

Commonly prescribed drugs Humana covers

This commonly prescribed drug list is a guide to prescription drugs in select therapeutic categories that are not covered and their respective available formulary alternatives. This is not an all-inclusive list. Humana Healthy Horizons® members must pay full retail price for prescription drugs listed in the "Nonformulary" column. If you feel a covered drug does not work for your patient or would have a negative effect on their health, please call Humana Clinical Pharmacy Review at 800-555-2546, Monday – Friday, 8 a.m. – 11 p.m., Eastern time, to ask for an exception. We reply within 24 hours after receiving a provider request. Prescription drugs listed in the "Covered alternatives" category are covered and are the most affordable options.
