B. Background Information about Humana Dual Integrated (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
  - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.

If you have questions, please call Humana Dual Integrated (HMO D-SNP) **855-281-6070 (TTY: 711)**, seven days a week, Oct. 1 – March 31, and Monday – Friday, April 1 – Sept. 30, 8 a.m. – 8 p.m., Eastern time. The call is free. For more information, visit **Humana.com/MichiganDSNP**.

- You'll also be assigned a care coordinator. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care coordination team may include:
  - A **Care Coordinator** that helps you manage your medical providers and services. Your Care Coordinator will work with you and with your providers to make sure you get the health care services you need to help you manage your medical, behavioral health, and social and functional needs.
  - Your **Primary Care Provider**

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may choose a specialist, such as an internal medicine doctor or a gynecologist, as your PCP. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
  - that you use now, **or**
  - who has been recommended by someone you trust, **or**
  - whose offices are easy for you to get to.

- If you don't choose a PCP in our network, Humana Dual Integrated (HMO D-SNP) will choose one for you.

- If you want help in choosing a PCP, please call Member Services at the numbers in the footer of this document, seven days a week, Oct. 1 – March 31, and Monday – Friday, April 1 – Sept. 30, 8 a.m. – 8 p.m., Eastern time. The call is free. Or, visit **Humana.com/MichiganDSNP**.

- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at the numbers in the footer of this document and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Humana Dual Integrated (HMO D-SNP) member, you'll be able to get Long-term Services and Supports (LTSS) if you need them, such as adult day health or personal care services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

B5. How to access Humana Dual Integrated (HMO D-SNP) network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in Humana Dual Integrated (HMO D-SNP)'s network **(without prior authorization), you may have to pay the bill**.

A **prior authorization** is an approval from Humana Dual Integrated (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you're away from home. You can also go outside the plan for other non-emergency services if Humana Dual Integrated (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. You may change your PCP for any reason, at any time. It's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP. To change your PCP, call Member Services at the numbers in the footer of this document.

- Humana Dual Integrated (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

- If you need a provider and aren't sure if they offer the accommodations you need, Humana Dual Integrated (HMO D-SNP) can help you. Talk to your care coordinator for assistance.

C. Humana Dual Integrated (HMO D-SNP) List of Network Providers
