D. Using Your Provider Network

Your Primary Care Provider (PCP)

You will have to choose a primary care provider (PCP) from our network of providers.

Generally, you must get your healthcare services from your PCP. Your PCP is the doctor you see first for most health problems. He or she makes sure you get the care you need to stay healthy. He or she also may talk with other doctors and healthcare providers about your care and refer you to them.

Your PCP will:

- Coordinate your health care
- Perform your checkups
- Treat most of your routine healthcare needs
- May send you to specialists

All plan members may get care from the same PCP or choose different PCPs based on each family member's needs.

You can reach your PCP by calling their office. Your PCP's name and phone number are printed on your ID card. It is important to call your PCP when you need medical care. You may also be seen by your PCP's assistant or a nurse.

To find out:

- Which hospital a PCP or other provider uses
- Which providers are not taking new patients

Visit our website at **Humana.com/IllinoisMedicaid** or call Member Services at **800-787-3311 (TTY: 711)**.

E. How to Get Transportation Services

Emergency Transportation	911 A medical emergency is an acute injury or illness that poses an immediate risk to a person's life or long-term health. Call 24 hours a day, 7 days a week.
