# B. Providers

## B1. Key terms

This section explains key terms you'll see in our *Provider Directory*.

- **Providers** are healthcare professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services.

- The term "providers" also includes facilities such as hospitals, clinics, substance use disorder residential treatment facilities, and other places that provide medical services, and medical equipment. Providers that are a part of our plan's network are called network providers.

- **Services** include medical care, vision care, supplies, equipment and other services.

- **Network providers** are the providers that have contracted with us to deliver services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services. A **Primary Care Provider** (PCP) is a provider who gives you routine healthcare. Your PCP will keep your medical records and get to know your health needs over time.

- **Telehealth** enables you to receive healthcare services from your providers through electronic communication that includes both audio and video, telephone calls, remote patient monitoring; or communication through secure electronic mail or secure patient portal. Providers who offer telehealth services are identified by "Virual Care".

- **Specialists** are doctors who provide healthcare services for a specific disease, condition, or part of the body. There are many kinds of specialists. Here are a few examples:

  - Oncologists care for patients with cancer.
  - Cardiologists care for patients with heart conditions.
  - Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You also have access to a care manager and a care team that you choose. Your PCP will work closely with your care manager and care team.Your care team also will work closely with all team members, including OhioRISE providers and care coordinators when applicable.

  - Your **care manager** helps you manage all your providers and services. They work with your care team to make sure you get the care you need.
  - Your **care team** includes Care Coordinators, Care Guides, and Community Health Workers. Everyone on the care team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

## B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider, or PCP. If you do not choose a PCP, we will assign one to you. You may be able to have a specialist act as your PCP such as if you are pregnant, have a chronic health condition, disability or special health care need. Call Member Services to request to have the specialist provider assigned as your PCP at 877-856-5702 (TTY: 711). We're available Monday – Friday, from 7 a.m. – 8 p.m. Eastern time.

To choose a PCP, go to the list of providers on page 3 and:

- Choose a provider that you use now, **or**
- Choose a provider who has been recommended by someone you trust, **or**
- Choose a provider whose offices are easy for you to get to.

- If you want help in choosing a PCP, please call Member Services at 877-856-5702, Monday – Friday, from 7 a.m. – 8 p.m. Eastern time. TTY users should call 711. The call is free. Or visit Humana.com/HealthyOhio.

- If you have questions about whether any service or care that you want or need is covered, talk to your care manager if one is assigned, or call Member Services to ask about a care manager, or steps you need to take **before** you get the service or care.

## B3. Pharmacy providers

When you need pharmacy services, we will help you coordinate services with the Ohio Medicaid Single Pharmacy Benefit Manager (SPBM). The SPBM is a specialized managed care entity contracted to administer Ohio Medicaid's prescription drug program.

You can choose from any available network pharmacy. A directory of available pharmacies can be found at: https://spbm.medicaid.ohio.gov. Here, you also can find details about the SPBM program, including access to the SPBM member handbook, the Ohio preferred drug list, and information about which medication may require prior authorization.

## B4. OhioRISE providers

We also will help you coordinate services with the OhioRISE plan if you or your child are enrolled in this specialized behavioral health program. You can find information about the OhioRISE plan and available network providers at: AetnaBetterHealth.com/OhioRISE.

## B5. How to identify providers in Humana Healthy Horizons in Ohio's network

You must get all your covered services from providers within our network. These providers have an agreement to work with us and provide you services. We call these providers "network providers".

The exceptions to this rule are when you need emergency care, or behavioral health services through a facility, and cannot get to a provider in the plan, such as when you are away from home. Also, for a limited period of time after your enrollment with Humana Healthy Horizons in Ohio, you can see your out-of-network physicians and other service providers, including nursing homes and assisted living providers, home health nurses, aides and LTSS or "waiver services" providers.

You can also go outside the plan if Humana Healthy Horizons in Ohio gives you permission first. Call Member Services to ask to use providers outside of our network, so we can make arrangements for you.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider.

- Humana Healthy Horizons in Ohio works with all the providers in our network to accommodate the needs of people with disabilities, such as having accessible offices and exam rooms. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.

- If you need to see a provider and are not sure if they offer the accommodations you need, Humana Healthy Horizons in Ohio can help you.Talk to your care manager for assistance.

# B. Proveedores

## B1. Términos clave

En esta sección se explican términos clave que verá en nuestro *Directorio de Proveedores*.

- Los **proveedores** son profesionales del cuidado de la salud y proveedores de servicios de apoyo como médicos, enfermeros/as, farmacéuticos, terapeutas y otras personas que proveen cuidado y servicios.

- El término "proveedores" también incluye centros como hospitales, clínicas, centros de tratamiento residencial para trastornos por consumo de sustancias y otros lugares que proporcionan servicios y equipos médicos. Los proveedores que son parte de la red de nuestro plan se llaman proveedores de la red.

- Los **servicios** incluyen cuidado médico, cuidado de la vista, suministros, equipos y otros servicios.

- Los **proveedores de la red** son aquellos que tienen contratos con nosotros para brindar servicios a los afiliados en nuestro plan. Los proveedores de nuestra red generalmente nos facturan directamente por el cuidado médico que le brindan a usted. Cuando usted consulta a un proveedor de la red, normalmente no paga nada por los servicios cubiertos. Un **Proveedor de Cuidado Primario** (PCP, por sus siglas en inglés) es un proveedor que le brinda cuidado médico rutinario. Su PCP conservará su expediente médico y conocerá sus necesidades de salud a lo largo del tiempo.

- La **telesalud** le permite recibir servicios médicos de sus proveedores a través de comunicación electrónica que incluye audio y video, llamadas telefónicas, monitoreo remoto de pacientes o comunicación mediante correo electrónico seguro o un portal seguro para pacientes. Los proveedores que ofrecen servicios de telesalud se identifican con la etiqueta "Atención Virtual".

- Los **especialistas** son médicos que proporcionan servicios de cuidado de la salud para una enfermedad, afección o parte del cuerpo específicas. Existen muchas clases de especialistas. Estos son algunos ejemplos:

  - Los oncólogos atienden a pacientes con cáncer.
  - Los cardiólogos atienden a pacientes con afecciones del corazón.

- Los ortopedistas atienden a pacientes con ciertas afecciones de los huesos, las articulaciones o los músculos.

- También tiene acceso a un coordinador de cuidado de la salud y a un equipo de cuidado médico que usted elija. Su PCP trabajará en estrecha colaboración con su coordinador de cuidado de la salud y su equipo de cuidado médico. Su equipo de cuidado médico también trabajará en estrecha colaboración con todos los afiliados del equipo, incluidos los proveedores de OhioRISE y los coordinadores de cuidado, cuando corresponda.

  - Su **coordinador de cuidado de la salud** le ayuda a administrar todos sus proveedores y servicios. Trabaja con su equipo de cuidado médico para asegurarse de que reciba el cuidado médico que necesita.

  - Su **equipo de cuidado médico** incluye coordinadores de cuidado médico, guías de cuidado médico y trabajadores de salud comunitarios. Todos los integrantes del equipo de cuidado médico trabajan en conjunto para garantizar la coordinación de su cuidado médico. Esto significa que se aseguran de que las pruebas y los análisis de laboratorio se realicen una vez y que los resultados se compartan con los proveedores adecuados. También significa que su PCP debe conocer todos los medicamentos que toma para que pueda reducir los efectos negativos. Su PCP siempre pedirá su permiso antes de compartir su información médica con otros proveedores.

## B2. Proveedor de cuidado primario (PCP)

Usted puede recibir servicios de cualquier proveedor que esté en nuestra red y acepte afiliados nuevos.

Primero, tendrá que elegir un Proveedor de cuidado primario, o PCP. Si no elige un PCP, le asignaremos uno. Podría hacer que un especialista actúe como su PCP, por ejemplo, si está embarazada o tiene una afección crónica, una discapacidad o una necesidad especial de cuidado de la salud. Para solicitar que se designe al especialista como su PCP, llame a Servicios para afiliados al 877-856-5702 (TTY: 711). Estamos disponibles de lunes a viernes, de 7 a.m. a 8 p.m., hora del este.

Para elegir un PCP, vaya a la lista de proveedores en la página 3 y:

- Elija un proveedor que utilice ahora, **o**
- Elija un proveedor que le haya recomendado alguien de su confianza, **o**
- Elija un proveedor cuyo consultorio esté ubicado en un lugar al que pueda llegar con facilidad.

- Si desea recibir ayuda para elegir un PCP, llame a Servicios para Afiliados al 877-856-5702, de lunes a viernes, de 7 a.m. a 8 p.m., hora del este. Los usuarios de TTY deben llamar al 711. La llamada es gratuita. O visite es www.Humana.com/HealthyOhio.

- Si tiene preguntas sobre si algún servicio o cuidado que desea o necesita está cubierto, hable con su coordinador de cuidado de la salud, si se le ha asignado uno, o llame a Servicios para Afiliados para preguntar sobre un coordinador de cuidado de la salud o los pasos que debe seguir **antes** de recibir el servicio o cuidado médico.

## B3. Proveedores de farmacias

Cuando necesite servicios de farmacia, le ayudaremos a coordinar los servicios con el Administrador de Beneficios de Farmacias Únicos de Medicaid de Ohio (SPBM, por sus siglas en inglés). El SPBM es una entidad especializada de cuidado administrado contratada para administrar el programa de medicamentos recetados de Medicaid en Ohio.

Usted puede elegir cualquier farmacia disponible en la red. Puede encontrar un directorio de farmacias disponibles en https://spbm.medicaid.ohio.gov. Aquí también encontrará detalles sobre el programa SPBM, incluyendo acceso al manual para afiliados de SPMB, la lista de medicamentos preferidos de Ohio e información sobre qué medicamentos pueden requerir autorización previa.

## B4. Proveedores de OhioRISE

También le ayudaremos a coordinar los servicios con el plan OhioRISE si usted o su hijo están inscritos en este program especializado de salud mental. Puede encontrar información sobre el plan OhioRISE y los proveedores de la red disponibles en: AetnaBetterHealth.com/OhioRISE.

## B5. Cómo identificar proveedores en la red de Humana Healthy Horizons in Ohio

Usted debe obtener todos sus servicios cubiertos de proveedores de nuestra red. Estos proveedores tienen un acuerdo para trabajar con nosotros y proporcionarle servicios. A estos proveedores los llamamos "proveedores de la red".

Las excepciones a esta regla están dadas cuando usted necesita cuidado de emergencia o servicios de salud del comportamiento a través de un centro y no puede llegar a un proveedor del plan, por ejemplo si está lejos de su casa. Además, durante un período limitado después de su inscripción en Humana Healthy Horizons in Ohio, puede consultar a sus médicos y otros proveedores de servicios fuera de la red, lo que incluye proveedores de hogares para personas de la tercera edad y de residencia asistida, profesionales de enfermería, cuidadores y LTSS en el hogar o proveedores cubiertos por la "exención de servicios".

También puede salir del plan si Humana Healthy Horizons in Ohio le da permiso primero. Llame a Servicios para Afiliados para pedir usar proveedores fuera de nuestra red, para que podamos hacer los arreglos necesarios para usted.

- Puede cambiar de proveedores dentro de la red en cualquier momento durante el año. Si usted ha estado utilizando los servicios de un proveedor de la red, no es obligatorio que lo siga haciendo con el mismo proveedor.

- Humana Healthy Horizons in Ohio trabaja con todos los proveedores de nuestra red para satisfacer las necesidades de las personas con discapacidades, como contar con consultorios y salas de examen accesibles. Según corresponda, la lista de proveedores de la red en este Directorio incluye información sobre las adaptaciones que estos proveen.

- Si necesita consultar a un proveedor y necesita confirmar si ofrece las adaptaciones que usted requiere, Humana Healthy Horizons in Ohio puede brindarle ayuda. Hable con su coordinador de cuidado de la salud para recibir asistencia.
