

# North Carolina market guide

## Senior-focused primary care

CenterWell Senior Primary Care™ focuses on providing outstanding primary care services to Medicare Advantage plan members in North Carolina—and we take pride in fostering our patients' physical, emotional and social wellness. As part of our holistic approach to health, our care team includes physicians, behavioral health specialists, clinical pharmacists and social workers. And our centers have on-site labs to help make the patient experience as simple and convenient as possible.

In addition to medical services, each of our centers offers in-person and virtual informational, educational and social events and classes. These programs are available to both our patients and the community at large, helping to make CenterWell a leading health and wellness destination in the communities we serve.

## North Carolina market guide

This guide includes critical information about CenterWell in North Carolina.

## New patient welcome team

If your clients are interested in learning more about CenterWell, contact one of our market representatives below. We will invite them in for a tour, explain our senior-focused primary care approach, and help schedule their first appointment.

## Accepted insurance plans
