

Network Notification – Humana Healthy Horizons in Louisiana

Notice date: April 15, 2024
To: Humana Healthy Horizons® in Louisiana provider network
From: Humana Healthy Horizons in Louisiana
Subject: Informational Bulletin 16-9 Update: 340B Policy Clarification

Section 2501(c) of the Patient Protection and Affordable Care Act (ACA) requires state Medicaid agencies to seek rebates on drugs dispensed by Medicaid managed care organizations (MCO). This means that the potential for duplicate discounts exists for both FFS and managed care Medicaid.

Due to this duplicate discount potential, **Louisiana requires that covered entities utilize the same carve-in or carve-out designation for managed care Medicaid patients as for FFS Medicaid patients.** If a covered entity appears on the MEF, Louisiana will exclude that provider's FFS and MCO claims from rebate invoicing. Since claims for FFS Medicaid and managed care Medicaid recipients are treated identically in regard to exclusion from rebate invoicing, any reference to "Medicaid recipients" in this document refers to both FFS and managed care Medicaid recipients.

In order to allow covered entities to identify managed care Medicaid patients from an MCO's private insurance patients, Louisiana requires its MCOs to utilize a unique Processor Control Number (PCN) or group number for Louisiana Medicaid.

Effective October 28, 2023, Louisiana Medicaid is transitioning to a single Pharmacy Benefit Manager (PBM) for all the Louisiana Medicaid MCOs. Please note that all six MCOs will utilize the same BIN, PCN, and Group number.

Louisiana Medicaid FFS and MCO BIN, PCN, and group numbers for pharmacy claims:

Plan Name	PBM Name	BIN	PCN	Group

Payer ID can be utilized to identify managed care Medicaid recipients' medical claims. Please refer to the **Provider & Plan Resources page** for information regarding Electronic Data Interchange (EDI) claim submissions.
