SECTION 1 Changes to Benefits & Costs for Next Year

Section 1.1 Changes to the Monthly Plan Premium

Cost	**2026** (this year)	**2027** (next year)
Monthly plan premium (You must also continue to pay your Medicare Part B premium unless it is paid for you by Michigan Department of Health & Human Services (Medicaid).)	**$0 or up to $8.80**	**$0**

Section 1.2 Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out of pocket for the year. This limit is called the maximum out-of-pocket (MOOP) amount. Once you've paid this amount, you generally pay nothing for covered Part A and Part B services for the rest of the calendar year.

Cost	**2026** (this year)	**2027** (next year)
Maximum out-of-pocket amount Cost-sharing paid by the beneficiary, Medicaid, and other secondary insurance contributes towards this out-of-pocket maximum. Because our members also get help from Michigan Department of Health & Human Services (Medicaid), very few members ever reach this out-of-pocket maximum. You are not responsible for paying any out-of-pocket costs toward the maximum out-of-pocket amount for covered Part A and Part B services. Your costs for covered medical services (such as copayments and deductibles) **count** toward your maximum out-of-pocket amount. Your costs for prescription drugs **don't count** toward your maximum out-of-pocket amount.	**$9,250**	**$9,850** Once you've paid **$9,850** out-of-pocket for covered Part A and Part B services, you'll pay nothing for your covered Part A and Part B services for the rest of the calendar year.

Section 1.3 Changes to the Provider Network

Our network of providers has changed for next year. Starting October 15, 2026 you can review the 2027 Provider Directory at **Humana.com/FindCare** to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network. Here's how to get an updated Provider Directory:

- Visit our website at **Humana.com/FindCare**.
- Call Customer Care at 800-457-4708 (TTY users call 711) to get current provider information or to ask us to mail you a Provider Directory.

We can make changes to the hospitals, doctors, and specialists (providers) that are part of our plan during the year. If a mid-year change in our providers affects you, call Customer Care at 800-457-4708 (TTY users call 711) for help. You may have a special enrollment period if your provider leaves the plan network. For more information on your rights when a network provider leaves our plan, go to Chapter 3, Section 2.3 of your Evidence of Coverage.

Section 1.4 Changes to the Pharmacy Network

Amounts you pay for your prescription drugs can depend on which pharmacy you use. Medicare drug plans have a network of pharmacies. In most cases, your prescriptions are covered only if they are filled at one of our network pharmacies. Our network includes pharmacies with preferred cost sharing, which may offer you lower cost sharing than the standard cost sharing offered by other network pharmacies for some drugs.

Our network of pharmacies has changed for next year. Starting October 15, 2026 you can review the 2027 Provider Directory at **Humana.com/FindCare** to see which pharmacies are in our network. Here's how to get an updated Provider Directory:

- Visit our website at **Humana.com/FindCare**.
- Call Customer Care at 800-457-4708 (TTY users call 711) to get current pharmacy information or to ask us to mail you a Provider Directory .

We can make changes to the pharmacies that are part of our plan during the year. If a mid-year change in our pharmacies affects you, call Customer Care at 800-457-4708 (TTY users call 711) for help.

Section 1.5 Changes to Benefits & Costs for Medical Services

The Annual Notice of Change tells you about changes to your Medicare benefits and costs.

Services received at Rural Health Clinics, Federally Qualified Health Clinics, and Critical Access Hospitals may be subject to the Primary Care Physician or Specialist copay or coinsurance, as applicable, for 2027.

The Humana Healthy Options allowance and Chronic Condition Care Assistance are special supplemental benefit for members with specific chronic conditions who require intensive care coordination and are at a high risk of hospitalization or other adverse health outcomes. Qualifying conditions may include diabetes mellitus, cardiovascular disorders, chronic and disabling mental health conditions, chronic lung disorders, or chronic heart failure, among others. Some plans require at least two conditions. See the plan's Evidence of Coverage for details. If you use this program for rent or utilities, Housing and Urban Development (HUD) requires it to be reported as income. Contact your local HUD office with questions.

Section 1.6 Changes to Part D Drug Coverage

Changes to Our Drug Guide

Our list of covered drugs is called a Formulary or Drug Guide. A copy of our Drug Guide is provided electronically. The Drug Guide includes many—but not all—of the drugs that we'll cover next year. If you don't see your drug on this list, it might still be covered.

You can get the *complete* Drug Guide by visiting our website (**Humana.com/druglist**) or calling Customer Care at 800-457-4708 (TTY users call 711).

We made changes to our Drug Guide, which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the Drug Guide to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the Drug Guide are new for the beginning of each year. However, we might make other changes that are allowed by Medicare rules that will affect you during the calendar year. We update our online Drug Guide at least monthly to provide the most up-to-date list of drugs. If we make a change that will affect your access to a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage at the beginning of the year or during the year, review Chapter 9 of your Evidence of Coverage and talk to your prescriber to find out your options, such as asking for a temporary supply, applying for an exception, and/or working to find a new drug. Call Customer Care at 800-457-4708 (TTY users call 711) for more information.

Section 1.7 Changes to Prescription Drug Benefits & Costs

Do you get Extra Help to pay for your drug coverage costs?

If you're in a program that helps pay for your drugs (Extra Help), **the information about costs for Part D Drugs does not apply to you.** We sent you a separate material, called the Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs, which tells you about your drug costs. If you get Extra Help and you don't get this material by September 30, call Customer Care at 800-457-4708 (TTY users call 711) and ask for the LIS Rider.

Drug Payment Stages

There are 3 **drug payment stages:** the Yearly Deductible Stage, the Initial Coverage Stage, and the Catastrophic Coverage Stage.

- ***Stage 1: Yearly Deductible***

You start in this payment stage each calendar year. During this stage, you pay the full cost of your Part D drugs until you reach the yearly deductible.

- ***Stage 2: Initial Coverage***

  Once you pay the yearly deductible, you move to the Initial Coverage Stage. In this stage, our plan pays its share of the cost of your drugs, and you pay your share of the cost. You generally stay in this stage until your year-to-date Out-of-Pocket costs reach **$2,400**.

- ***Stage 3: Catastrophic Coverage***

  This is the third and final drug payment stage. In this stage, you pay nothing for your covered Part D drugs. You generally stay in this stage for the rest of the calendar year.

Drug Costs in Stage 1: Yearly Deductible

The table shows your cost per prescription during this stage.

Stage	**2026** (this year)	**2027** (next year)
Yearly Deductible	If you receive Extra Help, your deductible is **$0**. During this stage, you pay **$0** for all plan-covered Part D drugs. If you **do not** receive Extra Help, the deductible is **$615**. The deductible is **$615** except for covered insulin products and most adult Part D vaccines. During this stage, you pay **$0** cost sharing for drugs on Tier 1, **$0** cost sharing for drugs on Tier 2 and the full cost of drugs on Tier 3, Tier 4, and Tier 5 until you've reached the yearly deductible.	If you receive Extra Help, your deductible is **$0**. Refer to your LIS Rider insert for your cost sharing amounts. If you **do not** receive Extra Help, the deductible is **$700**. The deductible is **$700** except for covered insulin products and most adult Part D vaccines. During this stage, you pay **$0** cost sharing for drugs on Tier 1, **$0** cost sharing for drugs on Tier 2, **17%** cost sharing for drugs on Tier 3 and the full cost of drugs on Tier 4 and Tier 5 until you've reached the yearly deductible.

Drug Costs in Stage 2: Initial Coverage

We changed the tier for some of the drugs on our Drug Guide. To see if your drugs will be in a different tier, look them up on the Drug Guide.

Not all tiers may include insulin. Please refer to your Prescription Drug Guide to confirm insulin coverage.

The table shows your cost per prescription for a one-month (30-day) supply filled at a network pharmacy with standard and preferred cost sharing.

Most adult Part D vaccines are covered at no cost to you. For more information about the costs of vaccines, or information about the costs for a long-term supply, or for mail-order prescriptions, go to Chapter 6 of your Evidence of Coverage.

Once you've paid **$2,400** out of pocket for covered Part D drugs, you'll move to the next stage (the Catastrophic Coverage Stage).

SECTION 2 How to Change Plans

To stay in Humana Gold Plus SNP-DE H8908-007 (HMO D-SNP), you don't need to do anything. Unless you sign up for a different Medicare health plan or drug plan, or change to Original Medicare by December 7, you'll automatically be enrolled in our Humana Gold Plus SNP-DE H8908-007 (HMO D-SNP).

If you want to change plans for 2027 follow these steps:

- **To change to a different Medicare health plan**, enroll in the new plan. You'll be automatically disenrolled from Humana Gold Plus SNP-DE H8908-007 (HMO D-SNP). Remember, not all Medicare health plans cover prescription drugs. Also, be aware that for many plans, you can't join a Medicare health plan and simultaneously purchase a prescription drug plan.
- **To change to Original Medicare with separate Medicare drug coverage,** you can enroll in a Part D plan, and you'll automatically be disenrolled from Humana Gold Plus SNP-DE H8908-007 (HMO D-SNP).
- **To change to Original Medicare without a drug plan,** you can send us a written request to disenroll or visit our website to disenroll online at www.humana.com/member/member-rights/disenrollment-and-cancellation. Call Customer Care at 800-457-4708 (TTY users call 711) for more information on how to do this. Or call **Medicare** at 1-800-MEDICARE (1-800-633-4227) and ask to be disenrolled. TTY users can call 1-877-486-2048.
- **To learn more about Original Medicare and the different types of Medicare plans,** visit Medicare.gov, check the Medicare & You 2027 handbook, call your State Health Insurance Assistance Program (go to Section 4), or call 1-800-MEDICARE (1-800-633-4227).

Section 2.1 Deadlines for Changing Plans

People with Medicare can make changes to their coverage from **October 15 – December 7** each year.

If you enrolled in a Medicare Advantage plan for January 1, 2027, and don't like your plan choice, you can switch to another Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) between January 1 – March 31, 2027.

Section 2.2 Are there other times of the year to make a change?

In certain situations, people may have other chances to change their coverage during the year. Examples include people who:

- Have Medicaid
- Get Extra Help paying for their drugs
- Have or are leaving employer coverage
- Move out of our plan's service area

Because you have Michigan Department of Health & Human Services (Medicaid), you can end your membership in our plan by choosing one of the following Medicare options in any month of the year:

- Original Medicare with a separate Medicare prescription drug plan,

- Original Medicare without a separate Medicare prescription drug plan (If you choose this option, Medicare may enroll you in a drug plan, unless you have opted out of automatic enrollment.), or
- If eligible, an integrated D-SNP that provides your Medicare and most or all of your Medicaid benefits and services in one plan.

If you recently moved into or currently live in an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (with or without Medicare drug coverage) or switch to Original Medicare (with or without separate Medicare drug coverage) at any time. If you recently moved out of an institution, you have an opportunity to switch plans or switch to Original Medicare for 2 full months after the month you move out.

SECTION 3 Get Help Paying for Prescription Drugs

You may qualify for help paying for prescription drugs. Different kinds of help are available:

- **Extra Help from Medicare.** People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly drug plan premiums, yearly deductibles, and coinsurance. Also, people who qualify won't have a late enrollment penalty. To see if you qualify, call:
  - 1-800-MEDICARE (1-800-633-4227). TTY users can call 1-877-486-2048, 24 hours a day, 7 days a week.
  - Social Security at 1-800-772-1213 between 8 a.m. and 7 p.m., Monday - Friday for a representative. Automated messages are available 24 hours a day. TTY users can call 1-800-325-0778.
  - Your State Medicaid Office.
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible people living with HIV/AIDS have access to life-saving HIV medications. To be eligible for the ADAP operating in your state, you must meet certain criteria, including proof of state residence and HIV status, low income as defined by the state, and uninsured/under-insured status. Medicare Part D drugs that are also covered by ADAP qualify for prescription cost-sharing help through the ADAP program. For information on eligibility criteria, covered drugs, how to enroll in the program, or, if you're currently enrolled, how to continue getting help, call the ADAP program (the name and phone numbers for this organization are listed in "Exhibit A" in the back of this document). Be sure, when calling, to inform them of your Medicare Part D plan name or policy number.
- **The Medicare Prescription Payment Plan.** The Medicare Prescription Payment Plan is a payment option that works with your current drug coverage to help you manage your out-of-pocket costs for drugs covered by our plan by spreading them across the calendar year (January – December). Anyone with a Medicare drug plan or Medicare health plan with drug coverage (like a Medicare Advantage plan with drug coverage) can use this payment option. If you're participating in the Medicare Prescription Payment Plan and stay in the same Part D plan, your participation will be automatically renewed for 2027 you do not need to submit a new election request to continue participating in 2027. **This payment option might help you manage your expenses, but it doesn't save you money or lower your drug costs.**

  Extra Help from Medicare and help from your ADAP, for those who qualify, is more advantageous than participation in the Medicare Prescription Payment Plan. To learn more about this payment option, call Customer Care at 800-457-4708 (TTY users call 711) or visit Medicare.gov.

We're ready to help.

Starting October 15, 2026, you can review 2027 plan documents. You'll be able to find the information you need quickly with a simple search, including:

- *Evidence of Coverage* with Member Rights and Responsibilities.
- Plan details, benefits and costs.
- *Provider Directory* that lets you search by specialty, location or condition.
- *Drug Guide* for a list of drugs covered in your plan.

Review your 2027 Medicare plan documents at **Humana.com/Renewal**. To see all of your Humana Medicare plan benefits, go to the *Evidence of Coverage*. Your Medical Benefits are in the Medical Benefits Chart (what's covered) in Chapter 4. Your Pharmacy Benefits are in What you pay for Part D drugs in Chapter 6.

We're here for you. If you need help using these online tools, please call the number on the back of your Humana member ID card.

For paper copies of these documents, call **800-457-4708 (TTY: 711)**, 24 hours a day, seven days a week. Please have your Humana member ID card handy. When asked for the reason you've called, say "*Evidence of Coverage*" or "*Provider Directory*." Please allow up to two weeks to receive the documents by mail.

We update our plans annually based on Medicare funding, policy changes and member priorities.

As a Humana member, you may receive calls about other insurance products. To opt out, call the Customer Care number on the back of your ID card.
