Humana Healthy Horizons® in Virginia

After you deliver

Your baby will be enrolled in Humana Healthy Horizons® in Virginia effective the month they are born. You do not have to do anything to enroll your baby.

Have a visit with the doctor who delivers your baby between three and six weeks after your baby is born. During this visit, talk to your doctor about your family-planning options.

Healthcare for babies

Children should see their doctors regularly from birth through age 20, to make sure they are and stay healthy.

Members up to age 20 can get any medically necessary health service to treat, prevent, or improve a health problem. This special set of federal benefits is called Early and Periodic Screening, Diagnostic and Treatment (EPSDT) services.

The purpose of the EPSDT program is to find and treat health problems early, so your child can have the best possible health and development possible.

These benefits are free and cover:

- 10 well-child checkups in the first 2 years of life (13 checkups in the first 3 years of life)
- Annual checkups for Medicaid recipients in Virginia between the ages of 3 and 20
- Hearing, vision, and dental screenings to diagnose any health problems your child may have
- Medical and dental treatments and equipment determined as medically necessary

Your baby needs a checkup within seven days of birth. If you do not have a doctor for your baby (pediatrician), use our online Find a Doctor service at [Humana.com/FindADoctor](https://www.humana.com/FindADoctor) to look for doctors in your area.

Visit [Humana.com/VirginiaKids](https://www.humana.com/VirginiaKids) for more information about:

- Early and Periodic Screening, Diagnostic and Treatment services
- Vaccines and healthcare your baby needs between birth and age 21
- When your baby should see their pediatrician

We do our best to make health care easy. We aim to give you what you need to feel your best PLUS things that you didn't even know you needed. Telling you what's healthy isn't enough. We want to help you get there. **We call that human care.**

Rewards have no cash value. The monetary amounts listed above are reward values, not actual dollars.

Go365 for Humana Healthy Horizons is available to all members who meet the requirements of the program. Rewards are not used to direct the member to select a certain provider. E-gift cards cannot be used to purchase prescription drugs or medical services that are covered by Medicare, Medicaid, or other federal healthcare programs; gambling, alcohol; tobacco; e-cigarettes; or firearms. E-gift cards must not be converted to cash. Rewards may be limited to once per year, per activity.
