

2025 Notice of Compliance Requirements for Pharmacies Supporting a Humana Healthy Horizons in Indiana plan*

Humana Healthy Horizons® in Indiana requires the following of all entities, including pharmacies, that contract with Humana or a Humana subsidiary and perform one or more functions in support of Humana's offerings for Humana Healthy Horizons® in Indiana for your Indiana PathWays for Aging beneficiaries:

- Adhere to Compliance Program Requirements, including those outlined below

Annual training on the following topics is required for pharmacies in Indiana and/or surrounding areas when they are contracted to serve Medicaid-only beneficiaries in plans administered by Humana in Indiana:

- Humana Medicaid Pharmacy Orientation and Provider Training
- Health, Safety and Welfare Education Training
- Cultural Competency Training

Please ensure all applicable staff are trained.

*Supporting Humana in Indiana does not automatically mean the work performed is for Humana offerings for Medicaid members in Indiana.
