List of Network Providers 47

Introduction

This directory provides a list of Humana's network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage (EOC)*.

You will have to choose one of our network providers in your plan's service area listed in this directory to be your Primary Care Provider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP.

How to get the most out of your network

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral.

If you have a medical emergency, get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call for an ambulance if you need it. You do not need to get approval or a referral first from your PCP.

You must use network providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Humana will be responsible for the costs.

If your plan has providers with preferred cost sharing as part of its benefits, please refer to the *Evidence of Coverage* for more information on the cost sharing for each tier.

Many of Humana's network providers offer telehealth services to their patients. If interested, contact your provider's office to confirm they offer telehealth services.

"Limited handicap accessibility" – Please contact your provider for more information.

What you should do if you have bills from out-of-network providers that you think should be paid by Humana

We cover certain health care services that you get from out-of-network providers. These include care for a medical emergency, urgently needed care, renal dialysis (kidney) services that you get when you are outside the plan's service area, care that has been approved in advance by the plan, and any services which were ordered covered through an appeals process. If an out-of-network provider asks you to pay for covered services you get in these situations, please call Customer Care (details on front and back cover), or send the bill(s) with a note explaining the situation to the address on the back of your ID card or the claims address listed within the *Evidence of Coverage* document.

You should never pay any out-of-network provider more than what the provider is allowed by Medicare. Ask the out-of-network provider to bill us first. If you have already paid for the covered services, we will reimburse you for our share of the cost. If you get a bill for the services, you can send the bill to us for payment. We will pay your out-of-network provider for our share of the bill and will let you know the amount, if any, you must pay.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

If you have an urgent need for care and are temporarily outside the plan’s service area but still in the United States or territories, you probably will not be able to find or get to one of the providers in our plan’s network. In this situation, our plan will cover urgently needed care that you get from any qualified provider.

If you receive emergency care at an out-of-network hospital and need inpatient care after your emergency condition is stabilized, you must move to a network hospital in order to pay the in-network cost sharing amount for the part of your stay after you are stabilized. If you stay at the out-of-network hospital, your stay will be covered but you will pay the out-of-network cost sharing amount for the part of your stay after you are stabilized.

Getting Care from Specialists

When your PCP thinks that you need specialized treatment, he or she may give you a "referral" (approval ahead of time) to see a network specialist. For some types of referrals to plan specialists, your PCP may need to get approval ahead of time from the plan. This is called "prior authorization".

It is very important to get a referral from your PCP before you see a network specialist. However, you don't need to get a referral for certain services, see the section on "Self Referrals" below. If you don't have a referral before you get services from a specialist, you may have to pay for these services yourself. If the specialist wants you to come back for follow-up visits, be sure to check the original referral to see if these were included.

Each PCP may have certain network specialists they use for referrals. This means that the Humana specialists you can use may depend on which person you choose to be your PCP. If there are specific specialists you want to use, find out whether your PCP refers patients to these specialists. You can change your PCP at any time if you want to see a network specialist that your current PCP does not refer to. Please refer to your *Evidence of Coverage* for information about changing your PCP. If there are specific hospitals you wish to use, find out whether your PCP uses these hospitals.

For information on what specialties require a referral or prior authorization, please refer to Chapter 4 of your *Evidence of Coverage (EOC)*.

When choosing a physician for Well Woman exams, please refer to the Specialist section within the provider directory for a listing of OB/GYN physicians.

Hospitalist Program

If your PCP participates in the Hospitalist Program, and you are admitted to the hospital, all aspects of your care will be actively directed and coordinated by a full-time physician specially trained in inpatient care. The physician is referred to as a hospitalist and is independently contracted and board-certified or eligible for board certification by the American Board of Internal Medicine.

A case management coordinator, another member of the hospitalist team, is a licensed nurse trained in patient care management. He or she coordinates your needs and services (such as lab work, X-rays, consultations and more) with the hospitalist physician.

Your hospitalist physician and case management coordinator will report your condition and progress to your PCP regularly. They may also schedule a follow-up appointment with your PCP.

Wait Times

Humana's standards for appointment wait times for primary care and behavioral health services must meet or exceed the minimum standards as follows:

- Urgently needed services or emergency—immediately;
- Services that are not emergency or urgently needed, but the enrollee requires medical attention—within 7 business days; and
- Routine and preventive care—within 30 business days.

Mental Health

For mental health or substance abuse services, you or your doctor or counselor should call Customer Care for authorization using the number on the back of your identification card. When prompted, select "Mental Health" as the reason for the call. For additional information, go to **Humana.com**.

Transplant Services

Use of a general service facility for transplant services may result in substantial additional expense to you. For transplant related services, please call **866-421-5663** (TTY: **711**). Our hours are Monday through Friday 8:00 a.m. to 5:30 p.m.

Acupuncture Benefit for Medicare Plans

Medicare Advantage plans offer an acupuncture benefit for the treatment of chronic low back pain. Humana contracts with WholeHealth Living to provide acupuncture services for Individual Medicare Advantage plans in the following states: Arizona, Colorado, Connecticut, Delaware, District of Columbia, Florida, Hawaii*, Idaho, Kentucky*, Maine, Maryland, Massachusetts, Montana, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Ohio, Oregon, Pennsylvania, Rhode Island, Texas*, Utah, Vermont, Virginia, Washington and Wyoming. Please visit www.wholehealthliving.com to locate participating providers for your plan.

*Certain plans in these states do not use the WholeHealth Living network.

Employer Group/Retirees Medicare Advantage plans do not use the WholeHealth Living network for chronic low back pain or supplemental acupuncture services.

Some plans may also include a supplemental benefit for routine acupuncturist services that may cover more than chronic low back pain treatment. Please review your plan benefits to be sure you have routine acupuncture benefits. **You should also verify with your chosen provider(s) whether they can provide this service for your specific plan.**

If you live in CA and your plan has a routine acupuncture benefit you should select a provider with the American Specialty Health (ASH) network.

For assistance identifying the appropriate acupuncture providers for your plan and location, you can:

Visit **finder.humana.com**

Or

Call the number on the back of your Humana member ID card.

Self-Referrals

In some cases, you can get coverage for the services listed below without a referral or approval ahead of time from your PCP. "**Self-referred**" means you get services on your own from network physicians.

The following services may be self-referred:

- Emergency services, whether you get these services from plan providers or out-of-network providers.
- Urgently needed care that you get from out-of-network providers when you are temporarily outside the plan's service area.
- Renal dialysis (kidney) services that you get when you are temporarily outside the plan's service area.
- Routine women's health care, which includes breast exams, mammograms (X-rays of the breast), pap tests, and pelvic exams. This care is covered without a referral from your PCP only if you get it from a network provider or an OB/GYN who is affiliated with the same medical group as your PCP.
- All Medicare covered preventive services as long as you get them from a network provider. These services are listed in the benefits chart in Chapter 4 of your *Evidence of Coverage (EOC)*.

Hospital Services

The presence of a hospital in this directory does not always guarantee that you will be referred to that particular hospital. Your physician may not admit to all network hospitals. Please consult your current or prospective physician to determine the hospitals with whom they are associated. However, inpatient hospital admissions, except in emergency and urgently needed care situations, will require prior authorization from us.

How do you find Humana providers that serve your area?

Providers are listed in this directory by the type of provider. Within each provider type, providers are listed alphabetically by state and then by county.

Some of our network providers may also be Medicaid certified. Please contact the provider's office in advance to verify their status.

If you have questions about Humana Gold Plus HMO or Humana Dual Select (HMO D-SNP) or Humana Gold Plus - Diabetes and Heart (HMO C-SNP) or Humana USAA Honor Giveback (HMO) or Humana Gold Plus Giveback (HMO) or Humana Gold Plus Lung (HMO C-SNP) or require assistance in selecting a PCP, please call our Customer Care Department (details on front and back cover). You can also visit **Humana.com**.

Network Pharmacies

How to get the most out of your pharmacy network

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the *Evidence of Coverage* and Humana's Prescription Drug Guide. You may go to any of our network pharmacies listed in this directory. In most cases, your prescriptions are covered under the plan only if they are filled at a network retail pharmacy or mail order pharmacy. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list or changed preferred cost share status after this directory was printed. This means the pharmacies listed may no longer be in our network, or there may be newer pharmacies in our network that are not listed. Pharmacies listed may also have a different cost share status. For the most current list, please contact us. Our contact information appears on the front and back cover pages .

We may also list pharmacies that are in our network but are outside the service area in which you live. You may also fill your prescriptions at these pharmacies. For more information you can visit our website or contact us at the numbers on the front and back cover.

This directory is for the geographic area listed on page 3 which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please see our contact information on the front and back covers.

Medicare Part B prescription drug coverage

Members with only Medicare Part B prescription drug coverage can use the network pharmacies included in this directory to receive their approved Medicare Part B drugs. For more information about receiving Medicare Part B drugs through out-of-network pharmacies, see "Filling prescriptions outside the network".

Mail Order Pharmacies

Pharmacies with preferred mail order cost sharing are pharmacies in Humana's network in which Humana has negotiated lower cost sharing than at pharmacies with standard mail order cost sharing for its plan members for covered prescription drugs. However, you will still have access to lower drug prices at pharmacies with standard mail order cost sharing than at out-of-network mail order pharmacies. You may go to either preferred or standard cost sharing network mail order pharmacies to receive your covered prescription drugs.

If your plan does not have preferred mail order cost sharing pharmacy benefits, you may use any mail order pharmacy listed.

You can get prescription drugs shipped to your home through our network mail order pharmacies. Typically, you should expect to receive your prescription drugs from 5 to 7 days for refills and 7 to 10 days for new prescriptions from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at the numbers found on the front and back covers.

For refills of your mail order prescriptions with some mail order pharmacies, you may have the option to sign up for an automatic refill program. Under this program, the mail order pharmacy will start to process your next refill automatically when records show that you should be close to running out of your drug. The mail order pharmacy may contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact the mail order pharmacy 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact the mail order pharmacy.

Are home infusion pharmacies part of the pharmacy network?

Humana will cover infusion therapy drugs if:

- Your prescription drug is on your Humana formulary, or you have a formulary exception;
- Humana has approved your prescription drug for home infusion therapy; and
- Your prescription is written by an authorized prescriber.

Are long-term care pharmacies part of the pharmacy network?

Residents of a long-term care facility may access their prescription drugs covered under Humana through the facility's long-term care pharmacy or another network long-term care pharmacy.

Are Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies part of the pharmacy network?

Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through Humana's pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

What are Physician Dispensing Pharmacies?

These are Physicians/Clinics that are part of Humana's pharmacy networks that can dispense prescribed medications from within their office.

Filling prescriptions outside the network

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, non-routine circumstances when a network pharmacy is not available. **Before you fill your prescription in these situations, visit our website or call Customer Care (details on front and back cover) to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy, you may have to pay the full cost (rather than paying just your copayment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. For circumstances where we could cover prescriptions filled at an out-of-network pharmacy, please refer to your *Evidence of Coverage (EOC)*.

However, even after we reimburse you for our share of the cost, you may pay more for a drug purchased at an out-of-network pharmacy because the out-of-network pharmacy's price is generally higher than what a network pharmacy would have charged. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage.

We cannot pay for any prescriptions that are filled by pharmacies outside of the United States and territories, even for a medical emergency.

Lista de proveedores de la red 47

Introducción

Este directorio provee una lista de los proveedores de la red de Humana. Para obtener información detallada acerca de su cobertura de cuidado de la salud, consulte su *Evidencia de cobertura* (EOC, por sus siglas en inglés).

Tendrá que elegir a uno de los proveedores de nuestra red en el área de servicio de su plan que se enumeran en este directorio para que sea su proveedor de cuidado primario (PCP, por sus siglas en inglés). El término "PCP" se usará en todo este directorio. Generalmente, usted debe obtener sus servicios de cuidado de la salud de su PCP.

Cómo aprovechar al máximo su red

Los proveedores de la red que están enumerados en este directorio han aceptado proveerle sus servicios de cuidado de la salud. Puede consultar a cualquiera de los proveedores de nuestra red que están enumerados en este directorio; sin embargo, algunos servicios pueden requerir un referido.

Si tiene una emergencia médica, busque ayuda lo antes posible. Llame al 911 para recibir ayuda o acuda a la sala de emergencias u hospital más cercanos. Llame a una ambulancia, si fuera necesario. No necesita obtener una aprobación o referido previo de su PCP.

Debe utilizar los proveedores de la red excepto en casos de emergencia o cuidado de urgencia o para diálisis renal u otros servicios fuera del área. Si obtiene cuidados médicos rutinarios de proveedores fuera de la red, ni Medicare ni Humana serán responsables de los costos.

Si su plan tiene proveedores con costos compartidos preferidos como parte de los beneficios, consulte la *Evidencia de cobertura* para obtener más información sobre los costos compartidos en cada nivel.

Muchos de los proveedores de la red de Humana ofrecen servicios de telesalud a sus pacientes. Si está interesado, comuníquese con el consultorio de su proveedor para confirmar que ofrece servicios de telesalud.

“Accesibilidad limitada para personas con discapacidades” – Contacte a su proveedor para obtener más información.

Lo que debe hacer si tiene facturas de proveedores fuera de la red que cree que deben ser pagadas por Humana

Nosotros cubrimos ciertos servicios de cuidado de la salud que usted recibe a través de proveedores fuera de la red. Estos servicios incluyen el cuidado en una emergencia médica, el cuidado que se necesita con urgencia, los servicios de la diálisis renal (de los riñones) que usted recibe cuando se encuentra fuera del área de servicio del plan, el cuidado que haya sido aprobado con anticipación por el plan, y cualquier servicio que se dispuso que estuviera cubierto a través de un proceso de apelación. Si un proveedor fuera de la red le pide que pague los servicios cubiertos que recibe en estas situaciones, llame a Atención al cliente (detalles en la portada y contraportada), o envíe la(s) factura(s) con una nota explicando la situación a la dirección que aparece en el reverso de su tarjeta de identificación o a la dirección de reclamaciones que aparece en el documento de *Evidencia de cobertura*.

Usted nunca deberá pagar a ningún proveedor fuera de la red más de la cantidad permitida por Medicare para el proveedor. Pídale al proveedor fuera de la red que antes nos envíe una factura. Si usted ya pagó por los servicios cubiertos, nosotros le reembolsaremos la parte que nos corresponde del costo. Si usted recibe una factura por los servicios, nos la puede enviar para que nosotros la paguemos. Nosotros le pagaremos al proveedor fuera de la red la parte que nos corresponde de la factura y le informaremos a usted la cantidad que debe pagar, si la hubiera.

Si tiene una emergencia, hablaremos con los médicos que le proveen cuidado médico en casos de emergencia para ayudar a coordinar su cuidado médico y realizar el seguimiento posterior del mismo. Los médicos que le proveen cuidado médico en casos de emergencia decidirán el momento en que su afección sea estable y la emergencia médica haya finalizado.

Después de que la emergencia haya terminado, usted tiene derecho a recibir cuidado de seguimiento para garantizar que su afección siga estable. Nuestro plan cubrirá el cuidado de seguimiento. Si recibe cuidado médico en casos de emergencia de proveedores fuera de la red, intentaremos coordinar que proveedores de la red se encarguen de su cuidado médico tan pronto como lo permitan las circunstancias y su afección médica.

Si tiene una necesidad urgente de recibir cuidado y se encuentra temporalmente fuera del área de servicio del plan, pero aún dentro de los Estados Unidos o sus territorios, probablemente no pueda encontrar o llegar a uno de los proveedores de la red de nuestro plan. En esta situación, nuestro plan cubrirá el cuidado que se necesita con urgencia que reciba de cualquier proveedor acreditado.

Si usted recibe cuidado médico en casos de emergencia en un hospital fuera de la red y necesita cuidado de hospitalización después de que su afección de emergencia se estabilice, debe cambiar a un hospital de la red para poder pagar la cantidad de los costos compartidos dentro de la red por la parte de su estadía después de que usted se estabilice. Si usted se queda en el hospital fuera de la red, su estadía estará cubierta, pero usted tendrá que pagar la cantidad de costos compartidos fuera de la red por la parte de su estadía después de que se estabilice.

Cómo recibir cuidado de especialistas

Cuando su PCP cree que usted necesita tratamiento especializado, puede darle un "referido" (aprobación por adelantado) para ver a un especialista de la red. Para algunos tipos de referidos a especialistas del plan, su PCP posiblemente necesite obtener una aprobación por adelantado del plan. Esto se llama "autorización previa".

Es muy importante obtener un referido de su PCP antes de ver a un especialista de la red. Sin embargo, no necesita obtener un referido para ciertos servicios. Consulte la sección "Autorreferidos" a continuación. Si no tiene un referido antes de obtener los servicios de un especialista, es posible que usted mismo sea quien deba pagar estos servicios. Si el especialista quiere que usted regrese para consultas de seguimiento, asegúrese de verificar el referido original para ver si estaban incluidas.

Cada PCP puede tener ciertos especialistas de la red a quienes acude para referidos. Esto significa que los especialistas de Humana a quienes usted puede utilizar pueden depender de la persona que usted elija como su PCP. Si hay especialistas específicos que quiere usar, averigüe si su PCP refiere pacientes a esos especialistas. Puede cambiar su PCP en cualquier momento si quiere ver a un especialista de la red al que su PCP actual no refiere pacientes. Consulte su *Evidencia de cobertura* para obtener información acerca de cómo cambiar su PCP. Si hay hospitales específicos que desea utilizar, averigüe si su PCP utiliza esos hospitales.

Para obtener información sobre las especialidades que requieren un referido o autorización previa, consulte el Capítulo 4 de la *Evidencia de cobertura* (EOC, por sus siglas en inglés).

Cuando elija un médico para los exámenes para el bienestar de la mujer, consulte la sección de Especialistas dentro del directorio de proveedores para ver una lista de los médicos obstetras/ginecólogos.

Programa de hospitalistas

Si su PCP participa en el Programa de hospitalistas y usted es admitido al hospital, todos los aspectos de su cuidado serán dirigidos y coordinados activamente por un médico de tiempo completo especialmente capacitado para cuidado de hospitalización. El médico se conoce como hospitalista, es contratado de manera independiente y es un especialista certificado o elegible para la certificación del Consejo Americano de Medicina Interna.

Un coordinador de casos, otro miembro del equipo de hospitalistas, es un enfermero con licencia capacitado en la coordinación del cuidado de los pacientes. Él o ella coordina sus necesidades y servicios (como los análisis de laboratorio, radiografías, consultas y más) con el médico hospitalista.

Su médico hospitalista y su coordinador de casos informarán de su afección y su progreso a su PCP con regularidad. También podrán programar una cita de seguimiento con su PCP.

Tiempos de espera

Los estándares de Humana para los tiempos de espera de las citas para los servicios de cuidado primario y de salud del comportamiento deben cumplir o superar los estándares mínimos de la siguiente manera:

- Servicios de urgencia o de emergencia: inmediatamente;
- Servicios que no son de emergencia o de urgencia, pero el afiliado requiere atención médica: dentro de los 7 días hábiles; y
- Atención de rutina y preventiva: dentro de los 30 días hábiles.

Salud mental

Para servicios de salud mental o farmacodependencia, usted, su médico o asesor debe llamar a Atención al cliente para obtener una autorización utilizando el número que está al reverso de su tarjeta de identificación. Cuando el sistema se lo indique, seleccione “Mental Health” (salud mental) como el motivo de la llamada. Para obtener información adicional, visite **es-www.humana.com**.

El uso de un centro de servicios generales para servicios de trasplante puede resultar en un costo adicional significativo para usted. Para servicios relacionados con los trasplantes, llame al **866-421-5663** (TTY: **711**). Nuestro horario de atención es de lunes a viernes, de 8:00 a.m. a 5:30 p.m.

Proveedores de servicios dentales

No todos los planes Medicare Advantage ofrecen un beneficio de servicios dentales y los beneficios pueden variar entre los planes. Consulte su *Evidencia de cobertura* para averiguar si su plan incluye beneficios de servicios dentales. Los proveedores de servicios dentales listados aquí son proveedores participantes en la red dental. Esta lista es solo para fines de obtención de servicios dentales como exámenes de rutina, radiografías, limpiezas y más. Los directorios de proveedores están sujetos a cambios; por favor consulte el directorio de proveedores en línea para obtener información actual. Si tiene preguntas con respecto a los beneficios de su plan, llame a Atención al cliente (detalles en la portada y contraportada).

Proveedores de servicios para la audición

Proveedores de transporte

Beneficio de acupuntura para planes de Medicare

Los planes Medicare Advantage ofrecen un beneficio de acupuntura para el tratamiento del dolor lumbar crónico. Humana tiene contrato con WholeHealth Living para brindar servicios de acupuntura para los planes Individual Medicare Advantage en los siguientes estados: Arizona, Colorado, Connecticut, Delaware, Distrito de Columbia, Florida, Hawaii*, Idaho, Kentucky*, Maine, Maryland, Massachusetts, Montana, New Hampshire, New Jersey, New Mexico, New York, North Carolina, Ohio, Oregon, Pennsylvania, Rhode Island, Texas*, Utah, Vermont, Virginia, Washington y Wyoming. Por favor visite www.wholehealthliving.com para encontrar proveedores participantes para su plan.

*Ciertos planes en estos estados no usan la red WholeHealth Living.

Los planes Medicare Advantage para grupos de empleadores/jubilados no utilizan la red de WholeHealth Living para el dolor lumbar crónico o los servicios de acupuntura complementarios.

Algunos planes también pueden incluir un beneficio suplementario para los servicios de acupuntura de rutina que pueden cubrir más que el tratamiento del dolor lumbar crónico. Revise los beneficios de su plan para asegurarse de que tenga beneficios de acupuntura de rutina. **También debe verificar con su(s) proveedor(es) elegido(s) si puede(n) proporcionar este servicio para su plan específico.**

Si vive en CA y su plan tiene un beneficio de acupuntura de rutina, debe seleccionar un proveedor de la red de American Specialty Health (ASH).

Para obtener ayuda para identificar los proveedores de acupuntura apropiados para su plan y ubicación, usted puede:

Visitar **es-finder.humana.com**

O

Llamar al número que figura en el reverso de su tarjeta de identificación de afiliado de Humana.

Autorreferidos

En algunos casos, puede recibir cobertura para los servicios enumerados a continuación sin un referido o una aprobación por adelantado de su PCP. "**Autorreferido**" significa que usted recibe por su cuenta los servicios de médicos de la red.

Los siguientes servicios pueden ser autorreferidos:

- Servicios en casos de emergencia, independientemente de si los recibe de proveedores del plan o de proveedores fuera de la red.
- Cuidado que se necesita con urgencia que recibe de proveedores fuera de la red cuando se encuentra temporalmente fuera del área de servicio del plan.
- Servicios de diálisis renal (de los riñones) que usted recibe cuando se encuentra temporalmente fuera del área de servicio del plan.
- Cuidado de la salud rutinario para la mujer, que incluye exámenes de mama, mamografías (radiografías de las mamas), pruebas de Papanicolaou y exámenes pélvicos. Este cuidado está cubierto sin necesidad de un referido de su PCP, solo si usted lo recibe a través de un proveedor de la red o de un Obstetra/Ginecólogo que esté afiliado al mismo grupo médico de su PCP.
- Todos los servicios preventivos cubiertos por Medicare, siempre y cuando los reciba de un proveedor de la red. Estos servicios aparecen en la tabla de beneficios en el Capítulo 4 de su *Evidencia de cobertura* (EOC, por sus siglas en inglés).

Servicios hospitalarios

La presencia de un hospital en este directorio no siempre garantiza que usted será referido a ese hospital en particular. Es posible que su médico no conceda admisiones a todos los hospitales de la red. Consulte a su médico actual o potencial para determinar los hospitales con los cuales está asociado. Sin embargo, las admisiones hospitalarias como paciente internado , excepto en situaciones de emergencia y cuidado que se necesita con urgencia, requerirán nuestra autorización previa.

¿Cómo se buscan proveedores de Humana que ofrecen servicios en su área?

En este directorio, los proveedores aparecen ordenados por tipo de proveedor. Dentro de cada tipo de proveedor, los proveedores aparecen en orden alfabético por estado y luego por condado.

Algunos de los proveedores de nuestra red también pueden estar certificados por Medicaid. Contacte al consultorio del proveedor con anticipación para verificar su estatus.

Si tiene preguntas acerca de Humana Gold Plus HMO o Humana Dual Select (HMO D-SNP) o Humana Gold Plus - Diabetes and Heart (HMO C-SNP) o Humana USAA Honor Giveback (HMO) o Humana Gold Plus Giveback (HMO) o Humana Gold Plus Lung (HMO C-SNP) o requiere asistencia para seleccionar un PCP, llame a nuestro departamento de Atención al cliente (los detalles están en la portada y contraportada). También puede visitar nuestro sitio web en **es-www.humana.com**.

Farmacias de la red

Cómo aprovechar al máximo su red de farmacias

Las farmacias de esta lista se denominan “farmacias de la red” porque hemos acordado con ellas para proporcionar medicamentos recetados a los afiliados del plan. Para obtener una descripción completa de su cobertura para medicamentos recetados, incluyendo cómo surtir sus medicamentos recetados, revise la *Evidencia de cobertura* y la Guía de medicamentos recetados de Humana. Puede visitar cualquiera de las farmacias de nuestra red que aparecen en este directorio. En la mayoría de los casos, sus medicamentos recetados están cubiertos por el plan únicamente si se surten en una farmacia minorista o una farmacia de pedido por correo de nuestra red. Una vez que visite una farmacia, no se le exige que continúe visitando la misma farmacia para surtir sus medicamentos recetados. Puede ir a cualquiera de las farmacias de nuestra red. Bajo ciertas circunstancias, surtiremos medicamentos recetados en farmacias que no pertenecen a la red, según se describe en su *Evidencia de cobertura*.

Es posible que no todas las farmacias de la red estén incluidas en este directorio. Tal vez se hayan añadido o eliminado farmacias de la lista o se hayan cambiado los estatus de costos compartidos preferidos después de la impresión de este directorio. Esto significa que las farmacias enumeradas podrían ya no formar parte de nuestra red, o podría haber farmacias nuevas en nuestra red que no han sido incluidas. Las farmacias enumeradas también pueden tener un estatus diferente de costo compartido. Póngase en contacto con nosotros para obtener la lista más actualizada. Nuestra información de contacto aparece en las páginas de la portada y la contraportada.

También es posible que incluyamos farmacias que están en nuestra red, pero están fuera del área de servicio donde usted vive. Usted también puede surtir sus medicamentos recetados en estas farmacias. Para obtener más información, puede visitar nuestra página web o ponerse en contacto con nosotros en los números que aparecen en la portada y la contraportada.

Este directorio corresponde al área geográfica indicada en la página 3, que incluye el área donde usted vive. Sin embargo, cubrimos un área de servicio más grande, y hay más farmacias donde nuestro Plan puede cubrir sus medicamentos recetados. Para obtener información sobre más farmacias de la red de nuestro plan que no aparecen en este directorio, consulte nuestra información de contacto en la portada y la contraportada.

Cobertura para medicamentos recetados de la Parte B de Medicare

Los afiliados que solo tienen cobertura para medicamentos recetados de la Parte B de Medicare pueden utilizar las farmacias de la red incluidas en este directorio para recibir sus medicamentos aprobados de la Parte B de Medicare. Para obtener más información acerca de cómo recibir medicamentos de la Parte B de Medicare a través de farmacias fuera de la red, consulte “Cómo surtir medicamentos recetados fuera de la red".

Farmacias de pedido por correo

Las farmacias de pedido por correo con costos compartidos preferidos son farmacias de la red de Humana con las cuales Humana ha negociado costos compartidos menores a los de las farmacias de pedido por correo con costos compartidos estándares para los afiliados del plan para medicamentos recetados cubiertos. Sin embargo, usted aún tendrá acceso a precios de medicamentos más bajos en farmacias de pedido por correo con costos compartidos estándares que en farmacias de pedido por correo fuera de la red. Usted puede ir a farmacias de pedido por correo de la red de costos compartidos que sean preferidos o estándares para recibir sus medicamentos recetados cubiertos.

Si su plan no tiene beneficios de farmacias de pedido por correo con costos compartidos preferidos, puede utilizar cualquier farmacia de pedido por correo en la lista.

Puede recibir medicamentos recetados enviados a su hogar a través de las farmacias de pedido por correo de nuestra red. Por lo general, puede esperar recibir sus medicamentos recetados de 5 a 7 días para repeticiones de receta y de 7 a 10 días para nuevas recetas desde el momento en que la farmacia de pedido por correo recibe el pedido. Si no recibe su(s) medicamento(s) recetado(s) en este tiempo, contáctenos a los números que se encuentran en la portada y contraportada.

Para repeticiones de receta de pedido por correo con ciertas farmacias de pedido por correo, es posible que tenga la opción de inscribirse en un programa de repetición de receta automática. Bajo este programa, la farmacia de pedido por correo comenzará a procesar su próxima repetición de receta automáticamente cuando los registros muestren que debe estar a punto de quedarse sin su medicamento. Es posible que la farmacia de pedido por correo se ponga en contacto con usted antes de enviar cada repetición de receta para asegurarnos de que necesita más medicamentos. Puede cancelar las repeticiones de receta programadas si tiene suficiente medicamento o si su medicamento ha cambiado. Si elige no utilizar el programa de repetición de receta automática, contacte a la farmacia de pedido por correo 14 días antes del momento en que cree que se le acabarán los medicamentos, para asegurarse de que se le envíe a tiempo el próximo pedido. Para optar por no participar en el programa de repetición de receta automática, comuníquese con la farmacia de pedido por correo.

¿Forman parte de la red de farmacias las farmacias de infusión en el hogar?

Humana cubrirá los medicamentos para terapia de infusión si:

- Su medicamento recetado aparece en su formulario de Humana, o tiene una excepción al formulario;
- Humana ha aprobado su medicamento recetado para terapia de infusión en el hogar; y
- Su medicamento ha sido recetado por un profesional que receta autorizado.

¿Forman parte de la red de farmacias las farmacias de cuidado a largo plazo?

Los residentes de centros de cuidado a largo plazo pueden tener acceso a sus medicamentos recetados cubiertos por Humana a través de la farmacia de cuidado a largo plazo del centro u otra farmacia de cuidado a largo plazo de la red.

¿Forman parte de la red de farmacias las farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U)?

Solo los indios americanos y los nativos de Alaska tienen acceso a farmacias del Programa de servicios de salud indígena/tribal/urbana (I/T/U) a través de la red de farmacias de Humana. Aquellos que no sean indios americanos ni nativos de Alaska podrían tener acceso a estas farmacias bajo circunstancias limitadas (por ejemplo, emergencias).

¿Qué son las farmacias con médicos que despachan medicamentos?

Son médicos/clínicas que forman parte de la red de farmacias de Humana que pueden despachar los medicamentos recetados dentro de su consultorio.

Cómo surtir medicamentos recetados fuera de la red

Por lo general, solo cubrimos medicamentos surtidos en una farmacia fuera de la red en circunstancias limitadas y no rutinarias, cuando no hay disponible una farmacia de la red. **Antes de surtir su medicamento recetado en estas situaciones, visite nuestra página web o llame a Atención al cliente (detalles en la portada y contraportada) para verificar si hay una farmacia de la red en su área donde pueda surtir su medicamento recetado**. Si usted va a una farmacia fuera de la red, es posible que deba pagar la totalidad del costo (en lugar de pagar solo su copago) cuando surta su medicamento recetado. Puede solicitarnos que le reembolsemos la parte del costo que nos corresponde enviándonos un formulario de reclamación. Para conocer las circunstancias en las que podríamos cubrir recetas surtidas en una farmacia fuera de la red, consulte su *Evidencia de cobertura* (EOC).

No obstante, incluso después de que le hayamos reembolsado la cantidad que nos corresponde del costo, usted puede pagar más por un medicamento comprado en una farmacia fuera de la red porque el precio de la farmacia fuera de la red, por lo general, es superior al que cobraría una farmacia de la red. Debería enviarnos una reclamación si surte un medicamento recetado en una farmacia fuera de la red, ya que cualquier cantidad que pague le ayudará a ser elegible para la cobertura catastrófica.

No podemos pagar por medicamentos recetados que sean surtidos por farmacias fuera de los Estados Unidos y sus territorios, incluso si se trata de una emergencia médica.
