B. Background Information Humana Dual Integrated (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, supplies, drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members of our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider (PCP)** is a provider who gives you routine healthcare. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide healthcare services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- You may need a **prior authorization** for a specialist or someone that isn't your PCP. A **prior authorization** is different than a referral. It means that **Humana Dual Integrated (HMO D-SNP)** (not your network PCP) must give you approval **before** we'll cover a specific service, item, or drug or an out-of-network provider. If you don't get a prior authorization, Humana Dual Integrated (HMO D-SNP) may not cover the service, item, or drug.
 - Prior authorizations **aren't** needed for:
 - emergency care;

If you have questions, please call Humana Dual Integrated (HMO D-SNP) at **866-432-0001 (TTY: 711)**, seven days a week, Oct. 1 – March 31, and Monday – Friday, April 1 – Sept. 30, 8 a.m. – 8 p.m., Eastern time. The call is free. **For more information, visit [Humana.com/SouthCarolinaDSNP](https://www.humana.com/SouthCarolinaDSNP).**

- urgently needed care;
 - kidney dialysis services that you get at a Medicare-certified dialysis facility when you're outside the plan's service area; or
 - services from a women's health specialist.
- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they're out of our plan's network.
 - More information on referrals and prior authorization is available in **Chapter 3** of the *Member Handbook*.
 - You'll also have a care team and an assigned care coordinator. Everyone on the care team, including the care coordinator, works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your care team may include:
 - A **Care Coordinator** that helps you manage your medical providers and services. Your Care Coordinator will work with you and with your providers to make sure you get the healthcare services you need to help you manage your medical, behavioral health, and social and functional needs.
 - Your **Primary Care Provider**

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**

- whose offices are easy for you to get to.
- If you don't choose a PCP in our network, Humana Dual Integrated (HMO D-SNP) will choose one for you.
- If you want help in choosing a PCP, please call Member Services at the numbers in the footer of this document, seven days a week, Oct. 1 – March 31, and Monday – Friday, April 1 – Sept. 30, 8 a.m. – 8 p.m., Eastern time. The call is free. Or, visit **Humana.com/SouthCarolinaDSNP**.
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services at the numbers in the footer of this document and ask **before** you get the service or care.

B4. How to access Humana Dual Integrated (HMO D-SNP) network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in Humana Dual Integrated (HMO D-SNP)'s network **(without prior authorization)**, you may have to pay the bill.

A **prior authorization** is an approval from Humana Dual Integrated (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The only exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if Humana Dual Integrated (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider.
- Humana Dual Integrated (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Humana Dual Integrated (HMO D-SNP) can help you. Talk to your care coordinator for assistance.
