La Lista de Medicamentos Preferidos de Humana Healthy Horizons® in Oklahoma puede cambiar durante el año. Estos cambios podrían significar que un medicamento ya no sea preferido o que tenga nuevas reglas para que podamos cubrirlo. A continuación, encontrará una lista de los medicamentos que han cambiado.

Cómo leer los cambios de su lista de medicamentos

- **Retiro de medicamentos de la lista:** Estos medicamentos eran preferidos, pero ahora se retirarán de la lista de medicamentos. Si su medicamento se retira de esta lista, es posible que tenga que pagar su precio completo.
- **Autorización previa:** Estos medicamentos deben tener la aprobación de Humana Healthy Horizons® antes de que los cubramos. A esto se le conoce como autorización previa.
- **Terapia por fases:** En el caso de estos medicamentos, se exige probar primero al menos otro medicamento.

Sus próximos pasos

- **Hable con su proveedor de cuidado de la salud pronto.** Debería compartir esta lista con su proveedor. Puede ayudarle a decidir qué tiene que hacer a continuación.
- **Solicite la aprobación.** Si los medicamentos alternativos no le funcionan, su proveedor debe informar a Humana Healthy Horizons® por qué necesita su medicamento actual. Su proveedor puede encontrar los pasos para solicitar la aprobación en **es-www.humana.com/PA.**
