Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **800-833-2364 (TTY: 711)**.

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **Humana.com/medicare** or call **800-833-2364 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary (Drug Guide) to make sure your drugs are covered.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copays/coinsurance may change on January 1, 2027.
- ☐ **Effect on Current Coverage.** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ This plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you may pay a higher copay/coinsurance for services received by non-contracted providers.
- ☐ This plan is an institutional special needs plan (I-SNP). Your ability to enroll will be based on verification that you, for 90 days or longer, have had or are expected to need the level of services provided in a skilled nursing facility (SNF), a nursing facility (NF), an intermediate care facility for individuals with intellectual and developmental disabilities (ICF/IDD), a psychiatric hospital or unit, a rehabilitation hospital or unit, a long-term care hospital, a swing-bed hospital, or a facility approved by CMS that furnishes similar services.

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **[Humana.com/Find-Care](https://www.humana.com/Find-Care)** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **[Humana.com/CareHighlight](https://www.humana.com/CareHighlight)**.

You can see this plan's **Drug Guide** at our website at **[Humana.com/medicaredruglist](https://www.humana.com/medicaredruglist)** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.

Telehealth services shown are in addition to the Original Medicare covered telehealth. Your cost may be different for Original Medicare telehealth. Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what this plan may cover or other rules that may apply.

Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

Out-of-network/non-contracted providers are under no obligation to treat Humana members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
