† Out-of-network dental providers have not agreed to provide services at contracted fees. The out-of-network provider may bill the member for more than what the plan pays. Members are responsible for this difference between Humana’s reimbursement and the out-of-network provider’s charges. This is known as balance billing. Benefits received are subject to any benefit maximums, limitations and/or exclusions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, the member may have to pay upfront and submit a request for reimbursement.

**Important to know:** This plan has a minimum one-year initial contract period. If further clarification regarding coverage and benefits is needed, please ask your dentist for a pretreatment estimate.
