B. Background Information about Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP)'s Network Providers

B1. Key terms

This section explains key terms in our Directory.

- **Providers** are professionals such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, Long-term Services and Supports (LTSS), supplies, drugs, equipment, and other services.
 - The term **providers** includes facilities such as hospitals, clinics, and other places that provide medical services and medical equipment.
 - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** have contracted with us to deliver services to members in our plan. Network providers participate in our plan. That means they accept members of our plan and provide services our plan covers. When you use a network provider, you usually pay nothing for covered services. Members who get Long-Term Services and Supports (LTSS), including skilled and custodial nursing facility and CCC Plus Waiver Services, may have a monthly patient pay amount as determined by the Virginia Department of Social Services.
- A **Primary Care Provider** (PCP) is a provider who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
 - Oncologists care for patients with cancer.
 - Cardiologists care for patients with heart conditions.
 - Orthopedists care for patients with certain bone, joint, or muscle conditions.
- Additionally, if you're eligible to get services from Indian health providers, you may use these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
- More information on referrals and prior authorization is available in **Chapter 3** of the *Evidence of Coverage*.
- You'll also be assigned a Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) Care Coordinator and an

Interdisciplinary Care Team (ICT) that you choose. Your Care Team works together to make sure your care is coordinated. This means that they make sure that you get all of the tests, labs, and other care that you need, and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers. Members of your Care Team may include:

- A **Care Coordinator** that helps you manage your medical providers and services. Your Care Coordinator will work with you and with your providers to make sure you get the health care services you need to help you manage your medical, behavioral health, long-term services and supports (LTSS), social and functional needs.
- Your **Primary Care Provider**
- Your Care Team will also help you find other providers of medical, behavioral health, or Long-term Services and Supports (LTSS) if you need a specialist or other health care provider. That way, you'll get the right provider to help you with your concerns.

B2. Wait times for primary care and behavioral health

We must provide you with access to primary care and behavioral health services within the following timeframes:

- immediately for urgently needed services or an emergency;
- for behavioral health care (mental health and addiction treatment services), as quickly as your condition requires, but within no more than five (5) business days from our decision that you meet coverage rules; or
- within 7 days for services that aren't an emergency or urgently needed, but you require medical attention; or
- within 30 days for routine and preventative care.

B3. How to choose a Primary Care Provider (PCP)

First, you will need to choose a Primary Care Provider (PCP). You may choose a specialist, such as an internal medicine doctor or a gynecologist, as your PCP. You can choose any PCP in our network who is accepting new members.

- To choose a PCP, refer to the list of providers in **Section C** and choose a provider:
 - that you use now, **or**
 - who has been recommended by someone you trust, **or**
 - whose offices are easy for you to get to.

- If you don't choose a PCP in our network, Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) will choose one for you.
- If you want help in choosing a PCP, please call Member Services at the numbers in the footer of this document, seven days a week from 8 a.m. to 8 p.m. Eastern time. The call is free. Or, visit [Humana.com/VirginiaDSNP](https://www.humana.com/VirginiaDSNP).
- If you have questions about whether any service or care that you want or need is covered, talk to your Care Team or call Member Services and ask **before** you get the service or care.

B4. Long-term Services and Supports (LTSS) providers

As a Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) member, you'll be able to get long-term services and supports (LTSS) if you need them, such as adult day health or personal care services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

To request an LTSS screening, please call Member Services at 844-881-4482 (TTY: 711), seven days a week from 8 a.m. to 8 p.m. Eastern time. The call is free.

- **Adult Day Health Care** – Also known as Adult Day Care – This is a daytime community-based program for adults not living in Supportive Living Facilities. - **Building Independence** - Supports for members who live independently in their own homes.
- **Community Living** - Residential services and additional supports for adults and some children with exceptional medical and/or behavioral support needs.
- **Environmental Modifications** – These are physical modifications to a member's home. The modifications must be necessary to support the health, welfare, and safety of the member and to enable the member to function with greater independence in their home. Without the modification a member would require some type of institutionalized living arrangement, such as nursing facility or assisted living. Adaptations that do not help the member's safety or independence are not included as part of this service, such as new carpeting, roof repair, central air, or home additions.

- Family and Individual Support - Supports for children and adults living with their families, friends, or in their own homes, including supports for members with some medical or behavioral needs.
- Home Health Aide - A person who works under the supervision of a medical professional (such as nurse or physical therapist), to assist the member with basic health services such as assistance with medication, nursing care, physical, occupational and speech therapy.

- Intermediate Care Facility - Facility that is provided to members with intellectual/developmental disabilities who are not in need of skilled nursing care.
- Nursing Facility - Nursing facility services provide 24-hour medical and nursing care in a residential setting, institution, or a distinct part of an institution.
- Personal Assistant - In-home caregiver hired and managed by the member. The member must be able to manage different parts of being an employer such as hiring the caregiver, managing their time and timesheets, and completing other employee paperwork. The caregiver helps with housekeeping items such as meal preparation, shopping, light housekeeping, and laundry. The caregiver can also help with hands-on personal care items such as personal hygiene, bathing, grooming, and feeding. Personal Assistants can include other independent direct care givers such as RNs, LPNs, and Home Health Aides.
- Personal Emergency Response System - This electronic equipment allows members 24-hour access to help in an emergency. The equipment is connected to your phone line and calls the response center and/or other forms of help once the help button is pressed.
- Respite Services - This service provides relief for unpaid family or primary caregivers who are meeting all the needs of the member. The respite caregiver assists the member with all daily needs when the family or primary caregiver is absent. Respite can be provided by a homemaker, personal assistant, nurse or in adult day health center.
- Services Facilitation - Services include observing, evaluating, and consulting with the member and/or their family/caregiver to document the adequacy and appropriateness of consumer-directed services with regard to the member's current needs.
- Skilled Private Duty Nursing - One-on-one nursing care in the members home.

B5. How to access Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP)'s network providers

You must get all of your covered services from providers within our network. If you use providers who aren't in Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP)'s network **(without prior authorization), you may have to pay the bill.**

A **prior authorization** is an approval from Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) to seek services outside of our network or to get services not routinely covered by our network **before** you get the services.

The exceptions to this rule are when you need urgent or emergency care or dialysis and can't get to a provider in the plan, such as when you are away from home. Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) allows members to utilize out-of-network dental providers specifically for routine dental services. You can also go outside the plan for other non-emergency services if Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) gives you permission first.

- You may change providers within the network at any time during the year. If you've been using one network provider, you don't have to keep using that same provider. You may change your PCP for any reason, at any time. It's possible that your PCP might leave our plan's network of providers and you would have to find a new PCP. To change your PCP, call Member Services at the numbers in the footer of this document.
- Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need a provider and aren't sure if they offer the accommodations you need, Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) can help you. Talk to your Care Coordinator or Care Team for assistance.

If you have questions, please call Humana Dual Fully Integrated H2875-001 (HMO-POS D-SNP) or Humana Dual Fully Integrated H2875-003 (HMO D-SNP) at 844-881-4482 (TTY: 711), seven days a week, from 8 a.m. – 8 p.m. Eastern time. The call is free. **For more information, visit [Humana.com/VirginiaDSNP](https://www.humana.com/VirginiaDSNP).**
