General Provisions Applying to the Producer Partnership Plan

The 2025 Individual Medicare, Medicare Supplement, Dental and Vision Products Producer Partnership Plan (PPP) outlines certain rules and provisions and establishes the commission paid (as outlined and/or defined in the applicable commission schedules herein) for the sale of Individual Medicare, Medicare Supplement, Dental and Vision Products issued by Humana (collectively, “Products”). The PPP is incorporated by reference into and deemed to be a part of the Humana Producer Contract as amended (“Contract”). The PPP may be accessed online in the Commissions section of the Humana Vantage Agent Portal at Humana.com. This PPP supersedes any previous producer partnership plan except that commission rates for enrollments with effective dates of coverage prior to **January 1, 2025** remain in full force and effect, unless specifically modified by this PPP and outlined in the applicable commission schedule(s) contained herein.

As used in this PPP, the term “Humana” shall have the same meaning as the term “Company,” as those respective terms are defined or used in the Contract. Humana reserves the sole right to determine the resolution of any discrepancy between the PPP and the Contract. Any capitalized term used but not defined in this PPP shall have the same meaning ascribed to such term in the Contract. The terms “Medicare Product” or “Medicare Products” shall mean Humana issued Medicare Advantage (“MA”), Medicare Advantage Prescription Drug (“MAPD”), and Prescription Drug Plan (“PDP”) Products.

This PPP does not contain rules and provisions or commissions related to the sale of Humana Group Medicare, Group Medical, Group Dental, Group Vision, Group Medicare Supplement, Group Life & Supplemental, and Group Specialty Products. Those rules are contained in the Group Medical and Specialty Producer Partnership Plan located in the Pay and Bonuses section of the Agent Portal at Humana.com.

Producer may be obligated to disclose Compensation to clients and prospective clients. Because state laws vary, Producer should be aware of and comply with applicable state Compensation disclosure requirements. In addition, in order to receive Compensation for the sale of Products, it is the responsibility of Producer to be aware of and comply with applicable state and federal laws and regulations as well as Humana’s rules and provisions. Humana is not responsible for providing legal advice to Producer.

To Sell:

I. Any Humana Products

If Producer has a question or concern regarding state or federal regulation, Producer should consult a legal advisor. Producer must be Licensed, contracted, and appointed (if appointment is required by Applicable Laws) with Humana. Humana retains the sole discretion to authorize the Producer to solicit applications for Products offered by Humana, and not all Producers will be authorized to solicit applications for Products offered by Humana, or to participate in the sale or distribution of any third-party Products or Products offered through all other forums. Humana reserves the right to decline contracting with or appointing any individual or entity at its discretion. In Puerto Rico, an agent that holds an Authorized Person license type MUST assign all Compensation to a Producer or a corporation that holds the required license type for the policies or contracts sold. The Authorized Person will NOT receive any Compensation directly.

II. Medicare Products

Producers that are individual persons are required to participate annually in Training specified by Humana and pass a certification test. Training and certification may be accessed on the Humana Vantage Agent Portal at Humana.com.

III. For any Qualified Health Plan (QHP) of Humana offered through a federally facilitated marketplace, federal state partnership marketplace, or state-based marketplace (“Exchange”)

Producer must meet any requirements imposed by the Exchange, including but not limited to fulfilling applicable registration and training requirements. Humana provides the same Compensation for QHPs offered through the Exchange as Humana does for similar health plans offered outside the Exchange pursuant to 45 C.F.R. 156.200(f). For more information, please refer to the Contract or contact a Humana Sales Representative.

Producer shall provide Notice to Humana of any Compensation dispute within eighteen (18) months from the date the Compensation is paid or would have been paid in the normal course of business and shall discuss the dispute and negotiate in good faith to resolve the dispute with Humana for a period of thirty (30) days. If Producer does not provide Notice to Humana of a Compensation dispute within eighteen (18) months from the date the Compensation is paid or would have been paid in the normal course of business, Humana’s Compensation determination or Compensation payment shall be deemed correct.

Humana may modify, increase, reduce or discontinue all Compensation payable by Humana by providing Notice to Producer (“Modification”). Notice is deemed sufficiently given on the date Humana mails, emails, or faxes Notice to Producer using any form of Contact Information or posts Notice to Humana’s self-service website. The Modification shall take effect at the time specified in the Notice. In no event will the Modification take effect prior to thirty (30) calendar days from the date Humana provides the Notice to Producer unless such Modification is required due to Reform or guidance from Regulatory Authorities.

Minimum Production Standards

Producer shall Sell or renew enough Products to be eligible for Compensation every calendar year and meet at least one of the standards identified in A through D below for Initial Sales or in force. If Producer fails to comply with and meet the Minimum Production Standards, Humana may (A) require Producer to reimburse Humana for Humana’s incurred or expected cost of all appointment fees for each state where Producer is appointed to represent Humana; (B) unilaterally amend this Contract to place Producer under inactive producer status; (C) terminate this Contract; or (D) take any other action or inaction permitted by Applicable Laws.

Humana may evaluate Producer’s performance as it relates to these Minimum Production Standards periodically at Humana’s sole discretion, against those measurements identified in the Initial Sale, and In Force sections below.

Initial Sale

For any prior 12-month period, as either the writing agent or Agent of Record, Producer must Sell at least:

A. Three or more new Individual coverages from any of the following: Medicare Advantage, Medicare Advantage with Prescription Drug, Prescription Drug, Medicare Supplement, Dental or Vision Plans in total in any combination.

OR

B. Two or more new Group coverages from any of the following: Medical, Dental, Vision, Life, Short-term Disability, Long-term Disability, Pharmacy, Workplace Voluntary Benefit Plans with employer payroll deduction, Medicare Advantage, Medicare Advantage with Prescription Drug, or Prescription Drug Plan.

In force

As either the writing agent or Agent of Record, Producer must have the following in force business as of the end of the prior month in which Humana is valuating performance.

- C. Six or more in force Individual coverages from any of the following: Medicare Advantage, Medicare Advantage with Prescription Drug, Prescription Drug, Medicare Supplement, Dental or Vision Plans in total in any combination.

OR

- D. Three or more in force Group coverages from any of the following: Medical, Dental, Vision, Life, Short-term Disability, Long-term Disability, Pharmacy, Workplace Voluntary Benefit Plans with employer payroll deduction, Medicare Advantage, Medicare Advantage with Prescription Drug or Prescription Drug Plan.

Policy lapse, surrender, rescission, or cancellation for all policies other than Medicare (For specific guidelines regarding Medicare Product Rapid Disenrollments, please see Notes on Producer Commissions for Medicare Products).

In the event a policy lapses because premium is not paid and the policy is reinstated, commission on the new or reinstated policy is payable only at Humana's discretion. If it is necessary to rescind coverage for any policy, Producer must promptly refund to Humana any commission or other Compensation received on account of the policy.

If a policy is surrendered, rescinded, or canceled and premiums are refunded or waived, Producer will, in all cases, lose all rights to corresponding commissions or any other applicable Compensation and will repay commissions or any other applicable Compensation to Humana on demand. Commissions or any other applicable Compensation paid in error or overpayments must be repaid on request by Humana. Humana may withhold commissions or any other applicable Compensation otherwise due Producer until the overpayment is repaid in full.

For additional rules and provisions regarding Compensation, please refer to your Humana Producer Contract.

This PPP is the property of Humana. Producer may view, copy, and print the PPP for the sole use of the Producer only. Producer may not otherwise use, reproduce, download, store, post, broadcast, transmit, modify, sell, or make available content from Humana's PPP.

Please note that the dollar amount in parenthesis in the row titled “Renewal Rate Commission” is rounded to the nearest dollar, but the pmpm amount you may receive annually will NOT be rounded to the nearest dollar. For the exact figure paid annually, multiply the relevant monthly amount times twelve (12). Medicare Product changes are described in more detail in the section titled “Medicare Product Changes”.

²Medicare Product history is determined by CMS and is provided to Humana by CMS in a monthly report.

Timing and Proration of Payments

The following explains the timing and amount of commission payments.

First Commission Payment

The first commission payment following enrollment will be paid by Humana at the Renewal Rate Commission pro-rated based on the number of months that the Medicare Product would be effective for the rest of the plan year. For example, an enrollment effective April 1st will generate a commission payment for 9/12ths of the Renewal Rate Commission because the member will only be enrolled for 9/12ths of that year. The below chart titled “**Chart A: First Payment**” details the first commission payment Humana will pay based on the effective date of the enrollment:

CHART A: FIRST PAYMENT

| Effective Date | Months Enrolled | First Commission Payment | | | | |

Second Commission Payment

Humana uses a monthly report provided by CMS to determine whether a sale is considered an Initial Sale, Unlike Plan Type Change, Like Plan Type Change in Compensation Payment Year 1, or Like Plan Type Change in Compensation Payment Years 2+. Humana makes a second commission payment for an Initial Sale, Unlike Plan Type Change or a Like Plan Type Change in Compensation Payment Year 1 for the sale of a Medicare Product upon CMS validating the enrollee’s Medicare status as follows:

1. **Initial Sale:** A sale is considered an Initial Sale if the member is aging-in, is new to Medicare, or enrolls from Original Medicare into a Medicare Product. Humana pays a second commission payment for an Initial Sale according to the chart below titled “**Chart B: Second Payment – Initial Sale**”. Note that the first and second commission payments, when added together, equal the applicable full Initial Commission, regardless of the enrollment effective date or month.
2. **Unlike Plan Type Change:** A sale of a Medicare Product is considered an Unlike Plan Type Change if a member moves from MA or MAPD to PDP only, moves from PDP only to MA or MAPD, moves from a section 1876 cost plan to MA or MAPD, or moves from a section 1876 cost plan to PDP. Humana pays a second commission

payment for an Unlike Plan Type Change according to the chart below titled “**Chart C: Second Payment – Unlike Plan Type Change or Like Plan Type Change in Compensation Payment Year 1**”. Note that, per CMS guidelines, Humana may only pay commission for the months the member is actually enrolled, so the commission payment will be pro-rated based on the number of months that the Medicare Product would be effective the rest of the plan year.

3. **Like Plan Type Change in Compensation Payment Year 1:** A sale of a Medicare Product is considered a Like Plan Type Change in Compensation Payment Year 1 if the member makes any change to his/her plan that is not considered an Unlike Plan Type Change above, and occurs during Compensation Payment Year 1, as defined by CMS. For example, if the member is moving from a MA or MAPD to another MA or MAPD, or PDP to another PDP and the CMS report indicates the plan change was made during Compensation Payment Year 1, then the sale of the Medicare Product is considered a Like Plan Type Change in Compensation Payment Year 1. Humana pays a second commission payment for a Like Plan Type Change in Compensation Payment Year 1 according to the chart below titled “**Chart C: Second Payment – Unlike Plan Type Change or Like Plan Type Change in Compensation Payment Year 1**”. Note that, per CMS guidelines, Humana may only pay commission for the months the member is actually enrolled, so the commission payment will be pro-rated based on the number of months that the Medicare Product would be effective the rest of the plan year.

4. **Like Plan Type Change in Compensation Payment Years 2+:** A sale is considered a Like Plan Type Change in Compensation Payment Years 2+ if the member makes any change to his/her Medicare Product that is not considered an Unlike Plan Type Change or Like Plan Type Change in Compensation Payment Year 1 above. Humana only makes the first commission payment and not a second commission payment for a Like Plan Type Change in Compensation Payment Years 2+. For example, if the member is moving from a MA or MAPD to another MA or MAPD, or PDP to another PDP and the CMS report indicates the Medicare Product change was not made in Compensation Payment Year 1, then the sale is considered a Like Plan Type Change in Compensation Payment Years 2+ and only the first commission payment is made. Note that, per CMS guidelines, Humana may only pay commission for the months the member is actually enrolled, so the commission payment will be pro-rated based on the number of months that the Medicare Product would be effective the rest of the plan year.

Notes on Producer Commissions for Medicare Products:

1. This commission schedule supersedes any previous commission schedules regarding MA, MAPD, or PDP plans and will apply to new enrollments in Medicare Products with effective dates of coverage on or after **January 1, 2025**.
2. Commission shall be paid to Producer only for the period that the member remains enrolled in the Medicare Product and Producer remains under contract with Humana and is properly Licensed, certified, and appointed as required under State law or CMS guidance.
3. In accordance with CMS guidelines, commission can only be paid to a Producer that actively meets state Licensure and/or appointment requirements and who has successfully completed Humana’s annual Training and passed Humana’s certification test. No commission will be paid unless the Producer is currently contracted with Humana and is currently Licensed and appointed to Sell Humana Medicare Products and has passed the certification test.
4. Commission will be paid to the Producer for all Qualified Enrollments according to the commission schedule in effect on the Submitted date for a new Medicare Product and the Medicare Product’s effective date for renewals, as determined by Humana. A “Qualified Enrollment” means an individual enrolled in a Medicare Product by a Producer whose enrollment is (a) eligible per CMS rules; (b) completed and Submitted to CMS; and (c) accepted as a member by CMS. “Submitted” is defined as being entered and accepted into the Humana enrollment system. In order for Producer to receive the commission for a particular Qualified Enrollment, the Producer must meet all applicable Humana requirements to receive commission from Humana.
5. Chargebacks. Humana will recover from Producer any commissions paid to Producer for the sale of a Medicare Product that is not a Qualified Enrollment.
6. Rapid Disenrollments. Members enrolled through Producer who voluntarily or involuntarily disenroll within the first three months of enrollment are considered rapid disenrollments. For example, if a member enrolls in a Medicare Product effective October 1, November 1, or December 1, and disenrolls during the same enrollment year unrelated to the Annual Election Period and effective on or before January 1 of the following year.

A Rapid Disenrollment will result in Humana recovering from the Producer any commission paid to Producer related to the Medicare Product. The commission will be charged against future Compensation and any other monetary Compensation or commission that would otherwise be payable to Producer. Exceptions:

- a. It is not considered a Rapid Disenrollment when a member enrolls in a Medicare Product effective October 1, November 1, or December 1, and subsequently changes plans effective January 1 of the following year during the Annual Election Period.
- b. Rapid disenrollment compensation recovery does not apply when CMS determines that recoupment is not in the best interests of the Medicare program. Such situations include when a beneficiary disenrolls within the first three months for any of the following reasons:

| Reason |
|---|
| Other creditable coverage (e.g., employer plan) |
| Moving into or out of an institution |
| Gains/drops employer/union sponsored coverage |
| Plan terminations, non-renewal, or CMS imposed sanction |
| To coordinate with Part D enrollment periods or a State Pharmaceutical Assistance Program |
| Becoming Low Income Subsidy (LIS) or dual (Medicare and Medicaid) eligible |
| Dual eligibles moving from an MAPD to MMP |
| Qualifying for another plan based on special needs |
| Due to an auto, facilitated or passive enrollment |
| Death |
| Moves out of the service area |
| Non-payment of premium |
| Loss of entitlement or retroactive notice of entitlement |
| Moving into a 5-star plan |
| Moving from a Low Performer Icon (LPI) plan into a plan with three or more stars |

7. Long Term Disenrollments. Members enrolled through Producer who voluntarily or involuntarily disenroll from a Humana Medicare Product before the end of the initial plan year and are not considered rapid disenrollments as described above, are considered long term disenrollments and will result in a recovering pro-rated commissions equal to those months the member was not enrolled on the Medicare Product (e.g., a member ages in effective April 1st). The member disenrolls effective September 30th of the same year. Humana must charge back 6/12ths of the initial Compensation -- January through March and October through December. Chargebacks will be charged against future Compensation and any other monetary Compensation or commission. The pro-rated charge-back rule applies to all years of Medicare Product membership by the member.
8. Humana will not pay commissions or any referral fees for the sale of a Medicare Product that will be effective in a future year until the beginning of that future year. For example, commission will not be paid until January 2025 for Medicare Products effective in 2025. A Field Marketing Organization (FMO) or similar type entity that has been retained to Sell Humana Medicare Products must not pay Producers' commission or referral fees for a Medicare Product that is effective in a future year until the beginning of that future year.
9. In order for Producer to receive Compensation for the sale of a Medicare Product, the submitted member application for sale must (i) be free of any inaccuracies, (ii) be complete, (iii) be submitted timely, (iv) identify Producer as the writing agent, (v) be completed in accordance with all applicable regulations and requirements of the Contract as determined by Humana in its' sole discretion and (vi) contain all supplemental documents as is necessary for Humana to evaluate acceptance or rejection of the application. Humana reserves the right to withhold Compensation if any of the preceding conditions are not met.

Medicare Product Changes

Medicare members may elect to choose different Medicare Product options and Medicare Products from one year to the next or even in the same year. They may also make these changes through different Producers. These changes may impact commissions. The following table describes how Humana pays commissions relating to Medicare Product changes.

Notes on Medicare Supplement Producer Commission:

1. This schedule supersedes any previous schedules regarding Medicare Supplement Products and will apply to new Medicare Supplement Product enrollments with effective dates of coverage on or after **January 1, 2025**.
2. First Year commission for a policy means the flat fee (dollar amount) or percentage of the initial premium for the first 12 months that the policy is in force. Subsequent Years (Years 2-11+) renewal commission for a policy means the flat fee or percentage of the initial premium beginning with the 13th month. The initial monthly premium and effective date will control payments and policy year for Subsequent Years renewal commission determination. The effective date of the policy is not affected by a plan or Product change unless there is a lapse in coverage greater than 6 months.
3. Commissions are not paid on any increases in premium including attained age increases or experience rate increases, except in the state of Washington.
4. Commissions that are based on a percentage of premium are calculated by applying the percentage to Commissionable Premium only. Commissionable Premium is the original gross premium less household/spousal early enrollment discounts, Humana.com online enrollment discounts (if applicable), and less the premium designated by Humana to cover the Part B Deductible if applicable to the plan purchased (Exception: In the states of Indiana and Washington, Commissionable Premium includes the amount of the premium attributed to the Part B Deductible).
5. Commissions are payable only when premium payments are current, and no late premium payments are due. In order for Producer to receive commission, writing agent's name must appear on the insurance application.
6. For active in force policies paying commission:
 - a. A change in Agent of Record during the First Year (without a Product change) will have no effect on the commission calculation and the new Agent of Record will receive Subsequent Years renewal commission beginning in the 13th month in accordance with the Medicare Supplement Commission Schedule above and based upon the policy effective date.
 - b. A change in Agent of Record during the Subsequent Years renewal period will have no effect on the commission calculation, and the new Agent of Record will receive commission in the month following the change in accordance with the Medicare Supplement Commission Schedule above and based upon the policy effective date.
 - c. If a Product change occurs during the First Year, the original Agent of Record will receive a chargeback for the remaining months the member was not enrolled in the plan. The Agent of Record on the new plan will receive monthly commission payments for the remainder of the First Year based upon the original policy effective date.
7. Humana reserves the right to exclude any policy from eligibility for commission where the applicant's premium will be paid (in whole or in part) by a third-party payer other than a family member, Power of Attorney, legal guardian, through a defined contribution, or by their employer.

8. Humana reserves the right to exclude any policy from eligibility for commission, bonus, or recognition programs at their sole discretion.
9. For any state where Humana does not pay commission for policies over age 80, if a member's issue age is 80 or less and attains an age of 81 or older during the life of the policy, commission will continue to be paid on the policy through the Subsequent Years renewal period; except in the event a member changes plans after attaining age 81, in which case commission will cease upon the effective date of the new policy.
10. If any Medicare Supplement policy lapses and is not subsequently reinstated, there shall be no further obligation by Humana to pay commission and any unearned commission will be repaid to Humana on demand. If any lapsed policy is replaced or reinstated, any commission on the new or reinstated policy is payable only at Humana's discretion.
11. If coverage is surrendered, rescinded, or cancelled for any reason and premiums are refunded or waived, the Producer shall, in all cases, lose all rights to corresponding commission, respectively, and Producer shall repay commission to Humana on demand.
12. Any application received for an individual qualifying during their initial Medicare Supplement Open Enrollment Period shall be deemed as OE or OEP. The initial Medicare Supplement Open Enrollment period lasts for 6 months and begins on the first day of the month the beneficiary is both 65 or older and enrolled in Medicare Part B. This definition also extends to states that have an initial Medicare Supplement Open Enrollment Period for individuals under 65 who qualify for Medicare because of disability or ESRD. Applications received outside of this specified period of initial open enrollment shall be categorized either as Guaranteed Issue (GI), as required by law, or subject to a Medical Underwriting (UW) assessment.
13. In the event of a policy change, the following conditions must be met in order for the original Agent of Record to be retained as the Agent of Record on the new policy:
 - a. The member must change from one Humana Medicare Supplement plan to another Humana Medicare Supplement plan.
 - b. There must be no lapse/gap in coverage.
 - c. The Producer must be licensed and in compliance with the state requirements in which the new policy was written.
 - d. The Producer must be properly appointed for the Humana branded product on the new policy.
