List of Network Providers43

Introduction

This directory provides a list of CarePlus' network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

You will have to choose one of our network providers in your plan's service area listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

How to get the most out of your network

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor CarePlus will be responsible for the costs.

If your plan has providers with preferred cost sharing as part of its benefits, please refer to the *Evidence of Coverage* for more information on the cost sharing for each tier.

Many of CarePlus' network providers offer telehealth services to their patients. If interested, contact your provider's office to confirm they offer telehealth services.

"Limited handicap accessibility" – Please contact your provider for more information.

What you should do if you have bills from out-of-network providers that you think should be paid by CarePlus

We cover certain health care services that you get from out-of-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) services that you get when you are outside the plan's service area, care that has been approved in advance by the plan, and any services which were ordered covered through an appeals process. If an out-of-network provider asks you to pay for covered services you get in these situations, please call Member Services (details on front and back cover), or send the bill(s) with a note explaining the situation to the address on the back of your ID card or the claims address listed within the *Evidence of Coverage* document.

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

If you have an urgent need for care and are temporarily outside the plan's service area but still in the United States or territories, you probably will not be able to find or get to one of the providers in our plan's network. In this situation, our plan will cover urgently needed care that you get from any qualified provider.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost sharing amount for the part of your stay after you are stabilized.

Getting Care from Specialists

When your PCP thinks that you need specialized treatment, he or she may give you a "referral" (approval ahead of time) to see a network specialist. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from the plan. This is called "prior authorization".

It is very important to get a referral from your PCP before you see a network specialist. However, you don't need to get a referral for certain services, see the section on "Self Referrals" below. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included.

Each PCP may have certain network specialists they use for referrals. This means that the specialists you can use may depend on which person you choose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. Please refer to your *Evidence of Coverage* for information about changing your PCP. If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

For information on what specialties require a referral or prior authorization, please refer to Chapter 4 of your *Evidence of Coverage* (EOC).

Wait Times

CarePlus' standards for appointment wait times for primary care and behavioral health services must meet or exceed the minimum standards as follows:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days.

Mental Health

For mental health or substance abuse services, you or your doctor or counselor should call Member Services for authorization using the number on the back of your identification card. For additional information, go to **CarePlusHealthPlans.com**.

Transplant Services

Use of a general service facility for transplant services may result in substantial additional expense to you. For transplant related services, please contact Member Services at **800-794-5907**, TTY **711** to be directed to our Transplant Team for important information about your transplant care. You can call us seven days a week from 8 a.m. to 8 p.m. Please note that our automated phone system may answer your call during weekends and holidays.

The dental providers listed herein are participating providers in the dental network. This listing is only for purposes of obtaining dental services such as routine exams, x-rays, cleanings, and more. Provider directories are subject to change; please consult the online provider directory for most current information. If you have questions regarding your plan benefits, please call Member Services (details on front and back cover).

Hearing Providers

Not all Medicare Advantage plans offer a hearing benefit and benefits may vary between plans. Please refer to your *Evidence of Coverage* to find out if your plan includes hearing benefits. If you have questions regarding your plan benefits, please call Member Services (details on front and back cover).

Transportation Providers

Not all Medicare Advantage plans offer a transportation benefit and benefits may vary between plans. Please refer to your *Evidence of Coverage* document to confirm whether or not your plan includes a transportation benefit by visiting **CarePlusHealthPlans.com/plans**, or by calling Member Services (details on front and back cover) to confirm coverage and provider information.

Self-Referrals

In some cases, you can get coverage for the services listed below without a referral or approval ahead of time from your PCP. "**Self-referred**" means you get services on your own from network physicians.

The following services may be self-referred:

- Emergency services, whether you get these services from plan providers or out-of-network providers. The emergency services including hospital care after you are stable (known as post-stabilization) are also covered.
- Urgently needed care that you get from out-of-network providers when you are temporarily outside the plan's service area. Also, urgently needed care that you get from out-of-network providers when you are in the service area but, because of unusual or extraordinary circumstances, the network providers are temporarily unavailable or inaccessible.
- Renal dialysis (kidney) services that you get when you are temporarily outside the plan's service area. If possible, please let us know, before you leave the service area, where you are going to be so we can help arrange for you to have maintenance dialysis while outside the service area.
- Routine woman's healthcare, which includes breast exams, mammograms (x-rays of the breast), pap tests, and pelvic exams as long as you get them from a network provider.
- Flu shots, Hepatitis B vaccinations (for those at risk), and pneumonia vaccinations from network providers.
- You may self-refer to a network dermatologist.
- You may self-refer to a network chiropractor.
- You may self-refer to a network podiatrist.
- All covered preventive services received from network providers. These services are listed in your *Evidence of Coverage (EOC)*. Prior authorization may be required for some preventive services as indicated in the *Evidence of Coverage (EOC)*.
- Supplemental Benefits covered by the plan from network providers. These services are listed in your *Evidence of Coverage (EOC)*. Prior authorization may be required for some services as indicated in the *Evidence of Coverage (EOC)*.

Hospital Services

The presence of a hospital in this directory does not always guarantee that you will be referred to that particular hospital. Your physician may not admit to all network hospitals. Please consult your current or prospective physician to determine the hospitals with whom they are associated. However, inpatient hospital admissions, except in emergency and urgently needed care situations, will require prior authorization from us.

Network Pharmacies

How to get the most out of your pharmacy network

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and CarePlus' Prescription Drug Guide. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under the plan only if they are filled at a network retail pharmacy or mail order pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list or changed preferred cost share status after this directory was printed. This means the pharmacies listed may no longer be in our network, or there may be newer pharmacies in our network that are not listed. Pharmacies listed may also have a different cost share status. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

We may also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. For more information you can visit our website or contact us at the numbers on the front and back cover.

This directory is for the geographic area listed on page 3 which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please see our contact information on the front and back covers.

Medicare Part B prescription drug coverage

Members with only Medicare Part B prescription drug coverage can use the network pharmacies included in this directory to receive their approved Medicare Part B drugs. For more information about receiving Medicare Part B drugs through out-of-network pharmacies, see "Filling prescriptions outside the network" and "How to submit a paper pharmacy claim" beginning on page 12.

How do I fill a prescription through CarePlus' mail-order pharmacy service

You may fill your medicines at any network pharmacy. CenterWell Pharmacy, CarePlus' mail-delivery pharmacy, is one option. CenterWell Pharmacy is the preferred cost-sharing mail order pharmacy for many CarePlus plans. If your plan has CenterWell Pharmacy as a preferred cost-sharing pharmacy, you can have your maintenance medicines, specialty medicines, or supplies mailed to a place that is most convenient to you. You should get your new prescription(s) by mail in 3 - 5 business days after CenterWell Pharmacy has received your prescription and all the necessary information. Refills should arrive within 5 - 7 days. To get started or learn more, visit

CenterWellPharmacy.com. You can also call CenterWell Pharmacy at 800-526-1490 (TTY:711), Monday - Friday, 8 a.m. to 11 p.m. (EST) and Saturday, 8 a.m. to 6:30 p.m. (EST). If you have previously used CenterWell Pharmacy Mail services with your current plan, or if you opt-in to receive automatic deliveries, the pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt-out of automatic deliveries of new prescriptions at any time by contacting CenterWell Pharmacy Mail at the phone numbers listed above. If you have never used mail order delivery and/or decide to stop automatic fills of new prescriptions, CenterWell Pharmacy Mail will contact you each time the pharmacy gets a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you the opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

*Other Pharmacies are available in our network.

How can I get an extended supply of drugs?

For some drugs, you can get an extended supply (also called a long-term supply) of up to 100 days. Most of our mail-order and retail pharmacies allow you to get an extended supply.

Are home infusion pharmacies part of the pharmacy network?

CarePlus will cover infusion therapy drugs if:

- Your prescription drug is on your CarePlus formulary, or you have a formulary exception;
- CarePlus has approved your prescription drug for home infusion therapy; and
- Your prescription is written by an authorized prescriber.

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under CarePlus through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through CarePlus' pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of CarePlus' pharmacy networks that can dispense prescribed medications from within their office.

Filling prescriptions outside the network

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. **Before you fill your prescription in these situations, visit our website or call Member Services (details on front and back cover) to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy, you may have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. For circumstances where we could cover prescriptions filled at an out-of-network pharmacy, please refer to your *Evidence of Coverage (EOC)*.

However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is generally higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to "How to submit a paper pharmacy claim" below.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

How to submit a paper pharmacy claim

When you go to a network pharmacy your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy, the pharmacy may not be able to submit the claim directly to us. When that happens, you may need to pay the full cost of your prescription. When you return home, simply submit your paper claim and your itemized receipt to the following address:

**CarePlus Health Plans, Inc.
Attention: Direct Member Reimbursement
P.O. Box 14140
Lexington, KY 40512-4140**

Upon receipt, we will make an initial coverage determination on the claim. Please refer to your *Evidence of Coverage* or call Member Services (details on front and back cover) for more information on initial coverage determinations.

Lista de proveedores de la red	43

Introducción

Este directorio provee una lista de los proveedores de la red de CarePlus. Para obtener información detallada acerca de su cobertura de cuidado de la salud, consulte su *Evidencia de cobertura* (EOC, por sus siglas en inglés).

Tendrá que elegir a uno de los proveedores de nuestra red en el área de servicio de su plan que se enumeran en este directorio para que sea su proveedor de cuidado primario (PCP, por sus siglas en inglés). El término "PCP" se usará en todo este directorio. Generalmente, usted debe obtener sus servicios de cuidado de la salud de su PCP.

Cómo aprovechar al máximo su red

Los proveedores de la red que están enumerados en este directorio han aceptado proveerle sus servicios de cuidado de la salud. Puede consultar a cualquiera de los proveedores de nuestra red que están enumerados en este directorio; sin embargo, algunos servicios pueden requerir un referido.

Si tiene una emergencia médica, busque ayuda lo antes posible. Llame al 911 para recibir ayuda o acuda a la sala de emergencias u hospital más cercanos. Llame a una ambulancia, si fuera necesario. No necesita obtener una aprobación o referido previo de su PCP.

Debe utilizar los proveedores de la red excepto en casos de emergencia o cuidado de urgencia o para diálisis renal u otros servicios fuera del área. Si obtiene cuidados médicos rutinarios de proveedores fuera de la red, ni Medicare ni CarePlus serán responsables de los costos.

Si su plan tiene proveedores con costos compartidos preferidos como parte de los beneficios, consulte la *Evidencia de cobertura* para obtener más información sobre los costos compartidos en cada nivel.

Muchos de los proveedores de la red de CarePlus ofrecen servicios de telesalud a sus pacientes. Si está interesado, comuníquese con el consultorio de su proveedor para confirmar que ofrece servicios de telesalud.

“Accesibilidad limitada para personas con discapacidades” – Contacte a su proveedor para obtener más información.

Lo que debe hacer si tiene facturas de proveedores fuera de la red que cree que deben ser pagadas por CarePlus

Nosotros cubrimos ciertos servicios de cuidado de la salud que usted recibe a través de proveedores fuera de la red. Estos servicios incluyen el cuidado en una emergencia médica, el cuidado que se necesita con urgencia, los servicios de la diálisis renal (de los riñones) que usted recibe cuando se encuentra fuera del área de servicio del plan, el cuidado que haya sido aprobado con anticipación por el plan, y cualquier servicio que se dispuso que estuviera cubierto a través de un proceso de apelación. Si un proveedor fuera de la red le pide que pague los servicios cubiertos que recibe en estas situaciones, llame a Servicios para afiliados (detalles en la portada y contraportada), o envíe la(s) factura(s) con una nota explicando la situación a la dirección que aparece en el reverso de su tarjeta de identificación o a la dirección de reclamaciones que aparece en el documento de *Evidencia de cobertura*.

Usted nunca deberá pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare para el proveedor. Pídale al proveedor fuera de la red que antes nos envíe una factura. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, si la hubiera.

Si tiene una emergencia, hablaremos con los médicos que le proveen cuidado médico en casos de emergencia para ayudar a coordinar su cuidado médico y realizar el seguimiento posterior del mismo. Los médicos que le proveen cuidado médico en casos de emergencia decidirán el momento en que su afección sea estable y la emergencia médica haya finalizado.

Después de que la emergencia haya terminado, usted tiene derecho a recibir cuidado de seguimiento para garantizar que su afección siga estable. Nuestro plan cubrirá el cuidado de seguimiento. Si recibe cuidado médico en casos de emergencia de proveedores fuera de la red, intentaremos coordinar que proveedores de la red se encarguen de su cuidado médico tan pronto como lo permitan las circunstancias y su afección médica.

Si tiene una necesidad urgente de recibir cuidado y se encuentra temporalmente fuera del área de servicio del plan, pero aún dentro de los Estados Unidos o sus territorios, probablemente no pueda encontrar o llegar a uno de los proveedores de la red de nuestro plan. En esta situación, nuestro plan cubrirá el cuidado que se necesita con urgencia que reciba de cualquier proveedor acreditado.

Si usted recibe cuidado médico en casos de emergencia en un hospital fuera de la red y necesita cuidado de hospitalización después de que su afección de emergencia se estabilice, debe cambiar a un hospital de la red para poder pagar la cantidad de los costos compartidos dentro de la red por la parte de su estadía después de que usted se estabilice. Si usted se queda en el hospital fuera de la red, su estadía estará cubierta, pero usted tendrá que pagar la cantidad de costos compartidos fuera de la red por la parte de su estadía después de que se estabilice.

Cómo recibir cuidado de especialistas

Cuando su PCP cree que usted necesita tratamiento especializado, es posible que le dé un "referido" (aprobación por adelantado) para ver a un especialista de la red. Para algunos tipos de referidos a especialistas del plan, es posible que su PCP deba obtener la aprobación anticipada del plan. A esto se le llama "autorización previa".

Es muy importante obtener un referido de su PCP antes de ver a un especialista de la red. Sin embargo, no es necesario que obtenga un referido para ciertos servicios, consulte la sección sobre “Autorreferidos” a continuación. Si no tiene un referido antes de recibir los servicios de un especialista, es posible que tenga que pagar por estos servicios usted mismo. Si el especialista quiere que regrese para las visitas de seguimiento, asegúrese de verificar el referido original para ver si se incluyeron.

Cada PCP puede tener ciertos especialistas de la red que utilizan para las referencias. Esto significa que los especialistas que puede utilizar pueden depender de la persona que elija para que sea su PCP. Si hay especialistas específicos que desea utilizar, averigüe si su PCP refiere a los pacientes a estos especialistas. Puede cambiar de PCP en cualquier momento si desea consultar a un especialista de la red al que no refiera su PCP actual. Consulte su *Evidencia de cobertura* para obtener información sobre cómo cambiar su PCP. Si hay hospitales específicos que desea usar, averigüe si su PCP usa estos hospitales.

Para obtener información sobre las especialidades que requieren un referido o autorización previa, consulte el Capítulo 4 de la *Evidencia de cobertura* (EOC, por sus siglas en inglés).

Además, el cuidado de urgencia que recibe de proveedores fuera de la red cuando se encuentra en el área de servicio pero, debido a circunstancias inusuales o extraordinarias, los proveedores de la red no están disponibles o son inaccesibles temporalmente.
- Servicios de diálisis renal (de los riñones) que usted recibe cuando se encuentra temporalmente fuera del área de servicio del plan. Si es posible, háganoslo saber, antes de salir del área de servicio, dónde va a estar para que podamos ayudarlo a organizar la diálisis de mantenimiento mientras está fuera del área de servicio.

- Cuidado de la salud de rutina para la mujer, que incluye exámenes de mama, mamografías (radiografías de la mama), pruebas de Papanicolaou y exámenes pélvicos, siempre y cuando los obtenga de un proveedor de la red.
- Vacunas contra la gripe, la hepatitis B (para las personas en riesgo), y las vacunas contra la neumonía de los proveedores de la red.
- Usted mismo puede referirse a un dermatólogo de la red.

- Beneficios suplementarios cubiertos por el plan de proveedores de la red. Estos servicios se enumeran en su *Evidencia de cobertura* (EOC). Es posible que se requiera autorización previa para algunos servicios, como se indica en la *Evidencia de cobertura* (EOC).

Servicios hospitalarios

La presencia de un hospital en este directorio no siempre garantiza que usted será referido a ese hospital en particular. Es posible que su médico no conceda admisiones a todos los hospitales de la red. Consulte a su médico actual o potencial para determinar los hospitales con los cuales está asociado. Sin embargo, las admisiones hospitalarias como paciente internado, excepto en situaciones de emergencia y cuidado que se necesita con urgencia, requerirán nuestra autorización previa.

Farmacias de la red

Cómo aprovechar al máximo su red de farmacias

Las farmacias de esta lista se denominan “farmacias de la red” porque hemos acordado con ellas para proporcionar medicamentos recetados a los afiliados del plan. Para obtener una descripción completa de su cobertura para medicamentos recetados, incluyendo cómo surtir sus medicamentos recetados, revise la *Evidencia de cobertura* y la Guía de medicamentos recetados de CarePlus. Puede visitar cualquiera de las farmacias de nuestra red que aparecen en este directorio. En la mayoría de los casos, sus medicamentos recetados están cubiertos por el plan únicamente si se surten en una farmacia minorista o una farmacia de pedido por correo de nuestra red. Una vez que visite una farmacia, no se le exige que continúe visitando la misma farmacia para surtir sus medicamentos recetados. Puede ir a cualquiera de las farmacias de nuestra red, pero sus costos para algunos medicamentos pueden ser menor en las farmacias de esta lista que ofrecen un costo compartido preferido. Bajo ciertas circunstancias, surtiremos medicamentos recetados en farmacias que no pertenecen a la red, según se describe en su *Evidencia de cobertura*.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Tal vez se hayan añadido o eliminado farmacias de la lista o se hayan cambiado los estatus de costos compartidos preferidos después de la impresión de este directorio. Esto significa que las farmacias enumeradas podrían ya no formar parte de nuestra red, o podría haber farmacias nuevas en nuestra red que no han sido incluidas. Las farmacias enumeradas también pueden tener un estatus diferente de costo compartido. Póngase en contacto con nosotros para obtener la lista más actualizada. Nuestra información de contacto aparece en las páginas de la portada y la contraportada.

También es posible que incluyamos farmacias que están en nuestra red, pero están fuera del área de servicio donde usted vive. Usted también puede surtir sus medicamentos recetados en estas farmacias. Para obtener más información, puede visitar nuestra página web o ponerse en contacto con nosotros en los números que aparecen en la portada y la contraportada.

Este directorio corresponde al área geográfica indicada en la página 3, que incluye el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias donde nuestro Plan puede cubrir sus medicamentos recetados. Para obtener información sobre más farmacias de la red de nuestro plan que no aparecen en este directorio, consulte nuestra información de contacto en la portada y la contraportada.

Cobertura para medicamentos recetados de la Parte B de Medicare

Los afiliados que solo tienen cobertura para medicamentos recetados de la Parte B de Medicare pueden utilizar las farmacias de la red incluidas en este directorio para recibir sus medicamentos aprobados de la Parte B de Medicare. Para obtener más información acerca de cómo recibir medicamentos de la Parte B de Medicare a través de farmacias fuera de la red, consulte “Cómo surtir medicamentos recetados fuera de la red” y “Cómo enviar una reclamación de farmacia por escrito”, a partir de la página 23.

¿Cómo surto una receta a través del servicio de farmacia de pedidos por correo de CarePlus?

Puede surtir sus medicamentos en cualquier farmacia de la red. CenterWell Pharmacy, la farmacia de entrega por correo de CarePlus, es una opción. CenterWell Pharmacy es la farmacia de pedidos por correo de costos compartidos preferida para muchos planes de CarePlus. Si su plan tiene CenterWell Pharmacy como farmacia preferida de costos compartidos, puede solicitar que le envíen sus medicamentos de mantenimiento, medicamentos especializados o suministros por correo al lugar que más le convenga. Debe recibir su(s) nueva(s) receta(s) por correo dentro de 3 a 5 días hábiles después de que CenterWell Pharmacy haya recibido su receta y toda la información necesaria. Los resurtidos deben llegar en un plazo de 5 a 7 días. Para comenzar u obtener más información, visite **CenterWellPharmacy.com**. También puede llamar a CenterWell Pharmacy al 1-800-526-1490 (TTY:711), de lunes a viernes, de 8 a. m. a 11 p. m. (hora del este) y los sábados, de 8 a. m. a 6:30 p. m. (hora del este). Si ha utilizado anteriormente los servicios de CenterWell Pharmacy Mail con su plan actual, o si opta por recibir entregas automáticas, la farmacia surtirá y enviará automáticamente las nuevas recetas recibidas directamente de sus médicos u otros profesionales que emitan recetas. Puede optar por no recibir entregas automáticas de nuevas recetas en cualquier momento comunicándose con CenterWell Pharmacy Mail a los números de teléfono mencionados anteriormente. Si nunca ha utilizado la entrega de pedidos por correo y/o decide suspender el surtido automático de nuevas recetas, CenterWell Pharmacy Mail se comunicará con usted cada vez que la farmacia reciba una nueva receta de un proveedor, para ver si desea que el medicamento se surta y se envíe en ese momento. Esto le dará la oportunidad de asegurarse de que se entregue el medicamento correcto (incluyendo la concentración, el monto y la forma) y, si es necesario, le permitirá cancelar o retrasar el pedido antes de que este se facture y se envíe.

* Otras farmacias están disponibles en nuestra red.

¿Cómo puedo obtener un suministro extendido de medicamentos?

Para algunos medicamentos, puede obtener un suministro extendido (también llamado suministro a largo plazo) de hasta 100 días. La mayoría de nuestras farmacias minoristas y de pedidos por correo le permiten obtener un suministro extendido.

¿Forman parte de la red de farmacias las farmacias de infusión en el hogar?

CarePlus cubrirá los medicamentos para terapia de infusión si:

- Su medicamento recetado aparece en su formulario de CarePlus, o tiene una excepción al formulario;
- CarePlus ha aprobado su medicamento recetado para terapia de infusión en el hogar; y
- Su medicamento ha sido recetado por un profesional que receta autorizado.

¿Forman parte de la red de farmacias las farmacias de cuidado a largo plazo?

Los residentes de centros de cuidado a largo plazo pueden tener acceso a sus medicamentos recetados cubiertos por CarePlus a través de la farmacia de cuidado a largo plazo del centro u otra farmacia de cuidado a largo plazo de la red.

¿Forman parte de la red de farmacias las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U)?

Solo los indios americanos y los nativos de Alaska tienen acceso a farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U) a través de la red de farmacias de CarePlus. Aquellos que no sean indios americanos ni nativos de Alaska podrían tener acceso a estas farmacias bajo circunstancias limitadas (por ejemplo, emergencias).

¿Qué son las farmacias con médicos que despachan medicamentos?

Son médicos/clínicas que forman parte de la red de farmacias de CarePlus que pueden despachar los medicamentos recetados dentro de su consultorio.

Cómo surtir medicamentos recetados fuera de la red

Por lo general, solo cubrimos medicamentos surtidos en una farmacia fuera de la red en circunstancias limitadas y no rutinarias, cuando no hay disponible una farmacia de la red. **Antes de surtir su medicamento recetado en estas situaciones, visite nuestra página web o llame a Servicios para afiliados (detalles en la portada y contraportada) para verificar si hay una farmacia de la red en su área donde pueda surtir su medicamento recetado.** Si usted va a una farmacia fuera de la red, es posible que deba pagar la totalidad del costo (en lugar de pagar solo su copago) cuando surta su medicamento recetado. Puede solicitarnos que le reembolsemos la parte del costo que nos corresponde enviándonos un formulario de reclamación. Para conocer las circunstancias en las que podríamos cubrir recetas surtidas en una farmacia fuera de la red, consulte su *Evidencia de cobertura* (EOC).

No obstante, incluso después de que le hayamos reembolsado la cantidad que nos corresponde del costo, usted puede pagar más por un medicamento comprado en una farmacia fuera de la red porque el precio de la farmacia fuera de la red, por lo general, es superior al que cobraría una farmacia de la red. Debería enviarnos una reclamación si surte un medicamento recetado en una farmacia fuera de la red, ya que cualquier cantidad que pague le ayudará a ser elegible para la cobertura catastrófica. Para aprender cómo se envía una reclamación por escrito, consulte a continuación: “Cómo enviar una reclamación de farmacia por escrito”.

No podemos pagar por medicamentos recetados que sean surtidos por farmacias fuera de los Estados Unidos y sus territorios, incluso si se trata de una emergencia médica.

Cómo enviar una reclamación de farmacia por escrito

Cuando usted va a una farmacia de la red, esta nos envía automáticamente su reclamación. Sin embargo, si usted va a una farmacia fuera de la red, es posible que la farmacia no nos pueda enviar la reclamación directamente. Cuando eso sucede, es posible que usted necesite pagar el costo total de su medicamento recetado. Al regresar a casa, simplemente debe enviar su reclamación por escrito y su recibo desglosado a la siguiente dirección:

**CarePlus Health Plans, Inc.
Attention: Direct Member Reimbursement
P.O. Box 14140
Lexington, KY 40512-4140**

Una vez recibida la reclamación, tomaremos una determinación de cobertura inicial sobre la reclamación. Consulte su *Evidencia de cobertura* o llame a Servicios para afiliados (detalles en la portada y contraportada) para obtener más información sobre las determinaciones de cobertura iniciales.
