PLAN PROVISIONS

Rate guarantee

Rates guaranteed to not change for two years.

Age reduction

Beginning at age 65, the employee's life coverage is reduced based on the benefit amount in force on their 64th birthday. This also applies to AD&D.

Age	Benefit reduction
65	35%
70	50%
75	
80	No further reduction
85	

Waiver of premium:

- Employees who are disabled for at least six consecutive months before age 60 can continue life insurance coverage and waive the premium.
- Employee is covered until age 65 if they remain totally disabled.

Conversion:

- If employee or dependent loses coverage due to the employee's loss of employment, loss of eligibility, or reduction for age, the coverage can be converted to an individual whole life insurance policy up to age 75.
- Maximum amounts to be converted vary based on the certificate.
- If group coverage ends due to termination of the policy, conversion is available when the member's coverage has been in effect for at least one year. Voluntary ported coverage may also be available for conversion. Premiums must be paid within 31 days of coverage termination.

Accelerated death benefit:

- An employee diagnosed with a terminal illness that is expected to result in death within 24 months, based on the plan offered, can receive a portion of the insurance benefit.
- Amount payable is between 50%-80% in 5% increments and up to \$800,000.
- The advanced amount will reduce the life insurance benefit at the time of death.
- Humana must approve the benefit application.

If you receive payment of accelerated benefits from a life insurance policy, you may lose your right to receive certain public funds, such as Medicare, Medicaid, Social Security, Supplemental Security, Supplemental Security Income (SSI), and possibly others. Also, receiving accelerated benefits from a life insurance policy may have tax consequences for you. We cannot give you advice about this. You may wish to obtain advice from a tax professional or an attorney before you decide to receive accelerated benefits from a life insurance policy.

Portability of Voluntary Life:

- An active eligible employee who leaves the group can continue voluntary life insurance by paying annual premiums to Humana if they are not yet age 70
- Only coverage in-force or a lesser amount can be ported
- Employee must exercise portability option with 31 days of termination
- Employees will be charged Humana's current portability rates when they leave

Annual increase option for Voluntary Life:

- In addition to the initial open enrollment, employees can increase or add Voluntary Life at plan anniversary and each year thereafter by up to \$25,000 of coverage.
- Subject to the plan maximum.
- Employees have the ability to elect Voluntary Life even if they waived coverage at initial open enrollment.
- This feature enables employees to increase their coverage to better meet their needs.
