an unforeseen illness, injury, or condition that isn't an emergency but needs care right away. You can get urgently needed care from out-of-network providers when you can't get to them because given your time, place or circumstances, it isn't possible, or it's unreasonable to obtain services from network providers (for example when you're outside the plan's service area and you require medically needed immediate services for an unseen condition but it isn't a medical emergency).
