

### Feel good about choosing a Dominion National Select Plan<sup>1</sup> offered by Humana

The Dominion National Select Plan has you covered for any circumstance. Whether you simply need routine dental care or unexpected dental treatment, you know what to expect with a Select Plan.

- No waiting periods
- No annual maximums

# Good health starts with a healthy mouth

#### Make dental visits a priority

One of the first lines of defense in overall health is dental care. Regular dental cleanings can help manage problems throughout the body, such as heart disease, diabetes, and stroke.

#### Tips to ensure a healthy mouth

- Use a soft-bristled toothbrush and floss daily
- · Choose toothpaste with fluoride
- Brush for at least two minutes twice a day
- Watch for signs of periodontal disease such as red, swollen, or tender gums
- Visit a dentist regularly for exams and cleanings.

<sup>1</sup>Managed care plan with exclusive network, fixed member copayments, no annual maximum dollar limits, no waiting periods and no deductibles. In New Jersey, Select Plans are available in Camden, Cumberland and Gloucester counties only.

<sup>2</sup>Out-of-area emergency care reimbursement requires a receipt or other proof of loss.

### **Questions?**

Visit **DominionNational.com** or call **888-518-5338** Monday – Friday, 7:30 a.m. – 6 p.m.

The Dominion National Select Plan focuses on maintaining oral health, prevention and cost-containment. There are no yearly maximums, no deductibles to meet and no waiting periods. Plan copayments for listed procedures are applicable at either a participating general dentist or a participating specialist.

**Specialists services:** Should members need a specialist, (i.e., endodontist, oral surgeon, periodontist), they must be referred by a participating general dentist. Visit **DominionNational.com** to find a participating specialist.

#### Summary of services

Service categories marked with a single asterisk (\*) below exclude the cost of noble and precious metals. An additional fee will be charged if these materials are used.

If a listed procedure contains a (/), the first listed fee respresents the copayment due to a general dentist. The second listed fee represents the copayment due to a specialist after referral.
