How this plan works

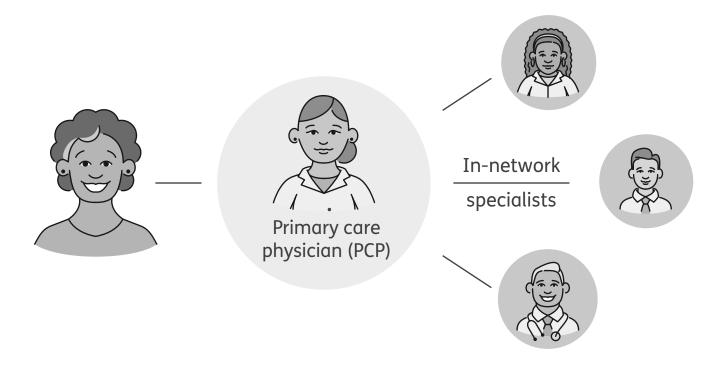

Here's how an HMO Medicare Advantage plan would work. (See all your Medicare options on the following page.)

Health maintenance organization

Health maintenance organization (HMO) plans have their own network of doctors, hospitals and providers. You receive care in the HMO network. In general, your monthly premium (the payment you make each month) is lower than a preferred provider organization, or PPO, plan. You may also expect to pay less out of pocket, than with a PPO.

Using an HMO plan

- You pick an in-network primary care physician (PCP) to manage your care.
- You may need a referral from your PCP to see a specialist.
- Out-of-pocket costs may not be covered for non-network providers and facilities, except for emergency care. In some cases, the costs are the same in and out of network.
- Select HMO plans include point-of-service benefits, which give you the option to choose out-of-network providers.
- The plan may include worldwide coverage for emergency and urgent care when you travel.

Understanding your Medicare options

Step 1

Enroll in Original Medicare—offered by the federal government.

Part A helps pay for hospital stays and inpatient care.

Part B helps pay for doctor visits and outpatient care.

Medicaid may offer benefits that Medicare doesn't normally cover, like nursing home care and personal care services, to those who qualify for Medicaid.

Step 2

After enrolling in Original Medicare, you can explore additional types of coverage—offered by private companies.

Medicare Part C (Medicare Advantage) is made up of Parts A and B and may include Part D (prescription drug coverage).† It may also give you extra benefits like hearing, dental or vision.

A Dual Eligible Special Needs Plan, also called a D-SNP, coordinates the benefits of Medicaid and Medicare Parts A and B.

Medicare Advantage enrollees can also purchase individual dental and vision plans, or combined dental, vision and hearing plans for added coverage.*

Ask your licensed sales agent about other plan types that may be available to you.

- † If you don't enroll in Part D coverage when you're first eligible, you will generally pay a late enrollment penalty fee.
- * Plans are not available in all states. Plan benefits may vary by state. Refer to the plan documents for complete details of coverage. Dental and vision plans, excluding Dental Savings Plus, may have a minimum one-year initial contract period. Payment may include an administration fee. Association membership and fees may be required on some plans in some states. A one-time, non-refundable enrollment fee may apply (the fee is non-refundable as allowed by state requirements). Applicable fees are disclosed at time of enrollment. These are not Medicare plans.

For Arizona: This is a solicitation of insurance. A licensed insurance agent/producer may contact you. For Texas: A person should not send money to the issuer in response to the advertisement and a person cannot obtain coverage under the health benefit plan without completing application for coverage.

Extra Help

"Extra Help" is a government program that helps some people pay for their prescriptions. It's also called the Low-Income Subsidy, or LIS. You may be able to use it for Medicare prescription drug program costs like premiums, deductibles and coinsurance.

Unde	rstanding the Benefits
	The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit Humana.com/medicare or call 800-833-2364 (TTY: 711) to view a copy of the EOC.
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
	Review the formulary (Drug Guide) to make sure your drugs are covered.
Unde	rstanding Important Rules
	You must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part A/Part B premiums may be paid for by Michigan Department of Health & Human Services (Medicaid).
	Benefits, premiums and/or copays/coinsurance may change on January 1, 2027.
	Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have TRICARE, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact TRICARE for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
	Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
	This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. This plan may enroll FBDE, QMB, QMB+, SLMB+.

If you reside at an in-network long-term care facility, you pay the same as you would at an in-network retail pharmacy. Under certain situations you may be able to get drugs from an out-of-network pharmacy but may pay more than you would pay at an in-network pharmacy.

Plus, members may also use this money for eligible groceries, utilities, rent, and more if they have certain qualifying chronic condition(s) and meet other program criteria.

- Limitations and restrictions may apply.

HMO Travel Benefit

Members may receive in-network benefits when services are received from a participating HMO National Network provider when traveling to other states.

You must select an in-network doctor within the service area listed in this booklet to act as your Primary Care Provider (PCP).

* This spending allowance is a special program(s) for members with specific health conditions. Qualifying conditions include diabetes mellitus, cardiovascular disorders, chronic and disabling mental health conditions, chronic lung disorders, or chronic heart failure, among others. Some plans require at least two conditions and other requirements apply. See the plan's Evidence of Coverage for details. If you use this program for rent or utilities, Housing and Urban Development (HUD) requires it to be reported as income if you seek assistance. Contact your local HUD office if you have questions.

Need help finding a doctor or pharmacy? You can see this plan's **Provider and Pharmacy Directory** at our website at **Humana.com/Find-Care** or call us at the number listed at the beginning of this booklet and we will send you one. Many doctor listings include a Care Highlight® rating. These ratings in clinical quality and cost-efficiency can help you make informed choices about your healthcare. Ratings only appear when we have enough information to measure a doctor's clinical quality and cost-efficiency. Learn more at **Humana.com/CareHighlight**.

You can see this plan's **Drug Guide** at our website at **Humana.com/medicaredruglist** or call us at the number listed at the beginning of this booklet and we will send you one.

Clinical quality and cost-efficiency ratings are available in all states except Alaska. Ratings are not available for all physicians. Care Highlight is intended for informational purposes only. Members have access to all physicians in the Humana network, regardless of whether or not the physician has a Care Highlight rating. Ratings should not be the sole basis for selecting a doctor. Humana does not give performance-based payments to doctors based on these ratings. Ratings do not guarantee the quality or outcome of healthcare services.

To find out more about the coverage and costs of Original Medicare, look in the current "Medicare & You" handbook. View it online at http://www.medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, seven days a week. TTY users should call 1-877-486-2048.

Humana Gold Plus SNP-DE H8908-005 (HMO D-SNP) has been approved by the National Committee for Quality Assurance (NCQA) to operate as a Special Needs Plan (SNP) until 12/31/2026 based on a review of the Humana Gold Plus SNP-DE H8908-005 (HMO D-SNP) Model of Care.

If you get Medicare cost-share assistance, Humana Gold Plus SNP-DE H8908-005 (HMO D-SNP) providers aren't allowed to collect or bill you for services and items covered under Medicare Part A and Part B, including deductibles, coinsurance, and copayments – even when Medicaid payment is zero or a provider chooses to not submit to Medicaid. If a provider asks you to pay, that's against the law. You may however be responsible for a small Medicaid copayment.

If you are billed or asked to pay an in-network provider for deductibles, coinsurance, or copayments on covered Medicare Part A and Part B services, tell your provider you are cost-share protected and can't be charged. If you have already made payment, you have the right to a refund. If your provider will not stop billing, you can call us at 800-457-4708 or you can call Medicare at 1-800-MEDICARE (1-800-633-4227), (TTY 1-877-486-2048). Humana or Medicare can ask your provider to stop billing you and refund any payment you have made.

Your provider may choose to submit to Michigan Department of Health & Human Services (Medicaid) for consideration of additional secondary payment for an amount applied to deductibles, coinsurance, or copayments. If you are cost-share protected, providers are required by federal regulation to accept Humana Gold Plus SNP-DE H8908-005 (HMO D-SNP) primary payment and Michigan Department of Health & Human Services (Medicaid) secondary payment as payment in full for covered Medicare Part A and Part B services – even when the Medicaid payment is zero or a provider chooses to not submit to Medicaid.

Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. Any descriptions of when to use telehealth services are for informational purposes only and should not be construed as medical advice. Care and communication on your terms

Your privacy and well-being are important to us. There may be times when you want a family member or friend to talk to Humana on your behalf.

To make that possible, you must first complete a consent for release of protected health information (PHI) form. This form will allow you to choose a trusted individual who can have access to your protected health information. We would consider this person to be your family, friend or caregiver.

This is not a power of attorney (POA). To have someone help you enroll or to request account changes or updates, you must submit a POA or other authorization under state law to allow them to act on your behalf. You can submit POA and PHI consent forms together.

If you complete the PHI form and grant authorization to someone, we will consider that individual your caregiver who can:

- Speak to Humana on your behalf about the plan—but may not make or request any account changes or updates (unless they are your POA or have other legal authorization from the state to act on your behalf)
- · Keep track of your benefits and claims
- Get answers to healthcare coverage questions
- Receive helpful information and advice on caregiving from Humana

How to get started*

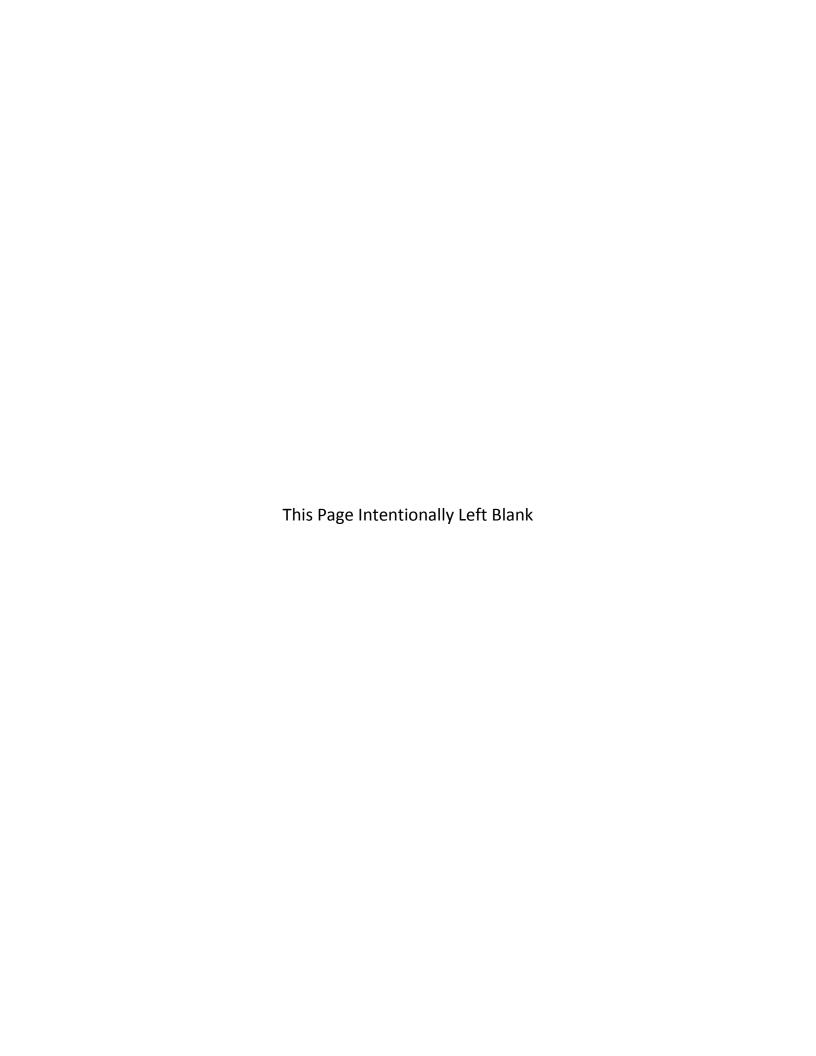

You have three options for completing and submitting your consent form.

- 1. If you have a MyHumana account or plan to create one after enrolling, sign in to your account at **account.Humana.com**. Once signed in, use the search bar at the top right of the page and type in "give shared access" and follow the instructions.
- 2. Your agent can utilize one of our sales systems to help you complete a consent form electronically as part of your enrollment.
- 3. Complete the paper form included with this packet (after you have submitted your application and received your Humana member ID card).

You don't need to use this consent form to authorize an individual if you are also submitting a POA or other legal authorization for the same individual.

* If you have previously submitted a consent form for this individual, you do not need to submit again at this time. We will notify you if your consent is due to expire.

Scope of Appointment form

It's important for you to understand the type of health product(s) that you can choose to discuss before your appointment with a licensed Humana sales agent. The Centers for Medicare & Medicaid Services (CMS) requires sales agents to document the scope of any personal marketing appointment 48 hours prior to the scheduled appointment, except for Scope of Appointment forms that are completed during the last four days of a valid election period for the beneficiary or for unscheduled, in-person meetings (walk-ins) or inbound calls initiated by the beneficiary. All information provided on this form is confidential, and a separate form should be completed by each beneficiary who wishes to discuss plan options or by their legally authorized representative. We look forward to speaking with you.

The licensed sales agent who will discuss the plan options with you is either employed or contracted by a Medicare plan. They do not work for the federal government. This licensed sales agent may also be paid based on your enrollment in a plan.

Signing this form does NOT obligate you to enroll in a plan, affect your current or future enrollment status, or automatically enroll you in a Medicare plan.

Medicare Advantage plans (Part C)

A Medicare Advantage (MA) plan provides all Original Medicare Part A and Part B health coverage and sometimes offers Part D prescription drug (MAPD) coverage and other additional benefits. There are different types of MA plans, such as:

Health maintenance organization (HMO) plan

This type of MA plan typically requires you to see only in-network providers and you may need a referral from a primary care physician to see a specialist.

Preferred provider organization (PPO) plan

In most cases, on this type of MA plan, you'll pay less if you use in-network providers. Referrals from a primary care doctor are not required.

Private fee-for-service (PFFS) plan

On this type of MA plan, you may go to any Medicareapproved doctor, hospital or provider that accepts the plan's payment, accepts the terms and conditions and agrees to treat you—but not all providers will.

Special Needs Plan (SNP)

This type of MA plan has a benefits package designed for people with special healthcare needs. Examples of groups served include people who have both Medicare and Medicaid, reside in nursing homes, and/or have been diagnosed with an eligible chronic condition.

Stand-alone Medicare prescription drug plans (Part D)

Medicare prescription drug plans (PDP)

This stand-alone drug plan adds prescription drug coverage to Original Medicare and some other Medicare plans.

Other products

Medicare Supplement plans

Medicare Supplement plans are standardized plans that can be bought with varying coverage options to help supplement your Original Medicare plan. While an MA plan takes the place of Original Medicare, a Medicare Supplement plan is simply added on to Original Medicare. Medicare Supplement plans have no provider networks and help pay some of the costs that Original Medicare does not pay. Medicare Supplement plans cannot be paired or used with an MA plan.

Dental plans

Stand-alone dental plans are available at varying levels of coverage at in- and out-of-network providers.

Vision plans

Stand-alone vision plans are available at varying levels of coverage at in- and out-of-network providers.

Hospital Indemnity plans

Hospital Indemnity plans cover some of the costs associated with hospital stays that may not be covered by a primary health plan.

Additional Notes

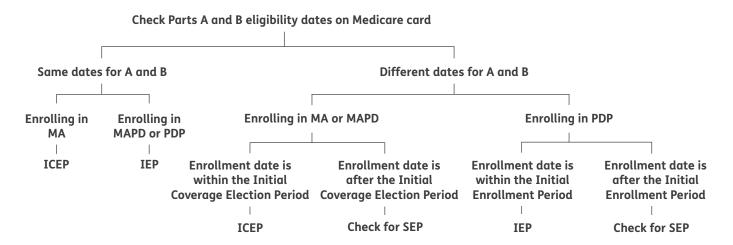

Asterisks (*) indicate required fields Answering non-required fields is your choice. You can't be denied coverage if you don't complete them.

Initial Enrollment Period (IEP) and Initial Coverage Election Period (ICEP)

- If Part A and Part B dates are the same, the election period spans 7 months: 3 months prior to the month you become eligible, the month you become eligible, and 3 months after the month you became eligible.
- If Part A and Part B dates are different, the election period spans 5 months: 3 months prior to the month of the later effective date (often Part B), the month you become eligible, and 1 month after the month you become eligible. Only for enrollment into a Medicare Advantage (MA)-only plan or a Medicare Advantage prescription drug (MAPD) plan. If enrollment is for a prescription drug plan (PDP), check to see if the 7-month IEP may still be available.
- The coverage start date is based on factors such as Medicare entitlement and the submission of the completed enrollment form.

When inputting your Medicare Number on the enrollment form, print it exactly as it is on your Medicare card. N indicates a number, A indicates an alphabetic character, and E indicates either a number or alphabetic character. Medicare numbers will not start with a zero or contain the letters B. I. L. O. S or Z.

Enrollment periods may overlap. Ensure you mark any Special Election Period (SEP) oval that applies to you from the list of SEP statements on page 4 of the enrollment form. When enrolling specifically during an SEP, one of the SEP statements must be true to be eligible for an SEP. Agents, please refer to the Enrollment Options Job Aid (DMS-024) found in Humana MarketPoint University in Vantage if you do not see the SEP listed on page 4.

PLEASE READ THIS IMPORTANT INFORMATION

If you currently have health coverage from an employer or union, joining Humana could affect your employer or union healthcare benefits. You could lose your employer or union health coverage if you join Humana.

By completing this enrollment form, I agree to the following:

If I am enrolling in a Medicare Advantage health plan that has a contract with the federal government, I will need to keep my Medicare Parts A and B to stay in the plan. I must continue to pay my Medicare Part B premium. I can only be in one Medicare Advantage plan at a time and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare Advantage health plan or prescription drug plan. It is my responsibility to inform Humana of any prescription drug coverage that I have or may get in the future. I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in my selected plan is generally for the entire year.

I understand that when my Humana coverage begins, I must get all of my medical and prescription drug benefits from Humana. Benefits and services provided by Humana and contained in my "Evidence of Coverage" document (also known as a member contract or subscriber agreement) will be covered. Neither Medicare nor Humana will pay for benefits or services that are not covered. Benefits and services must be obtained from Humana in order to be covered as Medicare benefits, with the exception of hospice and kidney acquisition costs for transplants, which are covered by Medicare. I will abide by the rules of my Evidence of Coverage.

This Humana plan serves a specific service area. If I move out of the area that this Humana plan serves, I need to notify Humana so I can disenroll and find a new plan in my new area. Emergency coverage (both within and outside the plan's service area) and urgent care are always covered.

Sales agents/brokers may be compensated if they are helping the applicant enroll.

Once Humana has received my enrollment form, I may get a verification letter to make sure that I understand how my plan works and to confirm my intent to enroll. This is not a secondary plan to Medicare Parts A and B. Humana pays instead of Medicare, and I will be responsible for the amounts that Humana doesn't cover, such as copayments and coinsurances. Medicare Parts A and B won't pay for my healthcare while I am enrolled in a Medicare Advantage health plan with Humana.

• If you are requesting membership in a **Dual Eligible Special Needs Plan (D-SNP)**, the following statement applies: I understand this plan is for individuals with both Medicaid and Medicare. My ability to enroll is based on verification that I am entitled to both Medicare and medical assistance under Medicaid.

For **FLORIDA** applicants of a D-SNP: I understand that this plan is sponsored by Humana and the State of Florida Agency For Health Care Administration.

For **INDIANA** applicants of a D-SNP: I understand that my signature on this enrollment form gives Humana and the state of Indiana permission to enroll me into Humana's Medicaid Managed Care plan that aligns with this Humana D-SNP.

For **TENNESSEE** applicants of a D-SNP: I understand that TennCare is not responsible for payment for these benefits, except for appropriate cost sharing amounts. TennCare is not responsible for guaranteeing the availability or quality of these benefits. Any reference to more, extra or additional Medicare benefits, is applicable to Medicare only and does not indicate increased Medicaid benefits.

• I understand that I am enrolling into a Humana Medicare Advantage plan and not a Medicare Supplement, Medigap, Medicare Select or Medicaid plan.

The information on this enrollment form is correct to the best of my knowledge. I understand that if I intentionally provide false information on this form, I will be disenrolled from the plan.

Release of Information:

By joining this Medicare plan, I acknowledge that Humana will share my information with the U.S. Department of Health and Human Services (HHS), who may use it to track my enrollment, to make payments, and for other purposes allowed by federal law that authorize the collection of this information (see Privacy Act Statement below).

Privacy Act Statement:

The Centers for Medicare & Medicaid Services (CMS) collects information from Medicare plans to track beneficiary enrollment in Medicare Advantage (MA) Plans, improve care, and for the payment of Medicare benefits. Sections 1851 and 1860D-1 of the Social Security Act and 42 CFR §§ 422.50 and 422.60 authorize the collection of this information. CMS may use, disclose and exchange enrollment data from Medicare beneficiaries as specified in the System of Records Notice (SORN) "Medicare Advantage Prescription Drug (MARx)", System No. 09-70-0588. Your response to this form is voluntary. However, failure to respond may affect enrollment in the plan.

Individuals experiencing homelessness:

If you want to join a plan but have no permanent residence, a Post Office Box, an address of a shelter or clinic, or the address where you receive mail (e.g., social security benefit checks) may be considered and used in the residential address field as your permanent residence address.

You may pay your monthly plan premium and/or late enrollment penalty via automatic deduction from your bank account, Social Security Administration (SSA) or Railroad Retirement Board (RRB) benefit check, or credit or debit card. You may also choose to pay by mail using a coupon book. **If you do not select a payment option below, you may be defaulted to a coupon book.**

NOTE: Due to processing timelines mandated by CMS (Medicare), your SSA or RRB deduction may be denied for your first premium payment. Humana will issue you an invoice for the initial payment and resubmit your request to CMS (Medicare) for SSA or RRB deduction to begin with your second month's premium. The deduction may take two or more benefit checks to begin. In most cases, if SSA or RRB accepts your request for automatic deduction, the first deduction from your benefit check will start with the month that SSA accepts the withholding. If SSA or RRB does not approve your request for automatic deduction, we will send you a coupon book for your monthly premiums.

You can also log in to your secure MyHumana account (click Register if you haven't signed up yet) or download the MyHumana mobile app to take advantage of other premium-related services.

If you are assessed a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your plan premium. Do NOT pay Humana the Part D-IRMAA.

IMPORTANT INFORMATION:

2025 Medicare Star Ratings

Humana - H8908

For 2025, Humana - H8908 received the following Star Ratings from Medicare:

Overall Star Rating: $\star\star\star \star \Leftrightarrow \Leftrightarrow$ Health Services Rating: $\star\star\star\star \Leftrightarrow$ Drug Services Rating: $\star\star\star\star \Leftrightarrow$

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

More stars mean a better plan – for example, members may get better care and better, faster customer service.
